RESOLUTION COMMENDING NATHANIEL WASHINGTON FOR MORE THAN SEVEN YEARS OF
OUTSTANDING SERVICE TO THE CITIZENS OF NEWARK AS THE DIRECTOR OF THE DEPARTMENT OF
RECREATION AND PARKS.

(Copy of resolution submitted to each Member of the Council)

A motion to adopt the resolution was made by President Harris, seconded by Councilman Tucker.

President Harris read the following resolution:

WHEREAS, Nathaniel Washington was instrumental in forming a Department of Recreation and Parks for the City of Newark; and

WHEREAS, as the first Director of said Department, Nathaniel Washington set a firm foundation for the future by establishing a clear set of goals under which the Department could operate; and

WHEREAS, through the leadership of Director Washington, the Department made great strides in building and rehabilitating a number of parks and recreation centers to provide expanded recreational opportunities for many of Newark's youth; and

WHEREAS, Director Washington played a vital role in setting up recreation centers and programs in Newark's public housing projects to serve the project residents; and

WHEREAS, through the efforts and commitment of Director Washington, hundreds of Newark's children have been able to participate in national athletic tournaments as well as thousands of others who have been able to attend summer and winter day camps at Newark's Watershed property; and

WHEREAS, Director Washington has been recognized by his peers on an international level for the work he has done in the area of urban recreation; and

WHEREAS, Director Washington will shortly be leaving Newark to utilize his talents and abilities as Deputy Commissioner of Recreation for the City of Philadelphia:

NOW, THEREFORE, BE IT RESOLVED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY, that they do hereby commend Nathaniel Washington for more than seven years of outstanding service to the citizens of Newark and offer him best wishes for future success.

BE IT FURTHER RESOLVED that a copy of this Resolution suitably inscribed be presented to Nathaniel Washington on behalf of the citizens of Newark.

The motion to adopt the resolution was declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, Johnson, Martinez, Tucker,
President Harris..

President Harris, in behalf of the Members of the Council presented Director Washington with an engrossed copy of resolution.

Director Washington thanked the Members of the Council for allowing him the opportunity to service the citizens of Newark. They have attempted in the past 7½ years to provide the opportunity for a number of youngsters and senior citizens and

handicapped to take advantage of the facilities they have presently. They have built new facilities and they are in a process of rehabilitating the old. There is nothing more important than a strong investment in the youth of Newark.

Director Washington said he is only a phone call away and assured the Council he will use the vast resources of the Philadelphia Department to give them anything they want, at no cost to the City.

Councilman Bottone said he thinks Director Washington and he have something unique and that is the first night Director Washington spent in Newark, he spent the night at his house. He thinks from that one night in his home, a tremendous relationship blossomed, flourished and still is nourished. He wished the Director the best of luck.

Councilman Carrino said that the North Ward is always left out in the mainstream of City government and not until he personally met Director Washington were they able to set up several recreational facilities in the North Ward and become part of the recreational mainstream. He personally thanked the Director and wished him the best of luck.

Councilman Grant said that as the Director returns to the City of Brotherly Love, he would like to add his congratulations to him by saying he has demonstrated in his opinion the very best professionalism since he has been with the Administration in the City of Newark. He came into Newark as a professional and is walking out with his head high as a professional. He suggested to him the words of the old prophet "may you live as long as you want, and may you never want as long as you live."

(Councilman Johnson arrived 8:25 P. M.)

Councilman Johnson noted that Director Washington brought a special touch to Newark that we needed, he has allowed us to get a true international look at what recreation can be, in importance of recreation in the family structure. He wished him the best of luck for himself and his family.

Councilman Martínez indicated upon first meeting Director Washington he knew he was truly a professional. He thinks the loss today in the City of Newark will be Philadelphia's gain. He recalled meeting him a few years ago and indicating to him there were not enough Little League Ball Fields in the East Ward and his supervision and the paper work he did with the Federal Government, a Little League Ball Field became a reality for the first time in the East Ward. He recalled he met with the parents of the Hockey League and they indicated to him that their structure had problems. He saw to it that the necessary funds were provided to get a new hockey rink and to work with them diligently to keep the young people off the streets.

Councilman Martinez continued that Director Washington has gained the respect and warmth of every person in the East Ward. If today things are different it is because he feels he is the most underpaid Director in the City of Newark and perhaps the most overworked and he is very sorry to see him leave. He would hope that he would stay but under the circumstances he can understand it. He knows wherever he goes he will be successful.

Councilman Tucker said he had the pleasure of working with Director Washington not only as a Member of the Council but also working prior to his tenure within Administration. He recalls the Governor's report which came out in 1967 dealing with the rebellion that took place in Newark that everyone refers to as the riots. One of the prime concerns of that report was that Newark did not have an open space or green acres area and he remembers the trials and tribulations with the new Administration coming on in 1970 and remembers quite clearly exactly the job Director Washington has done on developing parks within the inner City area of the City of Newark. He thinks when the Director leaves the City of Newark, people should be well aware that the majority of the parks in the open space that we currently enjoy now, that we did not have within the 1960's is basically attributable to the kind of work that the Director has done on a national level by getting the actual funds needed to make the green space in the City of Newark a reality. It is also important to highlight a couple of other factors. We sat here as a Council and we knew for sure there was land in the Watershed area but to be very frank we had no idea that inner City kids could utilize that particular area for recreational purposes. He remembers meetings taking place with parents and children who wanted an outdoor recreation area and remembers quite clearly it took a person like Director Washington to go to Washington, D.C. and obtain the funds that were needed to renovate and to create a recreational area in the Watershed area. He would like Director Washington to know that he recognizes that a large number of residents within the City of Newark recognize that as well.

Councilman Tucker agrees with his colleagues that the Director's leaving the City of Newark will be a loss to the City of Newark because he has what a lot of Department Heads in the City of Newark who are even still here today don't have, and that is a commitment to the task of what he is assigned to do. He works well with children because basically he loves children and works well on developing recreational programs also for adults because he sees that is a viable part of any particular development of an individual whether it be a child or an adult. He is clearly of the

opinion that Newark is at a loss and we are going to have to look high and dry to try to attempt to find someone to fit his shoes.

Councilman Tucker added he would like to congratulate the Director for the job he has done, a well developed job and a tremendous job for the last 7 years. He not only wishes him luck but all the best because he has done for Newark, coming from Philadelphia, what a lot of people within the City of Newark could not do for the City.

President Harris said he thinks his colleagues have said it all. He wished for the Director that the good Lord continue to store his blessings on him and may he continue through a life's hard journey with good health and happiness.

Newark, New Jersey, February 6, 1980

A regularly scheduled meeting of the Municipal Council of the City of Newark New Jersey, was held on the above date in the Council Chamber, City Hall, Newark, New Jersey, at 1:15 P. M.

The audience arose for the National Anthem.

The prayer was offered by Reverend Booker T. Cartwright, Bethel A.M.E. Church.

The City Clerk announced due to the absence of President Harris, he would entertain a motion to elect a Temporary President.

A motion to elect Councilman Ralph T. Grant, Jr., Temporary President, was made by Councilwoman Villani, seconded by Councilman Bottone.

There were no further nominations.

The motion to elect Councilman Ralph T. Grant, Jr., Temporary President was adopted by the following votes:

Yes: Councilmen Bottone, Carrino, James, Johnson, Martinez, Villani.

Not Voting: Councilmen Grant, Tucker.

Temporary President Grant called the meeting to order and asked for roll call.

Present: Councilmen Bottone, Carrino, James, Johnson, Martinez, Tucker, Villani, Temporary President Grant, City Clerk Frank D'Ascensio, Clerk of the Municipal Council; Sergeant Jerry Christmas, Sergeant-at-Arms.

Temporary President Grant stated, "In accordance with New Jersey P. L. 1975, Chapter 231, Section 5, adequate notice of this meeting has been provided by notifying by mail the Newark Star Ledger and Elizabeth Daily Journal, by posting on the designated bulletin board in the basement of City Hall and by filing in the Office of the City Clerk on December 13, 1979 the schedule of regular meetings and conferences of the Newark Municipal Council.

In addition, the agenda of this meeting was similarly disseminated on January 29, 1980 at the time of its preparation. All persons who prepaid for advance notice of meetings also received copies of the schedule and agenda as required by law."

Councilman Johnson said he is requesting Item 6-Ph, S & F-g be advanced based on the fact he has to leave because Police Officer Parker's funeral is being held at 1 o'clock, and as the Ward Councilman where Mr. Parker resided it is his duty to be there to represent his ward and the Council.

February 6, 1980

A motion to consider Ordinance 6-Ph, S & F-g at this time was made by Councilman Johnson, seconded by Councilman Tucker and declared adopted by Temporary President Grant by the following votes:

Yes: Councilmen Bottone, Carrino, James, Johnson, Martinez, Tucker, Villani, Temporary President Grant.

6-Ph, S & F-g.

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing date set. It is now before you for public hearing, second reading and final passage:

AN ORDINANCE ESTABLISHING AN ANNUAL ALLOWANCE IN LIEU OF EXPENSES FOR MEMBERS OF THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY.

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

Section 1. That Members of the Municipal Council, with the exception of the President of the Council, shall be paid an annual allowance in lieu of expenses at eight thousand dollars (\$8,000.) which shall be paid in quarterly installments of two thousand dollars (\$2,000.) on March 31, June 30, September 30 and December 31 of each year.

Section 2. The President of the Council shall also be paid an annual allowance in lieu of expenses of nine thousand dollars (\$9,000.) which shall be paid in quarterly installments of two thousand two hundred fifty dollars (\$2,250.) on March 31, June 30, September 30 and December 31 of each year.

Section 3. Any part of any existing ordinance inconsistent with this ordinance are hereby repealed.

Temporary President Grant called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

MR. D. J. HENDERSON, 29 OLD ROAD TO BLOOMFIELD, NEWARK, NEW JERSEY, said it seems this ordinance is evidence of continued fiscal irresponsibility that characterizes Councils' first action after their election in 1978. It is hard to believe they would continue this behavior and consider this ordinance in view of the fact Newark is a City for all practical purposes bankrupt. A City desperately dependent on hand-outs from Federal and State governments, a City defiled and despoiled by vandals and suffocating. A City where almost every week sees a building abandoned and vandalized and gutted by fire, a City whose parks are a disgrace, where businesses leave, where the tax base shrinks and the City becomes a major landlord.

The speaker suggested the Council recognize reality and reject this ordinance.

February 6, 1980

MR. RICHARD DOWLING, 161 ELWOOD AVENUE, NEWARK, NEW JERSEY, REPRESENTING NORTH WARD PROPERTY PROTECTIVE ASSOCIATION, said that they did not raise their voices when the pay raises were approved because they felt they deserved an increase. He is asking the Council consider the plight of all the people and the burden they carry. They will respond to their actions in the same manner they respond to theirs. He urged the Council to reject this ordinance.

MRS. HELEN POCH, 687 SUMMER AVENUE, NEWARK, NEW JERSEY, addressed the Municipal Council opposing this ordinance and urged the Council to reject said ordinance.

DR. JOHN F. DONATO, 66 WILSON AVENUE, NEWARK, NEW JERSEY, said the three people have addressed the Municipal Council and thus far they have not responded. The speaker asked the Council to comment as to the reason why this ordinance is before them.

Temporary President Grant said he thinks the opportunity extended at this time is for the speaker to address the Council and if there are Council persons who would like to respond then it would be their prerogative to do so.

Dr. Donato felt it is an important thing for the City to know, especially under the present circumstances we have just gone through a tremendous problem concerning deficits which were fictitious, the Board of Education is supposed to have a deficit and ended up with a surplus of \$2 million. The City was supposed to be in bankruptcy and they have a surplus of \$15 million, the tax rate is going to be increased. He questioned what is "in lieu of expenses". He felt the public deserves to know why they want to do this and he would prefer they answer the question because they as citizens deserve to know. There is going to be a tax raise, shortage of services of personnel and one of the speakers alluded to the fact that their department has increased out of proportion to any other department and services they are rendering are equally out of proportion in comparison to what other departments are doing. There should be some justification and some response.

Councilman Carrino said he takes exception to what the speaker is saying as far as services coming out of his office. As far as the North Ward is concerned he can't speak for anyone else, his office is open almost 20 hours a day. He takes exception to the fact that he is saying to him that he is not performing services for which he was elected. On every occasion since he has been elected he has not voted for any pay raises. He does not think in the past a Councilman in the City of Newark has had an operating office in the North Ward, been open 20 hours a day almost 7 days a week. He voted against the extra aide they got two years ago and he is sorry, be-

February 6, 1980

cause all it does is make his office more accessible to everybody and people get in touch with his office. He understands what the speaker is here for and he is not criticizing but he voted against this last time and will vote against it this time but the point is he does not think it should always be a blanket type situation. The Mayor of the City of Newark does not even show his "in lieu of expenses" to anybody and we don't even vote on it and they could not even tell him how much he spends a year as far as expenses are concerned, yet never does anyone criticize Administration, never say all of these things come up for Administration. Fortunately, the Mayor's Office has the Community Development money and the MPDO federal funds where 20 of his employees are getting paid \$30,000. a year under those funds which nobody sees or knows about and they always get the criticism. He thinks maybe the speaker should examine some of the CDA money and MDPO money and find out how much from the federal government is being used in Administration and you cannot even get to people in Administration when you try to call them.

Councilman Tucker said his concern is whether Dr. Donato has finished his presentation because what we relate with respect to IRS, he is of the opinion it is their own personal concern.

Councilman Tucker said if he remembers correctly all ordinances have to be advertised and asked whether this ordinance was duly advertised in the newspaper and the City Clerk replied in the affirmative.

MR. ELMONT H. TUNNISON, 241 RIDGE STREET, NEWARK, NEW JERSEY, addressed the Municipal Council urging them to reject this ordinance.

MRS. ESTHER HOWELL, 872 SOUTH 16TH STREET, NEWARK, NEW JERSEY, addressed the Municipal Council opposing this ordinance.

No one else appearing, a motion to close the hearing and adopt the ordinance on second reading and final passage was made by Councilman Johnson, seconded by Councilman Tucker and declared adopted by Temporary President Grant by the following votes:

Yes: Councilmen Bottone, James, Johnson, Tucker, Temporary President Grant.

No: Councilmen Carrino, Martinez, Villani.

Temporary President Grant: The yeses are five and the noes are three. This ordinance having been read on two separate days and having achieved the vote required by the statute, is declared adopted. The City Clerk is directed to deliver same to the Mayor for his approval or disapproval.

February 6, 1980

At a later time in the meeting Councilman James indicated he would change his vote to the negative.

(Councilman James left the meeting at 1:55 P. M.)

Councilman Bottone indicated he would change his vote to "not voting".

Councilman Tucker said with the two Councilmen changing their votes, this ordinance has failed of adoption. He would like to move to close the public hearing and defer. The motion was seconded by Councilman Bottone and failed of adoption by the following votes:

Yes: Councilmen Bottone, Tucker, Temporary President Grant.

No: Councilmen Carrino, Martinez, Villani.

Councilman Tucker said if an ordinance or a resolution fails of adoption it is in effect an automatic deferral. His particular concern in raising to deal with the deferral is to close the public hearing on this matter. If his colleagues feel that want to leave the public hearing open it is fine with him but we should be knowledgeable of what we are basically dealing with.

Councilman Martinez said for the benefit of the public, he would request the City Clerk to review what has happened to Ordinance 6-Ph, S & F-g.

City Clerk D'Ascensio said the first action was to close the hearing and adopt the ordinance and that vote was carried; a second request by Councilman James to change his vote, as a request of which various other votes were changed and the motion to close the hearing and adopt was lost. The second action was by Councilman Tucker, seconded by Councilman Bottone to close the hearing and defer. That motion was lost which means we are back to the beginning before any motions were made and the ordinance is before the Council on public hearing. It will appear automatically on the February 20th meeting for further attention by the Council.

A motion to consider Communication 8-e at this time was made by Councilman Martinez, seconded by Councilman Johnson and adopted by the following votes:

Yes: Councilmen Bottone, Carrino, James, Johnson, Martinez, Tucker, Villani, Temporary President Grant.

8-e.

The City Clerk presented COMMUNICATION FROM HIS HONOR, MAYOR KENNETH A. GIBSON, RECEIVED JANUARY 25, 1980, NOMINATING, SUBJECT TO CONFIRMATION BY THE MUNICIPAL COUNCIL, MR. JOHN ZIDZIUNAS, 29 FOUNDRY STREET, NEWARK, NEW JERSEY, AS A MEMBER OF THE ALCOHOLIC BEVERAGE CONTROL BOARD OF THE CITY OF NEWARK FOR A TERM COMMENCING FROM DATE OF CONFIRMATION AND EXPIRING AUGUST 31, 1982.

(Copy of communication submitted to each Member of the Council)

February 6, 1980

(Mr. Zidziunas met with the Council February 5, 1980)

A motion to confirm the nomination of John Zidziunas, 29 Foundry Street, Newark, New Jersey, as a Member of the Alcoholic Beverage Control Board of the City of Newark for a term commencing from date of confirmation and expiring August 31, 1982 was made Councilman Martinez, seconded by Councilman Johnson.

Temporary President Grant: Will the Council confirm the nomination?

Yes: Councilmen Bottone, James, Johnson, Martinez, Tucker, Villani,

Temporary President Grant.

Not Voting: Councilmen Carrino.

Temporary President Grant: This nomination is confirmed.

(Councilman Johnson left the meeting at 1:50 P. M.)

Councilman Bottone said in reference to this appointment which has been approved, he would like to note for the record this is the first time in a long while the A.B.C. Board in the City of Newark will be a legal body because the gentleman stated in the pre-meeting conference yesterday he is a Republican registered voter and the state law states it must be a bi-partism commission. It has never been that. Now at least we have an A.B.C. Board that is legal according to State Statute. Also, some of his remarks to the new Commissioner before he was elected today, he stated he would like to see some A.B.C. improvements, such as their meetings be recorded, taped, also decisions that they render would be public information and this Body would receive each decision made and also no decision they render would ever be "a reserved decision" behind closed doors without a public hearing or the public present. He hoped with all the adverse publicity our A.B.C. has had over the years, that with the appointment of this new person that many, many improvements will start from this point on. Certainly this body with the authority we have given them and also orders we have given them and hopes they comply and keep them abreast of all their moves from this point on.

Councilman Bottone requested the City Clerk to make sure the A.B.C. Board sends up notices of their meetings that are going to be held and what is going to be heard and also when they are heard and decisions rendered that the Council have a copy of that also.

HEARINGS OF CITIZENS.

6-HC-a.

MR. WILLIAM WALLACE, EXECUTIVE DIRECTOR, 361 OSBORNE TERRACE, NEWARK, NEW JERSEY, addressed the Municipal Council in behalf of the Community Parents Area Development, a non-profit Newark corporation detailing efforts of this group to bring a new concept of revitalization, rebuilding and making their neighborhoods self-sustaining and secure from crime. Examples of this unified efforts can be seen in the East Ward of our City, the Ironbound Commercial Strip, is truth that it can happen. Community parents intend to do the same with an industrial strip in the South Ward area of Newark. A survey taken in December 1979 of industries and homeowners of the South Ward, gave the Community parents the motivation to go to the Federal Economic Development Administration of the United States Department of Commerce for assistance to rehabilitate and redevelop Newark's South Ward. This was an area that flourished for 50 years as a highly industrial manufacturing area. Employers and employees came from that area. There was a minimum of crime, streets of the area were laid with trees and it was Newark's show place. Today that same area is blighted. 70% of the industry that was there moved out and the other 30% are on the verge of moving out. Crime rate of the area is the highest in the City and homeowners want to get out. Community parents intend to turn this around. The training of community residents and new techniques of manufacturing and computerized industries by the

February 6, 1980

businesses that are already in the area and those coming in would create a work force pool that industry needs. Not only will we be supplying to employees some of their needs making it competitive within their field but also find additional jobs for unemployed of the City. They will be training within work sites within the South Ward area, young men and women who are hanging in the streets today.

The speaker requested the Council to grant them \$50,000. from the MPDO/HCDA Budget so they can do the studies, the feasibility study, the planning and development of the South Ward area and bring in \$2 million into Newark. They have community residents, business people who are behind this project 100% and they feel if this Council goes on record saying this project is worthwhile for the citizens of Newark, something will happen in the South Ward area which is blighted, torn down area.

6-HC-b.

MR. ALVIN T. WRIGHT, PRESIDENT, COMMUNITY PARENT FOR AREA DEVELOPMENT, 149 LEHIGH AVENUE, NEWARK, NEW JERSEY, said the area they are talking about is Badger Jeliff, Hawthorne and Clinton Avenues. The area is blighted, businesses have left, buildings are abandoned. By making such improvements it will increase the availability of job opportunities for City residents, increase community awareness and pride within their work areas, living and entire City as a whole. What they can do with a project like this is to perhaps bring some of the teenagers off of welfare and hanging on the corners to make them self-sustaining and bring them in the concept of doing what they are supposed to be doing and not committing these crimes to make the area worse than what it is. They are presently seeking assistance from this City with the aid of the City they can do what Bedford-Stuyvesant did and bring jobs into the community, bring the community people, the industry together and in this way be proud together and working together as a whole.

Councilwoman Villani requested that remarks made by these two gentlemen pertaining to the South Ward, be forwarded to Councilman James.

Councilman Carrino said it is a good time for people to have an explanation about that HCDA money, talking about jobs and giving opportunities for people. Everyone should understand that we are in receipt of \$17 million this year from the federal government for community development. He thinks people should understand that \$4 million of that money is going to pay salaries in the Housing Authority, \$1.9 million is going to pay salaries for people working in the demolition team in the City of Newark which knocked down less than 100 houses last year, which cost the City \$30,000., some towns spend \$30,000. to build homes and it cost us \$30,000. to knock them down. People should realize that the Mayor's administrative people add up to

February 6, 1980

almost a million dollars in salaries for aides that run all over the place doing nothing so that some of these community development programs cannot be included into the total budget of the supposedly \$17 million. When you break it down the local community organizations only have access to possibly \$4 million or \$4½ million for the course of the year. The rest of the \$17 million goes to paying salaries for people on federal programs, people working in the Housing Authority. \$6 million of the \$17 million has to be used for urban renewal in all reality that is something necessary and we can't control. We are working with \$11 million, \$5½ million goes to pay salaries for people which nobody knows about and the biggest disgrace is the demolition. We have almost 1,500 homes that have to be demolished. It cost a private contractor \$3,000. to demolish a home and the City of Newark \$30,000. Understand that when all these community groups including yourself come and talk to the Council about being included in community development, it is very difficult to include them into a piece of pie that only adds up to about \$4 million when every one is under the assumption there is \$17 million to split. He thinks some letters should be written to Administration informing them when we have viable community groups such as themselves, and propose projects, which could eventually turn the City around and clean it up and provide private jobs that the City is making a big mistake by using the money to pay salaries to people who are not going to keep our streets clean, not going to build new homes, not going to build factories and not going to provide jobs but just provide political friendships for people. Until this \$17 million a year is used totally for what it is supposed to be used, that is community development, we are never going to get off the ground. We started with 1,500 abandoned homes and end up with 1,400 and have spent \$2.3 million for demolition. He thinks people should get more with the development of public hearing and people should start writing to the federal government and HUD, the people who provide this money to us and tell them that the money is not being used in the most efficient way for the citizens of Newark.

Councilman Bottone said to continue in the same vein and especially when you see groups here that probably have good projects and would like to get on board, but as this pot shrinks every year, when it started out it was in the high \$20 million bracket and every year it decreases a few million. The only thing that didn't decrease is the salaries and the personnel that was on board and yet some programs we instituted years ago were very good programs, day care, etc. Those you certainly cannot close but their upkeep has risen over the years. The pot for community development has gotten smaller and smaller, where the salaries have gotten larger and larger and what annoyed

February 6, 1980

him the most is that many of them don't even live in Newark and to go even further there are names and they don't even know where they live, so they couldn't list the address. There are many, many good programs they would like to entertain but again they have to do that on the second floor because that is where they would get a direct answer, they hope, or why they wouldn't take his program or his proposal or why, they will.

6-HC-c. DR. JOHN F. DONATO, 66 WILSON AVENUE, NEWARK, NEW JERSEY, said he was impressed with the remarks made by Councilmen Bottone and Carrino. These are the things they can't get a handle on. They can't find out and they know the balance of power, strong Mayor-Council form of government sort of puts Council in a weakened position but they have the strength and investigatory power and the time to look into these things. They are aware of these abuses only through innendo and through the grapevine. It is unfortunate that this is one of the ways the public is informed. However, the last statement was of the utmost importance and relevance to this City and as you know there is a present investigation going on especially in the Department of Demolition, rehabilitation and so forth. He felt these remarks should be addressed to the Investigatory Federal Body and their support be put behind this to encourage an investigation to see what is going on. When we have lost 3 or 4 million dollars from this particular benefit it is outrageous and this Body permits \$30,000. to demolish a home and then have a private contractor demolish. It raises a lot of questions.

The City Clerk was directed to invite Business Administrator Hill and Assistant Business Administrator Banker to meet with the Council at their special conference February 13, 1980.

8-c.

The City Clerk presented COMMUNICATION FROM ACTING BUSINESS ADMINISTRATOR BANKER, RECEIVED JANUARY 17, 1980, ENCLOSING PROPOSED "ORDINANCE TO AMEND TITLE 5, AMUSEMENTS, AND AMUSEMENT BUSINESSES, TITLE 8, BUSINESSES AND OCCUPATIONS, TITLE 12, FOODS, DRUGS AND COSMETICS AND TITLE 24, TRANSPORTATION, OF REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, 1966, AS AMENDED AND SUPPLEMENTED. (TO ADJUST FEES FOR VARIOUS MUNICIPAL LICENSES)."

(Copy of ordinance submitted to each Member of the Council)

Councilman Carrino said he takes exception to this communication. Because of the plight of the City, because of the crime, the shrinking tax base, because of the movement out of the City, businesses and individuals, we have now developed a policy to keep raising licenses of everything and everybody who is in any kind of business in the City of Newark. Some of the licenses involved involve the sale of milk, pay more to sell milk in stores, people are going to have to pay more to sell drugs and cosmetics in stores which is going to necessitate the property owners and businessmen in the City of Newark to raise the prices on their shelves which is going to further aggravate the situation where people are going to go to the suburbs or malls to shop which is going to cause more businessmen to close down their shops. He felt we are going in line with administrative policy that is going to lead us to a dead end and unless we stop this kind of thing of raising peoples taxes and licenses to make up for some of our shortcomings being able to provide services in the City, all we are doing is causing more and more people to leave the City of Newark.

Councilman Tucker said he knows, based on communication we were in receipt of, the Mayor had indicated his particular position or posture that the regulatory agencies we have as a City administration, that the cost of operation of those regulatory agencies should be borne by the industry that is being regulated. His only concern is and he personally supports that posture, in regard to this is we do not have the statistical information at this point and time to say we should raise the milk fees, raise whatever particular fees, based on anything. Mr. Banker indicated he was going to have that information for us today. We have raised this in our pre-meeting conference yesterday and the information at this point and time is not here. He knows it was the request of the Assistant Business Administrator to move this to first

February 6, 1980

reading. He is of the opinion, especially dealing with 8-c, that we should receive some sort of documentation as to what the cost is. He has raised a major question dealing with the taxi division, being the Chairman of the Taxi Committee. He knows full well that the generated income at least we currently have right now basically meets the obligation because that division was devised with that in mind. He knows that approximately three years have gone by and he is aware that municipal employees have been in receipt of a 5% raise per year but he does not believe that it self mandates that we increase taxi drivers license 100% and increase taxi medallion fees approximately 125%. His only concern is what was the rationale or the statistical information analyzed to come up with this recommendation. He does not believe we should do anything until we get it.

City Clerk D'Ascensio said he received late this afternoon some of the information Councilman Tucker is seeking, however, we have invited Members of Administration to a special conference February 13th.

A motion directing the City Clerk to place this ordinance on February 20, 1980 Calendar of the Municipal Council for first reading was made by Temporary President Grant, seconded by Councilman Bottone and failed of adoption by the following votes:

Yes: Councilman Bottone.

No: Councilmen Carrino, Martinez, Tucker, Villani, Temporary President Grant.

8-d.

The City Clerk presented COMMUNICATION FROM ACTING BUSINESS ADMINISTRATOR BANKER, RECEIVED JANUARY 18, 1980, ENCLOSING PROPOSED "ORDINANCE TO AMEND AN ORDINANCE ENTITLED, 'AN ORDINANCE CREATING CERTAIN POSITIONS, THE NUMBER OF SAID POSITIONS, AND THERE IS ALSO HEREBY ESTABLISHED SALARIES FOR CERTAIN OFFICERS AND EMPLOYEES OF THE FIRE DEPARTMENT OF THE CITY OF NEWARK, NEW JERSEY (6-S & F-bf) ADOPTED NOVEMBER 22, 1966.' (TO INCREASE THE NUMBER OF FIRE CHIEFS, U.F.D. POSITIONS)."

(Fire Chief, U.F.D. 2 \$32,020. - \$32,020.)

(Copy of ordinance and correspondence submitted to each Member of the Council)

Councilman Martinez said initially his first reaction was when he read the ordinance was not to go for it but he thinks all of us have to have a tremendous respect for Fire Director Caufield. He came into the pre-meeting conference and indicated his reasoning why he was going to do this. He said the Chief who was taking the place of the Chief who was on terminal leave at this point and time was number 1, a Newark resident, number 2, he passed the test and came out number 1 on the Civil Service examination but due to the demotions and so on, layoffs in the City of Newark,

February 6, 1980

therefore, he did not take the first chief's place who was Chief O'Brien. He indicated Chief Kossup is one of the finest fire officers he has in the Fire Department. He also has to respect Director Caufield because he is making an appointment from the Civil Service list, he is not leaving the chief position vacant as there is in the Police Department. In the Police Department we do not have a police chief, we still have an acting chief, and he thinks Director Caufield, when he indicated that there is a certain lack of authority in an acting chief over a permanently appointed chief, he has to agree. Therefore, based on Director Caufield's relationship and discussion with the City Council he is happy to move it.

Councilman Bottone said he doesn't completely agree with that statement but he would like to know two things before he votes on this. Is this in next years proposed budget, how much is appropriated for the job of fire chief, although it might be two positions being funded or one.

Chief Analyst Polster replied he does not have the budget but will check it out.

Councilman Bottone said the most important thing is that added in the ordinance it should state that this is a self destroying ordinance, that after one year, 1981, go back to one chief.

Temporary President Grant noted that in the ordinance, only one can serve at a time and this is a highly unusual unique situation. He thinks part of Director Caufield's discussion was that at the end of the calendar year it would cease.

Councilman Martinez said that the chief who maintained the position, resigned or retired, had time and vacation coming, terminal leave, etc. which amounted to one year, which means he would leave the Fire Department and leaving that position vacant, they are not doing anything illegal.

A motion directing the City Clerk to place this ordinance on the February 20, 1980 Calendar of the Municipal Council for first reading was made by Councilman Martinez, seconded by Councilman Bottone and adopted by the following votes:

Yes: Councilmen Bottone, Carrino, Martinez, Tucker, Villani,
Temporary President Grant.

Temporary President

Newark, New Jersey, February 11, 1980

A special meeting of the Municipal Council of the City of Newark, New Jersey, was held on the above date in the Council Chamber, City Hall, Newark, New Jersey, at 3:10 P. M.

President Harris called the meeting to order and asked for roll call.

Present: Councilmen Bottone, Carrino, Grant, James, Tucker, Villani,
President Harris, City Clerk Frank D'Ascensio, Clerk of the Municipal Council.

President Harris stated, "In accordance with New Jersey P. (Copy of resolution submitted to each Member of the Council)

A motion to adopt the resolution was made by Councilman Johnson, seconded by President Harris.

Councilman Johnson read the following resolution:

WHEREAS, James F. Nance has faithfully and honorably served the citizens of the City of Newark as a police officer for nineteen years; and

WHEREAS, annually, the National Black Police Association recommends the names of its outstanding members to regional committees for their consideration as "Man of the Year"; and

February 20, 1980

WHEREAS, James F. Nance, a co-founder of the National Black Police Association, was chosen as the 1979 Man of the Year, by the Committee for Region 1, which includes New York, New Jersey, Maine, Massachusetts, New Hampshire and Vermont; and

WHEREAS, in addition to this fine honor, James F. Nance has received numerous awards for outstanding performance as a police officer, including the P. Ballantine and Sons Valor Award, 200 Club Award for Valor, Police Department Medal of Honor, American Legion Valor Award and a number of Police Department Commendations and also, for his community service, Mr. Nance has been honored by the United Community Corporation, the National Council of Negro Women, Action Now, and Committee for a Unified Newark;

NOW THEREFORE BE IT RESOLVED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY.

That they tender this resolution of official commendation to James F. Nance, Newark police officer, for outstanding and meritorious service to the citizens of Newark, in recognition of his many contributions to the City of Newark and its residents, both as a police officer and as a resident of the Newark community.

BE IT FURTHER RESOLVED that a copy of this resolution suitably inscribed be presented to James F. Nance.

The resolution was declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

7-M-a. A MOTION COMMENDING ARNIE ELLISON, WILLIE ELLISON AND WILLIE SMITH FOR BRAVERY IN RESCUING A NUMBER OF PERSONS FROM A FIRE AT 278 HAWTHORNE AVENUE, was made by Councilman James, seconded by Councilman Johnson.

Councilman James read the following Motion:

M O T I O N C O M M E N D I N G

ARNIE ELLISON

WILLIE ELLISON

WILLIE SMITH

who, in the early morning hours of December 19, 1978, upon discovering a fire at 278 Hawthorne Avenue, entered the

burning building and evacuated the men, women and children who were sleeping inside, thereby saving countless persons while risking their own lives; further praising Arnie Ellison, Willie Ellison and Willie Smith for dramatically saving the life of a six-week old baby who was tossed to them from a third floor window of the burning building. The Municipal Council, on behalf of all of Newark's citizens, pays homage to the true heroism of these men for their remarkable bravery and courage.

The motion was declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

Councilman James in behalf of the Members of the Council presented suitably inscribed Motions to Messrs. Arnie Ellison, Willie Ellison and Willie Smith.

Councilman James read in full the following resolution adopted by the Members of the Council at their January 16, 1980 meeting:

WHEREAS, Gus Heningburg has recently stepped down after more than eleven years as President and Chief Executive Officer of the Greater Newark Urban Coalition; and

WHEREAS, on numerous occasions, Gus Heningburg has mediated potentially explosive racial disputes and been instrumental in resolving these conflicts peacefully; and

WHEREAS, Gus Heningburg played a vital role in harmonizing relationships between the parties during the nation's longest rent strike in Newark's public housing projects; and

WHEREAS, the Greater Newark Urban Coalition, under the direction of Gus Heningburg, has made great strides in securing financial and technical assistance for minority-owned small businesses in Newark thereby creating the possibility of new jobs, greater family incomes and the hope of upward economic mobility for many urban residents; and

WHEREAS, through Gus Heningburg, the New Jersey Construction Trades Training Corporation, an offspring of the Coalition, recruited, trained and obtained employment for over 700 minority members in the construction industry, an area that had long been closed to minorities; and

WHEREAS, Gus Heningburg, as one of the original members of the City of Newark Affirmative Action Review Council was responsible for assuring minority participation in major construction projects such as the building of Newark International Airport; and

February 20, 1980

WHEREAS, during his tenure as President of the Coalition, Gus Heningburg has won the heartfelt respect and admiration of countless public officials, business leaders and citizens-at-large for his total commitment to the community;

NOW, THEREFORE, BE IT RESOLVED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY, that they do hereby honor Gustav Heningburg for more than a decade of inspired leadership, unrelenting determination and innumerable achievements which so deeply benefitted the lives of countless citizens of Newark and New Jersey.

BE IT FURTHER RESOLVED that a copy of this Resolution suitably inscribed be presented to Gustav Heningburg, a true friend to the people of Newark.

Councilman James in behalf of the Members of the Municipal Council presented Mr. Heningburg with a suitably inscribed resolution.

A motion to consider Resolution 7-R-r at this time was made by President Harris seconded by Councilwoman Villani and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

7-R-r. RESOLUTION COMMENDING NEWARK SPECIAL POLICE OFFICERS CHAPP LEE BURGESS AND LOYER BRYANT FOR BRAVERY AND VALOR IN THE PERFORMANCE OF THEIR DUTIES ON JANUARY 14, 1980.

(Copy of resolution submitted to each Member of the Council)

President Harris requested Special Police Officers Chapp Lee Burgess and Loyer Bryant to step forward.

President Harris noted often those who are involved in trying to render service for the protection of life of our citizenry, during the course of their work day, meet a great many situations and often times they save lives and they go unrecognized. Recently, these two members of the Special Police Department of the City of Newark performed an exemplary act of heroism and bravery. It is very unfortunate that the Members of the State Legislature have not seen fit to date to grant the necessary legislation to permit Special Police Officers to carry a revolver off duty as well as on duty because as you know, they are on duty all the time. We can see the benefit from what they're doing by just going on Branford Place to see the difference there in terms of the hoodlums who are running rampant in some areas of our City.

A motion to adopt the resolution was made by President Harris, seconded by Councilwoman Villani.

President Harris read the following resolution:

WHEREAS, on the night of January 14, 1980, Special Police Officers Chapp Lee Burgess and Loyer Bryant were confronted by armed and dangerous men; and

WHEREAS, Officer Burgess acted with the highest degree of courage by purposely drawing hostile gunfire toward himself and away from a crowded, public restaurant, thereby saving numerous persons from possible death and injury; and

WHEREAS, Officer Bryant, shortly thereafter, did singlehandedly approach and apprehend an armed suspect; and

WHEREAS, Officers Burgess and Bryant did conduct themselves in such a manner as to bring credit to themselves and the Newark Police Department; and

WHEREAS, the Newark Municipal Council wishes to recognize the bravery and valor displayed by Officers Burgess and Bryant:

NOW, THEREFORE, BE IT RESOLVED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY, that they do hereby recognize and commend Special Police Officers Chapp Lee Burgess and Loyer Bryant for the courage, bravery and valor they displayed on January 14, 1980 in the performance of their duties.

BE IT FURTHER RESOLVED that a copy of this resolution suitably inscribed be presented to Special Police Officers Chapp Lee Burgess and Loyer Bryant by the Newark Municipal Council on behalf of the grateful citizens of the City of Newark.

The motion to adopt the resolution was declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

President Harris in behalf of the Members of the Council presented suitably inscribed resolutions to Special Police Officers Burgess and Bryant.

7-R-bs. RESOLUTION INTRODUCING THE LOCAL BUDGET OF THE CITY OF NEWARK FOR THE YEAR
1980, AUTHORIZING ADVERTISING AND ESTABLISHING THE HEARING DATE ON THE BUDGET AND TAX
RESOLUTION AS MARCH 19, 1980, AT 1:00 P. M.

The City Clerk read the following:

"The hearing on the budget and tax resolution will be held in the Council Chamber on March 19, 1980 at 1:00 P. M. Explanatory statement is as follows:

General Appropriations for the year 1979:

Appropriations within 5% "CAPS"

Municipal Purposes is \$119,627,158.41

Appropriations excluded from 5% "CAPS"

Municipal Purposes is \$54,779,625.41

Local District School Purposes in Municipal Budget is \$12,497,234.00

Total General Appropriations excluded from 5% "CAPS" is \$67,276,859.41

Reserve for Uncollected Taxes is \$18,356,000.00

The Total General Appropriations is \$205,260,017.82

Less: Anticipated Revenues other than Current Property Tax is
\$146,986,215.21

Local Tax for Municipal Purposes Including Reserve for Uncollected Taxes
is \$55,152,948.61

Addition to Local District School Tax is \$3,120,854.00

A motion to adopt the resolution was made by President Harris, seconded by Councilman Carrino and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

Councilman Carrino asked whether this explanatory statement was available to the persons present in the audience and the City Clerk replied that this will be duly published in the Newark Star Ledger.

President Harris stated, "According to State Law, the Municipal Council is introducing the 1980 Newark Municipal Budget in the same form as it was presented by Mayor Gibson January 14th.

Tonight's action is a formality and in no way represents the final budget package which the Council will adopt April 1st. The budget as presented is based on estimated projections and cannot be finalized until we know what the Board of Education and Essex County budgets include for Newark in 1980.

Since the presentation of the Mayor's budget, the City Council and its staff have been going over each departments' projected 1980 fiscal needs. We have posed many questions to division heads, department directors and administration officials

February 20, 1980

and we will continue to inquire into the needs of specific budget requests so that we can act prudently in amending the original spending plan.

Currently Mayor Gibson is projecting a \$258.6 million package, which reflects a considerable decrease in overall spending from the \$290 million budget adopted in 1979. However, this figure can be very misleading because the projected property tax rate proposed by the Mayor is \$9.99-68 points higher than last year's rate.

In the next few weeks, the Council will continue to examine this budget very, very closely with the main objective of reducing the projected tax rate without further hurting the already ailing delivery of city services.

As your legislative representatives, we are very much in touch with your concerns and grievances. We are well aware that a shrinking tax base is putting more and more strain on our residential property owners. We also share with the citizens of Newark in your concern about inadequate street cleaning, garbage removal, demolition, cleaning of vacant lots and more police protection.

For this reason, we intend to spend many long hours over the next few weeks in tightening up the Administration's proposed budget with the goal of trying to stabilize the existing property tax and to improve the delivery of essential city services."

(Copy of resolution and correspondence submitted to each Member of the Council)

A motion to defer action on this resolution was made by Councilman Tucker, seconded by Councilman James.

Councilman Carrino said the Council got into a bind like this once before because we deferred a contract like this. Porterhouse Maintenance has been the subject of a court case, and both Councilman James and he have been purvue to information that has been documented that this company has not performed as a maintenance company to the satisfaction of the City of Newark. If we defer this again they are going to wind up taking us to court again and we are going to end up going through the same procedures. We should reject this contract on the grounds they have not satisfactorily complied with a previous contract and therefore we will not allow them to come into the City of Newark.

President Harris said in response to Councilman Carrino's inquiry, on the advice of the Corporation Counsel's Office, this is the reason why the proposal was made at this meeting for deferment.

Councilman Carrino said on April 9, 1979 upon advice of the Corporation Counsel, we deferred the contract and subsequently we were summoned to go to court because of the advice that we were given by the Corporation Counsel. He does not take any stock

February 20, 1980

in the advice of the Corporation Counsel when it comes to contracts because he was on the stand for three days in regard to the same company.

Councilman James said he would like to remove his second to the motion to defer and concurs with the remarks made by Councilman Carrino that the contract should be voted in the affirmative or rejected as opposed to a continuing procrastination in making a decision on our part. He would also like to add for the record that the terms of the contract have been significantly altered since public bidding. He would also like to again indicate to this Body that this is a building which we do not own and we have spent millions of dollars of taxpayers money renovating, maintaining a building which we do not own and he believes that to approve an almost \$½ million contract for a building which we do not own, he thinks the City should use their own in-house capacity to provide the services. It is also a statement of record of the same company with other contracts of the City of Newark they have not performed satisfactorily and he believes this contract should be denied based on past performance which has not been satisfactory and more importantly he thinks the Business Administrator and Purchasing Agent should come before the Council to explain why these services cannot be performed by City personnel.

Councilman Grant requested Assistant Corporation Counsel Bowen to approach the podium and state for the record the reasons the Corporation Counsel Office is recommending that the matter be deferred as opposed to rejection.

Assistant Corporation Counsel Bowen replied that the recommendation that this be deferred is based on the requirements of law that findings of fact be made and reasons for rejection be stated. She does not believe sufficient reasons for rejection have been stated. They are recommending that this matter be deferred until adequate reasons for rejection can be made.

Councilman Grant asked what is the proposed starting date of this contract and City Clerk D'Ascensio replied March 1, 1980 to February 28, 1981.

Councilman Grant said it means that the contract will start prior to the Council's next meeting date.

Councilman Martinez said it is a sad situation but according to law he is sure we are going to have to watch what we say because these quotes are going to be picked up and are going to appear in court. He would agree at this particular point with the Corporation Counsel's recommended deferral, however, he would also request this Body receive the pertinent information from the Corporation Counsel, from Mr. Ramondini, and Mr. Toma who have indicated to this Body on an oral basis that the performance

February 20, 1980

of Porterhouse Maintenance has been a little less than atrocious and he can't see this Body caught in a legal bind. However, he does believe it should be within the jurisdiction of this Body if they receive such information, that Porterhouse Maintenance is not a responsible bidder, that an emergency or special meeting be called prior to March 1st. The Council at that point, if they had the necessary documentation, could reject the Porterhouse Maintenance contract and he thinks at that point we should be on legal grounds and asked Assistant Corporation Counsel Bowen if he was correct and she replied in the affirmative.

President Harris said in regard to Councilman Martinez's statement, he requested the City Clerk to invite Corporation Counsel Perillo, Business Administrator Hill and Purchasing Agent Lucarelli to meet with the Council at their special conference February 26, 1980.

President Harris indicated to the public that they may find this a little difficult to comprehend at this moment. The City Council, the legislative branch of City Government in no way has a responsibility to participate in the contract procedure that is conducted by Administration. It is a process that is done by the Purchasing Office, headed by Mr. Lucarelli submitting requirements for people to bid on contracts and it is only after Administration has received the highest, or responsible bid, they submit it to the Council to ratify their action. The Council is not engaged in the contract business, they are not out seeking contracts.

Councilman Tucker said notwithstanding all of the comments of his colleagues, which he believes are meritorious, his specific reason for recommending that this item be deferred is to allow Council an opportunity to review the contract in total. He thinks the Members of the Council were in receipt of a communication which came from Administration raising the questions that were embodied in the specs dealing with cleaning, which was part of the contract, which is an overall mechanical one. His specific reason to defer is related to the fact they need to gather more direct information about all the services that were bid on the contract and review exactly whether or not this contract is in compliance with the general policy and procedures of the City and that is the reason why he made the motion to defer.

Councilman Carrino maintained the contract was substantially changed after the bids, by deleting two floors of the building which were advertised, which makes a substantial difference in the contract and that was only corrected by a letter after the fact. Also, they have been given documentation by the Director of General Services that Porterhouse Maintenance has not performed satisfactorily in the past and that it

February 20, 1980

is up to the Council, within their prerogative, given the fact that a contract was substantially changed after the fact and given the fact that they did not perform satisfactorily, to reject the contract and send it back out for bids.

President Harris said some remarks that are being made relative to said contract will be extracted and be part of a suit and the person may very well wind up with the contract.

Councilman James said he is quite sure the Council action has not been due to the pressure of Porterhouse Maintenance which has been lobbied for by this Administration on prior contracts. They certainly will end up in court and he for one is not going to vote for it. He will not be intimidated, he is not going to respond to the lobbying pressures by the Business Administrator with prior contracts supporting Porterhouse Maintenance. He is not going to forget that Porterhouse Maintenance was illegally paid by Administration, \$13,000. He is not going to forget Porterhouse Maintenance started work illegally. He is not going to forget Porterhouse Maintenance received additional work and monies from the City without permission of this Body. He is not going to be intimidated by the Business Administrator or any one else who might have a liking or a concern or interest in Porterhouse Maintenance. The records show that Porterhouse Maintenance has been irresponsible in the conduct of business with the City on previous contracts and based on that he has read the present contract delivered to the Council in sufficient time. He has read the terms of the contract, he will not vote on it under any circumstances.

Councilman Grant said he would like to know whether or not if action is not taken on this contract, whether the Purchasing Agent is going to suggest to the Council that an emergency exists and then move ahead with the letting of this contract even though this Body has not acted on it. In times past, based on that assumption, an emergency would exist, persons have been permitted to execute a contract. He is of the opinion that this matter should not be deferred at this time but bite the bullet and reject it.

President Harris asked what is the date for the next meeting and the City Clerk replied March 5th. This contract is due to go into effect March 1st.

President Harris noted this total Council, not one individual of the 9, is considered friendly with the people who are interested in this contract. There is no question that any one on the Council has a vested interest in seeing to it that this individual gets that contract. He wants to make that very clear for the record and the remarks that were made by one of the individuals who has an interest in this particular contract when they appeared before the Council they took them to task.

February 20, 1980

President Harris said the motion was for deferment.

City Clerk D'Ascensio said the motion was made by Councilman Tucker, seconded by Councilman James. Councilman James has since removed his second.

A motion to defer action on this resolution was made by Councilman Tucker.

President Harris said that Councilman Martinez will second the motion to defer.

Councilman Martinez said he is requesting that this item be deferred, a special conference hearing be held and responsible parties be invited and the President call a special meeting to vote on this item, which gives them the 48 hour notice before March 1st.

President Harris said he will submit to the City Clerk a letter calling for a special meeting and this subject matter will be dealt with prior to March 1st. That way we will not leave any loopholes for any kind of other action.

The motion to defer action on this resolution was made by Councilman Tucker, seconded by Councilman Martinez and declared adopted by President Harris by the following votes:

Councilman James said he just wants to say that he is not speaking for other Members of the Council but he has been somewhat confused of late over the action of Administration. If he recalls, Mayor Gibson forwarded to the Council on February 7, 1980 a group of ordinances calling for significant administrative pay raises for various individuals. In fact the document he forwarded to the Council indicated raises for Department Directors, Division Directors, Deputy Mayor, Secretaries to Boards and Commissions and other management personnel and then of course on February 18th he indicated in the papers he has sent out a request of letter of resignation from the same individuals who encompass the 500 and also he has been led to believe that those who were requested to forward a letter of resignation the starting salary was \$11,500. What he is crying to find out that on February 7th he indicated to the Council he wanted pay raises and he notes in the documents that were prepared in his office, some pay raises were as high as 118% and some 98%, 62%, 60% and 48%. His concern is why the change. If we search the records these questions were raised at the Gateway and these questions were raised at the pre-conference meeting and these questions were stated to other Members of the Council consistently. His concern is that he is very pleased with the action and leadership of the President of the Council in calling for the tabling of all of these measures. He would hope that their action would reflect the fact that they are projecting a 7% increase in our sewer water tax on the citizens of Newark who already are experiencing hardship over the water bills.

February 20, 1980

He would hope their action would also reflect that Administration has forwarded to Council a projected property tax rate of \$9.99 per \$100. assessed valuation of property which will be highly confiscatory. He also hoped the action the Council has taken is in recognizing that Public Service has announced that their utility rate will go up significantly for those living in Urban America particularly and other municipalities as well. He would also hope that their action tonight reflects the continuing energy crisis that we find ourselves in paying \$.94 gallon for oil, the high cost of fuel for automobiles and individuals are struggling not only to survive but also to heat their homes. It is no wonder we find senior citizens who are freezing and starving to death, living on fixed incomes. They must pay utility costs and the only thing they can sacrifice happens to be the food they place in their bodies. To the Members of the Council and the President in particular who took swift action and he does want to make known that the Council President took swift action in notifying Administration that in view of the Mayor's action requesting some 500 letters of resignation and in view of what he hoped the crisis he has heretofore stated, this Council will not move or act favorably upon what he calls an exorbitant, ridiculous and highly insulting pay raise increase.

Councilman Tucker stated just for a matter of record he thinks it should be mentioned when we talk about individuals in some cases in receipt of 75% pay increase he thinks we have to mention the inequities that exist. He knows his colleague from the South Ward and all of the Members of the Council know full well just because a person works for the City of Newark they should not be expected to work for the City of Newark for a period of 10 years and not receive a raise. It is ludicrous for them as a Council, and he finds no fault in stating this that they moved to raise their particular salaries, whether it be high, low or what have you. He thinks it is kind of odd for them to say, Deputy Mayors whose salaries were established by ordinance in 1970 should not be in receipt of an increase after 10 years and they should stay at that salary. He thinks the citizenry, whether they are pro-raise or anti-raise, have to recognize one reality, that the cost of living which all of us are basically affected by, also affects municipal employees. He feels awkward as an elected official supporting a raise package based on the action the Mayor took and then requesting all kinds of resignations. He does not necessarily agree with the Mayor that he is giving an increase, not to any individual, because he thinks that is clearly what we are basically talking about. You can't realistically vote on a raise package without knowing who is going to be within that position. He does believe we have

February 20, 1980

municipal employees who work within the City of Newark who do deserve some consideration. He also shares the opinion that we have municipal employees who work for the City of Newark who do not deserve, under any circumstances, any kind of raise. He thinks to say that nobody deserves a raise is similar to the Mayor's blanket indictment in which he indicates we have people within the City of Newark who need to resign. Clearly, there are a large number of municipal employees who are doing an effective job, there are individuals within the City of Newark who are doing a lousy job. He thinks they should selectively look at those individuals and not come out with a blanket statement that says no one should ever get a raise as long as they work for the City of Newark.

Councilman Carrino said along with what Councilman Tucker was saying, his only problem with the ordinances aside from the fact the raises are so exorbitant, he does not see how the Mayor can expect them to vote raises for people he intends to fire. He thinks as the Chief Executive it should have been incumbent upon him to fire those individuals he feels are not performing services to the City of Newark, then come up with the pay package for those people he feels are performing that service. To ask the Council to vote for raises for people he intends to fire in June, thereby giving them a reward between March 1st and June, is totally asinine. He thinks if the Mayor wants to take the bull by its horns he should take whatever employees he feels are not performing their duties now, and fire them. Certainly the City Council has submitted names and departments to him of persons they feel are not functioning and he is certain he has received complaints from the citizens of Newark about Department Directors and Division Directors who are not performing. Until he takes the bull by the horns and fires those people he feels are not performing, he does not think we should act on any pay raises for anyone.

Councilman Martinez said he basically agreed with most of what has been said by his colleagues. In reference to what Councilman James stated earlier, his decision was based on 500 resignations. His decision was not based on the crisis of the 500 resignations. He thinks his statement came out earlier. They have had many meetings in the City of Newark in all areas of the City and there has been a basic complaint of lack of service, police protection, lack of street cleaning service, sewer problems, etc. Administration has had an opportunity to fulfill some of these requests. Since the first of the year Administration could have hired approximately 40 policemen that have been laid off, the fellows are still out there without work, the citizens are still saying give them the police protection. There isn't a day when you don't pick up the

February 20, 1980

newspaper, particularly the Star Ledger and read about different neighborhoods in the City of Newark with the same problems of crime. Not once has Administration made the attempt to put these 40 policemen back. We have had Administrators and policemen every day in City Hall indicating that they have never seen such resignations in the history of the City of Newark as they are seeing today. They expect a mass retirement in the month of April. If no one is hired at this particular time and the time keeps decreasing, the personnel will decrease. He does not think that we should have to be subjected to any sort of request by Administration for any kind of pay raises until the services the people are requesting, and the people deserve, are fulfilled. Until that point in time we should look into who is deserving of a raise if Administration sees fit. Certainly he would not vote for any pay raises of 118% for any individual.

Councilman James said he wanted to state one concern that some workers have brought to his attention and wanted to state for the record. He hoped that in asking for a letter of resignation that no individual will be badgered for political persuasion. Some of the citizens and workers who have called his office have simply stated to have someone to inspect their work, to evaluate, that they can accept. However, they posed the question, whereas the Administration historically is involved in political campaigns, presently in a presidential race, they plan to become involved in a congressional race, will the performance of their duties, will the acceptance or rejection of a letter of resignation be determined on their political affiliations or political involvement. As a Member of the Council he would just hope, and he says this to the Administration publicly, that any such termination of any individual should be solely on the basis of their performance of duty, responsibility and not whether they support one candidate or another for president, or congress. He says this because this is certainly a concern that many people have expressed.

 City Clerk

 Earl Harris
 President

Newark, New Jersey, February 26, 1980

A special meeting of the Municipal Council of the City of Newark, New Jersey, was held on the above date in the Council Chamber, City Hall, Newark, New Jersey, at 3:50 P. M.

President Harris called the meeting to order and asked for roll call.

Present: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris, City Clerk Frank D'Ascensio, Clerk of the Municipal Council.

President Harris stated, "In accordance with New Jersey P. L. 1975, Chapter 231, Section 5, adequate notice of this meeting has been provided by notifying by mail the Newark Star Ledger and Elizabeth Daily Journal, by posting on the designated bulletin board in the basement of City Hall and by filing in the Office of the City Clerk on December 13, 1979 the schedule of regular meetings and conferences of the Newark Municipal Council.

In addition, the agenda of this meeting was similarly disseminated on February 22, 1980, at the time of its preparation. All persons who prepaid for advance notice of meetings also received copies of the schedule and agenda as required by law."

The City Clerk stated Council President Harris has called a special meeting of the Municipal Council for Tuesday, February 26, 1980, at 12:00 Noon, or as soon thereafter as the Council can convene, to consider the following legislation:

- 1) MAINTENANCE CONTRACT WITH PORTERHOUSE MAINTENANCE, INC., 2 CEDAR STREET.
- 2) CONSIDERATION OF APPOINTMENT OF MEMBER TO BOARD OF ADJUSTMENT.

RESOLUTIONS.

7-R-a.

RESOLUTION AUTHORIZING BUSINESS ADMINISTRATOR TO ENTER INTO CONTRACT WITH PORTERHOUSE MAINTENANCE, INC., 904 ELLIS PARKWAY, EDISON, NEW JERSEY, LOWEST RESPONSIBLE BIDDER, FOR PROVIDING MECHANICAL MAINTENANCE AND OPERATIONS FOR 2 CEDAR STREET, IN ACCORDANCE WITH BID SPECIFICATIONS, FOR PERIOD MARCH 1, 1980 TO FEBRUARY 28, 1981, IN AMOUNT OF \$425,001.60; \$35,416.80 ENCUMBERED IN 1980 TEMPORARY BUDGET OF DIVISION OF PUBLIC BUILDINGS: \$318,751.20 SHALL BE ENCUMBERED FOR APRIL TO DECEMBER 1980 IN 1980 OPERATING BUDGET; \$70,883.60 FOR PERIOD JANUARY AND FEBRUARY 1981 CONTINGENT UPON AND SUBJECT TO APPROPRIATION OF FUNDS IN NEXT FISCAL YEAR.

(Copy of resolution and correspondence submitted to each Member of the Council)

February 26, 1980

(Business Administrator Hill, Corporation Counsel Perillo and Purchasing Agent Lucarelli met with the Council February 26, 1980)

A motion to reject this resolution was made by Councilman Tucker, seconded by Councilman Carrino.

Councilman Tucker read the following communication from the Law Department dated February 26, 1980:

"The Purchasing Agent has submitted to this Council a proposed contract to provide mechanical maintenance services in 2 Cedar Street, Newark, New Jersey. The specifications also provided for certain janitorial services; that is, janitorial services of the 10th and 11th floors and cleaning of all stairwells in the building. Four bids were received by the Purchasing Agent, which bids were based on those specifications. The bids were in the amounts of \$35,416.80, \$35,545.60, \$36,665.00 and \$36,993.17 per month.

After the bids were received, the Manager of Public Buildings informed the Purchasing Agent, that janitorial services should not have been required in the contract since the 10th and 11th floors were unoccupied. The Manager of Public Buildings also informed the Purchasing Agent that only the stairwells on the 10th and 11th floors would have to be cleaned.

Every floor of the building is approximately 12,800 square feet in size.

In light of the size of the area in question, the change in contract specifications is substantial. Also, those contractors who perform mechanical maintenance service and no janitorial services, would have been unnecessarily precluded from bidding on the contract. These problems are especially significant in light of the closeness of the bids. "

Councilman Tucker said in light of the reasons cited in the communication from the Law Department, he moved to reject this resolution and further direct the Purchasing Agent to rebid this contract separating the mechanical aspect from the janitorial aspect.

The motion to reject this resolution was declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

7-R-b.

RESOLUTION APPOINTING JOSEPH GALANTE, JR., MEMBER OF THE BOARD OF ADJUSTMENT FOR A TERM COMMENCING FEBRUARY 26, 1980 AND ENDING FEBRUARY 24, 1984.

(Mr. Galante met with the Council February 26, 1980).

A motion to adopt this resolution was made by Councilwoman Villani, seconded by Councilman Martinez.

Councilman Tucker said based on information that has been provided to him certain individuals are alleging that Mr. Galante does not reside within the City of Newark. He knows the Council had an opportunity to meet with Mr. Galante. At that time he represented that he is a resident and further stated he is not a registered voter of the City of Newark. He thinks Council has to operate purely on the facts in this regard. He does not know the individual and has no problem with that. He does feel there is substantial enough proof that he is in effect a Newark resident, based on that he does not feel it is within his purview to vote against the individual but will not cast an affirmative vote based on the fact he is not a resident or at least the allegation he is not a resident of the City of Newark.

Councilwoman Villani said this is all nonsense. We all interviewed Mr. Galante who stated he is a resident of the City of Newark. His family has long been established in the City of Newark. Councilman Martinez, East Ward Councilman also interviewed him in her presence and definitely stated he is a resident of the City of Newark and she does not know what more we can say. They are a long established family and he is a Newark resident.

The motion to adopt the resolution was declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Villani, President Harris.

Not Voting: Councilman Tucker.

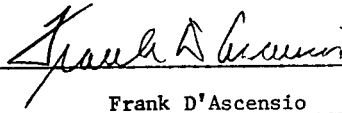

ADJOURNMENT.

12. A motion to adjourn this meeting was made by the Council of the Whole and adopted by the following votes:

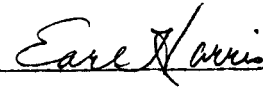

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

AN ORDINANCE TO AMEND AND SUPPLEMENT TITLE 24, TAXICABS, SECTIONS 24:1-1; 24:1-25 (a) (1); 24:1-57 (c); and 24:1-62 OF THE REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, AS AMENDED AND SUPPLEMENTED.

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

SECTION 1. That Title 24, Chapter 1, Section 1 (Definitions) of the Revised Ordinances of the City of Newark, New Jersey, 1966, as amended and supplemented, be hereby amended by adding the following Definition:

Owner-Operator means, in the case of an individual, the person to whom the taxicab license is issued and who drives the taxicab exclusively or in the case of a corporation, the person who holds a minimum of 75% of the voting shares or interest in the corporation and to whom a minimum of 75% of the net profit or loss is attributable.

SECTION 2. That Title 24, Chapter 1, Section 25 (a) (1) of the Revised Ordinances of the City of Newark, New Jersey, 1966, as amended and supplemented, be hereby amended to read as follows:

Fare rates.

It shall be unlawful for an owner or driver of a taxicab to charge or cause to be charged, except as hereinafter provided, a greater sum for the use of a taxicab than in accordance with the following rates:

(a) Schedule of fares to be computed by use of taximeter:

(1) Between points within the city:

For conveying the first one or more passengers between any 2 points within the corporate limits of the city, the rates shall be computed by use of an approved taximeter as follows:

For the first 1/5 of a mile or any fraction thereof.....	\$.75
For each additional 1/5 mile or fraction thereof.....	.20
For each minute of waiting time.....	.20
For each trunk or suitcase over 24" in length carried.....	1.00

SECTION 3. That Title 24, Chapter 1, Section 57 (c) of the Revised Ordinances of the City of Newark, New Jersey, 1966, as amended and supplemented, be hereby amended to read as follows:

Any taxicab licensed under this chapter shall be removed from service as a taxicab when such vehicle shall have attained the age of seven years. All owner-operator taxicabs (as defined herein under 24:1-1, Definitions) are hereby exempted from this provision.

SECTION 4. That Title 24:1-62 of the Revised Ordinances of the City of Newark, New Jersey, 1966, as amended and supplemented, be amended to read as follows:

24:1-62. Senior Citizen Discounts

All senior citizens who have been issued and are in possession of a valid Senior Citizens Reduced Fare Identification Card issued by the State of New Jersey, Department of Transportation, shall be entitled to ride at a reduced fare rate amounting to 75% of the applicable meter or flat rate chargeable for any particular ride. If one or more persons, 18 years of age or older, not entitled to the reduced fare rate accompanies a senior citizen holding a valid Senior Citizens Reduced Fare Card, the reduced fare rate shall not apply. It shall be unlawful for an owner or driver of a taxicab to refuse to provide service to senior citizens who are entitled to receive the reduced fare rate.

SECTION 5. Ordinance 6PHS&F-b010280 is hereby repealed in its entirety and all other ordinances or parts thereof inconsistent herewith are also hereby repealed.

SECTION 6. This ordinance shall take effect upon final passage and publication in accordance with law.

March 5, 1980

(Councilman Johnson arrived 1:18 P. M.)

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

No one appeared.

Councilman Martinez requested the City Clerk be directed to invite Mr. Samuel Cohn to meet with the Council at their special conference March 11, 1980.

A motion to close the hearing and adopt the ordinance on second reading and final passage was made by Councilman Martinez, seconded by President Harris and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Villani, President Harris.

President Harris: The yeses are eight and the noes are none. This ordinance having been read on two separate days and having achieved the vote required by the statute, is declared adopted. The City Clerk is directed to deliver same to the Mayor for his approval or disapproval.

Councilman Carrino said he hopes everyone understands, including the taxicab drivers that the Municipal Council is only empowered to legislate. Whatever administrative or procedural problems they are having, if the Administration of the City of Newark does not want to sit down with them to discuss them the Council is not empowered to override anything that Administration may or may not want. He hoped the people from the taxicab industry understand that we can only vote on anything that has to do with legislation and not vote on the every day progress or administration of the program. Some of the problems that the taxicab people have drawn up and presented to the Council yesterday are problems that they were not knowledgeable as far as their relationship with the Division of Taxicabs. The Council Committee on Taxicabs will at least look at some of the grievances and see if they have the power to intervene in some of those instances where grievances are effected because of neglect or abuse by Administration. If that is the case, then as a Council they are empowered to investigate the shortcomings of any City agency and they will do that if they find there is an abuse or neglect or if the Taxicab Division is not involved with the every-day problems concerning the taxicab industry. Before Council can take any action they have to find out something is wrong administratively and they certainly will do something and Councilman Carrino trusted that some of them will be prepared to appear before the Council to talk about those abuses.

Councilman Martinez stated for the record that Councilman Tucker is attending a funeral and if he was present, his vote would have been in the affirmative.

March 5, 1980

President Harris: The yeses are five and the noes are three. This ordinance is declared adopted on first reading and the City Clerk is hereby authorized and directed to advertise said ordinance and give public notice of its introduction and passage on first reading as provided by law. This ordinance will come for a public hearing and be considered for further action on March 19, 1980.

Councilman Bottone stated he would like to assure that it is in the record that these alternates, although he voted against it, and it has been approved, that when these alternates go to these meetings, they are going to be paid like a regular board member, but to make sure that they do not vote on any issue that they had not heard previous testimony on at another meeting. He thinks any board member who votes on any issue should be alert and must know all the facts before he makes any decision.

Councilman Bottone stated he would hope that we comply with the State Statutes because it's governed by State Statute.

Councilman Martinez suggested Assistant Corporation Counsel Bressler clarify the request made by Councilman Bottone. The question raised by Councilman Bottone, since the Municipal Council has just adopted an ordinance calling for alternates on the Board of Adjustment in order for them to vote, must they have been present at the prior meeting.

Assistant Corporation Counsel Bressler replied that the State Statute provides that no member or no alternates may vote on a matter which is heard during the course of more than one meeting without having been present at that other meeting, or at a minimum having read the transcript of that meeting. That ensures that no member of the board or alternate will be voting on a matter which he or she has not fully heard. Councilman Bottone is correct in that there are no statutory provisions dealing with that matter.

Councilman Bottone stated he would like to have, perhaps on a quarterly basis, the attendance of the people on this board. He would like to see how many come to these meetings.

Assistant Corporation Counsel Bressler pointed out the ordinance as presently voted on by the Council just a few minutes ago, provides that members and/or alternates may be paid only in proportion to the number of meetings which they attend.

AN ORDINANCE AMENDING TITLE 15, CHAPTER 4, OF THE REVISED ORDINANCES OF THE CITY OF NEWARK (1966) BY AMENDING SECTION 14.

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

1. Title 15, Chapter 4, Section 14, of the Revised Ordinances of the City of Newark (1966) be amended as follows:

Article 2 - Heating Facilities: Installation and Maintenance

15:4-14. Supplying of Heat, Penalty.

(a.) Where the owner has contracted or undertaken to do so, heat shall be furnished by the owner to all habitable rooms, bathrooms, water closet compartments and laundries of the dwelling in use by the occupants as hereinunder provided.

(b.) For the purpose of this article, wherever a dwelling is heated by means of a central furnace, boiler or other apparatus, or where there exist heating outlets, radiators, risers or returns in any dwelling unit or rooming unit, such shall constitute prima facie evidence of an implied contract under which the owner has contracted to supply heat to the occupants. This presumption shall not apply where a complete heating system serves only one dwelling unit.

(c.) Where the owner is obligated to supply heat, such heat shall be supplied from October 1 through May 1 so that: (1) between the hours of 6:00 A.M. and 11:00 P.M. a minimum inside temperature of 68 degrees Fahrenheit shall be maintained whenever the outside temperature shall fall below 55 degrees Fahrenheit; and (2) between the hours of 11:00 P.M. and 6:00 A.M. a minimum inside temperature of at least 55 degrees Fahrenheit shall be maintained whenever the outside temperature shall fall below 40 degrees Fahrenheit.

(d.) Any person who shall violate the provisions of this ordinance (section) shall upon conviction be punished by a fine of not more than \$500.00. Each day's failure to comply with the provisions of this ordinance (section) shall constitute a separate offense.

(e.) The court may cause a defendant who refuses or neglects to pay the amount of the fine imposed against him and all costs and charges incident thereto to be committed to the Essex County jail for a period not exceeding 90 days.

(f.) In case a defendant shall have been twice convicted within the space of 6 months of a violation of this ordinance (section) and the proof of this fact is made, the court may, in addition to the imposition of the penalty prescribed by paragraphs (d) and (e) of this ordinance (section) cause the defendant to be imprisoned in the Essex County jail with or without hard labor, for any number of days not exceeding 1 day for each dollar of penalty.

(g.) Where the defendant is other than a natural person or persons, paragraphs (e) and (f) of this ordinance (section) shall apply to any agent, officer, member or partner who shall, alone or with others have charge, care, or control of the premises within the definition of "owner" under the provisions of the housing code of the City of Newark.

2. Any prior Ordinance inconsistent with the above is hereby repealed.

3. This Ordinance shall take effect upon final passage and publication and in accordance with the laws of the State of New Jersey.

AN ORDINANCE AMENDING TITLE 27, ZONING, OF THE REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, 1966, AS AMENDED AND SUPPLEMENTED, BY REVISING SECTION 27:5-3 "PARKING SPACE DEFINED."

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

Section 1. That Title 27, Zoning, of the revised ordinances of the City of Newark, New Jersey, 1966, as amended and supplemented be amended by revising section 27:5-3 to read as follows:

27:5-3 Parking Space Defined

In all districts for all required off-street parking spaces as defined herein, whether or not said parking space is an enclosed or open area, each parking stall shall be no less than 8.5 feet in width and 18.5 feet in length, and said defined area shall be considered one parking space. If a stall is located with one side adjacent to a wall or high curb, an additional 0.5 ft. of width is needed. If walls are on both sides of the parking area, the minimum stall width shall be 9.5 feet.

March 5, 1980

The stall dimensions are in addition to the required maneuver and access aisles as determined by the traffic engineer of the City. In no event shall the overall layout of the off-street parking area be conducive to a back out maneuver onto a collector on an arterial street.

In any case where a reduction of the required area per parking space is permitted by the traffic engineer of the City on the basis of the developer's certification that such space will be fully attended, it shall be set forth in the certificate of occupancy that paid attendants employed by the owners or operators of such spaces shall be available to handle the parking and moving of automobiles at all times when such spaces are in use.

Section 2. Any existing ordinances or parts thereof inconsistent with this ordinance are hereby repealed.

Section 3. This ordinance shall take effect upon final passage and publication in accordance with law.

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

No one appearing, a motion to close the hearing and adopt the ordinance on second reading and final passage was made by Councilman Bottone, seconded by Councilwoman Villani and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Villani, President Harris.

President Harris: The yeses are eight and the noes are none. This ordinance having been read on two separate days and having achieved the vote required by the statute, is declared adopted. The City Clerk is directed to deliver same to the Mayor for his approval or disapproval.

6-Ph, S & F-1.

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing date set. It is now before you for public hearing, second reading and final passage:

AN ORDINANCE PERMITTING THE MAINTENANCE AND CONTINUATION OF AN ENROACHMENT INTO ALLING STREET AND EDISON PLACE, NEWARK, NEW JERSEY, AND PROVIDING PAYMENT THEREFOR, AS HEREIN PROVIDED.

Whereas, Alling Street Urban Renewal Company, a limited partnership, the owner of premises known as Block 155, Lot 1 (Nos. 9-25 Alling Street and 135-141 Edison Place) on the official tax map of the City of Newark for the year 1979, has undertaken, thereon, the rehabilitation of a building for office use, and the completed building will have a stone facade on its exterior sides, encroaching into said Alling Street and Edison Place for a width of a 1/2 of a foot and extending the entire length of the building walls, fronting on said street and said place; and

Whereas, it has been made known to this Council by the Department of Law that the City's Division of Streets and Sidewalks as well as its Real Estate Commission have approved the granting by the City of a license to maintain and continue said encroachments.

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

1. Upon payment to the City of Newark of a consideration of \$250.00, together with the costs and expense in advertising this Ordinance, said City shall grant a license to Alling Street Urban Renewal Company, a limited partnership, its heirs, successors and assigns, to maintain and continue on the premises described in Exhibit A, annexed, the encroachments into Alling Street and Edison Place for a width, not to exceed six inches, along the entire distance of the exterior walls of the building, fronting on 9-25 Alling Street, and 135-141 Edison Place, so long as said exterior walls remain standing.

2. that the license herein granted may in the discretion of the Corporation Counsel be set forth in an instrument to be approved as to form by him and executed on behalf of the City of Newark by its Director of Finance and attested and acknowledged by its City Clerk and shall contain a provision that, if at any time the premises covered by the license, or any part of the same shall be taken or acquired by the City of Newark for a public purpose, no consideration shall be given for the value of the license or any portion thereof.

3. that the license granted shall not imply or create any liability against the City of Newark in favor of any party by virtue of the said encroachment.

4. that said Alling Street Renewal Company, its heirs, successors and assigns shall hold the City of Newark harmless from any claim of damages to person or property arising out of the use, occupancy or possession of the licenses premises.

5. that the Ordinance shall take effect upon publication and passage according to law.

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

No one appearing, a motion to close the hearing and adopt the ordinance on second reading and final passage was made by Councilman Martinez, seconded by Councilwoman Villani and declared adopted by President Harris by the following votes:

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing date set. It is now before you for public hearing, second reading and final passage:

AN ORDINANCE TO PROVIDE FOR THE LICENSING AND REGULATION OF DISCOTHEQUES IN
THE CITY OF NEWARK.

BE IT ORDAINED BY BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK THAT TITLE 5, CHAPTER 11, SECTION 1-11 ARE HEREBY ADOPTED AS FOLLOWS:

Section 1. 5:11-1 Definitions as used in this chapter

Discotheque dancing shall not apply to exhibition or performances where persons paying admission do not participate.

Director: Director means the Director, Division of License.

Discotheque Dancing: means any dancing to recorded or performed music or sounds in which pulsating, flashing, or revolving lights or effects in a substantially darkened atmosphere are used or presented and in which admission can be had either with or without payment of a fee, wardrobe charge or otherwise and in which the public generally may participate or to which admission can be obtained through the presentation, use, or acceptance of a membership card or other thing, whether or not said membership card or other thing is or may be available to the public generally by purchase or gratuitously and whether or not the public generally may participate or not.

Discotheque: Any room, place or space where discotheque dancing is carried on as defined above.

5:11-2 Discotheque License Required

No person shall operate a discotheque until the discotheque shall first have been duly licensed for such purpose; provided, however, that no license shall be required for discotheque dancing or dances held in public schools when held under the supervision of the Board of Education of the City of Newark.

5:11-3 Prerequisite to Licensing

- A- No license shall be issued unless the premises comply with and conform to all laws of the United States, of this State and the ordinances and regulation of the City including building, health, fire prevention and safety ordinances and are, in the judgment of the Director, a safe and proper place for the purpose for which they are to be used and in which there is an operable automatic fire suppression system approved for use by the Newark Fire Department and in conformity with all applicable laws and regulations.
- B- No license shall be issued or renewed unless the applicant therefore shall be a citizen of the United States and a person of good moral character.

5:11-4 Issuance of License and Term of License

- A- The director is hereby authorized to grant the license herein provided for to such persons of good moral character and otherwise qualified according to the provisions of this chapter and to such rules and regulations as he may promulgate as he shall deem fit and proper for the health, safety and welfare of the public.
- B- The license fee as provided by section 5:11-5 shall be payable upon presentation of the application therefore and shall be returned less the sum of \$10.00 in the event the license is not granted.
- C- A license issued under this chapter shall expire the 28th or 29th of February next after its issuance.

March 5, 1980

5:11-5 License Fees

There shall be charged the following fees for licenses herein provided for:

- A- Any room or place in any building actually and exclusively used in the work of association or incorporations organized exclusively for the moral and mental improvement of men, women, and children or for religious purposed, where discotheque dancing is permitted.....\$1.00.
- B- Any room or place which is conducted as a discotheque dancing school.....\$50.00.
- C- Any room or place in which or that is connected with any other room or place in which alcholic beverages are sold or dispensed; any room or place in which or that is connected with any other room or place in which dancing or exhibitions commonly called "cabaret" is conducted; any room or place which is conducted as a restaurant, hotel, motel, shall pay a license fee according to the actual space used for the purpose of dancing, as follows:
 - space less than 150 sq.ft.....\$30.00
 - space 150 sq.ft. 200 sq.ft...inclusive \$50.00
 - space over 250 sq.ft.....\$200.00
- D- Any other room or place conducted as a discotheque and not herein or otherwise provided for.....\$200.00
- E- Any person operating a discotheque who presently is the holder of a dance hall license pursuant to R.O. 5:7-1 et seq shall not be required to obtain an additional discotheque license pursuant to this chapter provided that all provisions of this chapter have been complied with by the holder but shall be required to acquire a permit from the Division of License. All provisions of this chapter shall be complied with prior to the issuance of said permit, except that the automatic fire suppression system must be installed in premises having a dance hall license within (6) months of the effective date of this ordinance. In those premises having (6) months to install an automatic fire suppression system, a temporary permit shall be issued which shall expire (6) months after the effective date of this ordinance.

5:11-6 Permit Required to Rent Hall for Discotheques.

No person shall rent, hire, or occupy any discotheque for the purpose of discotheque dancing without having first obtained from the Chief of Police a permit therefore provided that the discotheque complies with all provisions of this chapter.

5:11-7 Closing & Opening Hours of Discotheques

No licensed Discotheque as herein defined and provided for shall remain open (1) on Monday thru Thursday, except New Year's Day, between hours of 2:00 A.M. and 7:00 A.M.; nor (2) on Friday and Saturday, except New Year's Day, between hours of 3:00 A.M. and 7:00 A.M.; nor (3) on Sundays, except New Year's Day between 3:00 A.M. and 12 o'clock noon; nor (4) on New Year's Day when such day falls on a weekday, between the hours of 5:00 A.M. and 7:00 A.M.; nor (5) on New Year's Day when such day falls on Sunday, between hours of 5:00 A.M. and 12 o'clock noon. No Discotheque dancing as herein defined shall be engaged in during the hours when the Discotheque premises are to be closed. It shall be the duty of the owner or operator of the premises and the person in charge of the licensed premises to conform to the requirements hereof.

5:11-8 Sanitation & Safety

All discotheques shall be kept at all times in a clean, healthy, and sanitary condition. All stairways and other passages shall be kept open, well lighted, unobstructed, and clear at all times. All exits and means of egress shall be clearly visible to all participants or members at the discotheque. At the entrance to the discotheque there shall be posted by the owner or operator of the premises or the person in charge a diagram or chart showing the floor plan of the premises and clearing identifying the exits.

5:11-9 Ordering Premises Vacated

It shall be the duty of the Director to order and cause any hall or place where any discotheque dance is held to be vacated whenever in his judgment any provision of this chapter is being violated therein, or whenever any indecent act shall be permitted or whenever any disorder shall take place therein.

5:11-10 Suspension or Revocation of License

The license of any discotheque may be suspended or revoked, after notice and hearing by the Director for good cause. Such license when so suspended or revoked shall not be reissued until at least six (6) months shall have elapsed from the date of suspension.

5:11-11 Penalty

Any person who violates any provision of this chapter shall, upon conviction thereof, be punished by a fine not exceeding \$500.00 or by imprisonment for a term not exceeding ninety (90) days or both. A separate offense shall be deemed committed on each day during or on which violation occurs or continues.

Section 2. Any existing ordinances or parts thereof inconsistent with this ordinance are hereby repealed.

Section 3. This ordinance shall take effect upon final passage and publication in accordance with law.

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

No one appearing, a motion to close the hearing and adopt the ordinance on second reading and final passage was made by Councilman Johnson, seconded by Councilman Martinez and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Villani, President Harris.

President Harris: The yeses are eight and the noes are none. This ordinance having been read on two separate days and having achieved the vote required by the statute, is declared adopted. The City Clerk is directed to deliver same to the Mayor for his approval or disapproval.

6-Ph, S & F-m.

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing date set. It is now before you for public hearing, second reading and final passage:

AN ORDINANCE TO ESTABLISH CRITERIA FOR THE PREVENTION OF FLOOD DAMAGE
CONSISTENT WITH THE REQUIREMENTS OF THE NATIONAL FLOOD INSURANCE PROGRAM.

WHEREAS, The Municipal Council of the City of Newark, New Jersey has adopted Resolution 7RBp on September 6, 1972, concerning the inclusion of the City in the Federal Insurance Administration "National Flood Insurance Program"; and

WHEREAS, the City is desirous of finalizing such inclusion in the National Flood Insurance Program; and

WHEREAS, all appeal periods have expired, and finalized flood insurance rate maps have been reviewed and approved by the Director of Engineering; and

WHEREAS, the Legislature of the State of New Jersey has delegated the responsibility to local governmental units to adopt regulations designed to promote the public health, safety, and general welfare of its citizenry; and

WHEREAS, the flood hazard areas of the City of Newark, New Jersey are subject to periodic inundation which results in loss of life and property, health and safety hazards, disruption of commerce and governmental services, extraordinary public expenditures for flood protection and relief, and impairment of the tax base, all of which adversely affect the public health, safety, and general welfare;

NOW THEREFORE, BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, OF THE STATE OF NEW JERSEY, THAT:

Section 1.

CHAPTER ONE: TITLE, PURPOSE, OBJECTIVES

1.1 TITLE

This ordinance shall be known and cited as the "NEWARK FLOOD DAMAGE PREVENTION ORDINANCE".

1.2 PURPOSE

It is the purpose of this ordinance to promote the public health, safety, and general welfare, and to minimize public and private losses due to flood conditions in specific areas by provisions designed:

- a. To protect human life and health;
- b. To minimize expenditure of public money for costly flood control projects;
- c. To minimize the need for rescue and relief efforts associated with flooding and generally undertaken at the expense of the general public;
- d. To minimize prolonged business interruptions;
- e. To minimize damage to public facilities and utilities such as water and gas mains, electric, telephone and sewer lines, streets and bridges located in areas of special flood hazard;
- f. To help maintain a stable tax base by providing for the second use and development of areas of special flood hazard so as to minimize future flood blight areas;

- g. To insure that potential buyers are notified that property is in an area of special flood hazard; and,
- h. To ensure that those who occupy the areas of special flood hazards assume responsibility for their actions.

1.3 METHODS OF REDUCING FLOOD LOSSES

In order to accomplish its purposes, this ordinance includes methods and provisions for:

- a. Restricting or prohibiting uses which are dangerous to health, safety, and property due to water or erosion hazards or which result in damaging increases in erosion or in flood heights or velocities;
- b. Requiring that uses vulnerable to floods, including facilities which serve such uses, be protected against flood damage at the time of initial construction;
- c. Controlling the alteration of natural flood plains, stream channels, and natural protective barriers, which help accommodate or channel flood waters;
- d. Controlling filling, grading, dredging, and other development which may increase flood damage; and,
- e. Preventing or regulating the construction of flood barriers which will unnaturally divert flood waters or which may increase flood hazards in other areas.

CHAPTER TWO: DEFINITIONS, GENERAL PROVISIONS

2.1 DEFINITIONS

Unless specifically defined below, words or phrases used in this ordinance shall be interpreted so as to give them the meaning they have in common usage and to give this ordinance its most reasonable application.

- a. "Appeal" - Means a request for a review of the Flood Control Compliance Officer's interpretation of any provision of this ordinance or a request for a variance.
- b. "Area of Shallow Flooding" - means a designated AO zone on the Flood Insurance Rate Map (FIRM). The base flood depths range from one to three feet; a clearly defined channel does not exist; the path of flooding is unpredictable and indeterminate and, velocity flow may be evident.
- c. "Area of Special Flood Hazard" - means the land in the flood plain within a community subject to a one percent or greater chance of flooding in any given year.
- d. "Base Flood" - means the flood having a one percent chance of being equalled or exceeded in any given year.
- e. "Development" - means any man-made change to improved or unimproved real estate, including but not limited to buildings or other structures, mining, dredging, filling, grading, paving, excavation or drilling operations located within the area of special flood hazard.

March 5, 1980

- f. "Development Permit" - means any of the following:
1. Building permit issued by the Central Permit Office
 2. Soil Erosion and Sediment Control Permit Issued by the Central Permit Office
 3. Site plan approval issued by the Central Planning Board
 4. Use variance issued by the Board of Adjustment
- g. "Existing Mobile Home Park or Mobile Home Subdivision" - means a parcel (or contiguous parcels) of land divided into two or more mobile home lots for rent or sale for which the construction of facilities for servicing the lot on which the mobile homes are to be affixed (including, at a minimum, installation of utilities, either final site grading or installation of support pads, and the construction of streets) is completed before the effective date of this ordinance.
- h. "Expansion of an Existing Mobile Home Park or Mobile Home Subdivision" - means the preparation of additional sites by the construction of facilities for servicing the lots on which the mobile homes are to be affixed (including the installation of utilities, either final site grading or installation of support pads or the construction of streets).
- i. "Flood" or "Flooding" - means a general and temporary condition of partial or complete inundation of normally dry land areas from:
- (1) The overflow of inland or tidal waters and/or
 - (2) The unusual and rapid accumulation or runoff of surface waters from any source.
- j. "Flood Insurance Rate Map" (FIRM) - means the official map on which the Federal Insurance Administration has delineated both the areas of special flood hazards and the risk premium zones applicable to the community.
- k. "Flood Insurance Study" - means the official report provided in which the Federal Insurance Administration has provided flood profiles, as well as the Flood Boundary-Floodway Map and the water surface elevation of the base flood.
- l. "Floodway" - means the channel of a river or other water-course and the adjacent land areas that must be reserved in order to discharge the base flood without cumulatively increasing the water surface elevation more than 0.2 foot.
- m. "Habitable Floor" - means any floor usable for living purposes, which includes working, sleeping, eating, cooking or recreation, or a combination thereof. A floor used only for storage purposes is not a "habitable floor".
- n. "Mobile Home" - means a structure that is transportable in one or more sections, built on a permanent chassis and designed to be used with or without a permanent foundation when connected to the required utilities. It does not include recreational vehicles or travel trailers.
- o. "New Construction" - means structures for which the "start of construction" commenced on or after the effective date of this ordinance.
- p. "New Mobile Home Park or Mobile Home Subdivision" - means a parcel (or contiguous parcels) of land divided into two or more mobile home lots for rent or sale for which the construction of facilities for servicing the lot (including, at a minimum, the installation of utilities, either final site grading or

March 5, 1980

the installation support pads, and the construction of streets) is completed on or after the effective date of this ordinance.

- q. "Start of Construction" - means the first placement or permanent construction of a structure (other than a mobile home) on a site, such as the pouring of slabs or footings or any work beyond the stage of excavation. Permanent construction does not include land preparation, such as clearing, grading, and filling, nor does it include the installation of streets and/or walkways; nor does it include excavation for a basement, footings, piers or foundations or the erection of temporary forms; nor does it include the installation on the property of accessory buildings, such as garages or sheds not occupied as dwelling units or not as part of the main structure. For a structure (other than a mobile home) without a basement or poured footings, the "start of construction" includes the first permanent framing or assembly of the structure or any part thereof on its piling or foundation. For mobile homes not within a mobile home park or mobile home subdivision, "start of construction" means the affixing of the mobile home to its permanent site. For mobile homes within mobile home parks or mobile home subdivisions, "start of construction" is the date on which the construction of facilities for servicing the site on which the mobile home is to be affixed (including, at a minimum, the construction of streets, either final site grading or the pouring of concrete pads, and installation of utilities) is completed.
- r. "Structure"- means a walled and roofed building, a mobile home, or a gas or liquid storage tank, that is principally above ground.
- s. "Substantial Improvement" - means any repair, reconstruction, or improvement of a structure, the cost of which equals or exceeds 50% of the market value of the structure, either:
 - (1) before the improvement or repair is started, or
 - (2) if the structure has been damaged and is being restored, before the damage occurred.

For the purposes of this definition "substantial improvement" is considered to occur when the first alteration of any wall, ceiling, floor, or other structural part of the building commences, whether or not that alteration affects the external dimensions of the structure.

The term does not however, include either:

(1) any project for improvement of a structure to comply with existing State or local health, sanitary, or safety code specifications which are solely necessary to assure safe living conditions, or

(2) any alteration of a structure listed on the National Register of Historic Places or a State Inventory of Historic Places.

- t. "Variance" - means a grant of relief from the requirements of this ordinance which permits construction in a manner that would otherwise be prohibited by this ordinance.

2.2 LANDS TO WHICH THIS ORDINANCE APPLIES

This ordinance shall apply to all areas of special flood hazards within the jurisdiction of the corporate boundaries of the City of Newark, New Jersey.

2.3 BASIS FOR ESTABLISHING THE AREAS OF SPECIAL FLOOD HAZARD

The areas of special flood hazard identified by the Federal Insurance Administration in a scientific and engineering report entitled "The Flood Insurance Study for the City of Newark, New Jersey," dated January 26, 1979, with accompanying flood insurance rate maps and flood

boundary-floodway maps is hereby adopted by reference and declared to be a part of this ordinance. The flood insurance study is on file in the Department of Engineering at City hall, 920 Broad Street, Newark, New Jersey 07102, Room 410, and in the offices of the City Clerk.

2.4 PENALTIES FOR NON-COMPLIANCE

No structure or land shall hereafter be constructed, located, extended, converted, or altered without full compliance with the terms of this ordinance and other applicable regulations. Violation of the provisions of this ordinance by failure to comply with any of its requirements (including violations of conditions and safeguards established in connection with conditions) shall constitute a misdemeanor. Any person who violates this ordinance or fails to comply with any of its requirements shall, upon conviction thereof, be fined not more than \$300.00 (three hundred dollars) for each day the violation persists or imprisoned for not more than 90 (ninety) days, or both, for each violation, and in addition, shall pay all costs and expenses involved in the case. Nothing herein contained shall prevent the City of Newark, New Jersey, from taking such other lawful action as is necessary to prevent or remedy any violation.

2.5 ABROGATION AND GREATER RESTRICTIONS

This ordinance is not intended to repeal, abrogate, or impair any existing easements, covenants, or deed restrictions. However, where this ordinance and other ordinance, easement, covenant, or deed restriction conflict or overlap, whichever imposes the more stringent restrictions shall prevail.

2.6 INTERPRETATION

In the interpretation and application of this ordinance, all provisions shall be:

- a. considered as minimum requirements;
- b. liberally construed in favor of the governing body; and
- c. deemed neither to limit nor repeal any other powers granted under state statutes.

2.7 WARNING AND DISCLAIMER OF LIABILITY

The degree of flood protection required by this ordinance is considered reasonable for regulatory purposes and is based on scientific and engineering considerations. Larger floods can and will occur on rare occasions. Flood heights may be increased by man-made or natural causes. This ordinance does not imply that land outside the area of special flood hazards or uses permitted within such areas will be free from flooding or flood damages. This ordinance shall not create liability on the part of the City of Newark, New Jersey, any officer or employee thereof or the Federal Insurance Administration, for any flood damages that result from reliance on this ordinance or any administrative decision lawfully made thereunder.

CHAPTER THREE: ADMINISTRATION

3.1 DEVELOPMENT PERMIT

A development permit shall be obtained before construction or development begins within any area of special flood hazard. The permit shall be issued by the appropriate Board or Central Permit Office of the City of Newark only upon the certification of the Flood Control Compliance Officer that all the requirements of this ordinance have been satisfied.

Specifically, the following information should be submitted for consideration by the appropriate review board or office:

- a. Elevation in relation to mean sea level, of the lowest floor (including basement) of all structures.
- b. Elevation in relation to mean sea level to which any structure has been flood proofed.
- c. Certification by a registered professional Engineer or Architect that the floodproofing methods for any non-residential structure meet the flood-proofing criteria in section - 4.6 (b).
- d. Description of the extent to which any watercourse will be altered or relocated as a result of proposed development.

3.2 DESIGNATION OF THE "FLOOD CONTROL COMPLIANCE OFFICER"

The Director of Engineering is hereby appointed to administer and implement this ordinance by certifying development permit applications in accordance with its provisions.

3.3 DUTIES AND RESPONSIBILITIES OF THE "FLOOD CONTROL COMPLIANCE OFFICER"

Duties of the Director of Engineering as Flood Control Compliance Officer shall include, but not be limited to:

- a. Review all development permits to determine that the permit requirements of this ordinance have been satisfied.
- b. Review all development permits to determine that all necessary permits have been obtained from those federal, state or local governmental agencies from which prior approval is required.
- c. Review all development permits to determine if the proposed development is located in the floodway. If located in the floodway, ensure that the encroachment provisions of Section 4.5 are met.

3.4 USE OF OTHER BASE FLOOD DATA

When base flood elevation data has not been provided in accordance with Section 2.3, Basis for Establishing the Areas of Special Flood Hazard, the Flood Control Compliance Officer shall obtain, review, and reasonably utilize any base flood elevation data available from a federal, state, or other source in order to administer Sections 4.6 (a), Specific Standards, Residential Construction and 4.6 (b), Specific Standards, Non Residential Construction.

3.5 INFORMATION TO BE OBTAINED AND MAINTAINED

The Flood Control Compliance Officer shall:

- a. Obtain from the applicant and record the actual elevation (in relation to mean sea level) of the lowest habitable floor (including basement) of all new or substantially improved structures, and whether or not the structure contains a basement.
- b. For all new or substantially improved floodproof structures;
 - (i) verify and record the actual elevation (in relation to mean sea level); and
 - (ii) maintain in the floodproofing certifications required in Section 3.1.
- c. Maintain for public inspection all records pertaining to the provisions of this ordinance.

3.6 ALTERATION OF WATERCOURSES

The Flood Control Compliance Officer shall:

- a. Notify adjacent communities and the Federal Insurance Administration prior to any alteration or relocation of a watercourse, and submit evidence of such notification.
- b. Require that maintenance is provided within the altered or relocated portion of said watercourse so that the flood carrying capacity is not diminished.

3.7 INTERPRETATION OF FIRM BOUNDARIES

The Flood Control Compliance Officer shall make interpretations where needed, as to exact locations of the boundaries of the areas of special flood hazards (for example, where there appears to be a conflict between a mapped boundary and actual field conditions). The person contesting the location of the boundary shall be given a reasonable opportunity to appeal the interpretation.

3.8 APPEAL BOARD

- a. The "Flood Hazard Variance Control Board" shall consist of all members appointed to serve on the Uniform Construction Code Appeals Board as established by the Municipal Council of the City of Newark under Ordinances. This board shall hear and decide appeals and requests for variances from the requirements of this ordinance.
- b. The Flood Hazard Variance Control Board shall hear and decide appeals when it is alleged there is an error in any requirement, decision, or determination, made by the Flood Control Compliance Officer in the enforcement or administration of this ordinance.
- c. Any person aggrieved by the decision of the Flood Hazard Variance Board, or any taxpayer, may appeal the board's decision before a court of competent jurisdiction.
- d. In passing upon such applications, the Flood Hazard Variance Control Board shall consider all technical evaluations, all relevant factors, standards specified in other sections of this ordinance, and:
 - (i) the danger that materials may be swept onto other lands to the injury of others;
 - (ii) the danger to life and property due to flooding or erosion damage;
 - (iii) the susceptibility of the proposed facility and its contents to flood damage and the effect of such damage on the individual owner;
 - (iv) the importance of the services provided by the proposed facility to the community;
 - (v) the necessity to the facility of a waterfront location, where applicable;
 - (vi) the availability of alternative locations for the proposed use which are not subject to flooding or erosion damage;
 - (vii) the compatibility of the proposed use with existing and anticipated development;
 - (viii) the relationship of the proposed use to the comprehensive plan and flood plain management program of that area;

March 5, 1980

- (ix) the safety of access to the property in times of flood for ordinary and emergency vehicles;
 - (x) the expected heights, velocity, duration, rate of rise, and sediment transport of the flood waters and the effects of wave action, if applicable, expected at the site; and,
 - (xi) the costs of providing governmental services during and after flood conditions, including maintenance and repair of public utilities and facilities such as sewer, gas, electrical, and water systems, and streets and bridges.
- (e) Upon consideration of the above factors and the purposes of this ordinance, the Flood Hazard Variance Control Board may attach such conditions to the granting of variances as it deems necessary to further the purposes of this ordinance.
- (f) The Flood Control Compliance Officer shall maintain the records of all appeal actions, including technical information, and report any variances to the Federal Insurance Administration upon request.

3.9 CONDITIONS FOR VARIANCES

- (a) Generally, variances may be issued for new construction and substantial improvements to be erected on a lot of one-half acre or less in size contiguous to and surrounded by lots with existing structures constructed below the base flood level, providing items (i) to (xi) in Section 3.8 (d) have been fully considered. As the lot size increases beyond the one-half acre, the technical justification required for issuing the variance increases.
- (b) Variances may be issued for the reconstruction, rehabilitation or restoration of structures listed on the National Register of Historic Places or the State Inventory of Historic Places without regard to the procedures set forth in the remainder of this section.
- (c) Variances shall not be issued within any designated floodway if any increase in flood levels during the base flood discharge would result.
- (d) Variances shall only be issued upon a determination that the variance is the minimum necessary, considering the flood hazard to afford relief.
- (e) Variances shall only be issued upon:
 - (i) a showing of good and sufficient cause;
 - (ii) a determination that failure to grant the variance would result in exceptional hardship to the applicant; and
 - (iii) a determination that the granting of a variance will not result in increased flood heights, additional threats to public safety, extraordinary public expense, create nuisances, cause fraud on or victimization of the public as identified in Section 3.8 (d), or conflict with existing local laws or ordinances.
- (f) Any applicant to whom a variance is granted shall be given written notice that the structure will be permitted to be built with a lowest floor elevation below the base flood elevation and that the cost of flood insurance be commensurate with the increased risk resulting from the reduced lowest floor elevation.

CHAPTER FOUR: PROVISION FOR FLOOD HAZARD REDUCTION

In all areas of special flood hazards the following standards are required:

4.1 ANCHORING

- (a) All new construction and substantial improvements shall be anchored to prevent flotation, collapse, or lateral movement of the structure.
- (b) All mobile homes shall be anchored to resist flotation, collapse, or lateral movement by providing over-the-top and frame ties to ground anchors. Special requirements shall be that:
 - (i) over-the-top ties be provided at each of the four corners of the mobile home with two additional ties per side at intermediate locations, with mobile homes less than 50 feet long requiring one additional tie per side;
 - (ii) frame ties be provided at each corner of the home with five additional ties per side at intermediate points, with mobile homes less than 50 feet long requiring four additional ties per side;
 - (iii) all components of the anchoring system be capable of carrying a force of 4,800 pounds; and,
 - (iv) any additions to the mobile home be similarly anchored.

4.2 CONSTRUCTION MATERIALS AND METHODS

- (a) All new construction and substantial improvements shall be constructed with materials and utility equipment resistant to flood damage.
- (b) All new construction and substantial improvements shall be constructed using methods and practices that minimize flood damage.

4.3 UTILITIES

- (a) All new and replacement water supply systems shall be designed to minimize or eliminate infiltration of flood waters into the system,
- (b) New and replacement sanitary sewage systems shall be designed to minimize or eliminate infiltration of flood waters into the systems and discharge from the systems into flood waters; and,
- (c) On-site waste disposal systems shall be located to avoid impairment to them or contamination from them during flooding.

4.4 SUBDIVISION PROPOSALS

- (a) All subdivision proposals shall be consistent with the need to minimize flood damage;
- (b) All subdivision proposals shall have public utilities and facilities such as sewer, gas, electrical, and water systems located and constructed to minimize flood damage;
- (c) All subdivision proposals shall have adequate drainage provided to reduce exposure to flood damage; and
- (d) Base flood elevation data shall be provided for subdivision proposals and other proposed development which contain at least 50 lots or 5 acres (whichever is less).

4.5 ENCROACHMENTS

In all areas of special flood hazard in which base flood elevation data has been provided, the cumulative effect of any proposed development, when combined with all other existing and anticipated development, shall not increase the water surface elevation of the base flood more than 0.2 foot at any point.

4.6 SPECIFIC STANDARDS

In areas of special flood hazards where base flood elevation data have been provided as set forth in Section 2.3, BASIS FOR ESTABLISHING THE AREAS OF SPECIAL FLOOD HAZARD or in Section 3.4 USE OF OTHER BASE FLOOD DATA, the following standards are required:

(a) Residential Construction

New construction and substantial improvement of any residential structure shall have the lowest floor, including basement, elevated to or above base flood elevation.

(b) Nonresidential Construction

New construction and substantial improvement of any commercial, industrial or other nonresidential structure shall either have the lowest floor, including basement, elevated to the level of the base flood elevation; or, together with attendant utility and sanitary facilities, shall;

- i. be floodproofed so that below the base flood level the structure is watertight with walls substantially impermeable to the passage of water;
- ii. have structural components capable of resisting hydrostatic and hydrodynamic loads and effects of buoyancy; and,
- iii. be certified by a registered professional engineer or architect that the standard of this subsection are satisfied. Such certification shall be provided to the Compliance Officer as set forth in Section 3.5.

4.7 MOBILE HOMES

(a) Mobile homes shall be anchored in accordance with Section 4.1.

(b) For new mobile home parks and mobile home subdivisions; for expansions to existing mobile home parks and mobile home subdivision for existing mobile home parks and mobile home subdivisions where the repair, reconstruction or improvement of the streets, utilities and pads equal or exceeds 50% of value of the streets, utilities and pads before the repair, reconstruction or improvement has commenced; and for mobile homes not placed in a mobile home park or mobile home subdivision, this ordinance requires that:

- i. stands or lots are elevated on compacted fill or on pilings so that the lowest floor of the mobile home will be at or above the base flood level;
- ii. adequate surface drainage and access for a hauler are provided; and,

iii. in the instance of elevation on pilings, that:

- lots are large enough to permit steps,
- piling foundations are placed in stable soil no more than ten feet apart, and
- reinforcement is provided for pilings more than six feet above the ground level.

(c) No mobile home shall be placed in a floodway, except in an existing mobile home subdivision.

4.8 FLOODWAYS

Located within areas of special flood hazard identified by the Flood Insurance Study for the City of Newark, New Jersey are areas designated as floodways. Since the floodway is extremely hazardous due to the velocity of flood waters which carry debris, potential projectiles, and erosion potential, the following provisions apply:

- (a) Encroachments are prohibited, including fill, new construction, substantial improvements, and other developments unless a technical evaluation demonstrates that encroachments shall not result in any increase in flood levels during the occurrence of the base flood discharge.
- (b) If Section 4.8 (a) is satisfied, all new construction and substantial improvements shall comply with all applicable flood hazard reduction provisions of this chapter, Provisions for Flood Hazard Reduction;
- (c) The placement of any mobile home, except in an existing mobile home park or existing mobile home subdivision is prohibited.

CHAPTER FIVE: DISSEMINATION OF INFORMATION PERTAINING TO FLOOD HAZARD

5.1 It is the policy of the City of Newark that the Flood Control Compliance Officer may provide flood hazard information concerning specific properties to interested members of the public, provided that:

- (a) It is understood that the information provided by the Flood Control Compliance Officer is not considered to be of an expert nature;
- (b) The final and conclusive determination of the potential for flood hazard remains the responsibility of the lending institution which is providing a mortgage for the premises in question;
- (c) Any person requesting flood hazard information shall pay to the City of Newark a fee of ten dollars (\$10.00) for flood hazard information on each property so requested. Payment shall be in the form of a check or money order made payable to the City of Newark.

Section 2. Any existing ordinances or parts thereof inconsistent with this ordinance are hereby repealed.

Section 3. This ordinance shall take effect upon final passage and publication in accordance with law.

March 5, 1980

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

No one appearing, a motion to close the hearing and adopt the ordinance on second reading and final passage was made by Councilman Bottone, seconded by Councilman Carrino and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Villani
President Harris.

President Harris: The yeses are eight and the noes are none. This ordinance having been read on two separate days and having achieved the vote required by the statute, is declared adopted. The City Clerk is directed to deliver same to the Mayor for his approval or disapproval.

6-Ph, S & F-n.

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing date set. It is now before you for public hearing, second reading and final passage:

AN ORDINANCE TO AMEND AND SUPPLEMENT TITLE 24, TAXICABS, SECTIONS 24:1-1; 24:1-25 (a) (1); 24:1-57 (c); AND 24:1-62 OF THE REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, AS AMENDED AND SUPPLEMENTED.

(For action on this Ordinance, see pages 6 through 8 in the minutes of this meeting)

HEARINGS OF CITIZENS.

6-HC-a.

MR. D.J. HENDERSON, 29 OLD ROAD TO BLOOMFIELD, NEWARK, NEW JERSEY, addressed the Municipal Council stating six years ago, a message was mailed to the majority of the registered voters in the North Ward indicating among other things that the City of Newark is fighting for survival, that the governmental organization of the City has become a joke throughout the nation, and that Federal and State governments are losing confidence in the ability of the City to govern itself effectively and make efficient use of Federal and State funds. Now, six years later, nothing much has changed but the slogans. The latest slogan appeared in a large advertisement in the Star Ledger a few days ago: "Join the Resistance." You are urged to come and do some of the things that additional police would do; the additional police we were told a few months ago we do not need. So we can be thankful the Federal Government does not join the Mayor and Police Director in this latest attack on the intelligence of the people of the City of Newark.

March 5, 1980

He felt this Council cannot take a "holier than thou" attitude and say that it has not contributed to this dismal condition and failure of progress during the past six years. Though they may not have approved completely of many administrative actions, they did not object or veto but went along, either because of political expediency, or for personal reasons.

He said the Council repeatedly concurred in appointments to important posts of persons who had not the minimum of recognized qualifications for the positions. Recently they approved a slovenly presented reorganization plan, which violated all rules of effective management, and was obviously designed to cover up, not to correct lax supervision, low morale, poor performance of the work force, conditions that are now recognized and acknowledged in recent proposals of the Mayor.

Mr. Henderson said that recent statements by Council Members seem to indicate they may be ready to accept their responsibility. During the past two years, in the name of urban renewal, enough has been done to provide low rent subsidized housing for low income families and for senior citizens. Newark now has more than its share. The overriding need now is to create an atmosphere and devise a policy that will invite and encourage those who can purchase homes, rehabilitate those that are needed and pay taxes to come and live in this City. The Administration fails to see this need. In fact, it thwarts and discourages private efforts to meet it. If the Council cannot find a way to change this attitude, Newark will become a waste land, another South Bronx, and its officials will merely be vultures feeding on the remains of a once proud City.

Councilman Carrino said he recalls, last September, when this program was voted by this Council he took strong exception to the program. Subsequent to the voting of the program, he sent a letter both to LEAA and SLEPA and to our congressional leaders asking them why an agency such as the the LEAA and SLEPA would provide both federal and state funds to programs which do not have a direct bearing on crime fighting in the streets. Unfortunately, both agencies failed to respond to him and the congressional answer he received was that LEAA was supposed to help supplement Police Departments in fighting of crime. A second letter to Members of Congress was that you can't supplement a Police Department that is falling apart as far as numbers are concerned and certainly the \$600,000. that was allocated in that grant for the City of Newark could best be served by putting it directly into the Police Department

March 5, 1980

budget and hiring 30 policemen with the \$600,000. Needless to say, that was not done. However, he thinks the Mayor's historical statement about "wherever cities are going to go, Newark will be there first", we are certainly first in fighting crime with coffee and cake and he hoped the men that robbed the bank on Ferry Street yesterday will stop at the Director's house and have coffee and cake next week and explain to him why they robbed the bank on Ferry Street. He intends to agree with him that every penny we are getting from SLEPA and LEAA is nothing but a waste. We were promised at that time of the grant, that that grant was going to provide 6 positions in the Police Department whereas Administration would put those 6 existing police officers into the grant where they would be getting paid from the grant, thereby making 6 vacancies in the Police Department which they could fill. To this date Administration has not filled those 6 vacancies and there are 6 police officers being paid from a federal program. The Mayor's statement about putting 30 men on today in the newspaper, he doesn't know how many people realize that they are nothing more than a subterfuge because we have accumulated 50 vacancies since January 1st on retirements, so the 30 men he is putting on is doing nothing more than filling some of those 50 vacancies and has nothing to do with the 200 men who were laid off. We are still way under 900 men and at this point in the 1980 budget allocations for at least 20 more men who are not being filled right now, plus the 6 men who are on the federal program. The only thing the Council can do is start refusing some of the grants from LEAA and SLEPA. However, if we refuse them there is certainly no way we can determine how that money is to be used in the course of fighting crime directly. Unfortunately the Federal Government has seen fit to have these agencies put money into areas that is totally ridiculous for a City such as Newark.

Councilman Bottone said everytime he sees this speaker here he takes delight that he does come here with some of his thoughts and believes that most people think his remarks constitute constructive criticism. He wanted him to know that a lot of the monies that come into Newark that they approve, the way they are utilized is not the way they had the concept of this money coming in and it is not directed the right way. He knows this Body had allocated in the last budget hearings over a \$1 million to retain the police who were going to be laid off. That \$1 million a year later is still in the budget, wasn't used because of someones prerogative he didn't want to use it for more policemen. He said he would like to give Mr. Henderson an open invitation if there is any doubt in his mind in any respect at all how this Councilman votes, that his office is open to him and his files are open to him and whatever information he wants is readily his.

Councilwoman Villani said she was very interested in the program also and called the number they had listed there and said she was Councilwoman Villani and wanted to join the resistance and wanted to find out what it was about. One of the parts of the program that should be of interest to all the citizens of Newark is that they will send a police officer to your home and he will come into all your rooms and bring to your attention different ways that a burglar or thief might get into your home and they did find one of her doors needed a special lock. This is something that is available to every citizen in the City and thinks with the crime rate, she feels every citizen should take advantage of this program.

Mr. Henderson said he has no particular joy in coming here and saying the things he has said now and in the past but he believes it is not only the right but the duty of every citizen to express their opinion concerning the government and that is the only reason he is here.

President Harris said the speaker is so right.

President Harris directed the City Clerk to extract the remarks made by Mr. Henderson and prepare a copy for each Member of the Council and forward a copy of the verbatim remarks to the Mayor.

With respect to Resolutions 7-R-bn through 7-R-bq, Councilman Grant pointed out that if the Office of Real Property had to send these requests out to other professional companies, it would not come back at \$10. per building. It would perhaps be in excess of \$1,000. He thinks what we have done here is actually save the City thousands of dollars by appropriating moneys in this fashion.

Councilman Bottone said the reason why he voted in the negative is because he wants to know who is in charge, an administrative aide could be almost anyone in that particular division.

RESOLUTION RATIFYING CONTRACT WITH FOODTOWN SUPERMARKETS, INC. (NORTH DAY STREET)
FOR PERIOD DECEMBER 1, 1979 TO MARCH 5, 1980; FURTHER AUTHORIZING DIRECTOR OF HEALTH
AND WELFARE TO ENTER INTO AND EXECUTE CONTRACT WITH FOODTOWN SUPERMARKETS, INC. (NORTH
DAY STREET) FOR PROVISION OF NECESSARY ELEMENTS OF FOOD COMPONENT OF THE W.I.C.
PROGRAM FOR PERIOD MARCH 6, 1980 TO SEPTEMBER 30, 1980; THERE SHALL BE NO MONETARY
COMPENSATION PAID BY CITY OF NEWARK. (CONTRACT AWARDED WITHOUT COMPETITIVE BIDDING
PURSUANT TO LOCAL PUBLIC CONTRACTS LAW N.J.S.A. 40A:11-1 ET SEQ., BECAUSE NO
MUNICIPAL FUNDS SHALL BE EXPENDED)

(Copy of resolution and correspondence submitted to each Member of the Council)

Councilman Carrino said since this supermarket is located in East Orange he would move to reject this resolution, seconded by Councilman Martinez.

Councilman Martinez said he thought it was understood that the Law Department made it clear that no one here is in agreement with the contract because it comes in two parts, one is ratification and the other execution. He thinks the most disturbing part refers to a Foodtown located in East Orange, New Jersey. He was of the opinion the agreement drawn up by the Law Department that was going to come up before the Council with respect to this particular case was that it would be ratified not to exceed a period ending April 1st.

City Clerk D'Ascensio said his understanding was to extend this contract only to the end of March and not to permit it to go beyond that point.

Councilman Grant said he would like to know if there is present in the audience a bonafide representative from the Department of Health and Welfare because he has some questions to ask relative to this proposed rejection and one question is "how would this directly affect the seniors immediately concerned relative to the rejection of this, will it cause a hardship"?

No one was present from the Department of Health and Welfare.

The motion to reject this resolution failed of adoption by the following votes:

Yes: Councilmen Bottone, Carrino, Johnson.

No: Councilmen Grant, Martinez.

Not Voting: Councilmen James, Villani, President Harris.

Councilman Martinez questioned whether he would be in order to make a motion for an amendment to this contract thereby killing it, effective March 31st by putting in the amendment that the ratification of the contract which means we will pay them for

March 5, 1980

services already provided for those seniors, calling for the conclusion of the contract March 31st and not have any extension and indicating to the Director of Health and Welfare that another suitable facility located in the City of Newark be sought by the Department of Health and Welfare. This motion was seconded by Councilman Carrino.

Councilman Carrino said that the Council goes on record day after day telling these Department Directors that wherever possible, unless there is an absolute emergency if it cannot be physically done, that they want them to do business with people in the City of Newark. Everytime they violate that they take them off the hook by saying "the contract is already in effect, or they are sorry and they did not realize it" What he would suggest as far as the rejection was concerned, once and for all show these Directors that they mean what they say. He will go along with this until March 31st but he does not think they should keep on allowing these people "off the hook" everytime they come tell us they didn't realize what the Council wanted.

Councilman Carrino directed the City Clerk to send a communication to Director of Health and Welfare Morgan, to the effect the Council wants all these places to be in Newark. The Director appeared before the Council in February stating he didn't realize what the Council wanted.

The motion to amend the resolution was declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Villani, President Harris.

A motion to adopt the resolution, as amended, was made by Councilman Martinez, seconded by Councilman Carrino and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Villani, President Harris.

A motion to adopt the resolution was made by Councilman James, seconded by Councilwoman Villani and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Villani, President Harris.

7-R-cc.

RESOLUTION APPOINTING DANIEL WEBSTER, SR., MEMBER OF THE BOARD OF ADJUSTMENT
FOR A TERM COMMENCING FEBRUARY 6, 1980 AND ENDING FEBRUARY 5, 1984.

The City Clerk noted this resolution is presented to the Council as originally submitted by Councilman Tucker and relates to appointment of 4 years. However, the 7 regular members of the Board of Adjustment completes the Board and the only positions are Alternates for two years. Councilman Tucker agreed to a suggestion that the resolution be changed to consider the appointment as Alternate No. 1 for a two year period.

Councilman Grant expressed his opposition to this recommendation.

Councilwoman Villani moved and Councilman Martinez seconded the motion to adopt the resolution.

President Harris said this motion as he understands is to approve the original resolution as indicated by the City Clerk.

Councilman Martinez said it is obvious the Councilman who is interested in this appointment is not present and the City Clerk disclosed to the Council information with respect to a two year appointment. He felt the Council should not discuss this matter because the maker is not present and any objection should come from him directly.

The City Clerk pointed out that subsequent to the receipt of this resolution, he received a communication from Councilman Tucker which stated as follows:

"Please be advised that I am requesting that you amend the existing resolution dealing with my nominee to the Board of Adjustment and prepare the appropriate resolution for the appointment of Mr. Daniel Webster, to the Board of Adjustment as an Alternate Member Number 1."

March 5, 1980

The City Clerk said the Council must act on the resolution as it appears on the calendar and then adopt an appropriate amendment to comply with the request to appoint the individual as an alternate.

Councilman Martinez requested further information from Assistant Corporation Counsel Bressler with respect to Alternate Members.

Assistant Corporation Counsel Bressler stated the Alternates have two year terms. However, the first Alternate appointed is for a two year term, the second Alternate for a one year term in order that the terms will expire in alternate years. thereafter, each alternate serves for two years.

President Harris said the motion before the Council is the one dealing with a four year term.

Councilman Carrino expressed his concern that something which was not legal was put on the calendar before it was checked out. He did not feel the Council should be put into a situation such as this.

The motion to adopt for a four year term failed of adoption by the following votes:

No: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Villani, President Harris.

The City Clerk pointed out in the absence of another motion addressed to this resolution, it will remain on the calendar.

A motion to reject this resolution was made by Councilman Bottone, seconded by Councilman Grant and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Villani, President Harris.

No: Councilmen Johnson, Martinez.

At a later point in the meeting after arrival of Councilman Tucker, this resolution was brought before the Council for discussion.

Councilman Tucker apologized for being late but stated he had to attend a funeral and requested he be brought up to date on what happened to this resolution.

The City Clerk replied the resolution was rejected.

Councilman Tucker questioned what the reasons were for rejection.

President Harris replied the original resolution dealt with a four year term. The Council felt it was defective and voted on and rejected the resolution.

Councilman Tucker said he had communicated with the City Clerk requesting the resolution be amended to deal with an alternate classification. He would like to

March 5, 1980

know what defects the Council found for rejection.

President Harris stated the original legislation indicated a four year term which was considered defective in that there is no four year term available. There was a question with respect to the Number 1 or Number 2 Alternate Member and the Council felt this should be discussed at a pre-conference meeting.

Councilman Tucker replied he did not care whether his nominee was Alternate Number 1 or Alternate Number 2 and felt it could be changed to either one.

President Harris said Councilman Tucker's remarks will be noted but it will require the maker and the seconder of that motion to withdraw their motion in order for him to entertain it.

Councilman Tucker requested the City Clerk inform him how the Council voted for the rejection.

The City Clerk replied the ayes were Councilmen Bottone, Carrino, Grant, James, Villani, President Harris. The nays were Councilmen Johnson, Martinez.

Councilman Tucker said he would like to move the Council consider resolution appointing Daniel Webster, Sr., as an Alternate Member, be it either Number 1 or Number 2, whichever the Council considers.

President Harris reiterated the maker and the seconder of the motion would have to withdraw their motion to reject.

Councilman Grant noted the Assistant Corporation Counsel indicated Alternate Member Number 1 would serve for a period of two years and the Number 2 appointee would serve for a period of 1 year and the Council felt there should be further discussion relative to appointees to these positions.

Councilman Tucker requested the City Clerk to read his letter into the record as it did not say anything about Number 1 or Number 2.

The City Clerk read the following letter from Councilman Tucker:

"March 5, 1980 - 12:11 P. M.

Subject Matter: Preparation of Resolution

"Please be advised I am requesting that you amend in the existing resolution dealing with my nominee to the Board of Adjustment and prepare the appropriate resolution for the appointment of Mr. Daniel Webster to the Board of Adjustment as Alternate Number 1."

Councilman Tucker said he is concerned with what the City Clerk read and his

March 5, 1980

original letter did not say Alternate Number 1 or Alternate Number 2.

The City Clerk replied he had been in touch with Councilman Tucker and informed him there was no four year term available. After this discussion, Councilman Tucker informed the City Clerk to indicate his nominee be for an Alternate and the City Clerk informed Councilman Tucker designation must be Alternate Number 1 or Alternate Number 2 and he was requested by Councilman Tucker to make his nominee Alternate Number 1. On the basis of this discussion, the City Clerk forwarded a letter to Councilman Tucker, dated March 5, 1980 as follows:

"Honorable Donald Tucker

Re: Nomination of Mr. Daniel Webster, Sr., Alternate Member

Dear Councilman Tucker

Confirming our telephone conversation this date, I have added to your communication Alternate Member Number 1."

The City Clerk indicated he followed the explicit directions of Councilman Tucker.

Councilman Tucker stated he wishes to relate to one factor. When his communication was sent to the City Clerk it did not indicate Alternate Number 1 or Alternate Number 2. He was not of the opinion that the person would be Alternate Number 1 or Alternate Number 2 but he does not like anyone "playing games" with him in some way or another. He would like to make a motion to the effect if there is a question of Alternate Number 1 or Alternate Number 2, that Daniel Webster be appointed to the Board of Adjustment as Alternate Number 2.

President Harris said he would still have to have the mover and the seconder of the rejection to withdraw their motions.

Councilman Grant said in view of the fact he was the seconder of the motion for rejection and in light of the fact Councilman Tucker is not requesting his nominee be Alternate Number 2 and this matter can be discussed later, he will withdraw his second to the motion for rejection.

Councilman Bottone indicated he will not withdraw his motion to reject.

President Harris said the maker of the motion has not withdrawn his motion and the matter cannot be considered.

Councilman Tucker indicated he intends to discuss all matters that relate to him in public from this particular meeting on and he indicated he will not sit here and be ignored on any particular thing he brings up for whatever reasons.

President Harris indicated the Council has to have rules to be governed by if we expect people to live by the rules we make.

A MOTION CONDEMNING THE UNITED COMMUNITY CORPORATION FOR THEIR ACTION IN APPROVING THE APPOINTMENT OF FRED BUTLER TO A \$100. PER DAY CONSULTANT CONTRACT FOR A PERIOD OF 90 DAYS IN VIEW OF THE FACT THAT MR. BUTLER OCCUPIES A FULL TIME EXECUTIVE POSITION WITH THE NEWARK HOUSING AUTHORITY, was made President Harris, seconded by Councilman James and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, James, Martinez, Villani, President Harris.

Not Voting: Councilmen Grant, Johnson.

President Harris noted the poverty program, as far as we understand, was designed to assist the unfortunate people who are involved with poverty and to pay a person a consultant's fee of \$100. per day while that person is employed in a \$32,000. a year job certainly is not in any way enhancing those unfortunate victims who are involved in

March 5, 1980

poverty. He said he is prepared to call a special meeting on this matter, unless the U.C.C.'s Board of Trustees takes action to rescind this unholy act of throwing away the citizens' money, to take over U.C.C. under the Green amendment which permits us to take this sort of action.

Councilman James concurred with the remarks of the President. He believes that the absence of the fact that the U.C.C. has gone to the community seeking to repay back some \$500,000. disallowable costs, for the U.C.C. to have an outstanding debt of \$500,000. and to pay a consultant \$100. per day who is gainfully employed, is certainly an abuse of anti-poverty funds and it brings back that old cliché that too many individuals in the City of Newark are acting as poverty pimps rather than individuals who are concerned about the disadvantaged poor. While he concurs with the remarks of the President and we should call for an end for all poverty pimps in the City of Newark who are all too frequent right now in U.C.C.

Following the regular meeting, a hearing was held: PUBLIC HEARING ON APPLICATION FOR CABLE TELEVISION FRANCHISE FOR NEWARK, NEW JERSEY, MADE BY CONNECTION COMMUNICATION CORPORATION AND NEW JERSEY CABLE TV COMMUNICATION SYSTEMS, INC.

The public hearing was continued to March 19, 1980.

The transcript in connection with this matter, is available for perusal in the Office of the City Clerk.

Newark, New Jersey, March 12, 1980

A special meeting of the Municipal Council of the City of Newark, New Jersey, was held on the above date in the Council Chamber, City Hall, Newark, New Jersey, at 3:10 P. M.

President Harris called the meeting to order and asked for roll call.

Present: Councilmen Bottone, Carrino, Grant, Tucker, President Harris, City Clerk Frank D'Ascensio, Clerk of the Municipal Council.

President Harris stated, "In accordance with New Jersey P. L. 1975, Chapter 231, Section 5, adequate notice of this meeting has been provided by notifying by mail the Newark Star Ledger and Elizabeth Daily Journal, by posting on the designated bulletin board in the basement of City Hall and by filing in the Office of the City Clerk on December 13, 1979 the schedule of regular meetings and conferences of the Newark Municipal Council.

In addition, the agenda of this meeting was similarly disseminated on March 10, 1980, at the time of its preparation. All persons who prepaid for advance notice of meetings also received copies of the schedule and agenda as required by law."

The City Clerk stated Honorable Kenneth A. Gibson, Mayor has called a special meeting of the Municipal Council for Wednesday, March 12, 1980, at 2:00 P. M., or as soon thereafter as the Council can convene, to consider the following four matters:

- 1) RESOLUTION TO AWARD PROFESSIONAL SERVICES CONTRACT WITHOUT COMPETITIVE BIDDING FOR THE ARCHITECTURAL DESIGN OF 828-830 BROAD STREET.
- 2) ORDINANCE TO INCREASE THE RATES CHARGED FOR USE OF MUNICIPAL SEWER FACILITIES.
- 3) ORDINANCE TO INCREASE THE LICENSE FEES FOR CERTAIN ALCOHOLIC BEVERAGE LICENSES.
- 4) ORDINANCE TO INCREASE THE FEES FOR CERTAIN PERMITS AND LICENSES ISSUED BY THE CITY OF NEWARK.

Insofar as consideration of the three proposed ordinances will directly affect the 1980 Municipal Budget, may I respectfully request consideration of these matters on first reading at this meeting.

March 12, 1980

March 12, 1980

A motion to remove from the Table Ordinance 9-a, tabled February 20, 1980 "AN ORDINANCE TO AMEND TITLE 21, SEWERS AND SEWAGE DISPOSAL, CHAPTER 1, REGULATIONS, OF THE REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, 1966, AS AMENDED AND SUPPLEMENTED. (TO ADJUST SEWER USER CHARGES)," was made by Councilman Tucker, seconded by Councilman Grant and declared adopted by President Harris by the following votes:

A motion to consider this Ordinance on First Reading was made by Councilman Tucker, seconded by Councilman Grant and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, Tucker, President Harris.

6-F-a.

The City Clerk read AN ORDINANCE TO AMEND TITLE 21, SEWERS AND SEWAGE DISPOSAL, CHAPTER 1, REGULATIONS, OF THE REVISED ORDINANCES OF THE CITY OF NEWARK, 1966, AS AMENDED AND SUPPLEMENTED. (TO ADJUST SEWER CHARGES).

(Copy of ordinance and correspondence submitted to each Member of the Council)

(Ordinance tabled February 20, 1980)

(Ordinance removed from the table March 12, 1980)

A motion to adopt the ordinance on first reading was made by Councilman Tucker, seconded by Councilman Grant.

Councilman Bottone said for the record he is voting for this ordinance to adopt on first reading but he understands we will have further discussions. He is not for a flat increase the way it is projected, but also to finalize the Administration's budget he is taking this particular action and this goes for all the other increases that will come after this particular ordinance.

Councilman Carrino stated for the record he is opposed to this increase and the reason for his affirmative vote is that we get it on the public hearing and give the citizens of Newark the ability to come down and express their views as to this large increase that we are being asked to vote upon.

The motion to adopt the ordinance on first reading was declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, Tucker, President Harris.

President Harris: The yese are five and the noes are none. This ordinance is declared adopted on first reading and the City Clerk is hereby authorized and directed to advertise said ordinance and give public notice of its introduction and passage on first reading as provided by law. This ordinance will come up for a public hearing and be considered for further action on April 2, 1980.

March 12, 1980

A motion to remove from the Table Ordinance 6-F-d, tabled February 20, 1980, "AN ORDINANCE TO AMEND TITLE 4, ALCOHOLIC BEVERAGES, CHAPTER 2, LICENSES, OF THE REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, 1966, AS AMENDED AND SUPPLEMENTED. (TO ADJUST FEES FOR CERTAIN MUNICIPAL ALCOHOLIC BEVERAGE LICENSES)," was made by Councilman Grant, seconded by Councilman Tucker and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, Tucker, President Harris.

A motion to consider this Ordinance on First Reading was made by Councilman Grant, seconded by Councilman Tucker and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, Tucker, President Harris.

6-F-b.

The City Clerk read AN ORDINANCE TO AMEND TITLE 4, ALCOHOLIC BEVERAGES, CHAPTER 2, LICENSES, OF THE REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, 1966, AS AMENDED AND SUPPLEMENTED. (TO ADJUST FEES FOR CERTAIN MUNICIPAL ALCOHOLIC BEVERAGE LICENSES)

(Copy of ordinance and correspondence submitted to each Member of the Council)

(Ordinance tabled February 20, 1980)

(Ordinance removed from the table March 12, 1980)

Councilman Tucker said this is one of the five year ordinances and he is of the opinion Council should be in a position each and every year to consider whatever options it deems necessary. He would urge his colleagues that we at least consider the possibility of dealing with 1980 for an increase of license fees and not deal with 1982, 1983, 1984 and 1985 because each year they should have the ability, the latitude to make up their minds and not vote for a five year increase. He would like to move to amend. The urgency of the matter relates to the 1980 budget and is not related to 1982. He would like to move to amend and have the increase only for 1980 and reserve the right at a later point to deal with 1982, 1983, 1984 and 1985. The motion was seconded by Councilman Grant.

President Harris agreed with Councilman Tucker.

The motion to adopt the ordinance on first reading, as amended, was declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, Tucker, President Harris.

President Harris: The yeses are five and the noes are none. This ordinance is declared adopted on first reading and the City Clerk is hereby authorized and directed to advertise said ordinance and give public notice of its introduction and passage on first reading as provided by law. This ordinance will come up for a public

The City Clerk read AN ORDINANCE TO AMEND TITLE 5, AMUSEMENTS AND AMUSEMENT BUSINESSES, TITLE 8, BUSINESSES AND OCCUPATIONS, TITLE 12, FOODS, DRUGS AND COSMETICS, AND TITLE 24, TRANSPORTATION OF REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, 1966, AS AMENDED AND SUPPLEMENTED. (TO ADJUST FEES FOR VARIOUS MUNICIPAL LICENSES).

(Copy of ordinance and correspondence submitted to each Member of the Council)

(Ordinance tabled February 20, 1980)

(Ordinance removed from the table March 12, 1980)

A motion to adopt the ordinance on first reading was made by Councilman Grant, seconded by Councilman Tucker.

Councilman Tucker asked whether this ordinance is on the same 5 year formula and the City Clerk replied it is one year.

The motion to adopt the ordinance was declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, Tucker, President Harris.

President Harris: The yeses are five and the noes are none. This ordinance is declared adopted on first reading and the City Clerk is hereby authorized and directed to advertise said ordinance and give public notice of its introduction and passage on first reading as provided by law. This ordinance will come up for a public hearing and be considered for further action on April 2, 1980.

The Acting City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing date set. It is now before you for public hearing, second reading and final passage:

AN ORDINANCE AMENDING TITLE 8, CHAPTER 8, ALL OF ARTICLE 1 OF THE REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, 1966. (TO DEFINE AND TO PROVIDE FOR THE LICENSING OF JUNKYARDS, JUNK SHOPS AND METAL PROCESSING FACILITIES)

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

Section 1. Title 8, Chapter 8, Article 1, Junk Shops, be and is hereby amended to read in its entirety as follows:

Article 1. Junk Shops, Junkyards and Metal Processing Facilities.

8:8-1. License required.

No person shall use, exercise or carry on the business or trade of a keeper of a junk shop, junkyard or metal processing facility without being licensed for that purpose by the director, division of licenses in the department of finance.

8:8-2. Definitions.

JUNK SHOP OR JUNKYARD means a place in which is conducted the business of purchasing, selling or storing junk, salvaged materials, old metals, rubber, paper, rags, rope, bags or empty used bottles, in large or small quantities including the sale of parts thereof or for salvage value. This shall also include premises used for the wrecking of old motor vehicles and storing and selling of parts thereof.

METAL PROCESSING FACILITY. A metal processing facility means a place in which is conducted the business of buying and selling scrap iron and steel and other metals, or in which these materials are processed in any manner.

8:8-3. Qualification of applicant.

(a) No person shall be licensed as a keeper of a junk shop, junkyard or metal processing facility unless he shall be a citizen of the United States.

(b) No pawnbroker shall, during the continuance of his license as such, receive or hold a license to carry on the business or trade of keeper of a junk shop, junkyard or metal processing facility.

(c) No person, corporation, partnership or other business organization shall be licensed as a keeper of a junk shop, junkyard or metal processing facility if such person, a shareholder of such corporation, a partner of such partnership or any person with a beneficial interest in any such other business organization, has been convicted of a crime involving moral turpitude.

8:8-4. Place of business designated; transfer.

(a) Every license granted to a keeper of a junk shop, junkyard or metal processing facility shall designate the place in which the licensee shall be authorized to carry on such business. The licensee shall not carry on such business at any place other than the one designated in such license unless he complies with paragraph (b) of this section.

(b) In case a licensee shall remove his place of business from the place designated in the license, he shall immediately give notice thereof to the director, Division of licenses who, upon approval thereof, shall endorse the new place of business upon the license.

8:8-5. License fee; expiration of license.

(a) The fee for a junk shop, junkyard or metal processing facility license issued under this article shall be \$150.00.

(b) Such license shall expire on the 30th day of April next after issuance.

(c) The license fee shall be payable upon the presentation of the application and shall be returned less the sum of \$50.00, in the event such license is not granted.

8:8-6. Surety bond.

Every person to whom a license shall be granted as the keeper of a junk shop, junkyard or metal processing facility shall file a surety bond with the director, division of licenses, with good and sufficient surety approved by the department of law, in the penal sum of \$500.00 and conditioned for the due observance of all the provisions of this article during the continuance of the license.

8:8-7. Sign requirements.

Every person operating or conducting a licensed junk shop, junkyard or metal processing facility shall have and keep a sign on the outside and in front of his shop, or other place used by him for carrying on such business, on which shall be plainly set forth in conspicuous letters his name and his licensed business.

8:8-8. Scope of business; junk that may be kept.

Every licensed keeper of a junk shop, junkyard or metal processing facility shall be authorized to maintain such junk shop, junkyard or metal processing facility for the purchase and sale of junk, rags, old rope, old iron, brass, copper, tin, lead, and other old metals, old bottles, old glass, or old tinware, or any other material commonly designated as junk.

8:8-9. Vehicle requirements.

No licensee under this article shall keep, use, operate or drive a cart or wagon or other vehicle for the purchase and sale of junk, as defined in Section 8:8-8, unless each vehicle so kept, used, operated or driven by him shall be marked with his name and address of his place of business, in plain letters and at least 3 inches in height.

8:8-10. Pledges, pawns or business of pawnbroker prohibited.

(a) No person operating or conducting a junk shop, junk yard or metal processing facility shall receive in the line of his business, any article or thing, by way of pledge or pawn, nor shall he loan or advance any sum of money on the security of any such article or thing.

(b) No keeper of a junk shop, junkyard or metal processing facility shall, during the continuance of his license as such, receive or hold a license to carry on the business of a pawnbroker.

8:8-11. Purchases from minors prohibited.

No person operating or conducting a junk shop, junkyard or metal processing facility nor his agents, servants or employees shall receive or purchase any goods, articles or things whatsoever, from any minor under 18 years of age.

8:8-12. Lost or stolen articles.

(a) If any goods, articles or things shall be advertised in any daily newspaper printed and published in the city as having been lost or stolen and if the goods, articles or things answering to the description of the goods, articles or things so advertised or any part or portion thereof, shall be or thereafter come into the possession of any keeper of a junk shop, junkyard or metal processing facility he shall forthwith give information thereof in writing to the police department and shall also state from whom the same was received.

(b) Every person operating or conducting a junk shop, junkyard or metal processing facility who shall receive or be in possession of any goods, articles or things, which may have been lost or stolen, or alleged or supposed to have been lost or stolen, shall forthwith, on a demand to view the same, exhibit the same to the director, division of licenses, chief of police or any judge of the city or any policemen who may be authorized by any of the above mentioned officers or judges to make such demand.

(c) Every person operating or conducting a junk shop, junkyard or metal processing facility shall obtain a bill of sale or other proof of ownership for any goods, articles or things purchased from the person from whom such purchase was made and shall forthwith, on demand to view the same, exhibit the same to the director, division of licenses, chief of police or any judge of the city, or any policemen who may be authorized by any of the above mentioned officers, or judges to make such demand.

8:8-13. Hours for conduct of business.

No person operating or conducting a junk shop, junkyard or metal processing facility shall receive or purchase in the way of his business any goods, articles or things from any person between the hours of 6:00 p.m. and 7:00 a.m.

8:8-14. Purchase record book.

Every keeper of a junk shop, junkyard or metal processing facility shall provide and keep a book in which shall be clearly written at the time of each purchase, a description of the article purchased, the name and residence of the person from whom such purchase was made and the day and hour of such purchase. If the article purchased is a motor vehicle, he shall record its identification number.

The book shall, at all reasonable times, be open to the inspection by:

- (1) the police.
- (2) inspectors of the division of licenses, or
- (3) any person who shall be duly authorized in writing for that purpose by the director, division of licenses and who shall exhibit such written authority to such keeper of a junk shop, junkyard or metal processing facility.

8:8-15. Suspension and revocation of license.

Any license issued under the provision of this article may be suspended or revoked, after due notice and hearing, by the director, division of licenses for any violation of the provisions of this article or for other sufficient cause. Conviction for possession of stolen property pursuant to the provisions of N.J.S.A. 2C:20-7 shall be a sufficient cause for revocation and suspension of any license issued under the provision of this article.

8:8-16. Penalty.

Any person who violates any provision of this article shall, upon conviction thereof, be punished by a fine not exceeding \$500.00, or by imprisonment for a term not exceeding 90 days, or both. A separate offense shall be deemed committed on each day during or on which a violation occurs or continues.

Section 2. Any existing ordinance or part thereof inconsistent with this ordinance is hereby repealed.

Section 3. This ordinance shall take effect upon final passage and publication according to law.

HEARINGS OF CITIZENS.

6-HC-a.

MR. JOSEPH L. FEDE, 293 CHESTNUT STREET, NEWARK, NEW JERSEY, addressed the Municipal Council with respect to proposed parking lot at 281-283 Halsey Street which is opposite his parking lot at 174 Halsey Street. He felt this was unfair competition. He could understand the City of Newark providing parking space for their employees, but this will force him out of business.

The speaker outlined in detail the various fees he has to pay the City of Newark in connection with this parking lot. He hoped the Council would listen to his plea and help him.

Councilman Carrino said everything Mr. Fede has stated is absolutely true. He had the City Engineer in Councilman Martinez's office yesterday trying to find out what is transpiring there. It seems the City, out of the City Budget, came up with \$27,000. to pave that lot under certain stipulations that it had to have stone underneath and asphalt. The question they brought up at the meeting was why didn't the City sell this lot to somebody to start a parking lot over there so that somebody else could go into the business. He is sure Mr. Fede wouldn't mind if there was another parking lot over there who had to charge the same fees, etc. But this lot is four blocks away from City Hall and they were told by the Engineers that it is being used to provide parking spaces for City employees. He could understand if we had a lot next door to City Hall, or behind City Hall where there are spaces to provide parking but four blocks away on Washington Street, to take a good piece of land, spend \$27,000. to pave it and use it for parking and we all know that it is going to be the favorite few who are going to get passes to park there and not regular City employees. He questioned Director of Engineering Zach as to why he felt it necessary to have a parking lot there and he informed him that was under the auspices of Business Administrator Hill and that Business Administrator Hill was the only one who would be able to give any response to that lot and why it is going up, who is going to park there. Director Zach told him that the lot behind City Hall is going to become a motor pool and that everyone who is parking behind City Hall will be given stickers to park on Washington Street. Again, if it is a City-owned parking lot and people with stickers are only going to be the ones parking, from behind City Hall he doesn't really see any major problem there. But we all know what is going to happen. Whoever is going to control that parking lot is going to be taking care of friends, and so forth. Before you know it, it is going to be in direct competition

March 19, 1980

with a lot that is paying for license, insurance, etc. He thinks we should call Business Administrator Hill and if nothing else, put up that lot for auction and have somebody that wants to run a parking lot, bid for it and take it over and run it under the auspices of the License Division like Mr. Fede has.

Councilman Martinez said in concert with Councilman Carrino, they are also questioning that there are 350 people he believes who have received lay off slips in the City of Newark. Just to support Councilman Carrino's argument, and he would think that a person like Mr. Fede, who has spoken to him before and also to the Newark Housing Authority and the indication they gave him on the telephone that they were going to put the telephone poles surrounding that particular property because they were aware that illegal parking was being done at the location which was causing Mr. Fede financial problems. A couple of weeks later they understand that the City is taking over the parking lot. He thinks this would require at least a meeting between Business Administrator Hill, Newark Housing Authority and Mr. Fede. He is sure they don't want to run a legitimate businessman out of the City of Newark. Those people who have exhausted their funds trying to make a living. They also, on the other hand, are trying to make it as reasonable and cheap as possible for City employees to park but with 350 people who are projected to be laid-off in the next couple of weeks, he questions whether that parking lot would seriously be a necessity to the employees of the City of Newark.

Councilman Carrino concluded by saying that the City of Newark never requested that parcel back from Housing Authority, never told the Housing Authority that they were going to start working on it. The Housing Authority went there to put poles up to stop anybody from using it, they found the City paving it. Theoretically when the lot is paved the Housing Authority could prohibit the City from using that as a parking lot because it still belongs to the Housing Authority. Nobody wants to approach the Housing Authority for the transfer of the property back to the City of Newark so that it is not even a City-owned piece of property at this point and we have spent \$27,000. to pave it and if the Housing Authority tomorrow wanted to sell this property they could do it for \$500. and we would absolutely have no authority to stop them from doing it and they question the City as to how they could pave that property when they haven't asked to turn it back to the City.

President Harris directed the City Clerk to invite Business Administrator Hill, Director of Engineering Zach, representatives of Newark Housing Authority and Mr. Fede to meet with the Council at their special conference March 25, 1980 to

discuss the parking lot on Halsey Street.

President Harris questioned why and how anybody with authorization could take it upon themselves to spend x amount of dollars without approval of this body.

6-HC-b.

MR. THOMAS F. DWYER, 150 ELM STREET, WESTFIELD, NEW JERSEY, in behalf of Newark Special Policemen, addressed the Municipal Council supporting their proposed Motion dealing with special police. He requested the Council to consider their proposals outlined in letter submitted to the Council and asked Council to authorize walkie-talkie equipment. He noted there are 40 to 50 walkie-talkies available by the Auxiliary Police Unit who indicated they could use them, just get authorization.

Councilman Martinez said the Motion will be read at a later time because there is no question that the Council is compassionate with their plea. Only a few weeks ago, this Body gave an award to 2 Special Policemen. He believes one of them had been off duty about 2:30 in the morning and disarmed a bandit and stopped a serious crime that was being perpetrated. There is no question with the crimes being committed in the City of Newark today, throughout the State of New Jersey, that he does not believe the Council would be adamant towards special policemen trained in the City of Newark, driving in the City of Newark that they could not carry guns off duty. However, under the State Statute, which governs the legislation for special policemen having guns, this Council has gone to the Statute and made a few paragraphs and requested the speaker, a representative of the special policemen lobby, in their own efforts, to have this legislation approved together with the Council's Motion assuring them that they support their legislation which would give permissive legislation to the City of Newark and at that point and time it would be in our hands. He also has seen the list of the requests the speaker made to the Council regarding the Police Department. There was a meeting scheduled for last week and due to a lack of communication he did not realize the Police Department would attend the meeting, that some of those items could have been resolved and they were not. At this point and time perhaps at the earliest possible convenience, he suggested the Council invite the Police Director, Chief of Police and representatives of the Newark Special Police unit to discuss some of the problems. He has gone over some of their problems and as a former Undersheriff, he can say that not many of their requests are that bad. They are requesting to have designated ranks. The Auxiliary Police, that directly works for the Police Department have rank, the Deputies in the Sheriff's Department have rank, why cannot the special policemen have some sort of rank and if you look

March 19, 1980

at the Table of Organization, they are not requesting a large amount of ranks and as far as their financial rewards that is up to them. The payment would not come from the City Budget, the payment would have to be determined themselves. They are requesting 1 captain, 3 lieutenants and 7 sergeants. That is their determination. If you look at the Table of Organization, 7 sergeants and a Table of Organization of 200. In the City of Newark 7 sergeants would be equal to 70 members of the Newark Police Department. He wonders if that would be up to the Director of the Newark Police Department. The State Statute cites the requirement and organization and gives all the authorization to the Chief of City of Newark, not to the Police Director. But he assumes the Director should be invited to the special conference to clarify his opinion as to how he dictates policy. Their revision of the present rule book would probably have to be done under the direction of the Chief of Police and as far as the Internal Affairs Unit that would be under the Chief of Police. In the Deputy Sheriff's of the County of Essex, they were considered men who had the authority and ability to maintain and control themselves. They had their own Internal Affairs within themselves.

Councilmen Martinez said he recalls there was a committee a few years ago which was appointed and he would take it as a great pleasure to be part of that Committee to perhaps come up with an intermediate solution between what the special police are requesting and what the statute says.

Councilman Carrino said as far as walkie-talkies are concerned, they were purchased with federal funds through a federal program and he doesn't believe anyone in the City would authorize special policemen or other organizations to use them since they did not purchase them.

President Harris stated the question will be dealt with at the special conference.

Councilman Carrino concluded the Newark Police Department right now is violating special police statutes in that the Internal Affairs Division of the Newark Police Department has no right to monitor and to order the special police around as they are doing right now. The statute states the Chief of Police is supposed to monitor the functioning of the special police organization and that they are now on a day to day basis, operating, supervising and running the special police through the Internal Affairs of the Newark Police Department and that is in direct violation of the statute. He is hoping the City Clerk who was supposed to be in receipt of a letter from the Director concerning what his interpretation of the

statute is in dealing with the special police and also what his interpretation of the statute is dealing with Constables is concerned. The Council was supposed to have that in writing in this week and to his knowledge they have not received it. He would like, prior to the special conference, to send another communication to the Director making sure they have both of those things in writing.

Councilman Tucker said when the Motion is made he is going to support same. But his concern is that the special police support another Motion that was made by this Council dealing with residency, that is currently before the New Jersey State Legislature. He thinks the Senate has approved this particular bill and it is currently in the Assembly. He supports the special police and is very concerned, what he is asking is that the special police lobby, support the residency bill dealing with policemen within the City of Newark so that they can at least try to get more local residents, not just more resident policemen but more resident special policemen as well. He joins with them and hopes they join with the Council and all citizens trying to get more policemen and special policemen who reside within the City of Newark.

Councilman Martinez said a police officer in any City of the State of New Jersey, when off duty can travel throughout the State with a gun in his possession 24 hours a day. In this particular statute for the Newark Police, which he helped draw up, and he is sure it is in agreement with them, they are Newark residents and their purpose is to defend the people within the City of Newark plus defending their own lives. The only exception is a special policeman appointed in cities of the first class which is Newark, shall be permitted to carry a revolver when off duty and only within the borders of the municipality by which he is appointed, meaning directly that means Newark, and not any other town. If you are caught outside of town with a gun, you have a problem.

The Acting City Clerk was directed to invite Business Administrator Hill, Police Director Williams, Police Chief Zizza, Detective Robert Williams, Internal Affairs Bureau (in charge of Special Police), Newark Housing Authority Security Chief Leonard Holman to meet with the Council at their special conference March 25, 1980 to discuss special police.

(For further action on this item, see Motion 7-M-6 in the Minutes of this meeting)

A motion to permit Ms. Marilyn Ababio to be heard on "Hearings of Citizens" was made by Councilman Martinez, seconded by President Harris and declared adopted by President Harris by the following votes:

MS. MARILYN ABABIO, 56 SOUTH MUNN AVENUE, EAST ORANGE, NEW JERSEY, DIRECTOR OF NEWARK SISTER CITIES, addressed the Municipal Council at length with respect to the Newark Sister Cities Program which was started in September, 1979.

President Harris questioned whether the speaker was employed by the City of Newark and the speaker replied by the City of Newark MPDO.

President Harris said as a City employee, working for Administration, is she asking for special permission to do her job, to be a liaison between Administration and the Council?

Ms. Ababio replied she read in the newspaper recently the City Council has established a Sister City relationship and this is a procedural kind of thing. She had no personal knowledge and that is why she is here today to ask that they work together on these kind of Sister Cities relationship so that the people they are dealing with will know they exist in the City of Newark and they can provide help for them.

Councilman Tucker said his concern on the Sister Cities Program related back to 1974 when the legislation was originally passed. Maybe what Council can do is send her a copy of the legislation the City Council approved in 1975 establishing Newark in a Sister City Program which was submitted to Sister Cities International. What he is indicating to her is the Council already moved in concert with Administration in 1975. Ironically the first time they knew there was a Sister City administrative staff was, from his standpoint, today. Prior to that time they had reached out to Sister Cities internationally. He knows the Council was involved in various meetings in Washington, directly with Sister Cities International and to be very frank no one on the Council was knowledgeable we had established a program or an affirmative relationship with Sister Cities International. For the speaker to come and speak to the Council, he thinks what really needs to take place, the Mayor or the Business Administrator need to try to identify whether or not they want to work in concert with the Council. He doesn't believe the speaker should bear that kind of responsibility. He thinks that is a major responsibility of administrative channels and should go through the Business Administrator. He thinks another point that should be very realistic

cooperative relationship between the Council and the Mayor should be based on mutual understanding and respect. Her brochure doesn't even acknowledge the fact the City Council is the governing body of the City of Newark. It raises questions of the intent of Administration. That is not the speakers problem to deal with. He realistically thinks she should talk with Mr. Dennis Cherot or Mr. White that they in turn establish a meaningful discussion whether the Council should in turn follow up 4 years ago or whether we need to at least have the Mayor do his thing and the Council do their thing because at this point and time that is what is taking place. He does not want the speaker to be put in the middle and that is where she is right now.

Councilman Martinez said the speaker had met with him the other day after he thinks the picture was in the newspaper, that the representative from Matoshinos is in the audience and he has been holding off the resolution until she had spoken, because he is curious to know what the Sister Cities Program would also do for his country and his city. When she had come to him, he discussed it with his colleagues and said he didn't realize we had a Sister Cities Program in the City of Newark and thought it was a good thing. Several questions developed. They had approved a budget in April, 1979, which did not have this in the budget and they asked when was the budget established and he believes the speaker said September, 1979 the program was established by MPDO and of course the literature is fine, the aspect is fine and perhaps her intentions are great.

Councilman Martinez asked Ms. Ababio how many people are involved in the Newark Cities Program, on staff and the speaker replied two.

Councilman Martinez said that is the entire budget, two, for the entire Sister Cities Program.

Ms. Ababio stated the Sister Cities Program in Newark follows the guidelines that were established by Sister Cities International in Washington, D.C. and the brochure does reflect that and in no way intends to eliminate the role of the City Council as the governing body.

Councilman Martinez said there was an ordinance adopted by the Municipal Council that all literature such as this, funded by City funds, established the 10 elected officials of the City of Newark and not just one and he further questioned in the budget of MPDO, where would you find this program.

Ms. Ababio replied she has not seen the MPDO Budget.

March 19, 1980

Councilman Carrino said the speaker indicated there were two members in the total operation. How much is allocated for the program.

Ms. Ababio replied they use the resources of the City.

Councilman Carrino asked the speaker who she approached about the pamphlet and Ms. Ababio replied her Assistant, Barbara LaMar took care of that end and she is not sure who she talked to but would get that information to him..

Councilman Johnson said the initial endeavor to organize a Sister Cities Program had an honorable intent but with the number of abandoned buildings we have in the City of Newark, empty police cars, the level of service we have right now, he just can't believe that we can take monies at this point and turn them towards a program of this nature, with the lack of service we have in the City of Newark. There is nothing personal towards the officer of this program, but he thinks somewhere along the line someone has been totally misdirected as to the needs of this City at this time.

Councilman Grant said perhaps the reason Councilman Martinez invited her here is because when they received copies of this brochure, it was the first time for the 9 members of the Municipal Council to even find out that there was such a program in the City of Newark. The 9 elected officials who vote on the budget on various departments, do not know anything about this program. They understand it has been going on since last year.

Councilman Grant said he understands thoroughly what the program is about. The point he was making, as an elected official, the Newark Sisters Cities Program was brought to the Council's attention today in spite of the fact it has been in operation since September, 1979. He thinks what they would ask or demand in the future, that when such programs, whether they are of this nature or any other, not that the speaker bring it to the Council's attention but that Administration bring it to the attention of the elected officials. He doesn't think anyone wants to place the onus on her but it was not her responsibility to say to the Newark Municipal Council that Sister Cities is now in effect. That should have been the responsibility of, first the Mayor to say to the Business Administrator that this information ought to be translated to the Municipal Council and then disseminated to the City of Newark for information. He is sure that the program has merit and he is not criticizing and he thinks what they are saying is they had no knowledge of the program.

Councilman Tucker said his only concern is that at a future pre-conference meeting Council should get in touch with Business Administrator Hill and Executive

Director of Office of Planning and Grantsmanship Cherot. The problem they are running into is he thinks Administration consistently keeps using MDPO. Sister Cities International will fund cities to provide the services that are utilizing MDPO funds for. This Council acted on developing affiliations with Sister Cities International and he thinks if we find the resolution, he believes the resolution which he sponsored at that time requested they contact Sister Cities International.

Councilman Tucker reiterated he does not believe it is something that should be addressed to the speaker but really relates to Business Administrator Hill and Executive Director of Office of Planning and Grantsmanship Cherot and he thinks they, as the Council, should discuss that with them. He doesn't believe we should confuse Sister Cities as an International Program with somebody, just disrespect or disregard of the entire Council.

Councilman Carrino said he would like to add a line item budget for every program not to allow something like this to occur anytime during the given year.

Councilman Martinez thanked Ms. Abadio making the Council aware that such a program existed in the City even though it was not her function.

The Acting City Clerk was directed to communicate with Business Administrator Hill and Executive Director of Office of Planning and Grantsmanship Cherot requesting answers to the following questions posed by the Municipal Council relating to Sister Cities:

- 1) Why was the Municipal Council Council not informed of the establishment of the "Newark Sister Cities" program until this time?
- 2) How is the "Newark Sister Cities" program funded?
Please furnish amount of appropriation, source of funds and a copy of the program budget.
- 3) What staff is assigned to this activity? Please furnish the name of each employee, position title and salary range.
- 4) Why did the brochure of the "Newark Sister Cities" program not include information required by Ordinance 6-S & F-m adopted May 5, 1976, which was amended by Ordinance 6-S & F-b adopted February 20, 1980, relating to municipal publications and signs (masthead ordinance)?

Councilman Martinez read the following resolution:

WHEREAS, Newark, New Jersey, has grown in three hundred fifteen years to become the foremost city of the State of New Jersey, the hub of one of the most important market areas in the United States of America and one of the leading cities in the nation; and

WHEREAS, this growth and vitality can be attributed in great part to the diversity of the racial, religious and ethnic backgrounds of the many peoples who live and work in Newark; and

WHEREAS, that among the numerous groups that have contributed so much to the heritage of Newark, the Portuguese people have played a vital and continuing role in the social, cultural and commercial enrichment of Newark; and

WHEREAS, the Honorable Carlos Moreira, a Councilman of Matosinhos, Portugal, is visiting Newark, New Jersey, and thereby further strengthening the good will that exists between both our peoples; and

WHEREAS, the Newark Municipal Council wishes to recognize the significance of Councilman Moreira's visit and take this opportunity to acknowledge the close ties that bind the peoples of our two great cities;

NOW, THEREFORE, BE IT RESOLVED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY, that they do hereby recognize the City of Matosinhos as a sister city of Newark and hereby convey to the officials and all residents of Matosinhos, Portugal, best wishes, warm greetings and profound respect from the citizens of Newark, New Jersey.

MOTIONS.

7-M-a.

The Acting City Clerk read the following letter from Assistant Corporation
Counsel Bressler, dated March 11, 1980, re: L-R Metal Treating Co. vs. Municipal
Council of the City of Newark, Docket No. L-29429-78:

"The above matter, which is an appeal from the decision of the Municipal

March 19, 1980

Council reversing the action of the Board of Adjustment granting a variance to plaintiff under the provisions of C. 40:55D-70(d), was pre-tried before the Honorable F. Michael Caruso on February 22, 1980. Judge Caruso indicated that the Council may have an opportunity to read the transcripts of the hearings before the Board after the matter had been remanded for a determination as to whether special reasons exist for granting plaintiff's application for a variance, for the purpose of deciding whether it wished to further review the matter.

Accordingly, I am forwarding to you herewith copies of transcripts dated August 14, 1979 and October 23, 1979, which have been supplied by plaintiff's attorney. Please provide each Council Member with copies of the transcripts and place the matter on the agenda of the next pre-meeting conference for discussion on further Council action, if any."

The Acting City Clerk stated copies of the transcripts dated August 14, 1979 and October 23, 1979 were forwarded to each Member of the Council as was the letter submitted by Assistant Corporation Counsel Bressler in connection with this matter.

Councilman Martinez stated he has read the transcripts of the proceedings before the Board of Adjustment on August 14, 1979 and October 23, 1979 and does not find anything in the transcripts that would show the Board has found what he would consider to be "special reasons" for granting the variance.

Councilman Martinez said rather, there was a discussion relating to whether or not granting the variance would be detrimental to the area or the zoning plan. As a matter of fact, there never was a vote taken as to whether special reasons exist for granting the variance. As far as he is concerned, nothing has changed since the Council had its hearing on the matter and he sees no reason for holding a new hearing. For those reasons, he moved that the Council not review the Board of Adjustment's decision again, seconded by Councilman Tucker and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, Johnson, Martinez, Tucker, Villani, President Harris.

A MOTION DIRECTING THE CITY CLERK TO COMMUNICATE WITH THE ESSEX COUNTY DELEGATION TO THE NEW JERSEY STATE LEGISLATURE URGING OUR REPRESENTATIVES TO ENACT LEGISLATION WHICH WOULD PERMIT SPECIAL POLICEMEN APPOINTED IN CITIES OF THE FIRST CLASS TO CARRY THEIR SERVICE REVOLVERS WHEN THEY ARE OFF DUTY AND WITHIN THE BORDERS OF THE MUNICIPALITY WHICH PROVIDED FOR THEIR APPOINTMENT, was made by Councilman Martinez, seconded by Councilman Tucker and declared adopted by President Harris by the following votes:

March 19, 1980

Yes: Councilmen Bottone, Carrino, Grant, Johnson, Martinez, Tucker, Villani, President Harris.

7-M-c.

Councilman Martinez noted he gave each Councilman a copy of communication from Executive Superintendent of Board of Education and Department of Physical Facilities relative to East Side High School. Based upon that status report, he requested that this Council meet in Special Emergency Session on Tuesday, March 25, 1980, with the following people: Mayor Gibson, Corporation Counsel Perillo, Superintendent of Schools Kittrels, Executive Director of Physical Facilities Albert, Board of Education Attorney Banks, President of Board of Education Sharif, Director of Health and Welfare Morgan and Fire Director Caufield.

Councilman Carrino said he really appreciates what Councilman Martinez wants to do and he hopes he understands that he will vote in the negative because as soon as he sits down with those people he will become part of the mess that's known as East Side High School. He will not sit down Tuesday. He is going to send a copy of the report that Councilman Martinez gave him to the Prosecutor's Office and he is not going to get involved with any discussion with any of those people on East Side High School because once we sit down, we become party to what's going on there and he is not going to become a party to that situation down there.

A motion to meet with the officials concerned to study the East Side High School situation was made by Councilman Martinez, seconded by Councilman Tucker and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Martinez, Tucker, Villani, President Harris.

Not Voting: Councilmen Carrino, Grant, Johnson.

(Subsequent to this meeting, President Harris appointed PUBLIC SCHOOL COMMITTEE, Councilmen Johnson, Chairman, Carrino, James, Martinez, to discuss the situation at East Side High School)

7-M-d.

A MOTION URGING THE MUNICIPAL COUNCIL TO PETITION THE NEW JERSEY LEGISLATURE TO ENACT ENABLING LEGISLATION WHICH WOULD ALLOW THE NEWARK HOUSING AUTHORITY TO EQUIP ITS SECURITY FORCE AS SPECIAL POLICEMEN SUBJECT TO THE SAME CRITERIA WHICH APPLY TO SPECIAL POLICEMEN IN OTHER CIRCUMSTANCES; ALSO SEEKING SPECIAL LEGISLATION TO GRANT AID TO CITIES WITH A HIGH CONCENTRATION OF PUBLIC HOUSING TO ENABLE THESE MUNICIPALITIES TO DEFRAY THE HIGHER COST OF THESE SECURITY PERSONNEL, was made by Councilwoman Villani, seconded by Councilman Tucker.

March 19, 1980

Councilman Carrino questioned if it is possible for Councilwoman Villani to break that into two motions because he will not vote in the affirmative on the first part, but would like to vote yes on the second part of it.

Councilwoman Villani said she would like to leave it the way it is. There is no reason why she should make 2 motions out of it.

Councilman Bottone stated he doesn't understand the motion the way it is. He would like to see that the Special Police have more powers, but at the same time, after we spend \$24 million to give to our own Newark Police Department, he would like to know what they have to say about it. He understands we are going to have a meeting with the Police Department as Councilman Martinez suggested. At this time, he can't see his way clear to vote for the motion because he doesn't understand it.

Councilwoman Villani stated for clarification of everyone here tonight, she would like to state that the intent of her article in the Star-Ledger was not to substitute untrained housing guards for trained policemen. It was her intent to allow the Housing Authority to train and hire Special Policemen whose sole purpose would be to patrol the housing projects. New York City has such a force as does many other cities across the country with large concentrations of population in public housing.

Councilwoman Villani further explained it was her intent to have the State defray some or all of the cost for hiring these policemen. Therefore, her purpose for proposing this motion was twofold: first to guarantee a permanent security force for the seniors, children and parents who live in the Newark Housing Authority projects which will have the effect of freeing Newark Police for other duties. Second, to provide this protection to the citizens of Newark at no extra cost to the taxpayers of Newark who are already overburdened by property taxes and inflation. What she is asking the Council to endorse is a plan she hoped would ultimately free the City of the cost of policing the housing projects. Her concern was and is to insure that the quality of the security men in the project is the same as that of our overall police force. She does not wish to touch on the issue whether or not laid-off policemen could fill these special police jobs, because this motion is not a binding piece of legislation and therefore such a discussion would neither be appropriate to her intent or binding on any results should they occur.

Councilwoman Villani said this motion, in effect, is a means of trying to persuade our Legislature to deal with the issue of alleviating Newark taxpayers of the cost of policing the projects while at the same time increasing the quality of

March 19, 1980

protection for those Newarkers who live in the projects. If any misunderstanding has taken place because of the news article, she hoped it has been corrected because it is important for the City Council to face this issue sooner or later. She would also like to point out that we are only voting on a motion which would for all practical purposes, simply bring this matter to the Legislature's attention. We should not think of it as an ordinance which is legally binding, but rather a petition to our legislature to deal with a real problem which we hope it will address.

Councilman Carrino said the only reason he asked it be broken up is because if the Legislature decides to have the Newark Housing Authority use special police in the projects on the one hand, and if on the other hand we do not get special legislation from the Federal Government to fund it, we in essence are going to have to pay for the special police working in the projects. He agrees with the concept of having special police working in the projects, but he doesn't necessarily think that if we don't get that money and legislation goes through, we're going to have to pay the special police to perform that duty. That's why he asked if the motion could be broken up because he certainly agrees with one half of the motion.

Councilman Tucker stated this is just a matter of opinion. He thinks we should take the word "train" out because the only people who can train special police is the Police Department. In other words, he thinks we're authorizing the Housing Authority to train and equip.

Councilman Bottone noted sometime ago President Harris introduced an ordinance where apartments, from 60 families up had to have a doorman plus a security guard. Would this be over what's already on the books, and if so, where is this money going to come from?

Councilwoman Villani said we are asking the Legislature to come up with funds, this is a special project. It's not coming out of taxpayer's money. This is to bring it to the attention of the Legislature for a city with the population of the City of Newark. New York is doing it, cities across the country are doing it. Special policemen has nothing to do with the laid-off policemen. If they pick up the laid off policemen, she is all for it.

Councilman Bottone questioned how about the ordinance that was passed about 6 months ago that every apartment house with 60 apartments or more had to have a security officer at the door 24 hours a day plus a doorman? You already have 2 people in these apartments. Would this be a third person, that you're asking for?

March 19, 1980

Councilwoman Villani replied no, from what she understands there is only one person in these buildings. There are not two people in these buildings. There is one person to each housing unit. What they are asking is for more special policemen, but the funds should not come out of City taxes. This is being done in other parts of the country.

Councilman Tucker noted approximately a year and a half ago, the Council passed a motion similar to this. He thinks there was a meeting held in Judge Buck's Office with Councilman Johnson and himself and Councilman James and he feels they discussed the identical thing that Councilwoman Villani is asking that it be State funded. Originally, what we were trying to do is to get the CETA Program to fund it. What he gathers from the motion it's basically a takeoff from what we originally established as a policy that we know that they need armed policemen in those buildings and he assumes we are asking the State to pick up the tab. That's the difference. He doesn't believe it's anything more.

Councilwoman Villani replied Councilman Tucker is correct. As far as the seniors and the people of the City are concerned, they don't care where the money comes from, they just know they want more policemen into the City without having the taxpayers pay for it. It's bringing it to the attention of the Legislature to do something about a City the size of Newark.

President Harris questioned are we asking the people, are we saying to them that we are going to get "glory hallelujah" in the City of Newark, or are we going to tell them the gospel truth that there is a gentleman who occupies 1600 Pennsylvania Avenue who has told this great country of ours and told Americans to tighten their belts because the day of "glory and hallelujah" and "pie in the sky" is over with. Budgets from one end of this country to another are going to be cut back. Americans are going to face up to it whether they like it or not and encompassed in that federal budget is the fact that we as a City are going to be the recipients of somewhere in the neighborhood of \$12 to \$14 million less funds.

Councilman Martinez said he would like to go back to Councilwoman Villani's motion. He understands what she's trying to do and there is merit to it, but since the special police are going to meet with Council next week, he thinks it will be an opportune time to have at the same time someone from the Newark Housing Authority appear at that meeting, just to discuss what kind of a role, perhaps in the future, the special policemen can take. He understands what she's trying to say, because

March 19, 1980

the people who are patrolling the projects today cannot really handle a thing with that stick they are carrying. Perhaps something can be done to bring the proper protection to the housing projects.

The motion to adopt the motion failed of adoption by the following votes:

Yes: Councilmen Tucker, Villani.

AN ORDINANCE OF THE CITY OF NEWARK, IN THE COUNTY OF ESSEX, NEW JERSEY, REAPPROPRIATING CERTAIN MONEYS, INCLUDING BOND PROCEEDS NOT NEEDED FOR PURPOSES FOR WHICH SUCH BONDS WERE ISSUED, TO CAPITAL SURPLUS FUND AND TO OTHER PURPOSES FOR WHICH BONDS WERE AUTHORIZED BUT NOT ISSUED, PROVIDING FOR THE CANCELLATION OF CERTAIN PRIOR APPROPRIATIONS AND AMENDING NUMEROUS ORDINANCES OF THE CITY TO ACCOMPLISH SAME.

WHEREAS, it is necessary to cancel numerous capital project authorizations because such projects have been completed or because it is deemed to be in the best interest of the City of Newark to discontinue such projects at this time; and

WHEREAS, certain amounts of bond proceeds on hand for these projects are not necessary for the purposes for which such bonds were originally authorized and certain other capital funds heretofore appropriated by budget appropriation, by ordinance appropriation from the Capital Improvement Fund or otherwise are not necessary for the purposes for which such appropriations were originally made; and

April 2, 1980

WHEREAS, it is deemed to be in the best interest of the City of Newark to appropriate the capital surplus derived from certain general projects of the City to the general capital surplus fund; and

WHEREAS, it is deemed to be in the best interest of the City of Newark to appropriate, to the extent available, capital surplus derived from water projects of the City to extinguish cash deficits for certain water capital projects for which Bonds were authorized but not issued since the City was able to borrow against its own reserves in order to provide for expenditures for such projects; NOW, THEREFORE,

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, IN THE COUNTY OF ESSEX, NEW JERSEY (not less than two-thirds of all members thereof affirmatively concurring) AS FOLLOWS:

Section 1. In Schedule A attached hereto and hereby made a part of this Ordinance, the cash balances described in Column VI for the General Capital Projects listed in Column III for which provision was made in the ordinances described in Columns I & II, which sums amount in the aggregate to \$214,777.78, are hereby determined not to be necessary for the purposes for which such funds were originally authorized and are hereby deemed to be capital surplus in accordance with N.J.S.A. 40A:2-39.

Section 2. The \$214,777.78 capital surplus described in Section 1 hereof is hereby appropriated to the general capital surplus fund.

Section 3. In Schedule B attached hereto and hereby made a part of this Ordinance, the cash balances described in Column VI for the Water Utility Capital Projects listed in Column III for which provision was made in the ordinances described in Columns I & II, which sums amount in the aggregate to \$142,666.79, are hereby determined not to be necessary for the purposes for which such funds were originally authorized and are hereby deemed to be capital surplus in accordance with N.J.S.A. 40A:2-39.

Section 4. The \$142,666.79 capital surplus described in Section 3 hereof is hereby appropriated to extinguish the cash deficits described in Column VI of Schedule C attached hereto and hereby made a part hereof for the Water Utility Capital Projects listed in Column III for which provision was previously made in the ordinances described in Columns I & II of Schedule C.

Section 5. The \$22,630 cash balance described in Column VI of Schedule B attached hereto for Water Utility Capital Projects No. 2375 and No. 2975 and not described in Section 3 hereof and not reappropriated in Section 4 hereof is hereby reappropriated to finance only Water Utility Capital Project No. 2975.

Section 6. Of the total \$174,202.37 cash deficit described in Column VI of Schedule C attached hereto for Water Utility Capital Project No. 46/65-73, the \$99,287.79 cash deficit described therein shall not be extinguished and shall remain on the books of the City as a cash deficit for Water Utility Capital Project No. 46/65-73. It is hereby determined that the City intends to extinguish this cash deficit by provision in a future ordinance as soon as possible.

Section 7. The ordinances described in Columns I & II of Schedule A, Schedule B and Schedule C attached hereto are hereby amended in accordance with the provisions of this ordinance and the schedules attached hereto.

Section 8. This ordinance shall take effect 20 days after the first publication thereof after final adoption, as provided by the Local Bond Law, provided that the Local Finance Board has approved this ordinance in accordance with the covenants entered into under the Municipal Qualified Bond Program.

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing date set. It is now before you for public hearing, second reading and final passage:

AN ORDINANCE TO AMEND TITLE 21, SEWERS AND SEWAGE DISPOSAL, CHAPTER 1,

REGULATIONS, OF THE REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, 1966,
AS AMENDED AND SUPPLEMENTED. (TO ADJUST SEWER USER CHARGES)

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

Section 1. That Title 21, Sewers and Sewage Disposal,
Chapter 1, Regulations, Section 21:1-48 of the Revised Ordinances of
the City of Newark, New Jersey, 1966, be amended to read as follows:

21:1-48 Rates of sewer user charges

Pursuant to R.O. 21:1-46, the user charges associated
with Part B are hereby set, as follows:

(a) Users of municipal wastewater facilities shall
be billed \$3.75 per 1,000 cubic feet of water supplied
by the City.

(b) As an alternative to (a), any property owner may
install metering equipment on his premises to measure
the actual flow of sewage into the public wastewater
facilities. The responsibility for the purchase,
installation, and proper functioning of any such
meter shall be that of the property owner. All such
meters shall be subject to the approval of the
Director of Engineering and shall be maintained in
a continuous state of accurate operation by the
property owner. The user charge for property owners
who elect direct actual metering shall be \$3.75
per metered 1,000 cubic feet of sewage.

(c) Property owners who obtain water, either in
whole or in part from sources other than the City,
shall provide, and maintain at their own expense,
water or sewage meters which shall register the
total discharge of sewage to the municipal waste-
water facilities. All such installations shall be
subject to the approval of the Director of Engineering
and shall be maintained by the property owner in a
continuous state of accurate operation. The user
charge for these properties shall be \$3.75 per
1,000 cubic feet of metered wastewater discharged
to the public sewer, whether or not the water is
furnished by the City.

(d) In the event that a property owner shall prove
to the satisfaction of the Director of Engineering
that there is no substantial relation between the
intake of water at the property, regardless of its
source, and the output of sewage from the property,
and if it be determined by the Director of Engineering
that it is not practicable to measure sewage emanating
from the property by meters, then the property owner
may elect to pay a user charge based upon engineering
studies supported by substantial evidence. All such
studies must be approved by the Director of Engineering
and shall be subject to his periodic review.

(e) In no event shall any property owner utilizing
municipally controlled sewers pay a user charge of
less than \$7.50 per quarter.

Section 2. All prior ordinances or parts thereof inconsistent
herewith are hereby repealed.

Section. 3 This ordinance shall take effect upon final passage
and publication and in accordance with the laws of the State of New
Jersey.

April 2, 1980

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

MR. RICHARD WIDTH, LAW FIRM OF LINSBURG, MC CORMICK AND ESTERBROOK, 184 ELM STREET, WESTFIELD, NEW JERSEY, representing an Ad Hoc Group of some of the largest commercial industrial users of the sewer systems in the City of Newark stated he is not here to argue against the proposition of the sewers being self-sustaining. He is here to express the grave concern of the group. Some of the members are present here today about this substantial increase which comes somewhat unexpectedly and represents a rather substantial increase. He urged the Council to consider two things in connection with this ordinance: 1) Council consider gradually phasing in higher sewer rates rather than all of a sudden attempting to make the sewer system self-sufficient in one step; 2) Urge the Council make appropriate reductions in the property tax rate, reduction of which would be reflective of the additional revenue which would be generated by whatever increase the Council determines.

MR. PHILIP D. KALTENBACHER, CHAIRMAN, SETON COMPANY, 849 BROADWAY, addressed the Municipal Council with respect to the drastic increase in sewer charges which has been proposed from \$.75 a cubic foot to \$3.75 a cubic foot. He stated Seton Company has been Newark based since its founding in 1906, they employ between 350 to 450 jobs, are still in Newark, are a profitable company and listed on the American Stock Exchange. The effect on their company with this proposed change is \$150,000. additional costs a year to operate. This comes on top of the payroll tax, one of the highest real estate taxes in the country, a very bad security situation which is very costly which they regard as a hidden tax here in Newark and several other negatives. The speaker said that they do not want to join others by leaving the City but felt this action could be an invitation to their company and others to leave the City. He urged the Council to rethink this ordinance and treat businesses as they would treat any other segment of the community and adopt the attitude of gradualism.

Councilman Carrino questioned Mr. Kaltenbacher of the approximately 400 employees that they have working at this plant, how many would he estimate are Newark residents and Mr. Kaltenbacher replied he would estimate 90% of these people are hourly employees and he would estimate 75% to 80% of that group would be residents of Newark.

Councilman Carrino said just to re-emphasize what the speaker said, how much in dollars would it cost to get a 60,000 square foot plant in Pennsylvania to which Mr. Kaltenbacher replied \$5,000. in hard cash.

April 2, 1980

Councilman Carrino further questioned how much property taxes does Seton Company pay in Newark and Mr. Kaltenbacher replied he does not know but their payroll tax is \$31,000., so he would simply multiply that by 200.

No one else appearing, a motion to close the hearing and defer action on this ordinance was made by Councilman Tucker, seconded by Councilman Grant and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

AN ORDINANCE TO AMEND TITLE 4, ALCOHOLIC BEVERAGES, CHAPTER 2, LICENSES, OF THE REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, 1966, AS AMENDED AND SUPPLEMENTED. (TO ADJUST FEES FOR CERTAIN MUNICIPAL ALCOHOLIC BEVERAGE LICENSES)

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

Section 1. That Title 4, Alcoholic Beverage, Chapter 2, Licenses, Section 4:2-5 of the Revised Ordinances of the City of Newark, New Jersey, 1966, as amended and supplemented, be amended to read as follows:

4:2-5 Fees

In accordance with the Revised Statutes of the State of New Jersey (R.S. 33:1-12), the fees for the granting of all alcoholic beverage licenses by the local issuing authority of the city are hereby fixed as follows:

For Calendar year 1980:

- (a) Plenary retail consumption license - \$840 per annum
- (b) Plenary retail distribution license - \$840 per annum
- (c) Club license - \$150 per annum
- (d) Special permit - \$25.00

Section 3. That all prior ordinances or parts thereof inconsistent herewith are hereby repealed.

Section 4. That this ordinance shall take effect after final passage and publication and in accordance with the laws of the State of New Jersey.

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

No one appearing, a motion to close the hearing and adopt the ordinance on second reading and final passage was made by Councilman Tucker, seconded by Councilman Bottone and declared adopted by President Harris by the following votes:

8:12-6 License fee; exemptions

(a) The fee for a restaurant license issued under this chapter shall be as follows:

Restaurant with seating capacity of up to and including 50 persons.....	\$100.00
With seating capacity of more than 50 persons	\$250.00

Section 6. That Title 8, Business and Occupations, Chapter 17, Used Motor Vehicle Sales Lots, Section 8:17-6(b) of the Revised Ordinances of the City of Newark, New Jersey, 1966, as amended and supplemented, be amended to read:

8:17-6 Term of license; license fee

(b) The annual fee for the license issued under this chapter shall be computed at a rate one cent per square foot of the area of the parking lot, with a minimum fee of \$150.00. When an application is received for a lot coming into operation after January 1 of any year, the annual fee shall be prorated for the unexpired period of the calendar year, at the rate of 1/12 of the annual fee for each month or part thereof of the unexpired period of the year.

Section 7. That Title 12, Foods, Drug and Cosmetics, Chapter 4, Milk and Milk Products, Article 8, Licensing and Regulation of Coin Operated Milk and Other Food Vending Machines, Section 12:4-81(a), of the Revised Ordinances of the City of Newark, New Jersey, 1966, as amended and supplemented, be amended to read as follows:

12:4-81 License application; issuance; fee; term; separate license for each machine

(a) The license shall be issued by the division of licenses on application made by the person, firm or corporation, in occupancy of the premise, in or on which the machine is to be maintained and operated except where the location of the machine is in or on a federal, state, county or municipal owned or operated premise, in which case the vending machine owner shall make application and receive the license. The license shall be issued upon payment of a fee of \$50.00, and shall expire on the 30th day of November next after its issuance, except where the sole food vendor by the machine is milk, in which case the fee to be paid is \$25.00.

Section 8. That Title 24, Transportation, Chapter 1, Taxicabs, Section 24:1-6(b) of the Revised Ordinances of the City of Newark, New Jersey, 1966, as amended and supplemented, be amended to read as follows:

24:1-6 Taxicab license fees; expiration date of licenses

(b) No license shall be issued or renewed unless the applicant therefore has paid an annual license fee of \$250.00 for the right to engage in the taxicab business; provided, however, that the fee for any license issued after the first day of June and expiring the 30th day of November of the same year shall be \$125.00. Such license fee shall be in addition to any other fee or charges established by proper authorities and applicable to said holder for the vehicle or vehicles under his operation and control.

Section 9. That Title 24, Transportation, Chapter 1, Taxicabs, Section 24:1-14(b) of the Revised Ordinances of the City of Newark, New Jersey, 1966, as amended and supplemented, be amended to read:

24:1-14 Expiration date of driver's license; fee; display of license

(b) The fee for a taxicab driver's license shall be \$50.00 per year or any part thereof.

Section 10. All licenses fees established herein shall become effective for those licenses issued by the City of Newark beginning January 1, 1980, and shall be charged for any license thereafter issued.

Section 11. All prior ordinances or parts thereof inconsistent herewith are hereby repealed.

Section 12. This ordinance shall take effect upon final passage and publication and in accordance with the laws of the State of New Jersey.

April 2, 1980

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

MR. SAMUEL F. COHN, 321 JELLIFF AVENUE, NEWARK, NEW JERSEY, appeared before the Municipal Council protesting unconscionable amounts of money representing the increase in licensing fees for Newark Taxicab Industry. The speaker outlined the statistics in running a taxicab in the City of Newark and urged the Council to reject this ordinance and presented the Council with a list of comparable rates used in other municipalities.

At the conclusion of Mr. Cohn's remarks, President Harris requested the City Clerk to have the speakers remarks extracted verbatim and forwarded to the Assistant Business Administrator and have him respond to the Council with respect to said statements.

The following speakers addressed the Municipal Council urging them to reject this ordinance indicating they felt it was unfair to increase the licenses for the Taxi Industry. The speakers felt that they can come up with some type of workable solution between the City Council, Administration and the Taxi Industry.

MR. GEORGE BAGBY, 702 SOUTH 20TH STREET, NEWARK, NEW JERSEY.

MR. DONALD CLARK, 343E SCHLEY STREET, NEWARK, NEW JERSEY.

MR. JOHN BROWN, 159 JAMES STREET, NEWARK, NEW JERSEY.

MR. LOUIS J. SMITH, PRESIDENT, TAXI DRIVERS ASSOCIATION, 432 CLINTON AVENUE NEWARK, NEW JERSEY.

MR. OTIS ROEBUCK, PRESIDENT, NEIGHBORHOOD INVESTMENT CORP., 216 WEST RUNYON STREET, NEWARK, NEW JERSEY.

Councilman Carrino said that everybody should be made clear what they are acting on right now are presentments made by the Mayor's Office and Administration. These are not things Council has presented to the City. These are things Administration had brought up to the Council and now during the course of two or three meetings they have to eventually vote. They are doing whatever background is necessary to determine if these things are fair and that is one of the reasons for the public hearing. Several speakers have already mentioned the raises and taxes they are looking for but he wants everybody to understand that these are ordinances from the Mayor's Office and the Administrator's Office and the City Council has had no input into these at all. Their input is right now on whether or not they should vote for them or whether they

are the proper figures but not one of these things have been instituted by the City Council.

Councilman Bottone said that one of the speakers made a comment that maybe there is \$50,000. not showing up in the budget and he felt this should not go unnoticed. He sees Assistant Business Administrator Banker present and said this should be checked to see whether the Taxicab Division total budget is for the year how much it cost to run it and how much was received to see if there is any truth to the statement that was made that there is a shortage of \$50,000.

Councilman James said he understands the speakers suggesting perhaps they have meetings with the Council. He thinks it was already indicated this was submitted to the Council by Administration with various rate increases. He thinks what they are really witnessing is the times right now with high inflation, energy crisis, high rate of unemployment, already a projection that 50 million people will lose their food stamps. We are talking about the President's efforts to balance the budget which will be a greater self tightening situation but he thinks what we are really seeing is that any type of increase at this time in the present climate where we are talking about recession and almost what people today are calling a depression, individuals are going to be hard hit, businesses would be hard hit and he thinks it is not just an individual problem with the various entities, taxicabs, sewers, or anything else. We just have to face critical times and he thinks the feedback we are gathering is that individuals cannot simply afford increased taxation where right now they are struggling to survive.

President Harris said for the benefit of the people present, to expedite matters, this particular ordinance that the Council has before them will not be approved today. It will be deferred.

Councilman Tucker said he would just like the record to indicate some of the points they are going to have to consider as a Council. He clearly thinks the analysis developed by Assistant Business Administrator Banker looked at the position of what the cost of the City was in regulating the industry, not just the taxi industry but all divisions of licensing. What they, as a Council, are going to have to do is not only consider that particular variable. They cannot automatically just look at something and say it seems like a good idea because the figures in effect hold true. He is of the opinion, not to necessarily vote in the affirmative on this matter, but start looking at exactly what they envision what would be an equitable increase in regard to where they are as an industry, whether it is the taxi industry, restaurant

April 2, 1980

licenses or one of the other 7. He is hopeful they can take some time on this matter and go through it and consider not only the City but the needs of the people who would be affected by this determination.

No one else appearing, a motion to close the hearing and table this ordinance and directing the City Clerk to draft individual ordinances for each of the various licenses being prepared was made by Councilman Tucker, seconded by President Harris and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, Jame, Johnson, Martinez, Tucker, Villani, President Harris.

ORDINANCES FOR RECONSIDERATION.

President Harris called for ordinances for reconsideration.

6-S & F-i.

The City Clerk read AN ORDINANCE AMENDING ORDINANCE 6-S & F-a, ADOPTED JANUARY 27, 1977, THE LAND USE PROCEDURES ORDINANCE OF THE CITY OF NEWARK, AS AMENDED (TO PROVIDE THAT AN APPEAL MAY BE TAKEN TO THE MUNICIPAL COUNCIL FROM A DECISION OF THE CENTRAL PLANNING BOARD OR THE BOARD OF ADJUSTMENT GRANTING A CONDITIONAL USE APPLICATION FOR A DRIVE-IN RESTAURANT.

(Copy of ordinance and correspondence submitted to each Member of the Council)

(Ordinance rejected by the Mayor March 26, 1980)

The City Clerk stated the question before the Council is "Shall the Municipal Council override the Mayor's veto of 'An ordinance amending ordinance 6-S & F-a, adopted January 27, 1977, The Land Use Procedures Ordinance of the City of Newark, as amended. (To provide that an appeal may be taken to the Municipal Council from a decision of the Central Planning Board or the Board of Adjustment granting a conditional use application for a drive-in restaurant),' adopted by the Municipal Council March 19, 1980, rejected by the Mayor March 26, 1980."

The City Clerk read the following veto message from Mayor Gibson:

To: Mr. Frank D'Ascensio
City Clerk
City Hall
920 Broad Street
Newark, New Jersey

Dear Mr. D'Ascensio:

An ordinance amending ordinance 6-S & F-a, adopted January 27, 1977, The Land Use Procedures Ordinance of the City of Newark, as amended, (To provide that an appeal may be taken to the Municipal Council from a decision of the Central Planning Board or the Board of Adjustment granting a conditional use application for a Drive-in restaurant) was adopted by the Municipal Council at its regular meeting on March 19, 1980 and forwarded to me for approval or rejection.

I reject this ordinance for the following reasons:

1. I do not feel that it is necessary because the municipal land use law currently provides for an appeal process; and
2. I am under oath to serve as Chief Administrative Executive for the City of Newark. To relinquish the duties of this administrative seat to any other body would be both professional and publicly unfair to my constituents.

/s/ Kenneth A. Gibson
MAYOR

A motion to override the Mayor's veto of this ordinance was made by the Council of the Whole and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

The City Clerk: The Mayor's veto of this ordinance is overridden. This ordinance will be advertised according to law.

Councilman Tucker said he thinks it should be clear for the record there is no appeal process that exists right now. He does not know what the Mayor is talking about in this communication. The only appeal process the City has is to take it to court. There is no appeal process on the Central Planning Board.

President Harris said he thinks the Council as a Whole speaks very clearly as to who the lawmakers are in the City.

HEARINGS OF CITIZENS.

The following speakers addressed the Municipal Council with respect to positions of Court Attendants in the Municipal Courts. They pointed out that they were promised in 1976 to be returned to the City Budget and thus far have not. They said there are presently 13 court attendants and 12 of them are going to be laid off. They said that they were permanent Civil Service Employees since 1967 and then were made CETA employees.

The speakers urged the Council to help them.

6-HC-a.

MS. AUTRELLA COLEMAN, 205 SEYMOUR AVENUE, NEWARK, NEW JERSEY.

6-HC-b.

MR. ROBERT FLEX, 48 MONTICELLO AVENUE, NEWARK, NEW JERSEY.

Councilman James said he thinks the speakers are dealing with something that is very close to the Council. They are all aware of the fact that CETA individuals who have been working more than 18 months have been under constant fear they will be terminated. However, they should also be aware that this Council is not in a position to determine the priorities of personnel to be recommended by a Department of

April 2, 1980

Administration to be placed in the Municipal Budget. In fact, this Body is in receipt of a communication from the Business Administrator and in that communication which they received yesterday, Directors, Department Heads, it was indicated they should identify CETA personnel which they would like to recommend for the Municipal Budget based on priorities. That is not a function of this Body. He would like to go back to one of the statements one of the speakers made for the record that it was scratched and he assumes that she is suggesting to this Body that she has been told that Court Attendants recommended, placed in the Municipal Budget, as municipal employees, and this Body has scratched them. He would like to know the individual's name who told her, who in fact made the recommendation. Is it the Presiding Judge, Court Administrator? He would like her to clarify her point making an accusation to the Council that they in fact had scratched Court Attendants from the Municipal Budget which has been presented to them by Administration.

Ms. Coleman said they were called to a meeting on Thursday in the Courts and told by Mr. Jones that during the budget hearing before it reached the Council, the Court Attendants were one of the first ones scratched from being added to the City Budget because it was stated that the Court Attendants, why put more people on the budget, when you can replace them with CETA employees.

Councilman James said the speaker said "before the Budget reached the City Council", Administration scratched the suggestion of forwarding Council Court Attendants removed from CETA and placed in the City Budget.

Councilman James said that Mayor Gibson has said to them on several issues, they are the legislative body, he is the Chief Executive Officer. Even if this Council were to put money in the budget for personnel as they did with tree trimmers, trash collectors and police, the Mayor has said to them, he will not simply hire them as the Chief Executive Officer. The Council cannot hire individuals all they can do is give them money.

Councilman James suggested the speakers, if they are not able as Court Attendants, as residents, as taxpayers, based on the commendable job they are doing, should convince the Business Administrator, the Court Administrator, the Presiding Judge, Mayor Gibson, that they should be made municipal employees. He said he is suggesting that the legitimate grievance they are bringing before the Council, they should be marching to the Mayor's Office and the Business Administrator's Office and fight that out with Administration. He agrees that their job is essential but he doesn't see them fighting over there. That is his opinion.

April 2, 1980

Ms. Coleman said since November 1975, when they were originally told they were being taken off the City Budget, they came before the Council, spoke to the Mayor, Corporation Counsel and asking everyone to help them get back on the City Budget. All they have gotten was empty promises and felt if they came to the Council that was their final resort.

Councilman James concluded by saying that with the support of the Council, he will make a motion today requesting Administration to give them the priorities, recommendation concerning the court attendants in view of the temporary status, CETA personnel vs. municipal personnel and hoped she would get a copy of the memo received from Business Administrator Hill that deals with this. They at least will be trying to again to solicit that information.

Councilman Bottone said he understands at the next CETA layoffs all the court attendants will be terminated.

Ms. Coleman said that they do not know when they are going to be laid off. They would like to know because they have plans.

Councilman Bottone noted that they are in the same boat as the Crossing Guards where they were moved from one place to another and he certainly doesn't appreciate it. He asked whether some of the court attendants were Civil Service.

Ms. Coleman replied that 12 were Civil Service employees but are CETA now. There is not one permanent Civil Service court attendant.

President Harris assured the speaker they can rest assured that they have 9 friends who will see what they can do to help them.

Councilman Martinez noted that they are all dedicated City employees. For example, in 1978 this Council put in \$1 million in the Newark Police Department for their budget to hire police officers and they were never hired because Administration then had the authority to spend the money either to hire or not to hire, and he thinks what Councilman James said, even if they were to put the money into their budget, if Administration's attitude was not to hire them they would not spend that money.

Ms. Coleman pointed out that when they came back in 1976, Judge Blake said the courts would not be maintained without court attendants. She knows before they were laid off, when they were on the City payroll they pulled a sickout and when they came back they were told if they ever did this again the courts could not be manned without court attendants. If they are laid off they will have 1 court attendant to man 6 courts.

Councilman Carrino said they are aware that these people were put on CETA be-

April 2, 1980

cause they were actually replacing themselves so that there would be no conflict as far as CETA is concerned, but when their term of employment ends, to put 12 other people on the CETA payroll to take their place, is a violation of CETA guidelines since they were once Civil Service positions. If Administration will not entertain putting these people on the City payroll, he would suggest that the Council notify Mr. Wheeler that no one is to replace those 12 people as court attendants and said he is sure the City cannot function without having court attendants in the courts.

Councilman Carrino reiterated that under the CETA guidelines, you cannot replace a person who was once a Civil Service employee. He recalls last year they put money into the budget for them to put 30 people back into the Courts because they were talking about not having enough people to process summons. To his knowledge only 12 people were put onto that payroll and 18 people were never even put on, so there is money in the Courts for those other 18 people who were never really put on the Court payroll. He thinks the best way they can handle it is just to make sure they are not replaced by 12 individuals and Judge Blake will not entertain anybody walking into the Newark Municipal Courts without court attendants present.

President Harris stated he thinks the court attendants that are present have made their positions known to the Council and can be assured of the fact that as long as the 9 of them sit here will they permit anybody to replace them and they have friends here who are going to look out for their interests and their job security. They are going to discuss this matter in greater detail.

(For action on this matter, see Motion 7-M-c in the minutes of this meeting)

A motion to permit Mr. Willie Wright to be heard on "Hearings of Citizens" was made by President Harris, seconded by Councilman Johnson and declared adopted by President Harris by the following votes:

/6-HC-c.

MR. WILLIE WRIGHT, PRESIDENT OF CENTRAL WARD MODULAR HOMES, 402 SOUTH 6TH STREET, NEWARK, NEW JERSEY, addressed the Municipal Council with respect to newspaper article that appeared in today's Star Ledger dealing with the City Council being asked to consider authorizing a \$450,000. Federal Urban Development Action Grant (7-R-bh on this calendar) for development of property of proposed \$1.8 million shopping mall in the Central Ward. It is supposed to be built in Urban Renewal Parcel No. 24Y. This land is a direct result of 1968 Medical School Agreement between

April 2, 1980

City of Newark and Newark Housing Authority and State of New Jersey.

The speaker outlined in detail the history of this land and indicated that they will go to court to block this proposed shopping mall. They do not understand Administration's position arbitrarily choosing to disregard the will and hard fight of many people who went into the development of this area of 63 acres of land, through Newark Redevelopment and Housing Authority as approved by the Housing Council as result of the 1968 Medical School Agreement.

Councilman Johnson said in 1968 he was not here in Newark but was able to keep track of the Medical School Agreement. Until they can find out exactly what the disposition of this land is, he is going to ask his colleagues to support him in tabling Resolution 7-R-bh on the calendar and hopefully get the parties together as soon as possible to sit down and find out exactly what the disposition of this parcel of land will entail.

Following the regular meeting, a public hearing was continued from March 19, 1980, re: PUBLIC HEARING CONTINUED ON APPLICATION FOR CABLE TELEVISION FRANCHISE FOR NEWARK, NEW JERSEY, MADE BY CONNECTION COMMUNICATION CORPORATION AND NEW JERSEY CABLE TV COMMUNICATION SYSTEMS, INC.

The transcript in connection with this matter, is available for perusal in the Office of the City Clerk.

A Special Meeting of the Municipal Council of the City of Newark, New Jersey, was held on the above date in the Council Chamber, City Hall, Newark, New Jersey, at 3:10 P. M.

President Harris called the meeting to order and asked for roll call.

Present: Councilmen Bottone, Grant, James, Johnson, President Harris, City Clerk D'Ascensio, Clerk of the Municipal Council.

President Harris stated, "In accordance with New Jersey P. L. 1975, Chapter 231, Section 5, adequate notice of this meeting has been provided by notifying by mail the Newark Star Ledger and Elizabeth Daily Journal, by posting on the designated bulletin board in the basement of City Hall and by filing in the Office of the City Clerk on December 13, 1979.

In addition, the agenda of this meeting was similarly disseminated on April 2, 1980 and April 3, 1980, at the time of its preparation. All persons who prepaid for advance notice of meetings also received copies of the schedule and agenda as required by law."

The City Clerk read letter dated April 2, 1980, from Council President Earl Harris, requesting that the Municipal Council meet at a Special Meeting on Tuesday, April 8, 1980 to consider the Rent Control Ordinance.

The City Clerk further read into the record letter from Council President Earl Harris requesting the Municipal Council consider nine pieces of legislation dealing with increases of various license fees.

ORDINANCES ON PUBLIC HEARING, SECOND READING AND FINAL PASSAGE.

President Harris called for ordinances on public hearing, second reading and final passage.

6-Ph, S & F-a.

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing date set. It is now before you for public hearing, second reading and final passage:

AN ORDINANCE TO REGULATE, CONTROL AND STABILIZE RENTS AND CREATE A RENT CONTROL BOARD WITHIN THE CITY OF NEWARK.

NOW, THEREFORE, BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, COUNTY OF ESSEX AND STATE OF NEW JERSEY, AS FOLLOWS:

April 8, 1980

Sec. 1 - Statement of Policy

A. The governing body of the City of Newark does hereby declare that an emergency exists within the City of Newark with respect to the rental of housing space in dwellings by reason of the demands for increases in rent which are hereby determined to be exorbitant, speculative and unwarranted; and

B. This emergency has been created by housing demolitions, deterioration of a substantial portion of the existing housing stock, insufficient new housing construction, increased cost of construction and finance, and growing inflation. This has caused a substantial and increasing shortage of rental housing accommodations for families of low and moderate income and abnormally high rents; and

C. Unless residential rents of tenants are regulated and controlled, such emergency and the further inflationary pressures resulting therefrom will produce serious threats to the public health, safety and general welfare of the citizens of the City of Newark; and

D. The fear of being evicted without just cause and being forced to seek housing in such a market discourages Newark tenants from complaining about exorbitant increases in rent and about the continued deterioration of housing, and this fear thus contributes to these harmful conditions; this warrants legislative action by the governing body; and

E. Under the police powers granted to the City of Newark and in order to protect the health, safety and welfare of the citizens of the City of Newark, it is necessary to regulate, control and stabilize rents and create a rent control board for the City of Newark.

Sec. 2 - Definitions

(a) "Housing Space", means that portion of a dwelling rented or offered for rent for living and dwelling purposes to one individual or family unit, together with all privileges, services, furnishings, furniture, equipment, facilities, improvements and common areas connected with the use or occupancy of such portion of the property.

(b) "Dwelling", means any building, structure, trailer or land used as a trailer park, rented or offered for rent to one or more tenants, or family units.

(c) "Available for Rent to Tenants", means housing fit for habitation as defined by the statutes, codes and ordinances in effect in the State of New Jersey, County of Essex and City of Newark, and offered for rent, whether occupied or unoccupied.

(d) "Notice", means written notice to a tenant or landlord which is mailed to the tenant's residence or the landlord's residence or offices by regular mail of any proceedings or determinations of the Board.

(e) "Housing Services", means repairs, replacement and maintenance, painting, providing light, heat, hot and cold water, elevator service (where applicable), storm windows and screens, superintendent services and any other benefit, privilege or facility connected with the use or occupancy of any proportionate part of services provided to common facilities of the building in which the dwelling is contained.

(f) "Rent", the consideration, including any bonus, benefits or gratuity demanded or received for in connection with the use or occupancy of housing space or the transfer of a lease of such housing spaces, including but not limited to monies demanded or paid for parking, pets, the use of furniture, subletting, security deposits and damage and cleaning deposits.

(g) "Tenant", a tenant, subtenant, lessee, sublessee, or any other person entitled under the terms of a housing space agreement to the use or occupancy of any housing space.

(h) "Landlord", an owner, lessor, sublessor or any other person entitled to receive rent for the use and occupancy of any housing space, or an agent or successor of any of the foregoing.

(i) "Housing Space Agreement", an agreement, oral, written or implied, between a landlord and tenant for the use and occupancy of a housing space or housing services or both.

(j) "Capital Improvement", means a permanent improvement that is reasonably expected to last more than one year. The improvement must benefit the dwelling and must be subject to allowances and depreciation under the Federal income tax provisions.

(k) "Repair", means to reconstruct a building to a sound condition or good state after decay, injury, dilapidation or partial destruction; to remedy, heal, make right, or to mend.

(l) "Periodic Tenant", is a tenant for a period of less than one year.

(m) "Month to month tenant", is a tenant for a term of one month whose tenancy shall automatically be extended for each succeeding month unless terminated as provided by statute.

(n) "Exemptions", means dwellings to which this ordinance shall not apply. Exempt dwellings include all public housing; owner occupied one, two, or three family housing space units; and motel or hotel space rented on a day to day basis to transients; and any dwelling, building or structure or portion thereof rented for commercial use.

(o) "Owner occupied", means any dwelling of three units or less in at least one unit of which the owner resides.

Sec. 3 - Rent Increases

The establishment of rents between a landlord and tenant in all housing spaces shall hereafter be determined by the provisions of this ordinance. The expiration of a lease or at the termination of the lease of a periodic tenant, no landlord may request or receive a percentage increase in rent which is greater than five (5%) per cent without first petitioning the Rent Control Board.

The rental for housing space shall not be increased more than 5% in any consecutive twelve (12) month period irrespective of the number of different tenants occupying said housing space during said 12 month period, any change of ownership of the landlord or vacancy of the housing space.

Sec. 4 - Rent Rebate

The landlord shall rebate to the tenant any amount of rent collected in excess of that permissible pursuant to the terms of this ordinance by crediting the tenant with the amount of excess rent paid over a period not to exceed 14 months, or in the event the tenant is no longer in occupancy, by refunding within a one month period.

Sec. 5 - Tax Surcharge

A landlord may seek a tax surcharge from a tenant because of an increase in municipal property taxes. The tax surcharge shall not exceed that amount authorized by the following provision: The landlord shall divide the increase in the present property tax over the property tax of the previous year by the total number of rooms in the dwelling, whether occupied or unoccupied, and surcharge each tenant by the sum per room times the number of rooms in the tenant's dwelling unit. The tenant shall not be liable for a tax surcharge exceeding the tenant's percentage of the entire rent roll for the dwelling.

Any landlord seeking a surcharge shall petition the Board for approval and shall give notice to the tenant and the Board at least thirty (30) days prior to the increase sought of the calculations involved in computing the tax surcharge including the present property tax for the dwelling, the property tax for the dwelling for the previous year, (a) total rent rolls of all units, occupied and unoccupied in the dwelling, (b) the percentage of the increase over the total rent roll, (c) the rent of the tenant and the percentage of his present rent compared to the total rent roll

The tax surcharge each tenant is liable for shall be paid in equal monthly payments only after the landlord gives the tenant one month prior notice of the increase as required by statute.

Sec. 6 - Tax Decreases

If the municipal property taxes are decreased in a given year due to either a decrease in the property tax rate or a lowering of the assessed evaluation of the property by the municipality, then the tenants are entitled to a tax decrease. Apportionment of such decrease shall be in the same manner as apportionment of tax surcharge under Sec. 5.

In the event a tax appeal is taken by the landlord and the landlord is successful in said appeal and the taxes reduced, the tenant shall receive fifty (50%) per cent of said reductions as applied to its tax portion, after deducting all reasonable expenses incurred by the landlord in prosecuting said appeal.

The landlord shall be deemed to have received his rebate upon his receipt thereof from the receiver of taxes, or upon the execution of any agreement with the landlord. The tenant must receive notice within 14 days from when the landlord receives his notice of successful appeal. The landlord must notify the tenants within thirty (30) days of the time the landlord receives his rebate of the amount he has received with the computations on how much the tenant is entitled to. The amount due the tenant shall be forwarded to the tenant within the same thirty day period.

Sec. 7 - Capital Improvements

(a) In addition to the percentage of rental increase and tax surcharge herein provided for, the landlord may seek additional rent for capital improvements made by him in the dwelling or attributable to the dwelling. The landlord shall compute the average cost of the improvement per year of useful life by dividing the cost of the completed capital improvement by the number of years of useful life of the improvement as claimed by the landlord for income tax depreciation purposes. The amount of the monthly increase which a landlord may charge shall be prorated among all tenants benefiting from said improvements by dividing one twelfth of the annual cost of the capital improvement by the total rent roll of the units affected by the improvement in the dwelling occupied or unoccupied. No tenant shall be liable for a capital improvement increase if he

receives no benefit from the improvement nor, if he benefits, shall he be liable for an increase exceeding the percentage of rent paid by him as calculated above, and all such rent increases shall be charged for no period greater than the depreciation period of said improvements. The landlord shall notify the Board and tenants at least 60 days before the effective date of the increase. The notice to the Board shall, on form provided by the Board, include the amount of increase, a description of the improvement, and the figures used to compute the increase. The Board or a tenant may request a hearing within 30 days of receipt of notice from the landlord.

After approval by the Board of a Capital Improvement surcharge, the landlord shall give to each tenant one month prior notice of the effective date of the Capital Improvement surcharge as required by statute.

Sec. 8 - Landlord Hardships

In the event a landlord claims he cannot meet the expenses of maintenance, financing, and/or repairs, he may appeal to the Board for a hardship rent increase. The procedure outlined in Section 12 (15:9B-12) shall be followed. Within thirty (30) days after a hardship appeal has been filed, supported by all information which the Board may require for a determination, the Board may order the property inspected by the Division of Inspections for code violations. The inspection reports shall be made and filed with the Board within thirty (30) days thereafter. In the event that the inspection reveals code violations, the Board may deny the increases or conditionally grant the increase subject to the landlord abating the violations within a reasonable period of time. However, in no event shall this period of time exceed ninety (90) days.

In the event that said abatement has not taken place within the aforesaid period prescribed by the Board, the Board shall revoke said conditional increase, and the landlord shall be required to restore to the affected tenants all of the additional monies collected pursuant to said conditional hardship increase. The restoration of monies shall be in the form of either a direct refund of all monies collected or a deduction from the next month's rent.

As used in this section, code violations shall mean any violations of the existing buildings, fire, plumbing, electrical or housing codes of the City of Newark then in effect. Violations which the Board may rely upon in implementing this section shall be only those violations which were found to have been existing at the time of the original inspection as requested by the Board.

The landlord shall submit proof of expenses for maintenance, repairs and financing expenditures to substantiate any hardship increase application, and the Board shall only consider said expenses for a period not to exceed 14 months prior to the date of the landlord's application.

Sec. 9 - Rent Control Board

(a) Membership: There is hereby created a Rent Control Board within the office of the Mayor of the City of Newark. Said Board shall consist of five (5) members appointed by the Mayor and approved by the Council. Its composition shall be two (2) tenants, two (2) landlords, and a fifth member who is a homeowner and neither a tenant nor a landlord. The term shall be for a period of two (2) years each, except that one tenant and one landlord appointed to the Board after initial passage of this act (chapter) shall serve for a term of one year. Successive terms, however, shall be for two years. Board members shall serve for a maximum of two (2) consecutive terms. The Board members must reside in the City of Newark and be compensated for their services.

(b) Candidates for the position of Rent Control Board member shall submit a verified statement listing all of their interests and dealings in real property, including, but not limited to, the ownership, sale or management thereof, and their investment in, membership in or association with partnerships, corporations, joint ventures and syndicates engaged in the ownership, sale, or management of real property during the previous three (3) years.

(c) The Rent Control Board shall issue and abide by such rules and regulations, including those which are contained in this section as will further the purposes of this act. All rules and regulations shall be subject to the approval of the Municipal Council by ordinance. All rules and regulations, internal staff memoranda, and written correspondence explaining the decisions and policies of the Board shall be kept in the office of the Board and shall be available to the public for inspection and copying.

(d) Meetings: The Board shall determine the schedule of meetings and hearings as is necessary to carry out the provisions of the ordinance. Special meetings may be called upon the request of at least two (2) Board members. All regularly scheduled meetings shall be conducted in accordance with the provisions of Section 12 of this ordinance.

(e) Quorum: Three (3) Board members shall constitute a quorum. Three affirmative votes shall be required for a decision of the Board, including decisions on all motions, orders and rulings of the Board.

(f) Dockets: The Board shall maintain and keep in its office rent adjustment hearing dockets. Said dockets shall list the time, date, place of hearing, the names of the parties involved, the addresses of the dwellings involved, and the final disposition of the petitions heard by the Board.

(g) Language: All rules, notices, orders, rulings and regulations of the Rent Control Board shall be printed in English and Spanish. Information disseminated to the public by the Board shall be disseminated in English and Spanish. At the request of a Board member, participant or observer, provision shall be made for concurrent oral translation into Spanish of any hearings or meetings of the Board.

(h) Registration: The Board shall require registration of all dwelling units. In this registration shall be included the following: the address of each dwelling unit, the name and usual address of the manager of the premises, the name and usual address of the owner or the person who is authorized to act for and on behalf of the owner for the purpose of receiving service of process and for the purpose of receiving and receipting for all notice and demands, the rent, and the housing services provided for the unit or the occupants or tenants thereof. The Board shall provide for forms for this purpose.

(i) Records: A copy of this registration information shall be kept at the office of the board and shall be open for public inspection and copying. Copies of the registration form shall be kept by the landlord or his agent at or adjacent to any dwelling unit a list of any vacant units within such building, of the date on which said unit or units of housing space most recently became vacant, and the current and immediately previous rents of said housing space. These records shall be available for inspection during normal business hours by any tenant or prospective tenant of the housing space to which they pertain.

Sec. 10 - Powers of the Rent Control Board.

The Rent Control Board shall be responsible for carrying out the provisions of this act, and may request the hiring of such personnel as are needed, shall promulgate such policies, rules and regulations as will further the provisions of this act, and shall recommend to the City for adoption such ordinances and bylaws as may be necessary to carry out the purposes of this act.

The powers of the Board shall include but not be limited to the following.

(a) to grant a rental increase, decrease, a surcharge under the provisions of this act.

(b) to fix at its discretion the effective date of any approved rental increase, decrease or surcharge to be at any reasonable time prior to or after the determination of the Board.

(c) to hold public hearings (see Sec. 12).

(d) to obtain, keep and maintain all available records, and all other data and information necessary to the enforcement and application of this ordinance.

(e) to promulgate rules and regulations governing all proceedings authorized by this ordinance.

(f) to supply information and assistance to landlords and tenants to help them comply with the provisions of this ordinance.

(g) the Rent Control Board may deny a rent increase if the landlord fails to register all dwellings with the Rent Control Board. (see Sec. 9).

(h) to appoint an administrator of the Rent Control Board, for a term to coincide with the administration, at an annual salary as fixed by ordinance and to be paid as other municipal salaries are paid.

(1) The administrator or the administrator's delegate shall review all petitions submitted to the Board.

(2) The administrator may meet with petitioners in order to reconcile any discrepancy in the petition.

(3) The administrator shall attach to the petition a recommendation to be considered by the Board. Said recommendations shall be based on the administrator's investigations of the petition.

(4) For good cause, the administrator may grant an adjournment of a matter pending before the Board.

(5) The administrator shall be in charge of the office of the Rent Control Board and shall carry out such investigations and shall maintain such records as is necessary for the proper functioning of that office.

Sec. 11 - Rent Decreases

During the term of this ordinance a rent decrease may be granted by the Board for any decrease in housing space, services, furniture, furnishings or equipment. A tenant or group of tenants may petition for rent reduction through the Rent Control Board.

A decrease in services, such as to justify a rent decrease under this section, shall include any cessation or inadequate provision of the vital services listed herein, due to deterioration or improper maintenance of said services, where it is the responsibility of the landlord to provide said services. For the following decreases in services, a petitioner or petitioners rents shall be decreased in accordance with the following percentages of the total rent or rents collected during the period of said decrease in services:

1. NO HEAT IN WINTER.....75%
2. NO WATER.....50%
3. NO HOT WATER (When provision of hot water is the responsibility of the landlord).....25-75%
4. ROOF LEAKS (Such as to make the apartment, or dwelling unit uninhabitable).....25-75%
5. NON-FUNCTIONING STOVES OR REFRIGERATORS (where supplied by landlord).10%
6. FAULTY ELECTRICAL FIXTURES (Such as to constitute a dangerous condition, or threat to the health and safety to the tenants).....10-50%
7. FAULTY PLUMBING (Defined as inoperable "fixtures" i.e., tub, sink, toilet, kitchen sink).....15%*
- * (15% per fixture, but not to exceed a maximum of 75% of the total rent of all petitioners).
8. INOPERABLE ELEVATOR (Shall only apply in buildings over four stories, when inoperability is due to the neglect of the landlord; reduction shall only be applied to tenants of said building living on the fifth floor or above)...10%

No petition for a rent decrease, due to a decrease in services, shall be considered under this section, unless the potential decrease in rent for each petitioner, or each tenant in a group petition, shall be greater than 74% of their rent for the period of the decrease in services, as determined by the Administrative Branch of the Rent Control Board.

Evidence of the existence of any alleged decrease in services shall only be considered by the Board for a period of 30 days prior to the filing of the petition, and no rent decrease shall be imposed by the Board for any period prior to said 30 days.

If a rent decrease is made conditional upon the landlord's performing whatever repairs are deemed necessary to correct a decrease in services, the landlord may petition, upon completion of 75% or more of the repairs ordered, for a reinstitution of all or part of the decreased rents. Said petition and any determination made by the Board thereon, shall conform to the procedures of the Board, as set forth in Section 12, for adjustments in rents.

The procedures of the Board under this section shall be set out in a statement of policy, which shall be available for public inspection at all times in the offices of the Board.

Sec. 12 - Public Hearing

(a) Petitions: The Board shall consider an adjustment of rent for an individual dwelling unit upon receipt of a petition for adjustment of rent filed by the landlord or tenant of such a unit or the Board staff. All petitions shall be filed on forms provided by the Board. No such adjustment shall be granted until after the Board considers the petition at an adjustment hearing.

(b) Notice: The Board shall notify the tenants and landlord of such petition(s). The Board shall notify both parties by regular mail that a petition was filed indicating the time, date and place of the hearing. The hearing shall be scheduled for not earlier than the sixteenth (16th) day after the day of mailing the notice of the hearing, but not later than the sixtieth (60) day after the filing of the petition. Hearings shall be scheduled for times most convenient for all parties and may be held during the week. Hearings may be postponed or continued for good cause provided that all parties receive timely notice of such action.

(c) Records: The Board may request either party to a rental adjustment to provide it with all pertinent books, records, and papers. Any documents provided to the Board shall be made available to the parties involved at the office of the Rent Control Board at least seven (7) days prior to the hearing.

(d) Open Hearing: All rent adjustment hearings shall be open to the public.

(e) Right to Assistance: All parties to a hearing may have assistance in presenting evidence and developing their position from attorneys, legal workers, tenant union representatives or any persons designated by said parties.

(f) Hearing Record: The Board shall make available for inspection and copying by any person at his own expense an official record which shall constitute the exclusive record for decision on the issues at the hearing.

(g) Decision: The Board shall make a final decision no later than fifteen (15) days after the conclusion of the hearing. No rent adjustment shall be granted unless supported by the preponderance of the evidence submitted at the hearing. All parties shall be sent a notice of the Board's decision and a copy of the finding of fact and law upon which decision is based. At the same time, parties to the proceeding shall also be notified of their right to judicial review of the decision pursuant to Section 14 of this ordinance.

(h) Hearing Officer: The Board may at its discretion designate individuals with professional training in law, business administration, or similar field to serve as hearing officers to preside over landlord-tenant hearing when it determines that the number of petitions for hearings before the Board are so great that the Board could not hear them all itself within the time limits prescribed for such action by this act. The findings of the hearings conducted by him shall be submitted to the Board which, after review, shall make the final ruling.

Sec. 13 - Retaliatory Eviction

No landlord shall bring any action to recover possession of a dwelling unit as a reprisal for the tenant's efforts to secure or enforce any right under this ordinance.

Sec. 14 - Appeal (Judicial Review)

A landlord or tenant aggrieved by any action regulation or determination of the Board may appeal in a court of appropriate jurisdiction.

Sec. 15 - No Excessive Rents

No landlord shall after the effective date of this ordinance charge any rents in excess of what he was receiving from the effective date of this ordinance except for increases authorized by this ordinance.

Sec. 16 - Heating Surcharge

Notwithstanding the language contained in Section 8 of Chapter 9B, where the landlord substantiates through credible proof to the Rent Control Board Administrator that his heating expenses for the twelve months immediately preceeding his application are in excess of 10% of the heating expenses for the prior twelve months, the Rent Control Board Administrator shall grant a Heating Surcharge to the applying landlord. However, the increase allowed shall not exceed 3% of the monthly rent roll in the month in which the application is submitted.

When the Rent Control Board Administrator has received the application of the landlord, and all documentation required by the Rent Control Board Administrator to make the determination, the Rent Control Board Administrator shall notify the tenants of the application for Heating Surcharge. The notice shall contain a copy of the application. This notice shall be mailed to the effected tenants within 14 days of receipt of landlord's completed application. The landlord's completed application must include a certified statement from the landlord's fuel heating dealer. The statement must include number of gallons and cost per gallon and total cost, for both years involved, the twelve months immediately preceeding his application and for the previous year of said 12 month period. The decision of the Rent Control Board Administrator must be rendered within sixty (60) days of filing of the completed application. Failure of the Rent Control Board Administrator to render a decision within sixty (60) days shall result in the application being deemed granted.

The landlord shall notify all tenants in writing of the approved increase. Said notice must be served upon the tenants at least one month prior to the effective date of the increase. The landlord shall file with the Rent Control Board Administrator a copy of this notice that was served upon the tenants.

The landlord shall equally distribute this Heating Surcharge that has been granted according to the number of rooms within the housing space in the building for which the application is made. The computation of this Heating Surcharge shall be the annual amount of increase divided by twelve months and the results of that division, divided by the number of rooms in the building for which the application is made. The prorated amount per room shall be multiplied by the number of rooms for each apartment of the building as will equal the Heating Surcharge amount per month for each apartment.

Sec. 17 - New Construction and Substantial
Rehabilitation Exempted

The owner of housing space or dwelling being rented for the first time shall not be restricted in the initial rent he charges. Any subsequent rental increase, however, shall be subject to the provisions of this ordinance. Dwellings which are substantially reconstructed or rehabilitated are exempted if the cost of reconstruction or rehabilitation during any twelve month period exceeds fifty (50%) per cent of either the undepreciated cost or the fair market value of the dwelling prior to reconstruction or rehabilitation, and the initial rent may be determined by the landlord. All subsequent rentals shall be subject to the provisions of this ordinance.

Sec. 18 - Violations

Violation of any provisions of this ordinance or misrepresentation of facts before a hearing of the Rent Control Board, shall be punished by a fine of not more than five hundred dollars (\$500.) or imprisonment for not more than ninety (90) days or both. A violation affecting more than one housing space shall be considered a separate violation as to each housing space.

Sec. 19 - Liberally Construed

This ordinance being necessary for the welfare of the City and its inhabitants, shall be liberally construed to effectuate the purposes thereof.

Sec. 20 - Severability

If any provisions of this ordinance or the application of such provisions to any person or circumstances is declared invalid, such invalidity shall not affect other provisions or application of this act which can be given effect and, to this end, the provisions of this act are declared to be severable.

Sec. 21 - Any existing ordinance, or part thereof inconsistent with this ordinance is hereby repealed.

Sec. 22 - Effective Date; termination; extension

This ordinance (chapter) shall take effect upon final passage and publication in accordance with the law. All rents for rental of housing space and services in dwellings to which this act (chapter) is applicable are hereby controlled at the rent level received by the landlord as of the date the ordinance was adopted, and no rental increases shall hereafter be instituted except as provided in this ordinance (chapter). This ordinance (chapter) shall continue in full force and effect for a period not to exceed three(3) years from October 20, 1979 and shall automatically terminate, cease and be of no force and effect unless specifically extended by the municipal council by ordinance extending said term for three (3) years and every three years thereafter.

April 8, 1980

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

MR. WALTER COHN, REPRESENTING PROPERTY OWNERS ASSOCIATION, 15 VALLEY STREET, SOUTH ORANGE, NEW JERSEY, urged Council to make certain amendments to this ordinance since he presumed Council was going to pass it because of the necessity at the present time as shown by the history of the ordinance. One point he makes to the Council is a problem which has developed because of definitions in this ordinance. In Section 2 (n) defining exemptions, we had several cases where an owner rents out an entire one family house and the question has occurred as to whether or not that comes as an exemption under one by virtue of your definition of an owner-occupied one family house. He asks that be clarified. If a one family house is exempt, if so, it does not say so, it has to be owner occupied one family which is a redundancy impossibility. The next section (o) defines an owner-occupied as a dwelling of three units or less in at least one unit of which the owner resides. Does it mean a 4 family house with 3 units rented, does it mean a 2 family house with one occupied by the owner? On Section 3 which provides for one increase not more than one every 12 months we have a problem now with the last section of the ordinance which deals with the oil passthrough. This would mean you could not have an oil passthrough if you just increased the 5% and we have an ambiguity as to whether you can have the oil passthrough even though you have raised the rent on your normal 5% increase.

Most important is the problem of the vacancy decontrol. This town does not have that which the neighboring towns do have in their rent control ordinances. On a vacancy occurring the owner can raise the rent to market rent and in some towns that that is limited in a percentage, but at least with a vacancy decontrol you can seek your own market. The tenant coming in, if the landlord asks too much, the landlord just won't rent, so you have a supply and demand on a vacancy of an apartment and you do not harm the existing tenant with an exorbitant or an immediate large increase. Mr. Cohn requested the ordinance be amended to clarify the points he has raised as well as to include the additional provisions so that the landlords can have some relief.

President Harris asked if the problem Mr. Cohn alluded to is basically a Newark problem in terms of the number of people up in the District Court, wouldn't this problem be an urban problem today because of the way inflation has cut into people's earnings. The bottom line is that the suburbanite may be finding it a little difficult paying his or her mortgage, not only the rents.

Councilman James stated that once an apartment is vacant who denies the landlord or the owner the right to raise the rent and who checks on that.

Mr. Cohn advised that owners cannot raise the rent. There are cases before your Rent Board where rents were rolled back because the previous owner's rental was known. The Rent Board has records where the Rent Board went back to a managing

agent of four years ago and got the rent from the managing agent and reduced the rent for the present owner because he had illegally raised it.

Councilman James said a vacant apartment can still only be increased 5%.

Mr. Cohn said the rent sticks with the apartment not with the person. He is asking that be changed and he would like to see complete vacancy decontrol, but realistically if you limit it to 15% of the old rent, or 10%.

Councilman Bottone asked if there was anything on paper substantiating what he would like Council to consider to which Mr. Cohn responded he would reduce it to writing and forward to the City Clerk.

President Harris stated that on the decontrolling suggestion that Mr. Cohn offered, the Business Administrator will be sitting with Members of the Council and Ms. Smith and discussions will develop along those lines.

MR. HUBERT GRAHAM, 1290 SPRINGFIELD AVENUE, MAPLEWOOD, NEW JERSEY, felt we should see at least 4 families decontrolled in the City of Newark, preferably from six under because if you do any inquiring you will find that in many instances six family units, more than 40% of the total income goes toward paying the oil bill. No one will be able to survive this, but it is simply a case where we reached the point we are not going to be able to supply service. This should be given serious consideration. Many people have buildings bought 4 or 5 years ago and are caught in a low rent lull. They are unable to raise the tenant that is there. You should keep in mind one thing with vacancy decontrol, it does not hurt the existing tenant, if there is a CAP on the increase, it cannot hurt the new tenant.

Councilman James agreed with remarks of Mr. Cohn and Mr. Graham that unless we seek some type of relief for our small property owners, during this energy crisis of oil being \$.99 a gallon we are going to witness many property owners who simply abandon their property. It is critical that this body look into the whole question of rent, heating surcharge and decontrol. This body does not want our property owners to walk away and abandon property.

No one else appearing, a motion to close the hearing and adopt the ordinance on second reading and final passage was made by President Harris, seconded by Councilman Johnson and declared adopted by President Harris by the following votes:

(TO ADJUST LICENSE FEE FOR COIN OPERATED MILK VENDING MACHINES)

(Copy of ordinance and correspondence submitted to each Member of the Council)

A motion to adopt the ordinance on first reading was made by Councilman Johnson, seconded by Councilman Harris.

President Harris asked why the milk license fee.

Assistant Business Administrator Banker stated the City has responsibility to inspect those machines twice a year. The City currently gets \$25. to license these machines, it is requested they go to \$50. which is more representative of the cost the City incurs in conducting these inspections. Mr. Banker then informed Council that the Clerk's Staff had advised him that he was incorrect, that the recommendation is for food vending machines to be raised to \$50. The milk machines would remain at \$25. Both licenses are currently \$25.

Councilman Johnson asked if food vending machines included candy.
Assistant Business Administrator Banker advised anything edible.
Councilman Grant asked the projected amount of revenue from this item.
Assistant Business Administrator Banker said it would generate roughly
15,000 additional dollars in 1980.

The motion was declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Grant, James, Johnson, President Harris.

President Harris: The yeses are nine and the noes are none, This ordinance

ORDINANCES ON SECOND READING AND FINAL PASSAGE.

President Harris called for ordinances on second reading and final passage.

6-S & F-c.

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing held thereon. It is now before you on second reading and final passage:

AN ORDINANCE TO AMEND TITLE 21, SEWERS AND SEWAGE DISPOSAL, CHAPTER 1, REGULATIONS, OF THE REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, 1966, AS AMENDED AND SUPPLEMENTED. (TO ADJUST SEWER USER CHARGES)

(Copy of ordinance and correspondence submitted to each Member of the Council)

(Public Hearing Closed)

A motion to adopt the ordinance on second reading and final passage was made by Councilman Johnson, seconded by Councilman Grant.

Councilman James said he certainly understands the need for increased revenues in our 1980 Budget. However, by the measure before us increasing the sewer user charges many poor homeowners will be hurt the most, businesses who depend on water will be greatly affected, some might even consider relocating. Also, he believes there has been no administrative cut-backs and belt tightening measures which again could share this need for increased fiscal dollars. There has been no administrative consolidation of Departments where duplication in services is clearly in evidence. Finally, he would suggest a more equitable plan for raising funds would be a reasonable rate increase in concert with administrative cost saving measures. For these reasons he will not be able to support the measure as posed.

Councilman Martinez said any kind of a tax increase is hard to place upon anyone. Whether it be industry, homeowners, non-profit or whatever. However, after hearing all the discussions yesterday, he made it his business to meet with the Passaic Valley Sewerage Commission and he did not realize the dramatic effect this will have today, but will have in the future in sewer usage for all residents of the City of Newark, particularly those in industry, commercial, hospital and non-profit.

April 16, 1980

The discussion he had with the Passaic Valley Sewerage Commission revealed after the Passaic Valley Sewerage Commission is in operation for one year, and it appears the year would be 1982, which will be a total reimbursement of the sewer charges but in 1981 the use charges being created, would definitely become a reality and charged to the Passaic Valley Sewerage Commission. It is not the person who can say he will leave Newark today and go to Los Angeles, Chicago or any other City throughout the country and get a better deal on the sewer charge because it is going to be a nationwide problem. We also have to look at another dramatic factor. What will occur if this sewer charge is not voted this evening. He thinks this Council has an opportunity to vote for a \$10.54 tax rate for every person and every homeowner in the City of Newark or \$9.97 which would be the difference. There is no question, as Councilman James indicated, what about the homeowner, there is no question the homeowner is going to be affected. For example, if a one family homeowner, or two family homeowner under the current ordinance were to be charged a sewer charge, the effect would be approximately \$40. per year. If we turn around and give them a \$10.54 tax rate, what would be the difference, much more dramatic. There is no question perhaps the industrial people will feel the effect the most but Council wants to work with industry. He thinks he has always worked with industry and so has this Body and they want to continue to work with industry. He can say to the people in industry and in the hospitals, or non-profit organizations, what happens in 1981 when the City Council will not have an opportunity to vote for or against this particular question. There will be an automatic increase by the State of New Jersey and effected by the United States Government. There is no place you can move to get away from this sewer problem. He doesn't think we asked for this problem, he doesn't think we created this problem, but it is here before us and he thinks we have to stand up as men or women, to make our decision known. Do we make our tax rate \$10.54, or \$9.97. He certainly concurs with Councilman James' remarks that belt tightening should certainly be done by Administration, that perhaps you wouldn't have to look for extra dollars on other levels, if Administration would seriously take dramatic cuts, that should be done, cutting fat out of government. Administrative costs remain the same as we keep taxing the homeowner, keep taxing industry and keep looking for additional revenue. There is no question if this Council had the opportunity, they have said they could cut \$1 million from government, cut \$1 million of fat. We see people walking around City Hall with a cup of coffee, giving sarcastic answers to residents of the City of

April 16, 1980

Newark and doing nothing for their dollars in return. We also know the track record of Administration. If this body were to make a cut in amounts of dollars there is no question in his mind that the Mayor would turn around and say you want to cut \$1 million or \$2 million, we will cut the Newark Police Department or other services that would seriously affect the residents of the City of Newark. This is probably one of the most serious considerations he has ever had as far as the tax increase. He never voted for any one but in this particular case you are "damned if you do, damned if you don't and you really don't have a choice." He reiterated it is either \$10.54 or \$9.97.

Councilman Bottone said with economy as bad as it is, inflation as high as it is, it certainly puts this Body in a precarious position but it must also be stated that no tax is received with any type of fanfare or approval. At the same time you have to realize either the water sewer charge goes up for the homeowner approximately \$30. to \$35. per year or the tax rate goes up 40 points for each homeowner. The decision becomes a little bit easier to make even though it is hard to dish out. What he means by that, in his area they received 11,000 letters in the mail for revaluation. That, together with unemployment, high inflation, certainly makes things even harder for him to decide upon. But the sewer charge is a charge paid by most or all people including non-profit organizations, schools, organizations, federal buildings, state and county buildings and everything that is non-profit. They all have to pay this charge. If it is a tax on property, the City of Newark land is 2/3 tax exempt, so that 1/3 of these people will be burdened with the high tax rate. This is his reason for voting the sewer charge, not that he would like to, but he thinks it is cushioned and a little easier for the City as a whole to absorb.

Councilman Grant said whenever we mention a new tax it is anethema to all of us, but he thinks we have to point out it is a difficult decision and the electors of this City placed them here to deal with difficult decisions. He pointed out that not only the homeowner shares in the paying of this new sewer tax but the payment of this will be shared by the business community and every non-profit agency in the City. Heretofore, most taxes have been levied on profit making organizations but this particular tax addresses itself to the churches, the Urban League, to any organization that is non-profit. All of us are affected by this and as previously stated the homeowner would either be faced with a new tax rate of \$10.47 or by voting for this ordinance it would reduce itself to \$9.97 and he urged his colleagues to act in the affirmative on this matter.

(Copy of ordinance submitted to each Member of the Council)

(Ordinance rejected by the Acting Mayor April 9, 1980)

The City Clerk stated the question before the Council is "Shall the Municipal Council override the Acting Mayor's veto of 'An ordinance requiring establishment of a line item budget in connection with disbursements of Community Development Block Grant Funds; further, prohibiting budget transfers without prior approval of the Municipal Council,' adopted by the Municipal Council April 2, 1980, rejected by the Acting Mayor April 9, 1980."

The City Clerk read the following veto message from Acting Mayor Hill:

To: Mr. Frank D'Ascensio
City Clerk
City Hall
920 Broad Street
Newark, New Jersey

Dear Mr. D'Ascensio:

An ordinance requiring establishment of a line item budget in connection with disbursements of Community Development Block Grant funds; further prohibiting budget transfers without prior approval of the Municipal Council (6-S & F-c) was adopted by the Newark Municipal Council at its regular meeting on April 2, 1980 and forwarded to me for approval or rejection.

I reject this ordinance for the following reasons:

1. I do not feel that it is necessary inasmuch as the budgets have been, and should continue to be approved by the Municipal Council as part of the grant application and acceptance procedure; and

April 16, 1980

2. Lacking any documented evidence of continued abuse, this ordinance would create unnecessary bureaucracy and hinder the administrative flexibility required to operate a program the size of our Community Development Block Grant.

/a/ Elton Hill
ACTING MAYOR

A motion to override the Acting Mayor's veto of this ordinance was made by the Council of the Whole and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

The City Clerk: The Acting Mayor's veto of this ordinance is overridden. This ordinance will be advertised according to law.

At a later time in the meeting a motion to reconsider this ordinance was made by Councilman Martinez, seconded by President Harris and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

A motion to override the Acting Mayor's veto of this ordinance was made by Councilman Martinez, seconded by Councilman Carrino and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Martinez, Tucker, Villani, President Harris.

No: Councilman Johnson.

The City Clerk: The Acting Mayor's veto of this ordinance is overridden. This ordinance will be advertised according to law.

HEARINGS OF CITIZENS.

6-HC-a.

MRS. DOROTHY COOLIDGE, 403 NEW STREET, NEWARK, NEW JERSEY, addressed the Municipal Council complaining that in September of 1979 she was beaten up by six people. From the time of September to this date when the trial finally came to court and had been sent to Grand Jury without any presentment.

6-HC-b.

MS. BERTHA MARTIN, 188 HOWARD STREET, NEWARK, NEW JERSEY, questioned the Council why the biggest landlord in the City of Newark can break the law with respect to smoke alarms being installed in Housing Projects and nothing is done.

April 16, 1980

President Harris indicated the Municipal Council does not set the policy for the Newark Housing Authority. The Newark Housing Authority by statute has a board that consists of a number of members who are appointed by the Mayor and one appointed by the Governor and State Statute mandates that board set the policy for the Housing Authority. The laws the Council pass are applicable to the Newark Housing Authority as well as to any other landlord in the City of Newark. They have an obligation to live up to the law.

President Harris questioned Assistant Corporation Counsel Miceli, since the City of Newark passed the smoke alarm ordinance is not that law applicable to the Housing Authority as well as any other landlord, and Assistant Corporation Counsel Miceli replied that he was correct. It is quite obvious predicated on the statement made by Ms. Martin, that the Housing Authority has not lived up to their obligation.

President Harris requested the City Clerk to direct correspondence to the Housing Authority indicating the Council looks for them to uphold the law as any other landlord in the City of Newark.

Councilman Tucker said one of the problems we are running into relates to the Administration of the Housing Authority. Whether Executive Director Buck is a good Administrator or a bad Administrator, the net result is either he or someone on his staff by inaction have basically caused the death of a child. This is the point he thinks is much more real. He remembers when they passed the smoke alarm ordinance, shortly thereafter the Housing Authority came to the Council and attempted to try to work out an amendment which would assure they would not be covered by the smoke alarm ordinance. This Council rejected that recommendation but he really and truthfully believes that we need to go further in finding out exactly why that situation occurred. We are not investigators but he thinks the Fire Department should give the Council some sort of overall report. All of them have had an opportunity to read the report that was published in the newspaper and they indicated clearly there was no smoke alarm in the apartment. He thinks that information was given directly to the press and not given directly to the Municipal Council. He would like to know who was charged with the responsibility of installing smoke alarms in Scudder Homes, who is the person some way or another who did not do their job, because that is the issue. Whether Executive Director Buck himself or one of his assistants had the responsibility or Mr. Hugh Hill, maybe he had the responsibility. We are talking about a cadre of people who get paid over \$125,000. If you take the salary of all of them put it all together he knows they could have made sure that smoke alarms would have been installed. His only concern on the matter is that we should go further and try

1755
April 16, 1980

to find out not just did they comply, but also why they didn't comply in regard to this one individual who is deceased. He thinks they as a Council should move forward directly to find out why and possibly turn this matter over to the Investigating Committee to find out exactly why it wasn't installed. It was reported to some of them that smoke alarms are not installed in most of the buildings. His concern is, what is the reason?

Councilman Tucker indicated that under Motions, he would like to charge the Investigating Committee to look into that matter and notify all the individuals involved in that process so at least they would be assured that they intend to comply with the law.

Councilman Grant stated for the record that a couple of years ago he attended a funeral on South 12th Street where 7 youngsters and their parents lost their lives in a fire and after that he came back to this Body and proposed the smoke alarm law and it was not Administration. As a result of that, Administration goes about the City indicating that it is Administration that did that. It is this Body that enacted that ordinance. The point he wants to make as it has been stated, the Newark Housing and Redevelopment Authority is under the same obligation to install these units as any other person in the City. He thinks perhaps instead of calling a meeting of the Investigating Committee that a letter be sent immediately to the Director of the Fire Department, John Caufield directing that inspectors go immediately, tomorrow to the public housing units in the City and where there are no smoke alarms that the Housing Authority be fined accordingly and be made to install those alarms immediately.

Councilman Carrino said if he recalls, if we are going to require the Housing Authority to follow all their laws, he thinks we are remiss. He recalls President Harris introduced an ordinance which requires multiple dwelling units over a certain amount, 75 apartments, have to have a security guard during the night time hours and all of the landlords who own buildings in excess of that amount of units had to put those security guards on, yet the Housing Authority felt they were exempt from that and they have not put those guards on. So they are also violating that ordinance.

Councilman Carrino asked Assistant Corporation Counsel Miceli whether they would also fall under that ordinance and Assistant Corporation Counsel Miceli replied he would like to take that under advisement, the question as to whether multiple dwelling units could be distinguished from the City projects. Assuming that it could the same type of procedure outlined by Councilman Grant could also be implemented.

April 16, 1980

(For further action on this matter, see Motions 7-M-d, 7-M-d-1 and 7-M-d-2 in the minutes of this meeting)

A motion to permit Mrs. Helen Poch to be heard under "Hearings of Citizens" was made by Councilman Carrino, seconded by President Harris and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

6-HC-c.

MRS. HELEN POCH, 687 SUMMER AVENUE, NEWARK, NEW JERSEY, addressed the Municipal Council with respect to the large number of abandoned buildings and the large drug problem in the City of Newark.

Councilman Carrino said they have had a campaign for almost three years to try to solve the police problem. However, finding fat in the budget or finding money in the budget has not solved the problem. They did find \$1 million in the budget in 1978 and put it into the Police Department and the Mayor would not use it for the police. The only time the Mayor, and he is on record saying he has never seen the presence of a policeman stop a crime, the only time he acceded to any pressure was when the Chamber of Commerce told him that downtown was getting so bad that people would not come down to shop anymore so he put 30 policemen on last month. All of a sudden as far as downtown is concerned, the presence of a policeman now is enough to stop a crime but in any of the other wards the presence of a policeman would not stop a crime. He is totally frustrated. He knows if they found money in the budget, eliminated two departments tonight and found money in the budget and put it into the Police Department Budget, the Mayor would not use it for the Police Department. As the nine of them sitting on the Council, he could tell the speaker as one individual, since 1978 they have done everything humanly possible to put money into the Police Department Budget and Administration has refused to use it. He doesn't know what the answer is. He has written to the County Prosecutor's Office, written to the Attorney General in Trenton to explain the situation with narcotics in Newark and they all agree it is a problem but they all agreed it is an internal situation that they have to address as a City and the Mayor does not want to address it.

Councilman Tucker indicated one of the points they consistently adhere to is to listen to the citizens but thinks we also have to consistently remind the citizenry the limits of the Council's powers. Right now, they currently had effective February, 45 vacancies in the Police Department. He is not talking about additional

April 16, 1980

money that must be appropriated, he is not talking about federal money coming in or withdrawals, he is talking about just based on the budget submitted by the Mayor to the Newark Municipal Council, they had 45 vacancies. The Mayor saw fit to employ 30 policemen. What he is saying they have 15 vacancies right now that the Mayor can fill if he wants to in a matter of a few days. We are not dealing whether the Council will appropriate the money, we are really and truthfully dealing with whether the Mayor and the Police Director, who is his direct employee, is he going to hire them. He thinks what they have been saying consistently over and over again, the Mayor has no intention of hiring them. The last communication they had, they sat down with the Mayor and indicated the same position the citizenry have been indicating to the Council that they need additional policemen. He knows in the West and South Districts, at night between the hours of 6 at night to approximately 8 in the morning the most they will ever have is two police cars. He doesn't believe it is any different in the North and East Districts. They have a limited number of police. The Mayor is opinionated to the degree he does not believe any additional policemen will have any impact on crime, so whether we put the money in the budget or not it will not make a bit of difference. We are dealing with an attitude that is saying "we will not hire." It is also important to understand when we start looking at other things which directly impact upon not just police but the Passaic Valley. They as a City contribute very heavily to the operational cost of the Passaic Valley Sewerage. This Council sent resolution after resolution to the Governor of the State of New Jersey because outside of last year they didn't even have a representative from the City of Newark who sits on the Passaic Valley Sewerage Commissioners, a portion of which, he thinks the amount is roughly 40% of the operational budget of the Passaic Valley Sewerage is paid by the City of Newark and all taxpayers of the City. They can have a control factor if they have a representative on the board. He believes the Governor saw fit to appoint a representative on the board. That representative has not seen fit to meet with this Council. He assumes he might have met with the Mayor but there is no interaction. The other factor which is very hard and cruel, is that the Passaic Valley Sewerage Commission can make a determination in regard to increasing their operational cost which is not debatable by the City of Newark. Their choice is either to pay through a sewer tax or pay it directly out of tax dollars but it is not debatable. They can take them to court, they can holler, scream, to a great degree go there and show there are economies they can make within their budget but the final determination is the Board of Commissioners of the Passaic Valley Sewage, they can give us an explanation, but

April 16, 1980

that explanation does not necessarily have to be thorough, exact, because what we are dealing with is they have the power and authority according to State Statute to do it. He thinks Council can try and have attempted to do that, to make government more responsive to the citizens' needs but he does believe we have to admit when we run into a situation not within their control that is not within their control. He has no problem acknowledging that. That does not mean they are going to stop. It doesn't mean they are still not going to be lobbying directly with the Mayor and lobbying directly with the Passaic Valley Sewage Commission to see what they can do. He does believe they should clearly indicate to the public that it is not with their control.

April 16, 1980

With respect to Resolution 7-R-x and 7-R-y, Councilman Carrino stated he realizes these resolutions are court orders and realizes the City is obligated to pay. He thinks they are being remiss as far as legislators who are responsible for monitoring City government in finding out who is the cause of both of these things happening. There was negligence on behalf of City employees in both of these instances. The first by the Police Director and the second by a lack of communication by the people in the Demolition Department who were supposed to notify the Water Department. His negative vote was not against the court decision, because we certainly have to pay, but as a Councilman he feels they are being remiss in their duties in not further investigating situations like this to make sure negligence on behalf of City employees does not occur. As long as they just arbitrarily vote for these items when they come out of court and allow them to get by without taking appropriate action against the people responsible, we will keep having more and more of these things. Somewhere along the line, they as Council should take disciplinary action against people who are responsible for these court actions, if there is negligence, so it doesn't happen on a regular basis as it has been happening.

(Copy of resolution and correspondence submitted to each Member of the Council)

A motion to adopt the resolution was made by Councilman Johnson, seconded by Councilman Tucker.

Councilman Carrino asked if these are 1979 CDA VI funds and the City Clerk. replied in the affirmative.

Councilman Carrino said it has nothing to do with 1980 CDA V funds and the City Clerk replied in the affirmative.

Councilman Carrino questioned once that application for CDA VI comes back to the Municipal Council will they have the opportunity to vote on all of these things that are put in CDA VI.

City Clerk D'Ascensio said he wants to call the attention of the Council to the fact the resolution which was taken off the table deals with \$1,858,007. The resolution which is on the calendar as an added starter only deals with \$1,353,950. There are two different types of service provided in the contract taken off the table. The added starter deals with one part of the services.

The motion to adopt the resolution was declared adopted by President Harris by the following votes:

Yes: Councilmen Carrino, Grant, Johnson, Martinez, Tucker, Villani, President Harris.

7-R-cc.

RESOLUTION RATIFYING AMENDATORY AGREEMENT WITH NEWARK REDEVELOPMENT AND HOUSING AUTHORITY FOR PROVISION OF VARIOUS SERVICES OUTLINED IN SCOPE OF SERVICES OF SAID AGREEMENT FOR PERIOD APRIL 15, 1980 TO APRIL 16, 1980; FURTHER AUTHORIZING MAYOR AND EXECUTIVE DIRECTOR OF MAYOR'S POLICY AND DEVELOPMENT OFFICE TO ENTER INTO AND EXECUTE SAID AMENDATORY AGREEMENT WITH NEWARK REDEVELOPMENT AND HOUSING AUTHORITY FOR PERIOD APRIL 16, 1980 TO MAY 14, 1980; MAXIMUM AMOUNT TO BE PAID BY MPDO FROM

April 16, 1980

HCDA V FUNDS FOR ADMINISTRATIVE SERVICES (SCHEDULE A) IS \$1,358,950., FOR PERIOD APRIL 16, 1979 TO MAY 14, 1980; ADDITIONAL FUNDS NOT REQUIRED FOR PERIOD APRIL 15, 1980 TO MAY 14, 1980. (CONTRACT AWARDED WITHOUT COMPETITIVE BIDDING PURSUANT TO LOCAL PUBLIC CONTRACTS LAW N.J.S.A. 40A:11-5 (2)).

(Copy of resolution and correspondence submitted to each Member of the Council)

Councilman Tucker said one of the points is there is no back-up documentation on this late starter but the resolution they took off the table related to, if he remembers correctly, approximately \$499,000. of accrued funds, HUD CDA V. What he has been able to gather by review of the late starter, is that what we are doing is authorizing MPDO to cut that amount. He knows they as a Council were interacting with Elton Hill, Business Administrator, dealing with our demolition program. He assumes when they cut that amount they are taking approximately a little more than \$100,000. away from the Housing Authority. He does not know what Administration intends to do with that.

President Harris asked Executive Director White, Mayor's Policy and Development Office, to clearly indicate the difference between the resolution that was removed from the table and 7-R-cc.

Exexecutive Director White replied what happens in the added starter, 7-R-cc, they are extending the administrative cost in the amount of \$1,358,950. for one month from April 14, 1980 to May 14, 1980. The amount of \$499,000. which is in the tabled resolution was removed from the table and adopted actually goes into December, 1980. That amount of money is automatically included, it is there. The amount is still there to go to the Housing Authority for the purposes stated.

City Clerk D'Ascensio said there was tabled resolution which dealt with \$1,858,950. It consisted of two parts: 1) the administrative costs to wind up housing projects N.J.R. 6, 32, 38, 50, 58, 121 and 123; with a termination date of April 14, 1980; 2) leaving \$499,000. for the purpose of making a study of the feasibility of setting up a mechanism for providing a tenant's maintenance program and also involving the conversion of buildings located in N.J.R. 213 - Columbus Homes and N.J.R. 210 - Scudder Homes with a termination date of December, 1980. If you take this from the table, there is nothing you have done with reference to the sum of \$499,000. You have only amended \$1,358,000. to be used for one more month. There is \$499,000. with which nothing has been done yet, it still has a termination date of December 14, 1980.

Councilman Tucker said his concern relating to this was this is the first time

April 16, 1980

the Housing Authority attempted to try to do something for the tenants with the money, aside from getting "fatcat" salaries. He knows there is a differential of the two. His only concern on the matter has the City Administration in the amendatory resolution taken the accrued amount of \$499,000. and taken that away which means whatever agreements were reached with those local tenants trying to do something about Scudder Homes Senior Citizens room and also trying to deal with the feasibility study on the Columbus Homes and also there was one that related to the security contract hiring armed guards for the senior citizens units and a renovation amount for the recreation center at Hayes Homes. His concern is are they now saying they are going to take back that money.

Executive Director White replied in the negative.

Councilman Martinez said it is obvious there are a lot of questions here that have not been answered. He thinks the best action for this Body is wait for another two weeks or a special meeting. He is not going to vote for anything he has no answers to.

City Clerk D'Ascensio said the resolution which was removed from the table consisted of two parts. Those funds became available which means when you adopt this resolution (7-R-cc) which dealt with \$1,358,000.; the termination date was extended one month to May 14, 1980. and \$499,000. is still open to December, 1980.

Councilman Martinez asked Executive Director White if this resolution were to be put off for two weeks, are programs going to be cut, are people going to be hurt, they can have a special meeting on the 22nd of April.

Director White replied in the affirmative. On the administrative cost side they need to have that money available right away, the \$1.3 million in order to continue the administrative operation for one month.

President Harris said the one that was taken from the table and approved is the one he thinks involves salaries.

Councilman Tucker said the question is very simple. There is a differential of $\frac{1}{2}$ million. That is the difference. The amendatory agreement, he assumes basically relates to the administrative cost. It does not take into consideration the \$500,000. that is the real question. If they approve the original one, and they have subsequently done that, we are talking about \$1.8 million. The amendment says \$1.3 million, \$500,000. which is questionable, that is the question. If the City intends to take it back and use it for another purpose they should just say that.

Executive Director White said that is not the intent. They intend to use it exactly the way it was originally designated. That will have to come up as

a separate matter.

President Harris said the Mayor has the authority to call a special meeting any time he sees fit, the matter which has been disposed of has passed us, the matter that is on the calendar (7-R-cc) can be put off and the Mayor will call a special meeting to deal with the subject matter after they have received clarification.

A motion to adopt the resolution was made by Councilman Johnson. There was no second to his motion.

A motion to defer action on this resolution was made by Councilman Martinez, seconded by Councilman Tucker and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Martinez, Tucker, Villani, President Harris.

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

April 16, 1980

This meeting adjourned at 10:09 P. M.

APPROVED:

Frank D'Ascensio
City Clerk

Earl Harris
President

Newark, New Jersey, April 16, 1980

A meeting of the Municipal Council of the City of Newark, New Jersey, held March 19, 1980, was recessed to Wednesday, April 16, 1980, or as soon thereafter as the Council can convene, for the purpose of introducing the amendments to the Local Municipal Budget.

President Harris called the meeting to order at 10:10 P. M. and asked for roll call.

Present: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris, City Clerk Frank D'Ascensio, Clerk of the Municipal Council.

President Harris stated, "In accordance with New Jersey P. L. 1975, Chapter 231, Section 5, adequate notice of this meeting has been provided by notifying by mail the Newark Star Ledger and Elizabeth Daily Journal, by posting on the designated bulletin board in the basement of City Hall and by filing in the Office of the City Clerk on December 13, 1979 the schedule of regular meetings and conferences of the Newark Municipal Council.

In addition, the agenda of this meeting was similarly disseminated on April 14, 1980, at the time of its preparation. All persons who prepaid for advance notice of meetings also received copies of the schedule and agenda as required by law."

The City Clerk: A hearing on the Introduced Local Municipal Budget of the City of Newark for the Year 1980 was established, held and closed on the 19th day of March 1979. The Municipal Budget was approved by the Division of Local Government Services.

Resolutions.

7-R-a-B. RESOLUTION FIXING AND DETERMINING THE SUM OF \$33,807,980. AS THE AMOUNT OF MONEY NECESSARY FOR THE USE OF PUBLIC SCHOOLS FOR 1980-1981 SCHOOL YEAR AND APPROPRIATING THE SUM OF \$16,903,990. FOR THE USE OF PUBLIC SCHOOLS FOR SCHOOL YEAR 1980-1981 AND \$12,096,010. FOR SCHOOL YEAR 1979-1980.

(Copy of resolution submitted to each Member of the Council)

A motion to adopt the resolution was made by Councilman Grant, seconded by Councilman James.

Councilman Tucker stated he is consistent with the posture he has taken initially, not having an opportunity to talk with either representatives of the Board or the Superintendent. He believes that this matter has been a football that has been kicked back and forth. The Council is placed in a position where it has to establish a budget for the Newark Board of Education. He recognizes the pressure that we are currently under with regard to the adoption of a budget and coming up with a figure but he doesn't

believe that we have all the information to make an affirmative judgement. He recognizes that we must move affirmatively on this but at this point he cannot support this action.

The motion to adopt the resolution was declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Villani, President Harris.

No: Councilman Tucker.

7-R-b-B. RESOLUTION REQUESTING DIRECTOR OF LOCAL GOVERNMENT SERVICES TO APPROVE AN INCREASE IN ITEM OF REVENUE, "MISCELLANEOUS REVENUE", FOR YEAR 1980 UNDER CAPTION OF ALCOHOLIC BEVERAGE LICENSES FROM \$560.00. TO \$640,200.

April 16, 1980

This meeting recessed at 10:20 P. M.

APPROVED:

Frank D'Ascensio
City Clerk

Earl Harris
President

Newark, New Jersey, April 22, 1980

April 22, 1980

A special meeting of the Municipal Council of the City of Newark, New Jersey, was held on the above date in the Council Chamber, City Hall, Newark, New Jersey, at 2:00 P. M.

President Harris called the meeting to order and asked for roll call.

Present: Councilmen Bottone, Grant, James, Johnson, Martinez, Tucker, President Harris, City Clerk Frank D'Ascensio, Clerk of the Municipal Council.

(Councilman Carrino arrived 2:01 P. M.)

President Harris stated, "In accordance with New Jersey P. L. 1975, Chapter 231, Section 5, adequate notice of this meeting has been provided by notifying by mail the Newark Star Ledger and Elizabeth Daily Journal, by posting on the designated bulletin board in the basement of City Hall and by filing in the Office of the City Clerk on December 13, 1980 the schedule of regular meetings and conference of the Newark Municipal Council.

In addition, the agenda of this meeting was similarly disseminated on April 17, 1980, at the time of its preparation. All persons who prepaid for advance notice of meetings also received copies of the schedule and agenda as required by law."

The City Clerk read letter dated April 17, 1980, from President Earl Harris, Newark Municipal Council, calling a special meeting of the Municipal Council for Tuesday, April 22, 1980, at 1:00 P.M., or as soon thereafter as possible, to consider the following ordinances:

- 1) An ordinance to amend Title 8, Business and Occupations, Chapter 7, Hawking and Peddling; Canvassing and Soliciting, Section 8:7-3(a) of the Revised Ordinances of the City of Newark, New Jersey, 1966, as amended and supplemented.
- 2) An ordinance to amend Title 8, Business and Occupations, Chapter 8, Junk Shops and Junk Peddlers, Section 8:8-5(a) of the Revised Ordinances of the City of Newark, New Jersey, 1966, as amended and supplemented. (To adjust license fee for junk shops, junk yards or metal processing facilities)
- 3) An ordinance to amend Title 8, Business and Occupations, Chapter 17, Used Motor Vehicle Sales Lots, Section 8:17-6(b) of the Revised Ordinances of the City of Newark, New Jersey, 1966, as amended and supplemented. (To adjust license fee for used motor vehicle sales lots)

April 22, 1980

- 4) An ordinance to amend Title 12, Food, Drugs and Cosmetics, Chapter 4, Milk and Milk Products, Article 8, Licensing and Regulation of Coin Operated Milk and Other Food Vending Machines, Section 12:4-81(a), of the Revised Ordinances of the City of Newark, New Jersey, 1966, as amended and supplemented.
(To adjust license fee for coin operated milk vending machines)

ADJOURNMENT.

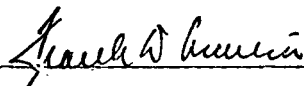

12.

A motion to adjourn this meeting was made by the Council of the Whole and adopted by the following votes:

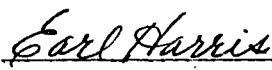

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, President Harris.

This meeting adjourned at 2:05 P. M.

APPROVED:

Frank D'Ascensio
City Clerk

Earl Harris
President

Newark, New Jersey, April 22, 1980

A special meeting of the Municipal Council of the City of Newark, New Jersey, was held on the above date in the Council Chamber, City Hall, Newark, New Jersey, at 2:06 P. M.

President Harris called the meeting to order and asked for roll call.

Present: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, President Harris, City Clerk Frank D'Ascensio, Clerk of the Municipal Council.

President Harris stated, "In accordance with New Jersey P.L. 1975, Chapter 231, Section 5, adequate notice of this meeting has been provided by notifying by mail the Newark Star Ledger and Elizabeth Daily Journal, by posting on the designated bulletin board in the basement of City Hall and by filing in the Office of the City Clerk on December 13, 1979 the schedule of regular meetings and conferences of the Newark Municipal Council.

In addition, the agenda of this meeting was similarly disseminated on April 18, 1980, at the time of its preparation. All persons who prepaid for advance notice of meetings also received copies of the schedule and agenda as required by law."

The City Clerk read letter dated April 18, 1980, from His Honor, Mayor Kenneth A. Gibson, calling a special meeting of the Municipal Council for Tuesday, April 22, 1980, to consider the extension of the HCDA V contract with the Newark Housing and Redevelopment Authority.

RESOLUTIONS.

7-R-a.

RESOLUTION RATIFYING AMENDATORY AGREEMENT WITH NEWARK REDEVELOPMENT AND HOUSING AUTHORITY FOR PROVISION OF VARIOUS SERVICES OUTLINED IN SCOPE OF SERVICES, FOR PERIOD APRIL 15, 1980 TO APRIL 23, 1980; FURTHER AUTHORIZING MAYOR AND EXECUTIVE DIRECTOR OF MAYOR'S POLICY AND DEVELOPMENT OFFICE TO ENTER INTO AND EXECUTE AMENDATORY AGREEMENT WITH NEWARK REDEVELOPMENT AND HOUSING AUTHORITY FOR PERIOD APRIL 24, 1980 TO JUNE 1, 1980; MAXIMUM AMOUNT TO BE PAID FROM MAYOR'S POLICY AND DEVELOPMENT OFFICE, HCDA V FUNDS FOR ADMINISTRATIVE SERVICES (SCHEDULE A), \$1,358,950., FOR PERIOD APRIL 16, 1979 TO JUNE 1, 1980. (CONTRACT AWARDED WITHOUT COMPETITIVE BIDDING PURSUANT TO LOCAL PUBLIC CONTRACTS LAW N.J.S.A. 40A:11-5(2)).

(Copy of resolution and correspondence submitted to each Member of the Council)

A motion to adopt the resolution was made by Councilman Johnson, seconded by Councilman Grant.

April 22, 1980

Councilman James requested that a communication requesting a status report from Executive Director Buck, Newark Housing and Redvelopment Authority, on 575 Bergen Street, also indicating to Executive Director Buck that he met with Mr. Stevens who indicated that if the Housing Authority finds it difficult to demolish this duplex building, he would welcome an offer to purchase his one-half or would relocate because of his continuing fear of the premises adjacent to him. The City has given millions and millions of dollars to Housing and here we have senior citizens who for 10 years have lived next to an abandoned structure owned by the Housing Authority and we have yet to have any solution or offer of help. He would like some information as to what they plan to do, and with the indication that Mr. Stevens said that if they can't demolish one-half because of a common wall, he is willing to sell his one-half and relocate.

Councilman Tucker stated in following up on the conversation at the pre-meeting that with the approval of this application, the Council should request a certification of the amount of funds out of the \$1.3 million that has been expended as of this date plus a Schedule of how they plan to expend whatever accrued funds there are out of the \$1.3 million between the present date and June 1. He felt that it should be added as an addendum to the approval of the motion.

Councilman Grant remarked that the charges Councilman James has just made are serious and that before the Council meeting in the Council Conference Room, he made an impassioned plea relative to Bergen Street and since the monies that we are about to vote on will directly affect the budget at the Housing Authority, before he would vote he would like to have Executive Director Buck come down and answer some questions and address himself to the Bergen Street problem.

Councilman Tucker noted the Council has never been in receipt of a financial report from the Housing Authority or H.D.R.C. or NEDC indicating the amount of money that we give them in one year and the amount of money that they spend. His concern on this resolution is the same concern that he has with regard to H.D.R.C. and NEDC. We should have an accounting of the amount of money that they spend and he hoped that we can keep this in mind when they consider continuing or not continuing appropriating or not appropriating additional money to H.D.R.C. and NEDC.

Councilman Carrino questioned whether both of these agencies were funded by HCDA and with the passage of the budget we should have pinpointed every penny that they are requesting and how much they spend at the end of each year.

April 22, 1980

At the request of President Harris, Executive Director Buck, Newark Redevelopment and Housing Authority approached the speakers stand.

Councilman James stated to Executive Director Buck that at previous meetings he had brought to his attention the conditions at 575 Bergen Street, a duplex which is one-half owned by the Newark Redevelopment and Housing Authority. He met with Mr. Stevens this morning and he posed a question that after ten years the Housing Authority was going to rehabilitate the structure and also as an innovative suggestion by Councilman Grant to start demolishing the other side of the building and then perhaps brick it up if the Newark Housing Authority is not mindful to use that option or as an alternative the owner is willing to sell his one-half and relocate because both he and his wife are going to bed every night fearful of living in this abandoned structure which has been vandalized several times and two fires have been started in it. He asked Executive Director Buck if he has been able to formulate any plan with respect to the horrible condition Mr. & Mrs. Stevens, senior citizens are forced to live under.

Executive Director Buck replied it is a combination of what Councilman Grant has indicated and something that Councilman James spoke about at the prior meeting. They are moving to demolish the half of the structure that the Housing Authority purchased and also are moving to acquire since that building is in a Urban Renewal Area, the portion of the building that Mr. Stevens occupies. There is no possibility of one-half building being rehabilitated now at this point. They could get no approvals from HUD to spend monies on it. It would seem to him that those are the two avenues that they are moving along.

Councilman James queried whether they had adopted any timetable for this action which he is bringing to Council's attention now.

Executive Director Buck replied there were two paths that they could take on the demolition. They could let a contract for this specific demolition, which will be the longer period of time, or we have a current demolition contract which we will attempt to substitute to put this building in, to move it that way whichever is quicker.

Councilman James questioned if the building is going to be somewhat "raw" after demolition, because it is a common wall, are there plans to rehabilitate the side structure so that it will not be an eyesore.

Executive Director Buck replied in the affirmative. It would not be attractive but it would be safe.

April 22, 1980

Councilman Johnson stated that pertaining to the matter he had discussed with Executive Director Buck the last couple of days that he would have on Friday times and dates for the information that he had requested. He also needed to know the time of start and completion of smoke detectors in the Central Ward, Scudder, Hayes and the other high rise buildings which are owned by the Housing Authority.

Executive Director Buck replied he could not give him a completion date, but that they were currently putting those smoke detectors in right now. They are currently in Scudder Homes. The last he knew they had about 4,000 units to go and he knew a sizable portion of those units were in Scudder Homes and he assumed that the balance of those units were in the other high rises.

Councilman Johnson said that he could safely notify the residents in the Central Ward high rises that the smoke detectors will be completed within a short period of time. It will be a steady program with no interruptions.

Executive Director Buck replied in the affirmative.

Councilman Tucker stated his concern relates to the HUD CDA V grant. At the last meeting he had with the Council he reported that the \$1.3 million was expended and it was expended on administrative staff. The new resolution basically extends with no additional monies, the \$1.3 million from April 22 through June 1. Obviously there must be some sort of accrued funds within the \$1.3 million in order to allow him to do that.

Executive Director Buck replied that he had raised that same point that if they had expended the money how could they extend and it was his understanding that HCDA VI will start in April and then pick up for a full year. That way the people who received the grant won't be left in the predicament of trying to run a 12 month grant on the one hand and only get 11 in the middle, that they will both be evened out at 12 months.

Councilman Tucker replied that he would like to get something in writing which deals with one of two factors. 1) Whether the funds have been expended and 2) If they have not totally been expended then he would like to know what is the accrued amount which he currently has available and how does he plan to utilize those funds between now and June 1st.

Executive Director Buck replied that he did not think they had any money. The money is still with the City and they only get what they spend. They would not get the accrued monies. That would be with MPDO.

April 22, 1980

Councilman Tucker said he understood that. How much of the \$1.3 million has the Housing Authority expended and subsequently either has been reimbursed for or will be reimbursed between now and June 1st.

Executive Director Buck replied that he would get that information out for the Council.

Councilman James questioned if they were going to develop the sites to be presented to HUD and if so would the Council be in a position to review those with Executive Director Buck. He further stated that if Executive Director Buck recalled he had previously stated that Johnson Avenue was really a poor site selection in the first place, that perhaps they should have had Chancellor Avenue or Elizabeth Avenue.

Executive Director Buck replied what they were trying to do is to involve the City agency through the development team of where we select public housing. They have tried to open up that process to get more information to see how it impacts on other people.

Councilman James stated that Reverend Sharper was talking about Chancellor Avenue between 148 and 165 where they were dumping and that he had advised him one of the South Ward scatter site housing locations which he hopes he will keep and perhaps amend to have some more favorable site locations.

Councilman Tucker stated this Council passed a resolution dealing with smoke detectors. He wanted Executive Director Buck to check with his staff and give the Council a projected date as to when all the smoke detectors will be installed in all the housing units throughout the entire City. At the meeting they had with Executive Director Buck approximately one week and a half ago there was Mr. Reed from his staff indicating to us the disposition of certain scatter site housing development units. He indicated that HUD has subsequently disapproved those locations and he had requested that the Council be in receipt of any communication from HUD which at least pinpoints in writing that disapproval. As of that date the Council has not received that package from Mr. Reed which indicates 1) the disposition of all the sites that have been selected in the past and 2) which one of those individual sites or the number of sites has been disapproved by HUD.

Councilman Johnson requested Executive Director Buck submit the information about the smoke detectors broken down by wards as to the completion of installation.

Councilman Martinez noted for a few years the Dayton Street Boys Club have been meeting on an on-going basis and he understands that they are pretty close now, down to the wire. There was a matter of getting an appraiser for the building. Could he please have a status report on where that stands now.

April 22, 1980

Councilman Bottone directed the question to Executive Director Buck as what the status is going to be on South Orange Avenue between Maybaum and Munn Avenues. All those businesses were told to evacuate and move out, two years ago. Now he understands today that even though the store was purchased, a variance was given and everything else, they don't intend to build there any more and now we have a whole block of vacant stores that housing owns after they have vacated all the tenants. He wanted to know what the status is going to be, if they were looking for anybody to come there and fill those stores, if not at least demolish them before a child gets killed.

The motion to adopt the resolution was declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, President Harris.

Newark, New Jersey, April 23, 1980

A meeting of the Municipal Council of the City of Newark, New Jersey, held April 16, 1980 was recessed to 11:00 A. M., Wednesday, April 23, 1980, or as soon thereafter as the Council can convene, for the purpose of holding a public hearing on the amendments to the Local Municipal Budget for the Year 1980 and to adopt the 1980 Local Municipal Budget of the City of Newark, as amended.

President Harris called the meeting to order and asked for roll call.

Present: Councilmen Bottone, Carrino, Martinez, Tucker, Villani,
President Harris, City Clerk Frank D'Ascensio, Clerk of the Municipal Council.

(Councilman James arrived 12:02 P. M.)

(Councilman Johnson arrived 12:03 P. M.)

President Harris stated, "In accordance with New Jersey P. L. 1975, Chapter 231, Section 5, adequate notice of this meeting has been provided by notifying by mail the Newark Star Ledger and Elizabeth Daily Journal, by posting on the designated bulletin board in the basement of City Hall and by filing in the Office of the City Clerk on December 13, 1979 the schedule of regular meetings and conferences of the Newark Municipal Council.

In addition, the agenda of this meeting was similarly disseminated on April 17, 1980 at the time of its preparation. All persons who prepaid for advance notice of meetings also received copies of the schedule and agenda as required by law."

(Councilman James arrived 12:02 P. M.)

The City Clerk: A hearing on the Introduced Local Municipal Budget of the City of Newark for the Year 1980 was established, held and closed on the 19th day of March, 1980. The Municipal Budget was approved by the Division of Local Government Services.

On April 16, 1980 the Municipal Council amended the Budget and ordered the amendments to be published in the Star Ledger issue of April 19, 1980. The amendments were so advertised. The Council further ordered that a public hearing on these amendments shall take place on the 23rd day of April, 1980, in the Council Chamber, in the Newark City Hall, at 11:00 A.M., or as soon thereafter as Council can convene.

(Councilman Johnson arrived 12:03 P. M.)

Three copies of the amending Resolution in proper form, certified by me as having been adopted by the Governing Body, were submitted to the Director of

April 23, 1980

Local Government Services on April 17, 1980 and approved April 23, 1980.

This being the date, time and place set for the public hearing on the amendments to the Budget of the City of Newark for the Year 1980, the President is respectfully requested to declare open the hearing on the amendments as advertised in the April 19, 1980 issue of the Star Ledger.

President Harris: The hearing on the amendments to the Budget of the City of Newark for the Year 1980, as advertised, is now declared open.

No one appearing, a motion to close the hearing on the amendments, as advertised, and adopt the amendments, as advertised, was made by President Harris, seconded by Councilman Johnson and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, James, Johnson, Martinez, Tucker, Villani, President Harris.

A motion to adopt the Budget of the City of Newark for the Year 1980 in its final form, as amended, was made by President Harris, seconded by Councilman Johnson and failed of adoption by the following votes:

Yes: Councilmen Bottone, Johnson, Villani, President Harris.

No: Councilmen Carrino, James, Martinez, Tucker.

President Harris informed his colleagues that they do not have a budget with which to operate the City of Newark and this is the consequence that will derive in a situation like this. That means it will be left up to the Division of Local Government Services to make a determination as to how much the City of Newark's Budget is going to be to operate for the year 1980. That determination, if we leave this Council Chamber without an adopted budget, that determination is out of our hands. If it is the will of the Body and the vote is to stand, there is no sense in wasting each others time.

Councilman Carrino said speaking as an individual Councilman, with all the problems he is facing in his Ward with the delivery of basic services which has declined almost to nothing, without phone calls coming from Councilmen's offices without people calling to complain about picking up garbage, cleaning streets, having police services, he can't in clear conscience vote for this budget when in his opinion there are Departments included in this budget which do no service the entire City of Newark and which are certainly not giving any basic service, not providing any benefits to the people in the North Ward.

April 23, 1980

Councilman Bottone said he can readily agree with Councilman Carrino because as he stated before, to some people, in the past five years you see the breakdown that our tax rate is a little bit lower than it was in 1976 but definitely the services are not the same as they were in 1976. If the services had remained at least at a stable level where we got some service, he could agree. But at the same time without an adopted budget we are jeopardizing each and everyone of our employees, each and every one of the programs that are functioning properly, we hinder our police, our fire and every other agency that tries to at least do a job. He thinks we have other avenues to get this Administration off their "rump" to function properly. This is the avenue we should take, not by rejecting a budget that is the lifeline of our City.

Councilman James said he can certainly concur with remarks made by Councilman Carrino. They in the South Ward are very upset with abandoned buildings not being demolished when they do have the capacity to demolish. They are very upset about dirty streets in the South Ward and they do have the capacity to clean them. Evidently, they would like priorities in these important areas. Also, we can talk about the absence of code enforcement which makes our city look like a ghost city and dirty sewer. There is a total breakdown in the delivery of services. However, knowing that the President and this Body have spent many hours in drafting a budget and knowing that the President of this Council and this Body had done everything to scrutinize the Budget to see if there is any fat to remove it, to see that the budget is at least in the best interest of our citizens and although he wholeheartedly disagrees with an inclusion of a 400% increase in the sewer rate, which he believes will be a tremendous hardship to the citizens in Newark facing revaluation and other financial increase, but in recognizing the amount of hours this Body, led by our President, trying to draft a fair budget, a budget in the best interest of our citizens he would have to reconsider his vote and would also appeal to his colleagues, it is not important enough for us to go around and say they did not vote for the budget. More important they had an opportunity to cut and delete in budget hearings and if we couldn't find what to cut or delete, perhaps we can be angry about the delivery of services but then we need to take some action against department heads, administration or calling a meeting with the Mayor. You don't solve the problem this way. We sat for a budget hearing for many, many weeks and to say now "I don't like the budget so I will be able to walk the streets and say I did not vote

April 23, 1980

for the budget." With respect for the President and Members of this Council who worked on the Budget, Councilman James said he will reconsider his vote and vote in the affirmative and would appeal to his colleagues to do likewise for we have to have a budget. They criticized the Board of Education for not striking a budget and sending it to Trenton and now we are going to play the same game.

President Harris requested the City Clerk to change Councilman James' vote to the affirmative and the budget has been adopted for the Year 1980 in its final form, as amended, by the following votes:

A motion directing the City Clerk to forthwith forward three copies of this Adopted Budget to the New Jersey State Division of Local Government Services in Trenton and one copy to the Essex County Tax Board, as by Statute required, was made by President Harris, seconded by Councilman Bottone and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, James, Johnson, Martinez, Villani,
President Harris.

No: Councilmen Carrino, Tucker.

Councilman Bottone stated for the record and this has been said over and over by the Members of the Council that they do know the services are very bad in the City and they do know it needs a great deal of help in revamping and he is ready to go on record right now if any one has to be fired for better services in any agency, he is willing to sit down and start to scrutinize department by department.

BOARD OF ADJUSTMENT - APPEAL.

4-a-1.

The City Clerk read APPLICATION OF ANTHONY DeLUCA, APPLICANT AND OWNER, FOR VARIANCE TO THE ZONING ORDINANCE OF THE CITY OF NEWARK TO PERMIT IN A 3RD RESIDENTIAL DISTRICT CONSTRUCTION OF A REAR GARAGE TO BE USED FOR TRUCK PARKING ON A LOT HAVING TWO MAIN BUILDINGS ON PREMISES 251-253 ELM STREET.

(Copy of transcript to each Member of the Council)

This matter was heard before the Board of Adjustment at its meetings February 26, 1980 and March 25, 1980 and a copy of a resolution by the Board of Adjustment was adopted on March 25, 1980.

On April 23, 1980 the City Clerk notified the applicant, his attorney, and the appellants that an appeal in this matter will be heard by the Municipal Council at their regular meeting May 7, 1980 at 1:00 P. M., in the Council Chamber, second floor, City Hall, Newark.

Each Member of the Municipal Council received copies of transcript of the hearings before the Board of Adjustment held February 26, 1980 and March 25, 1980 and a copy of the Board of Adjustment resolution approving the variance. Other papers and photographs comprising the record before the Board of Adjustment were either supplied to each Member of the Council or made available for inspection.

The Applicant, his attorney and the appellants were furnished with copies of the transcript of the hearing before the Board of Adjustment and were notified of this appeal.

This is the time and place for the appeal to commence.

President Harris stated we will now hear oral argument on the appeal from the decision of the Board of Adjustment granting a variance to Anthony DeLuca, Applicant and Owner, to permit in a Third Residential District construction of a rear garage to be used for truck parking on a lot having two main buildings on premises 251-253 Elm Street. We may hear argument only from the parties to the appeal, that is the person or persons who filed the appeal and the one who was granted the variance. Either party may be represented by an attorney. No testimony will be heard by the Municipal Council only argument based on the record made before the Board of Adjustment. For the benefit of an appellant who is not represented by an attorney, that means that you may state the reasons for your objections to the variance and you may point to testimony before the Board to support your position. However, you cannot bring in new testimony or other evidence.

MR. ANTHONY CABELLO, ATTORNEY, 257 JEFFERSON STREET, NEWARK, NEW JERSEY,

indicated he was representing Mr. & Mrs. Manuel Pexiote who were the objectors. He stated his client was an adjacent homeowner who lived at 255 Elm Street, right next door to the applicant's premises. Elm Street in this area is a quiet residential street. It has no commercial or industrial use there at the present time. The proposed use which the applicant is requesting would substantially alter the use of Elm Street. It would allow commercial vehicles to come onto the street to go into the driveway. In cleaning these trucks there are obnoxious smells that come from waste material on the trucks that are cleaned. There is also noise generated from the repair maintenance and the use of these trucks that would be used on Elm Street should this application be granted. There has been no zoning or special reason which the law requires in order to grant a variance for any hardship. There would be a substantial detriment to the public good should this variance be granted because it would introduce this commercial use into a solely residential area.

Councilman Martinez stated that this is an appeal from a decision of the Board of Adjustment on March 25, 1980 granting a use variance to permit the construction of a garage to be used for parking and washing of trucks in a third residence district. A variance is required for two reasons:

1. The use is not permitted in a third residence district.
2. The proposed garage would be the third main building on a single lot (there are presently two buildings on the premises - a 3 family house and a 5 family house) and City Ordinances permit only 1 main building on a lot less than 2 acres.

It appears from the transcript that the applicant has been washing his vans in his yard and that has caused soapy water to overflow onto adjacent property and has created noise at all hours from the washing process. The Board found that the construction of a garage and washing and parking of trucks inside the garage would not be detrimental to the public good and would not impair the intent and purpose of the zone plan because "the proposed use will be an improvement in the area and is consistent with surrounding uses and will not tend to depreciate property values."

The Board's finding is arbitrary and unreasonable. The proposed use is clearly inconsistent with the other uses of the area which the Board's Resolution describes as containing principally residential uses and a few stores. The garage would be the third main building on a single lot in an area which, according to the Block Diagram showing lots within a 200 foot radius, has no more than 2 buildings on any lot and

1229

almost all of the second structures are permitted accessory structures. I cannot see how the construction of the garage, which under the City's zoning ordinances is considered to be a commercial garage, will improve the area. The only improvement indicated in the record is the improvement over the existing situation which creates problems of noise and run-off of soapy water. That situation, however, is caused by an illegal use of the premises. The way to deal with the situation is to prohibit it and not to grant a variance to construct a building for a prohibited use.

In addition to there being no basis to support the Board's findings with regard to the impact of the variance on the area, the Board has not made the required finding of "special reasons" for granting the variance. The proposed use is an ordinary commercial use which the applicant seeks to establish in order to benefit his business venture. That is not sufficient reason for granting a use variance. There was no showing that the use is inherently beneficial to the community, that the property was particularly suited to the proposed use or that the applicant cannot use the premises for its permitted use. In fact, the premises are now being used as residences for 8 families. There is nothing in the record which would justify a finding of "special reasons" and the Board itself has not found such reasons to exist.

For these reasons, Councilman Martinez moved to reverse the decision of the Board of Adjustment granting a use variance to permit construction of a garage to be used for parking and washing of trucks at 251-253 Elm Street.

The motion was seconded by Councilman Tucker and declared adopted by President Harris by the following votes.

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

President Harris stated that he had a concern about benefits that go to certain groups of employees and not to all the total number of employees that work for the City of Newark. He felt very strongly about the fact that the employee on the low rung of the ladder earning \$6,000. to \$7,000. a year is not the recipient of decent health, prescription and optical care and other benefits. If justice is to be true justice if should be justice for all and this is not justice for all when the most highly paid group of employees receive superior fringe benefits in comparison to other employees. In fairness he would like to see all City employees get the same benefits.

ORDINANCES ON PUBLIC HEARING, SECOND READING AND FINAL PASSAGE.

President Harris called for ordinances on public hearing, second reading and final passage.

6-Ph, S & F-a.

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing date set. It is now before you for public hearing, second reading and final passage:

AN ORDINANCE AMENDING SECTION 23:5-1, PARKING PROHIBITED AT ALL TIMES, OF TITLE 23, TRAFFIC AND PARKING, OF THE REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, 1966, AS AMENDED AND SUPPLEMENTED, PROHIBITING PARKING ON BROAD STREET.

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

Section 1. That Section 23:5-1, Parking Prohibited at all Times, of Title 23, Traffic and Parking, of the Revised Ordinances of the City of Newark, New Jersey, 1966, as amended and supplemented, be amended by adding thereto the following:

East side, beginning 192 feet north of the northerly curblin
of Pennington Street and extending 50 feet northerly therefrom.

Section 2, Any existing ordinances or parts thereof inconsistent with this ordinance are hereby repealed.

Section 3, This ordinance shall take effect upon final passage and publication according to law.

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

No one appearing, a motion to close the hearing and adopt the ordinance on second reading and final passage was made by Councilman Martinez, seconded by Councilman Bottone and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

President Harris: The yeses are nine and the noes are none. This ordinance having been read on two separate days and having achieved the vote required by the statute, is declared adopted. The City Clerk is directed to deliver same to the Mayor for his approval or disapproval.

May 7, 1980

6-Ph, S & F-b.

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing date set. It is now before you for public hearing, second reading and final passage:

AN ORDINANCE AUTHORIZING THE EXCHANGE OF CITY-OWNED PROPERTY LOCATED IN THE TOWNSHIP OF VERNON, KNOWN AS BLOCK 190, LOT 21, IN EXCHANGE FOR LANDS OWNED BY BROOKS REALTY, LTD., KNOWN AS BLOCK 524, LOT 2, LOCATED IN WEST MILFORD TOWNSHIP PLUS \$15,000., AND FURTHER AUTHORIZING THE EXECUTIVE DIRECTOR OF NEWARK WATERSHED CONSERVATION AND DEVELOPMENT CORPORATION TO EXECUTE DOCUMENTS TO EFFECTUATE SUCH EXCHANGE AND COLLECT SAID SUM OF MONEY.

WHEREAS, the City of Newark is the owner of those lands commonly designated as Block 190, Lot 21 on the tax assessment maps of the Township of Vernon and consisting of \pm 43 acres and being situated on the fringe and outside the Pequannock Watershed and not needed for public purpose; and

WHEREAS, Brooks Realty, Ltd. is the owner of those lands commonly designated as Block 524, Lot 2 on the tax assessment maps of the Township of West Milford and consisting of \pm 39 acres and being situated well within the Pequannock drainage area; and

WHEREAS, the parties desire to exchange their lands in accordance with the provisions of N.J.S.A. 40A: 12-16; and

WHEREAS, the parties have had appraisals of their respective parcels prepared by Richard Chaiken, M.A.I. and his appraisals indicate the value of the City of Newark's parcel as \$150,000 and the value of the land owned by Brooks Realty, Ltd. as \$157,000; and

WHEREAS, because N.J.S.A. 40A: 12-16 provides that municipalities in acquiring land through trade may do so if the land to be received is valued at not more than its current assessed value, and the municipal land to be exchanged is valued at not less than assessed value, it is in the City's interest to reduce the appraised value of Block 524, Lot 2 by \$90,600 to the assessed value of \$66,400 in accordance with N.J.S.A. 40A: 12-16, and to adjust the value of Block 190 Lot 2 downwards by \$68,600 to \$81,400, which is above its assessed value of \$36,500, in accordance with N.J.S.A. 40A: 12-16, and to exchange said lands for the difference of \$15,000; and

WHEREAS, the Board of Directors of the Newark Watershed Conservation and Development Corporation has reviewed and recommended this exchange.

NOW, THERE, BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

1. That the City of Newark shall exchange Block 190, Lot 21 as shown on the tax map of Vernon Township for Block 524, Lot 2 as shown on the tax map of West Milford Township plus \$15,000 in accordance with N.J.S.A. 40A: 12-16.

May 7, 1980

2. That the City of Newark owned land is not needed for public purpose.

3. That the Executive Director of the Newark Watershed Conservation and Development Corporation (NWCDC) is authorized to execute on behalf of the City of Newark all documents, including deeds, which are necessary to effectuate this exchange of property.

4. That the NWCDC is authorized to collect the sum of \$15,000 in accordance with Council Resolution 7RH adopted March 2, 1974 as amended by Council Resolution 7RK adopted July 16, 1975.

5. That Brooks Realty, Ltd. shall pay the cost of publishing this ordinance.

6. That a closing will occur within 45 days of the adoption of this ordinance.

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

No one appearing, a motion to close the hearing and adopt the ordinance on second reading and final passage was made by Councilman Bottone, seconded by Councilman Tucker and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

President Harris: The yeses are nine and the noes are none. This ordinance having been read on two separate days and having achieved the vote required by the statute, is declared adopted. The City Clerk is directed to deliver same to the Mayor for his approval or disapproval.

HEARINGS OF CITIZENS

6-HC-a. MR. TONY NARDONE, 5 ROSE COURT, ROCKAWAY TOWNSHIP, NEW JERSEY

6-HC-b. MR. EDWARD JANKOWSKI, 348 LAFAYETTE STREET, NEWARK, NEW JERSEY.

6-HC-c. MR. ROBERT DOHERTY, 23 UNGER AVENUE, HOPATCONG, NEW JERSEY.

6-HC-d. MR. TOM FARLEY, 304 LINWOOD PLACE, TOMS RIVER, NEW JERSEY.

All of the above citizens spoke about inadequate standards of the Fire Department and the possible closing of three fire houses.

Councilman Carrino asked Mr. Nardone whether he had any idea what the number of total responses to fires were in 1970 compared to 1980 to which Mr. Nardone replied that he did not have those figures.

May 7, 1980

Councilman James stated that the City had lost some 200 police officers due to economy situations. He wondered if the proposal detailed any loss of personnel and other than the response time would there be a loss of efficiency of operation and if so who would make the recommendation to the Council and what recommendations have been forwarded by that individual. He questioned if the Fire Director was supporting this measure. He further asked Mr. Farley if his group or any individual had the opportunity to address these concerns to Mayor Gibson as this is an administrative matter. He added he was hopeful he had in writing a recommendation from Director Caufield or an administrative recommendation and he was hoping that the concerns being expressed to Council would certainly be afforded an audience with the Mayor and the Fire Director. It would only stand to reason that they would meet with the Mayor and Senator-Director who are already of the opinion that these cuts will in no way create any harm or difficulty in our fire services, and he added that Newark is known throughout this country as having one of the finest fire departments.

Councilman Martinez thanked everyone for coming here on behalf of their unions and speaking in their behalf. To echo Councilman James there are many times that we have had meetings upstairs with the governing body and people from administration. It has been recognized by insurance companies and other fire fighting companies throughout the country that you are considered the number one fire company in the United States and he was proud to be a City Council member representing the Fire Department. He was one of the Councilmen who was vocal when they were going to cut the task squad or bring in a task squad to restore the West Market Street fire house. He has always been known as a person perhaps with a police background to be a friend to firemen. He can remember the dedication in the past, particularly when we had disturbances in the city, when firemen had nothing to protect themselves with the prospect of the loss of their own lives they stood fast to protect the lives of the people and he could respect them. He could also respect the opinions of each and every member who has come up here fighting for their union and fighting for their men. There is no question not one person on this body wants to see any fire house closed. They want to see the people paying taxes in the city getting the proper services. The elimination of the fire companies is going to affect services and he thinks it is incumbent upon us to sit down with whoever is available.

May 7, 1980

Councilman Martinez related back to the laying off of 200 policemen. Most of the Council here were vocal and wanted to keep the policemen within the rank. Most of us put a million dollars in the budget of the Police Department to be utilized to bring on more policemen which was not used. We cannot force administration to spend any money. We cannot force them to make any decision that they do not feel is within the best interest. Someone related earlier when they were speaking that Director Caufield was given an order by someone in Administration to cut the budget by \$650,000., it appears that one of the speakers also indicated that the cut with all of these fire houses being closed would be \$65,000. He hoped that Firemen Jankowski, Nardone, Farley and Dougherty would request a meeting with the Fire Director, the Business Administrator and the Mayor and see if these differences can be resolved. He knows that the majority of the members are all unanimous and would stand behind them to support not closing any fire house within the City of Newark.

Councilman Carrino directed the question to Mr. Nardone that he could understand a budget savings by demoting men because you have a dollar figure to make up from demotion but what figures does the administration show you where they are saving X amount of dollars by closing down fire companies. What constitutes saving of money by closing down fire houses. They are not laying off any of the men who serve in those fire houses so the same amount of men will be there. They will not retire any of the trucks or equipment they will probably be transferred somewhere else.

President Harris directed that the following statement be mailed to all applicants, the State Representative, the Law Department, Members of the Council and the Staff.

The Public Hearing on Cable T. V. franchises was closed on April 2, 1980; the public was given notice of the public hearing and an opportunity to participate in it. A full and complete record was made and exhaustive evidence was taken. The Municipal Council does not wish to take additional evidence. Therefore, members of the public wishing to speak on the issue may do so, however, their comments will not be taken into account and will not influence the Municipal Council's decision in any way.

6-HC-e.

MRS. ARLENE HENRY, 603 ELIZABETH AVENUE, NEWARK, NEW JERSEY, sees countless young men and women walk the streets with nothing to do. She urged the Council to give all the citizens of this city a reason to rejoice by granting some of our own a chance to build a cable television that will serve every Newarker.

6-HC-f.

MR. THURMAN SMITH, 61 HILLSIDE AVENUE, NEWARK, NEW JERSEY, stated that he came here to advocate and request that the Council give the utmost consideration to CCC for a cable television franchise in Newark.

6-HC-g.

MR. GERALD MURPHY, 50 FOURTH AVENUE, NEWARK, NEW JERSEY, stated that CCC is comprised of Newark residents and actively working toward every goal of Newark residents. He urged approval of their franchise application.

Councilman Carrino stated that along the lines of this resolution something disturbing is happening. He thinks the Council should be aware of it and inform the Real Estate Commission. Some of these situations are arising because the City never places the property for auction. The concern that he has, in particular, is one piece of property in the North Ward that the City had a rent paying tenant living in the building who was maintaining the building. He was evicted, prior to the auction, because the building was going to be sold. The man who won the bid put in his deposit and after a month, was told that the property was not clear. Therefore, the City could not sell it. Now there is no tenant in the building, the building is wide open and it has been vandalized three times. All the pipes have been stolen. The City is in a situation where nobody is going to want to buy it and a tenant is not going to be able to live there. He suggested that the Real Estate Commission, before they put anything into the auction should make sure that there is clear title to the property, the Real Estate Commission should not evict the tenant until all the paper work goes through on the closing, then give the person thirty days notice to get out, or let the new owner evict them after the owner takes the title. The City has lost a lot of revenue and also a lot of valuable property because of vandalism. He was referring to the Administrative processing of City auctions.

AN ORDINANCE TO AMEND TITLE 10, CHAPTER 9, ANNUAL AUDITS OF FUNDED PROGRAMS, OF THE REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, 1966.

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY, THAT:

Section 1. Title 10, Chapter 9, Annual Audits of Funded Programs, of the Revised Ordinances of the City of Newark, New Jersey, 1966, be and the same is hereby amended to read in its entirety as follows:

10:9-1 Audits authorized.

The governing body shall cause annual audits of the books, accounts and financial transactions of all federal and state funded programs to be made and completed within 3 months after the close of the fiscal year of the individual program, and for that purpose shall employ a registered municipal accountant, or a certified public accountant of New Jersey; funds for such audits shall be provided for in the approved budgets of the individual programs.

10:9-2 Scope of audits.

Audits shall embrace the books, accounts and transactions of every program supported and maintained wholly or in part by federal or state funds. Each audit shall cover a complete fiscal year and, in addition, shall include a verification of all cash and bank balances as of the date of the audit thereof and an audit of the accounts to such date.

10:9-3 Audit reports filed.

Every such registered municipal accountant, or certified public accountant of New Jersey, shall file the original report of his audit and recommendations with the city clerk and shall, within 5 days thereafter, file a certified duplicate copy thereof, in the office of the director of the federal or state program and the business administrator.

10:9-4 Resolution required for payment.

The municipal comptroller shall not disburse any funds in payment for audits approved by the municipal council until passage of an appropriate resolution by the council permitting such payment. The aforesaid resolution shall not be approved by the municipal council until the original audit report and recommendations are filed with the city clerk as required by section 10:9-3 above.

Section 2. Any existing ordinance or part thereof inconsistent herewith is hereby repealed.

Section 3. This ordinance shall take effect upon final passage and publication and in accordance with the laws of the State of New Jersey.

HEARINGS OF CITIZENS.

6-HC-a. MR. D.J. HENDERSON, OLD ROAD TO BLOOMFIED, NEWARK, NEW JERSEY.

Mr. Henderson addressed the Municipal Council with respect to the lack of interest on the part of the citizens of Newark in the Newark Municipal Budget. He said this lack of interest is evidence that citizens have most confidence in the ability of the City Government to do this job wisely, economically and effectively.

The Acting City Clerk was directed to forward a copy of verbatim remarks made by Mr. Henderson to the Mayor and the Business Administrator.

6-HC-b. MR. RICHARD RATHBUN, 17 SEMINARY PLACE, NEW BRUNSWICK, NEW JERSEY.

6-HC-c. MS. ANTOINETTE HURYK, 122 ALBERT AVENUE, NEWARK, NEW JERSEY.

6-HC-d. MS. JUNE KRUSZEWSKI, 27 SCHALK STREET, NEWARK, NEW JERSEY.

6-HC-e. MS. PATRICIA JARESKI, 162 BRILL STREET, NEWARK, NEW JERSEY.

6-HC-f. MR. THOMAS OLOHAN, 102 BRILL STREET, NEWARK, NEW JERSEY.

6-HC-g. MR. JON DOLBEG, 31 MARNE STREET, NEWARK, NEW JERSEY.

6-HC-h. MS. NANCY ZAK, 48 READ STREET, NEWARK, NEW JERSEY.

6-HC-i. SISTER EILEEN BRADSHAW, 7 SOUTH STREET, NEWARK, NEW JERSEY.

6-HC-j. MR. KEN WILSON, 63 STENGEL AVENUE, NEWARK, NEW JERSEY.

All of the above addressed the Municipal Council and expressed opposition to the closing of the Fire Houses. They cited the proposed cuts will affect James Street Community and the Ironbound Community. The speakers referred to the multiplicity of fires throughout the City and felt any cut in the Fire Department would be hazardous to the citizens of the City.

President Harris pointed out to the speakers that Council had attempted to have Fire Director Caufield present at this meeting but he was unavailable. He indicated the Council would set up a meeting with representatives of Administration to discuss this problem in detail with the citizens involved. He continued the decisions made were Administrative in nature and under the form of government by which the City of Newark operates places Administration's responsibilities on the Mayor and his directors. However, the Council at this meeting will be more supportive of the residents of the City with respect to this problem.

May 21, 1980

Councilman Carrino noted the Council could put appropriations in the budget but the Mayor cannot be compelled to use the money as the Council directs. He cited the instance when the Mayor laid-off 125 police officers in spite of the fact the Council had appropriated funds to be used for the police officers.

Councilman Bottone pointed out with the complaints registered by the citizens, they failed to note the Council at this meeting had approved an 8% raise for every fireman, a dental plan and payment for hazardous duty. He indicated the Council is supportive of the complaints registered by the citizens. The citizens should direct the complaints where they belong.

Councilman Carrino said everyone should understand that the City is restricted by a 5% caps law and the only alternative Director Caufield would have because of budgetary restrictions would be to lay off the appropriate amount of men to make up for the money which would be saved because of the cut back.

Councilman Tucker noted the Council is dealing with the deficit based on the Arbitration Awards given to the firemen after the Fire Department Budget was adopted. The hard fact is that the Mayor is faced with either closing the Fire Houses or laying off men in order to conform to budgetary restrictions.

Councilwoman Villani was supportive of the problem raised by all the citizens present. She hoped the meeting to be scheduled to discuss this matter with the Mayor and Fire Director Caufield will bring some resolution to this problem.

Councilman Martinez noted about a year ago, No. 5 fire house was scheduled for closing. He personally had a community meeting, brought the Fire Director there. He met with the community and the Director changed his mind. A couple of weeks ago, he received a phone call from someone from Brill Street that the Brill Street fire house was going to be closed. There was another person knocking on the door with respect to Ferry Street and Fillmore Street where a fire house was going to be closed. Another was a Newark fireman in the area of Congress Street who told them that the fire house was going to be closed and the rumors spread. He made it a point to immediately sit down with the Fire Director and find out if it was a rumor. The Fire Director assured him that none of those fire houses were going to be closed.

May 21, 1980

Two weeks ago every President of every fire union, superior officers, and the fire fighters appeared and made the same statement. If you would like to go to the Fire Director, he will fight to keep all four fire houses open in the East Ward and he will appear with them. To this date, he has not received a call from any president of any fire union. As to the fire hydrants being safe in Newark, he makes it his personal position to send out an inspector to inspect every fire hydrant in the East Ward. Last month they found 23 not working. This information was reported to the Fire Director and to Mr. Alvin Zach.

Several years ago, when the Task Squad was moving into Central Avenue and West Market Street, the firemen asked him to help fight that move as they did not want to move a Task Squad into that particular fire house. He fought with them, but lost. Today it is that same Task Squad that they did not want that the Fire Director has indicated he wanted to move, because he believes the task squad works

He believes in Fire Director Caufield as a man of compassion. As to the question of arson, he believes that it was this Council that first came up with a bounty for arson culprits. This Council also, by law, put out an ordinance on smoke detectors. As to the closing of the fire houses he indicated to Director Caufield that if he wanted to close a fire house, close the one up in the Port Authority because they are only paying a million dollars in taxes and maybe when you indicate to them that you are going to close it up, they will be concerned enough for that particular area. Maybe they will come up with a difference in the budget of what the Mayor has indicated he must cut. As a professional he did not agree with that. Councilman Tucker brought up a good point, 80% of our fire fighters do not live in the City, however, when they are here they do a tremendous job in protecting the lives of all of our residents. In 1978, Councilman Carrino and he and every other member of the Council put one million dollars into the budget and the Police Director more or less paid no attention and did not spend the money. Fire Director Caufield was given an ultimatum by the Mayor when someone indicated about the budget, when the budget was approved in April, shortly thereafter the fire fighters, the superior officers received a pay increase. The increase amounted to \$650,000.00. The position of the Administration at that point was they were infuriated to think that the Fire Department could receive an award such as this from the City because they do not live here, etc., and it was given to them under binding arbitration.

A motion to adopt the resolution was made by Councilman Johnson, seconded by Councilman Tucker.

Councilman Martinez asked if the Council was aware of the communication addressed to them by Mr. Edward Jankowski, President, Local 1860, I.A.F.F., requesting the Council not to act on this resolution as it is not the plan awarded to his membership in arbitration.

Councilman Tucker said he is familiar with the letter address to Councilman Martinez. The arbitrator's award gave them a free dental plan and all these people are worried about is utilizing their own dentist. His opinion is the City should send them to the City Dispensary. If they want to get City services, they should get the dental service from there. The resolution identifies 12 dentists who have contracts with the State and they should go there. If these people do not want to get free dental service, paid for by the taxpayers money, who are residents of the City, they can go elsewhere.

BOARD OF ADJUSTMENT - APPEALS.

4-A-1.

The City Clerk read APPLICATION OF ANTONIO MEOLA AND LYDIA MEOLA, APPLICANTS AND OWNERS, TO PERMIT IN A 2ND INDUSTRIAL DISTRICT ESTABLISHMENT OF AN AUTOMOBILE REPAIR SHOP INCLUDING BODY AND FENDER REPAIRS AND PAINTING, ON PREMISES 595-607 NORTH THIRD STREET.

(Copy of transcript submitted to each Member of the Council)

This matter was heard before the Board of Adjustment at its meetings February 5, 1980 and April 8, 1980 and a copy of resolution by the Board of Adjustment was adopted on April 8, 1980.

(Councilman Tucker arrived 1:21 P. M.)

June 4, 1980

On May 22, 1980 the City Clerk notified the applicant, his attorney, the appellant, and his attorney and all objectors, that an appeal in this matter will be heard by the Municipal Council at their regular meeting June 4, 1980 at 1:00 P. M. in the Council Chamber, second floor, City Hall, Newark.

Each Member of the Municipal Council received copies of the transcript of the hearings before the Board of Adjustment held February 5, 1980 and April 8, 1980 and a copy of the Board of Adjustment resolution approving the variance. Other papers, maps and other pertinent records before the Board of Adjustment were either supplied to each Member of the Council or made available for inspection.

This is the time and place for the appeal to commence.

President Harris stated we will now hear oral argument on the appeal from the decision of the Board of Adjustment granting a variance to Antonio Meola and Lydia Meola, Applicants and Owners, to permit in a 2nd Industrial District establishment of an automobile repair shop including body and fender repairs and painting on premises 595-607 North Third Street. We may hear argument only from the parties to the appeal, that is the person or persons who filed the appeal and the ones who were granted the variance. Either party may be represented by an attorney. No testimony will be heard by the Municipal Council only argument based on the record made before the Board of Adjustment. For the benefit of an appellant who is not represented by an attorney, that means that you may state the reasons for your objections to the variance and you may point to testimony before the Board to support your position. However, you cannot bring in new testimony or other evidence.

MR. JOSEPH V. MELILLO, ATTORNEY, REPRESENTING THE APPELLANT, appeared together with 7 objectors who were present. He pointed out the same applicant made exactly the same application before the Board of Adjustment in September 1978. The application for the same variance was denied unanimously by the Board of Adjustment. Four months later, in January 1979, the applicant bought the property for which he sought the variance in September 1978. It cannot be said that he was buying a "pig in a poke", the variance had been denied and nevertheless he proceeded with the purchase of the property. In May 1979 the same applicant made a slightly different application before the Board of Adjustment, namely, he wanted an auto repair shop together with the selling of used cars. That application was also denied unanimously by the Board of Adjustment.

Mr. Melillo said now we come to February, 1980 and the same applicant is making exactly the same application that he made in September of 1978 which application was then denied and the application as was stated is for auto body repair shop

June 4, 1980

together with body and fender work and with painting. This time the Board of Adjustment approved the granting of the variance by a 5 to 1 vote. A reading of the transcript shows there was absolutely no change in circumstance which would warrant the Board of Adjustment changing its mind from September 1978 to February 1980. Third Street is a very narrow one-way street going south. There are no parking facilities on the street as far as off street parking is concerned. At the present time the street is congested with parked automobiles that have no other place to park. In order to get to Third Street, the traffic must go north on Fourth Street and make a turn on Abington Avenue and come south on Third Street. There are mixed uses on this street. There are business establishments, some factories and quite a few residences. These dwellings are directly across the street from the proposed site of this variance.

Mr. Melillo said there are approximately 40 children of school age who attend Abington Avenue School, St. Francis School and some go to Barringer. To grant this variance is going to present an additional hazard to these school children who walk to school. In addition thereto, there is going to be noise, pollution and there is going to be a further danger as far as fire apparatus getting to that narrow street in the event they are called upon to put out any fires that may occur on Third Street. The applicant himself stated in his testimony, on page 4 of the transcript, line 4, that there is already a body shop further down the street, so he certainly does not indicate the need for such an establishment on Third Street in the City of Newark. As a matter of fact, it was brought out the applicant had a sign on his premises known as the Harrison Auto Repair Shop. In addition thereto, even before the granting of this the last time around, he had two listings in the Newark Telephone Book showing that he was open for business at the premises in question even without the granting of this variance. In effect, the applicant was already in violation of the City ordinance by calling himself to be in that business. At the hearing he had as witnesses a salesman who was selling equipment for an auto body shop. He admitted he was not an engineer and only a salesman. He further admitted he was not inside the premises to see where this machinery, if sold, would be placed. In addition, the applicant had a real estate broker testifying in his behalf. He admitted he was not the appraiser, did not belong to any professional organization of appraisers and the fact that he was testifying he was retained to do so by the applicant.

Mr. Melillo continued indicating the people in this area had been living there, in some instances for 20 or 30 years. They are doing everything within their power to maintain and improve their property. It would certainly be no improvement to have

June 4, 1980

an auto body with painting on these premises. It is their feeling, besides being a hazard to the people in the area, particularly the children, that this would have a deleterious effect on the value of their properties. The granting of this, therefore, he submits would be a detriment to the public good, no good can come from the establishment of such a shop. In addition to that, it would be in violation of the zoning ordinance and zoning plans and would substantially be a detriment to the neighborhood and to the City. For all of these reasons and for an additional reason he has not touched upon, namely a legal principle which the Council will find explained in the brief he submitted, for all of these reasons he respectfully requests Council act to reverse the action of the Board of Adjustment and deny this variance.

MR. ANTHONY J. IULIANI, REPRESENTING THE APPLICANTS before the Board of Adjustment said he is not going to elaborate on what Mr. Melillo stated. Each and every Member of the Council has the transcript and he assumes each and everyone has read the transcript. The Council has his legal argument in a form of a three or four page letter summarizing the facts that is, the law for the applicants position. He will address himself to the last point of the res adjudicata because here, what Mr. Melillo indicated is nothing more than he has indicated before the Board of Adjustment, which Board has made a quasi-judicial determination of the facts as they appear. The res adjudicata question, for the Council's information for their future reference, the case that was cited by Mr. Melillo, one simple thing, that as far as the courts were concerned, if an applicant made a first application and if the facts therein and there was no change in the circumstances, then it may be questioned as to whether or not res adjudicata could be raised. The case before the Council, the first application was filed in 1978. The plan that was submitted by Mr. Meola at that time, the Council has the plan before them, to the left of the building was an erection standing, a building, to the rear was another building. There were concrete sheds on the property. When the applicant came back two years later, in fact, pursuant to a rule of procedure of the Board of Adjustment, he doesn't know if the Council has the rule of procedure of the Board of Adjustment. For the Council's information, the rules of procedure indicate that any applicant after one year lapsed from denial of its application, may renew its application before the Board of Adjustment. Therefore, it is the Board of Adjustment through their rules of procedure which allowed it. But in addition there were changed circumstances in the plot plan or site plan. When he represented Mr. Meola to come back before the Board of Adjustment in 1980, the changes

June 4, 1980

were, the buildings to the left were torn down, the building towards the rear was torn down, the concreteshed two or three in number were torn down, to the left the building that was torn down was paved to provide for visitors parking, off street parking, there was cyclone fencing put up all over the area, to enclose the area. There were more detailed plans as to where the paint and repair shop was to be located. All these things made it a changed circumstances so that the doctrine of res adjudicata does not apply based on the law. The case that was cited by Mr. Melillo, the Hill case, actually if you look at it, there is another case tied in, which really relates to res adjudicata. For the Council's information and for the record, the case is Russell vs. Tenaflly Board of Adjustment, cited in 31 New Jersey Reports, Page 58. The simple question here and the only function under the new Land Use Law, adopted back in 1975 or 1976 which changes the former law wherein the City Council had the right to have the last word on the zoning matters, it does not have the last right anymore. The only function this City Council has is to review the transcript. The only function it has thereafter is to reverse, remand or modify the Board of Adjustment. It cannot substitute its judgement for the Board of Adjustment. The only time the Council can reverse, remand or modify, if it should find and make a determination that the Members of the Board of Adjustment acted so unreasonably or so arbitrarily or in such a capricious manner as to violate ones conscience and therefore upset what the Board of Adjustment has done. If it does not find that in the same capacity as a court of law has when it reviews a case, then this Council, no Member on this Council, has the right to interfere and to set aside or reverse the sound judgement of the Board of Adjustment.

Mr. Iuliani said this is not a fact finding board. It cannot go beyond the transcript, it cannot look into or seek out innuendoes. It must take in the first instance the Board of Adjustment acted properly and they did so in good faith and they had good grounds and if it does find that, then this Council cannot act any further. With all due respect to the argument that was presented by Mr. Melillo, essentially his argument and his recitation of the facts were nothing more than rehashing of the same facts of the same argument of the same testimony, of the same number of objectors before the Board of Adjustment and every Member on the Board of Adjustment he believes, except for maybe one, granted the variance. They have the opportunity just as in a court of law, a judge to look at the people to study their demeanor to see what they are saying and to make a proper and judicial or a quasi-judicial determination. He rests on that posture and feels under the circumstances that this

June 4, 1980

Council should not interfere, for the reasons he stated, with the Board of Adjustment sound quasi-judicial determination in granting this variance.

Councilman Carrino stated "This matter is an appeal from the decision of the Board of Adjustment on April 8, 1980, granting a variance for the establishment in a 2nd Industrial District of an automobile repair shop, including body and fender repairs and painting.

Under the City's zoning ordinances, R.O. 27:4-7, an auto repair shop not including body and fender repairs and spray painting, is a conditional use in a 2nd Industrial District and, therefore, no variance is required for the establishment of such a shop. Rather, the applicant must obtain conditional use approval. Since the Municipal Council does not hear appeals from the granting of conditional uses but only from the granting of use variances, we should not deal with the question of whether the applicant may establish an auto repair shop apart from body and fender repairs and painting.

As to the matter of body and fender repairs and spray painting, the Board's decision granting a use variance to permit such activities is arbitrary and unreasonable and does not conform to the statutory requirement that there be "special reasons" for granting a use variance.

The Resolution of the Board does not indicate that a finding had been made that those special reasons exist and a reading of the transcripts of the hearing does not reveal special reasons.

At the April 8th Board meeting, one Commissioner stated (page 5), that special reasons for granting the variance are that it "would neither cause detriment to the public good nor substantial impairment to the zone plan scheme of the community". Those reasons, however, are not special reasons but the negative criteria which state law requires a zoning board to apply. Another Commissioner stated (pages 4, 5) that there are no body and fender repair shops in the area. The Board's Resolution also states as a factual finding "The testimony established there are no similar repair shops in the immediate area" but the Resolution does not cite that finding as a "special reason." Although it is possible that some uses are so necessary to the public welfare that their establishment in an area can be a special reason for granting a variance, it is difficult to understand how a body and fender shop can be such a use.

The applicant's attorney argues that the property is particularly suited for the use his client wishes to establish and that the general welfare will be served by granting the variance. There was no evidence offered at the hearing before the Board of Adjustment that the property could not be used for other purposes or that it was.

June 4, 1980

particularly suited for the proposed use.

For all the reasons mentioned, the Board's decision granting a use variance to establish a body and fender repair shop including spray painting is arbitrary and unreasonable and does not meet the statutory criterion relating to "special reasons".

Councilman Carrino moved to reverse the decision of the Board of Adjustment granting a use variance to permit the use of the premises 595-607 North Third Street for body and fender repair and spray painting.

The motion was seconded by Councilman Tucker and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Tucker, Villani, President Harris.

Not Voting: Councilman Johnson.

A motion to consider Resolution 7-R-bi at this time was made by Councilman James, seconded by Councilman Grant and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Tucker, Villani, President Harris.

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing date set. It is now before you for public hearing, second reading and final passage:

AN ORDINANCE TO AMEND TITLE 8, BUSINESSES AND OCCUPATIONS, OF THE REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, 1966, AS AMENDED AND SUPPLEMENTED, BY ADDING A NEW SECTION. (LICENSING AND REGULATING TIRE REPAIR SHOPS)

WHEREAS, the Municipal Council of the City of Newark takes pride in the aesthetic values of its neighborhoods and communities; and

WHEREAS, the Municipal Council of the City of Newark is concerned about the unregulated proliferation of tire repair shops within the City of Newark; and

WHEREAS, the Municipal Council of the City of Newark is concerned about the increased noise pollution and air pollution which results from the unregulated operation of tire repair shops; and

WHEREAS, the Municipal Council of the City of Newark is concerned that the unregulated growth of said shops will have an adverse effect upon the health and safety of its citizenry and the conditions of its neighborhoods; and

WHEREAS, adequate protection of the public health, safety and welfare requires that the business of operating a tire repair shop be regulated and controlled.

NOW, THEREFORE, BE ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY THAT:

Section 1. Title 8, of the Revised Ordinances of the City of Newark is hereby amended by adding a new section entitled "TIRE REPAIR SHOPS", the same to read as follows:

- (a) In this section, unless the context otherwise requires, certain words and terms are defined as follows:
1. "Motor vehicle" shall mean any vehicle which is self-propelled.
 2. "Director" shall mean the director, division of licenses in the department of finance.
 3. "Person" shall mean any person, firm, partnership, association, corporation, company, or organization of any kind.

June 4, 1980

- (b) License Required. No person shall engage in, keep, conduct, carry on, operate or maintain a tire repair shop in the City of Newark without first obtaining a license therefore as provided in this chapter.
- (c) Application for License. No license shall be issued until an application is made to the division of licenses which shall cause an investigation to be made whether the applicant has complied with this chapter and all other requirements of these ordinances and the New Jersey State Statutes. Each application must be sworn to and include the following information:
1. A description of the facilities and services to be available on the premises of the proposed establishment and the business address at which the applicant proposes to conduct the business.
 2. Name and home address of the individual applicant; if a firm, the names and home addresses of the members of the firm, if a corporation, the names and home addresses of the president, secretary, all other officers of the corporation and the registered agent of the corporation and any other person or entity which has a financial or beneficial interest in the business of the applicant.
 3. If the manager in charge is to be someone other than a person named above, then his name and address.
 4. The history of the applicant in tire repair business, including but not limited to, whether or not such person, in previously operating in this or another city or state under license, has had such permit revoked or suspended and the reason therefor, and the business activity or occupation subsequent to such action or suspension or revocation.
 5. Whether or not any person listed in the application has, within ten (10) years of the date of the application, ever been convicted of a crime, misdemeanor, or disorderly persons offense, the number of convictions and the date, place and nature of the offense for which convicted.
- (d) Disqualification of applicant.
1. No person shall be issued, held or transferred to any person, firm or corporation where the applicant, any partner, any officer, any person in management or any entity having a

June 4, 1980

financial or beneficial interest in the business of the applicant shall have been convicted of any crime that relates adversely to the operation of a tire repair shop. Any determination made by the director under this section shall be made in accordance with N.J.S.A. 2A:168A-2.

- (e) Issuance of Licenses. Upon approval of the application the director shall issue the license.
- (f) License fee, term of license, renewal of license.
 - 1. All licenses issued under this chapter shall be for a term of one year commencing May 1 and expiring the following April 30.
 - 2. The annual fee for the license. Issued under this chapter shall be \$50.00 payable when the application is filed. When an application is received and the operation or maintenance of the tire repair shop is commenced after May 1, the annual fee shall be pro-rated for the unexpired portion of the 12 month period at the rate of 1/12 of the annual fee for each month or part thereof of the unexpired portion of the 12 month period. In the event the license is not granted the application fee, less the sum of \$15.00, shall be returned to the applicant.
 - 3. Application for renewal of a license shall be made on a form provided by the director at least one month prior to the expiration of the current license.
- (g) Transfers. No license issued under this chapter shall be transferable from one person to another or from place to place.
- (h) Investigation of licensee's conduct. The director may upon his own initiative or upon the filing of a written verified complaint of any person, investigate the action of any licensee.
- (i) Suspension and revocation of license; hearing. Upon notice to the licensee by the director a hearing shall be conducted by the director to determine whether any license issued under this chapter may be suspended or revoked for any violation of the following:
 - 1. Licensee fails to comply with the fire prevention ordinance of the city after reasonable notice shall have been given to the licensee to eliminate or correct any condition in violation of such ordinances on the licensed premises;

June 4, 1980

2. Licensee fails to comply with any provision of the health ordinances of the City of Newark or the State of New Jersey after reasonable notice shall have been given to the licensee to eliminate or correct any condition in violation of such ordinances on the licensed premises;
 3. Licensee fails to comply with any provision of the city electrical code, the city mechanical code or the city plumbing code after reasonable notice shall have been given to the licensee to eliminate or correct any condition in violation of such ordinances on the licensed premises;
 4. Licensee fails to comply with any provision of this chapter or other provision of City ordinance or State Statute, after reasonable notice shall have been given to the licensee to eliminate or correct any condition in violation of such chapter on the licensed premises;
 5. Licensee furnishes incorrect or incomplete information on its application for license or application for renewal of license.
- (j) Conduct of holders of licenses. The holder of any license under this chapter shall at all times abide by the statutes, ordinances, codes, rules and regulations of both the Federal, State and City government and their agencies, and especially in connection with the operation of a tire repair shop and conduct therein.
1. The holder of any license under this chapter shall at all times allow the City's duly authorized representatives to inspect the premises in order that they may perform their respective duties to inspect, ascertain, and detect violations of this chapter or of any other violation of this chapter or of any other ordinance or regulation of the City.
- (k) Penalty. Any person who violates any provisions of this chapter shall upon conviction thereof, be punished by a fine not exceeding \$500.00 or imprisonment not exceeding 90 days or both.

Section 2. Severability. If any of the articles, sections, paragraphs, sentences, clauses, or phrases of this chapter shall be declared unconstitutional or invalid by the valid judgment a decree of a court of competent jurisdiction, such unconstitutionality or invalidity shall not affect the validity of the chapter in its entirety or any of the remaining articles, sections, paragraphs, sentences, clauses and phrases.

June 4, 1980

Section 3. All ordinances and parts of ordinances inconsistent or in conflict with the provisions of the within ordinance are hereby repealed.

Section 4. This ordinance shall take effect upon final passage and publication according to law.

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

MR. D.J. HENDERSON, 29 OLD ROAD TO BLOOMFIELD, NEWARK, NEW JERSEY, questioned whether these changes in positions and salary range as listed in this ordinance were reflected in the budget when it was submitted.

Chief Accountant Fitzsimons replied these changes are as a result of Civil Service reclassification and there is sufficient money in the budget.

No one else appearing, a motion to close the hearing and adopt the ordinance on second reading and final passage was made by Councilman Grant, seconded by Councilman Johnson and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Grant, James, Johnson, Tucker, Villani, President Harris.

No: Councilman Carrino.

President Harris: The yeses are seven and the noes are one. This ordinance having been read on two separate days and having achieved the vote required by the statute, is declared adopted. The City Clerk is directed to deliver same to the Mayor for his approval or disapproval.

ORDINANCES FOR RECONSIDERATION.

President Harris called for ordinances for reconsideration.

6-S & F-n.

The City Clerk read AN ORDINANCE TO AMEND AN ORDINANCE ENTITLED, "AN ORDINANCE CREATING PERMANENT POSITIONS IN THE DEPARTMENT OF FINANCE AND ESTABLISHING SALARIES THEREFOR" (6-S & F-h) ADOPTED MAY 4, 1977, AS AMENDED AND SUPPLEMENTED. (TO ADJUST THE SALARY RANGE FOR SECRETARY, EMPLOYEES' RETIREMENT SYSTEM AND TREASURER, EMPLOYEES' RETIREMENT SYSTEM).

(Copy of ordinance and correspondence submitted to each Member of the Council)

(Ordinance rejected by the Mayor May 27, 1980)

The City Clerk stated the question before the Council is "Shall the Municipal Council override the Mayor's veto of 'An ordinance to amend an ordinance entitled, "An ordinance creating permanent positions in the Department of Finance and establishing salaries therefor" (6-S & F-h) adopted May 4, 1977, as amended and supplemented. (To adjust the salary range for Secretary, Employees' Retirement System and Treasurer, Employees' Retirement System),' adopted by the Municipal Council May 21, 1980, rejected by the Mayor May 27, 1980."

The City Clerk read the following veto message from Mayor Gibson:

To: Mr. Frank D'Ascensio
City Clerk
City Hall
Newark, New Jersey

Dear Mr. D'Ascensio:

The enclosed ordinance creating permanent positions in the Department of Finance, and adjusting salaries for same (Secretary, Employees' Retirement System and Treasurer, Employees' Retirement System), which was submitted for my signature, is being returned as rejected.

The particular titles are titles within the Administration which we recognize as lagging behind other titles of comparable responsibility. Likewise, we are continuing to amend these titles to establish parity and respectfully request your consideration.

/s/ Kenneth A. Gibson
MAYOR

A motion to override the Mayor's veto of this ordinance was made by Councilman Tucker, seconded by Councilman Johnson and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, Johnson, Tucker, Villani,
President Harris.

No: Councilman James.

June.4, 1980

The City Clerk: The Mayor's veto of this ordinance is overridden. This ordinance will be advertised according to law.

The City Clerk stated the question before the Council is "Shall the Municipal Council override the Mayor's veto of 'An ordinance to amend an ordinance entitled, "An ordinance creating positions in the Department of Health and Welfare and establishing salaries therefor," (6-S & F-m) adopted May 4, 1977 as amended and supplemented (To adjust the salary of Supervisor, Bureau of Dog Control and Dog Warden and create the position and salary range for Principal Dog Warden and Senior Dog Warden),' adopted May 21, 1980, rejected by the Mayor May 27, 1980."

The City Clerk read the following veto message from Mayor Gibson:

To: Mr. Frank D'Ascensio
City Clerk
City Hall
Newark, New Jersey

Dear Mr. D'Ascensio:

The enclosed ordinance 6-S & F-f, adopted May 21, 1980, is being rejected. My reason for rejecting this ordinance is that the positions created and adjusted are positions covered by the Civil Service Union for personnel working within the administrative branch of government.

I will instruct the Director of Health and Welfare to review this action with the City Personnel Director and the Business Administrator for any future reconsideration.

/s/Kenneth A. Gibson
MAYOR

A motion to override the Mayor's veto of this ordinance was made by Councilman James, seconded by Councilman Bottone and declared adopted by President Harris by the following votes:

HEARINGS OF CITIZENS.

6-HC-a.

MR. DAVID CAMPBELL, 1060 BROAD STREET, NEWARK, NEW JERSEY, addressed the Municipal Council with respect to various celebrations for holidays held throughout the City. He felt celebrations in other parts of the City divides the people and was of the opinion that all groups should celebrate holidays together right on Broad Street before City Hall.

June 4, 1980

Councilman Grant commended Mr. Campbell for his foresight and said his suggestion will certainly not fall on deaf ears. It's a wise observation. He believes in taking advice from those who possess wisdom.

Councilman Tucker told Mr. Campbell one of the points on the agenda this is coming up as a late starter, specifically relates to the things that he is dealing with. It will be a resolution that will be approved by all Members of the Council declaring June 24 as "Newark Day". It specifically goes back to the founding of the City because that date represents the founding of the City of Newark by the representatives of the Presbyterian Church. Perhaps after the resolution is approved we will send Mr. Campbell a copy of it and also work in conjunction with all other groups, who will be mobilizing on that date to establish the point he is raising.

Councilman James stated for the record that regardless of how many parades we have he feels that they should all come down Broad Street past City Hall. He is one of those who feel that the separation idea of having parades on Bloomfield Avenue, Vailsburg section or any other partial section defeats the purpose of unity. He thinks that all citizens in Newark can profit and learn and enjoy Columbus Day or whatever other celebration it happens to be. He would hope that somewhere in the future we should talk about once again every parade pass in review at one City Hall and down Broad Street.

President Harris directed the remarks made by Mr. Campbell be extracted from the minutes and forwarded to the Mayor.

RESOLUTION REVOKING APPOINTMENT OF ENRIQUE ACEVEDO AS A SPECIAL
POLICEMAN, EFFECTIVE IMMEDIATELY.

(Copy of resolution and correspondence submitted to each Member of the Council)

A motion to adopt the resolution was made by Councilman Grant, seconded by Councilman James and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Tucker, Villani, President Harris.

Councilman James said the reason why he wants to reconsider this resolution is because Director Williams had called and indicated he was have a meeting on this matter and would like to know whether he is the only one that received the call.

A motion to reconsider this resolution was made by Councilman Grant, seconded by Councilman James and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Tucker, Villani, President Harris.

A motion to defer action on this resolution was made by Councilman Grant, seconded by Councilman James.

Councilman Carrino said he will go along with this. He has no problem. But what he is afraid of is that they are becoming a final hearing board whenever the Police Department wants to take action against special policemen. This is becoming a regular thing the Council has to always get involved in and we are not going to start setting a precedent.

Councilman James said he would concur with Councilman Carrino. However, he believes later on the calendar we are going to have matters where recommendations are forthcoming from the Police Department which requires Council action. He believes he has strong opinions as well. His only concern is that we are exercising our powers in matters before us to approve or reject actions of the Police Department on which we do have statutory responsibilities. He is not suggesting that we render a decision. He is only suggesting the Police Director had indicated that he wished to have a meeting with the parties involved, which he personally initiated. He thinks it would be wrong of them to take final action without this meeting occurring. How often has this Body agreed or disagreed with actions of the Police Department. That is a regular action of this Body.

June 4, 1980

Councilman Carrino said he is going along and concurs with Councilman James' remarks. Most of the time when something comes up on the calendar it is initiated by the Police Department. He is wondering why he put this on the calendar and then asked for this to be deferred if he is meeting with the people. He would assume he should have waited putting this resolution on the calendar until after he met with the people and then made his decision as to whether the man should be terminated.

The motion to defer action on this resolution was declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Tucker, Villani, President Harris.

RESOLUTION OFFICIALLY DESIGNATING JUNE 24, 1980 AS "CELEBRATE NEWARK DAY"

AND URGING ALL NEWARK CITIZENS TO ACTIVELY PARTICIPATE IN THIS SPECIAL DAY OF WORSHIP BROTHERHOOD AND CIVIC PRIDE.

A motion to adopt the resolution was made by Councilman Tucker, seconded by President Harris.

Councilman Carrino said in light of what Mr. Campbell said is the City Council going to inaugurate anything on that day which would make a physical impact on the people of Newark.

Councilman Tucker said what is at least planned at this point is that through the Metropolitan Ecumenical Ministry, they are instituting this process. They are trying to get our more direct involvement. They would like to have the City Council get more directly involved the same as the Mayor and the Administration in trying to develop programs for it. They have been in contact with the representatives of the educational communities, such as Essex County College, NCE, Rutgers and Seton Hall. It might be worthwhile at our pre-meeting conference to have Reverend Thomas come in

June 4, 1980

and talk about it. He doesn't believe it precludes them from reaching out and doing other things. They have a general program talked about now. All they are talking about is the day itself and trying to get some of the representation of the schools. They have not talked about anything specific, only general at this point. They want to mainly try to foster brotherhood, pride and religious worship, that is the general theme of it. He does believe we can ask Reverend Thomas to come in and maybe we can possibly get a Council Committee to make it a larger thing.

The motion to adopt the resolution was declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Tucker, Villani, President Harris.

(Copy of resolution and correspondence submitted to each Member of the Council)

A motion to adopt the resolution was made by Councilman Johnson, seconded by Councilman Carrino.

Councilman Grant stated for the record he would like to indicate this move on the part of the Federal Government being filtered down to our cities represents in his opinion the initial attempt to eventually render impotent CETA Programs operations in our Urban Cities. He feels that the objective is ideal but the practicality in these goals seems to be farfetched. He thinks it is an undertaking that is long over due on one hand yet, he feels the kind of impotence that will render the City eventually and ultimately is really not in the best interests of all of its people.

The motion to adopt the resolution was declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Tucker, Villani, President Harris.

A motion to adopt the resolution was made by Councilwoman Villani, seconded by Councilman James and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Grant, James, Tucker, Villani, President Harris.

No: Councilmen Carrino, Johnson.

Councilman Tucker said it should be embodied within the resolution that it is coming from Safe and Clean Streets funds. We raised that directly with Director Zach who indicated it was Safe and Clean Streets Funds.

Councilman Carrino said that is one of the reasons he voted in the negative on this resolution. He thinks the original intent of the State Legislature for cities like Newark with the Safe and Clean funds was to provide safety with policemen in the streets and also impact on neighborhoods where it was impossible for city services to clean lots and to keep neighborhoods clean. He doesn't think putting trees and beautify Symphony Hall was the intent of the clean and safe streets. Although he thinks Symphony Hall is a positive force in the City and could use renovations like this he does not think it is right for them to use Safe and Clean Streets money when there are people in the City of Newark who are supposed to be entitled to police and sanitation services.

RESOLUTION RATIFYING CONTRACT WITH STILL & ASSOCIATES FOR PERIOD JUNE 2, 1980 TO JUNE 4, 1980; FURTHER AUTHORIZING MAYOR AND DIRECTOR OF MAYOR'S OFFICE OF EMPLOYMENT AND TRAINING TO ENTER INTO CONTRACT WITH STILL & ASSOCIATES FOR OPERATION OF A SYEP AUXILIARY COUNSELING SERVICES PROGRAM FOR PERIOD JUNE 5, 1980 TO SEPTEMBER 30, 1980 FOR SUM NOT TO EXCEED \$77,775.; SOURCE OF FUNDS - COMPREHENSIVE EMPLOYMENT AND TRAINING ACT AMENDMENTS OF 1978.

(Copy of resolution and correspondence submitted to each Member of the Council)

A motion to adopt the resolution was made by Councilman Carrino, seconded by Councilman Bottone.

Councilman Grant stated for the record this particular contract which is being awarded to a company which is in Camden County. He is sure that the services being requested in this instance could certainly be found in the immediate bounds of Newark or Essex County. While the intent of this Counseling Service may be honorable, personally he cannot honor this request simply because he feels this amount of money certainly could go to a person capable of contracting this service right in the immediate area. To send \$77,775. down to Camden County, he feels, is not in the best interests of the City of Newark.

The motion to adopt the resolution was declared adopted by President Harris by the following votes:

June 4, 1980

Yes: Councilmen Bottone, Carrino, Johnson, Tucker, Villani,
President Harris.

No: Councilmen Grant, James.

- (b) All taxicab drivers' licenses issued under this Chapter, after a hearing before the taxicab commission, may be revoked or suspended or a monetary penalty imposed not to exceed \$250.00 by the Director, after review of the decision of the Taxicab Commission, if the licensee;

- (1) Violated any provisions of this Chapter.
 - (2) Violated any other ordinance of the City or laws of the State of New Jersey or the United States, the violation of which reflects unfavorably on the fitness of the licensee to offer public transportation;
 - (3) Within the licensed year, has been found guilty of a high misdemeanor, or has knowingly permitted his taxicab to be used for any illegal or immoral purposes;
 - (4) Violated any rule or regulation promulgated pursuant to this ordinance [Chapter]
- (c) Penalties imposed under this article for any violations may be imposed on the holder of the taxicab license, the taxicab driver, or both. (10-4-72; 7-16-75, §1).

Section 2. Any ordinance or part thereof inconsistent herewith, is hereby repealed.

Section 3. This ordinance shall take effect upon final passage and publication in accordance with the law.

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

MR. THOMAS HORBY, 45 TEMPLE PLACE, IRVINGTON, NEW JERSEY.

MR. DON C. CLARK, 343 SCHLEY STREET, NEWARK, NEW JERSEY.

MR. GEORGE BAGBY, 702 SOUTH 20TH STREET, NEWARK, NEW JERSEY.

The above speakers addressed the Municipal Council in opposition to this ordinance. They urged the Council not to act favorably.

Councilman Tucker said for the edification of the persons who intend to speak on this ordinance, this ordinance doesn't deal with suspension of medallions, it doesn't deal with Terminal A and doesn't deal with the day to day operation of the Taxi Division. It specifically is an ordinance that came about, forwarded by the Taxicab Owners Association, the Owner-Operators Association and the drivers. What it simply does, it prevents the Director of the Division of Taxicabs from suspending a medallion until after a hearing is over.

Councilman Tucker requested the City Clerk to read the ordinance in full for the record.

Councilman Tucker said the net result of this ordinance is that it came about primarily because of the request of the taxicab owners. There used to be a time in the past, the Director would take it upon himself to suspend a medallion or to physically go into a car and take a medallion. What this ordinance does, it tells

June 18, 1980

the Director he no longer has the authority to suspend a medallion until a hearing is held before the Taxi Commission. That is basically what this ordinance dictates.

Councilman Martinez said it is obvious that perhaps there is a lack of communication or interpretation of this particular ordinance and he doesn't think anybody wants to shove anything down the throats of the cab drivers. He thinks this Body has always worked well with them. It was the Council Committee on taxicabs particularly Councilman Tucker, that met with the cab owners and drivers that wanted this particular ordinance. Somewhere along the line there is a lack of communication.

Councilman Martinez suggested deferring action on this ordinance and perhaps another discussion be held with the Committee and the cab drivers to interpret or re-interpret this particular ordinance.

Councilman Tucker said that when they defer this ordinance, what it does is authorize the Director of Taxi Division to take a medallion.

No one else appearing, a motion to close the hearing and defer action on this ordinance was made by Councilman Tucker, seconded by Councilman James and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

Section 4. All prior ordinances or parts of prior ordinances which relate to the above position title, hours of employment, number of positions, annual minimum salary and annual maximum salary therefor, which are inconsistent herewith, as hereinabove set forth, are hereby repealed.

Section 5. This ordinance shall take effect upon final passage and publication and in accordance with the laws of the State of New Jersey.

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

No one appearing, a motion to close the hearing and adopt the ordinance on second reading and final passage was made by President Harris, seconded by Councilman Grant and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

President Harris: The yeses are nine and the noes are none. This ordinance having been read on two separate days and having achieved the vote required by the statute, is declared adopted. The City Clerk is directed to deliver same to the Mayor for his approval or disapproval.

HEARINGS OF CITIZENS.6-HC-a.

MR. HASSAN A. MUHAMMAD, 1891 MC CARTER HIGHWAY, NEWARK, NEW JERSEY, addressed the Municipal Council with respect to the type of movies being shown in the Newark community. The speaker questioned how the Council allows these types of movies be shown dealing with violence, sex, etc.

Councilman Grant stated for the record the City of Newark does not own nor does it lease or have any interest in the movie houses in the City of Newark. All of these businesses are privately owned, therefore, are not subject, except to rules and regulations of ordinances established by the City. The kind of movies they bring in, if in fact it is immoral, illegal, there is a squad under the Newark Police Department that deals with that. His suggestion is if in fact the speaker knows of illicit movies being shown in the City of Newark, he should report that matter to the Police Director, hopefully he will then take action.

Councilman Martinez said he respected the speaker for appearing before the Council and expressing his opinion. He pointed out the Supreme Court of the United States of America said that certain movies can be shown in any theater, it is not the responsibility of the City Council of the City of Newark. The book store the speaker referred to, this Council met with the Police Director, sent under-cover agents and bought a book and took the owner to court and the owner was closed down for 24 hours. The courts of the City of Newark by process of appeal up to the State of Jersey Courts said that book store has constitutional rights and he could sell what he wanted to sell. This Council does not allow or give out licenses for bars to open. There is an A.B.C. Board that allows bars to open and if they are not in any violation of rules and regulations, they continue and every year apply. If the speaker has a particular movie he objects to, he would suggest he write a letter or see the Police Director and tell him that in his opinion that movie is x-rated. The signs that are posted in the movies bearing the seal of the City of Newark, are fire-exit signs and tell the people how to get out of the movies in case of a fire.

6-HC-b.

MR. ABDUL WALI, 1891 MC CARTER HIGHWAY, NEWARK, NEW JERSEY, requested the Council to sign a paper indicating that they would attend a meeting they plan to hold.

President Harris stated that at the conclusion of the meeting the speaker can see and talk to individual members of the Council as people who reside in the City. With respect to signing something it will not be done during the course of the meeting.

June 18, 1980

6-HC-c.

MR. THOMAS HARPER, 257 NORTH GROVE STREET, EAST ORANGE, NEW JERSEY,

addressed the Municipal Council with respect to the demolition contracts for the City of Newark. He alleged he was being discriminated against when demolition contracts were awarded by the City.

President Harris requested the remarks made by Mr. Harper be extracted from the record and see to it that the Business Administrator and the Mayor, who have the responsibility and all of the power that exists under the Charter for delivering services and included among the services that they deliver to the residents of this City is the area with which the speaker has concerns, namely the letting of contracts to private vendors.

Councilman Carrino asked the speaker if he made any bid on any demolition contracts.

Mr. Harper replied he was going to bid on a project but didn't know it was going to be hard for him to get bonded and all of that. He decided to go with another white contractor, as a minority contractor. He was satisfied with getting a piece of the work, he doesn't want it all, he just wants to make a living. The contractor did not bid on the job, so therefore that left him just like he has been for the last 9, 11 years that he has been in business. That left him out. If they do not want, in excavation and demolition, want to deal with the minority contractor who has the equipment and established business, then he would say let the City do all the work because everybody's crying the City is taking the work away from them.

Councilman Carrino said in other words he didn't put in any bid for the demolition of any of the buildings under this contract.

Councilman Carrino said from what he understands, the City hasn't put all contracts out yet and there are going to be more bids coming up for demolition. He would suggest that Mr. Harper at least put in bids so that if he runs into some kind of other problems, there is something that gives them the opportunity to address if they turn him down. But the fact that he did not put in any bid really does not give them ammunition to fight with because there is nothing for them to say.

Mr. Harper replied he is registered with everything they wanted him to register with and they are still doing the same thing.

Councilman Carrino said he is talking about a regular bid process where they would have to take, in this situation, it's almost two million dollars, they are taking several different companies with bids to do massive demolition in the City of Newark.

June 18, 1980

What he would advise Mr. Harper to do is contact the Business Administrator's office and find out when that next set of bids are going out and bid on them. Then if somebody gives him a hassle or if he is the lowest bidder, then it gives them something that they can work with. But as far as the private institutions are concerned, that is something that the Affirmative Action Office has to deal with and maybe they are not doing their job.

Councilman Tucker said as a matter for Mr. Harper's edification, if he is talking about bonding, and his inability to obtain bonding, as long as he is not bidding on a contract with would be in excess of \$250,000. the Business Administrator, based on an ordinance which was approved by this Council, can waive bonding. Thus, whether he has bonding or whether he has limited bonding, up to that amount, he can waive that requirement. They have tried to do everything they can on municipal contracts. They do not have the authority to award those particular contracts but on the municipal contracts they do reserve the right to award those. They are aware of the fact that Mr. Wheeler and everyone in the Affirmative Action may not like him, but once you bid and you are the lowest bidder, that 25% does apply. They must deal with him in that way.

A motion to permit Mr. Richard Dowling to be heard on "Hearings of Citizens" was made by Councilman Carrino, seconded by Councilwoman Villani and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Maritnez, Tucker, Villani, President Harris.

6-HC-d.

MR. RICHARD DOWLING, 166 ELWOOD AVENUE, NEWARK, NEW JERSEY, addressed the Municipal Council with respect to conditions existing in the City insofar as the safety of the citizens is concerned. He said the people are frustrated to the point they cannot understand why the police must live with the fact they must be put into a position to kill people and at the same time must not capture a murderer of innocent people because the mob follows the police while the murderer is firing at the police. He believes the situation in Newark is a crisis situation and this time it will not be the decision of the black community, the spanish community to present their frustrations because quite simply it will be the decision of the white minority and as unbelievable as it might seem, quite possibly a good number of the spanish and black community who believe it is time the criminal is stopped and those who condone

June 18, 1980

this be removed from whatever power they have.

Councilman Carrino said the situation Mr. Dowling is referring to occurred last week on Broadway and Grafton Avenues when an 88 year old man was shot to death waiting for a red light. It so happened that the police were at another corner and saw the incident and took chase after the murderer who started shooting at the police and at a certain point during the escapade getting towards Archbishop Walsh Homes Project a crowd of people actually interfered with the policemen and stopped them from chasing the murderer because they didn't want the policemen to apprehend the murderer. The policemen actually stopped the chase before they got into a problem with the crowd, then went back to their car with the murderer running down Grafton Avenue. Fortunately the murderer was apprehended the next day. He thinks what Mr. Dowling is trying to express is that the police are actually being stopped by the citizens of Newark from doing their job and apprehending a murderer and unfortunately he doesn't know what the answer is. Unfortunately some people would rather see a murderer get away with a crime than have the police perform their function. He thinks what Mr. Dowling is referring to, and he sees that as a possibility of happening, that maybe that night a policeman might have to shoot a person who was trying to stop the policeman from apprehending a murderer, and the whole situation would have been turned against the Police Department because they shot an innocent man. He doesn't know what they as 9 elected officials and the Mayor of the City of Newark can do but certainly something is going to be done to enlighten people as to the fact, are you good guys or are you bad guys, do you allow a murderer to escape at the expense of a policeman doing his job and then the next day curse the policeman because he does not want to respond to a scene to service the people. Until we start getting these priorities in order he doesn't know where they are going. He actually saw 30 or 40 people stop the policemen physically from chasing a murderer and fortunately enough the policemen were intelligent enough to get back into their cars and apprehend the man later. Perhaps two other policemen might have started a provocation down there and somebody innocent could have been killed and nobody would have brought out the fact they were chasing a murderer. He thinks that is what Mr. Dowling is referring to and the fact that several hundred people have witnessed the incident, including people who were on the bus going to Belleville and other towns, saw a situation where Newark citizens were stopping the Police Department from doing their job and certainly

June 18, 1980

doesn't bode well for the City of Newark, especially since the one man who was killed and the other man was beaten into a critical condition. All they were doing was going to visit and this whole incident occurred.

Councilman Carrino said he doesn't know what to tell the speaker but he knows that something is going to have to be done and something changed as far as people's mentality is concerned before everybody is living in lawlessness.

Councilman James said he concurred with what Councilman Carrino said with respect to the incident brought to their attention which is a very sad one and a tragic one and certainly no Member of this Council would support. He said they cannot take one incident and then charge allegations, black and white community because unfortunately there is a history that many times individuals in the youth of minority background have unfortunately been shot, when the situation in hand did not warrant them to be shot. He can bring to their attention the situation in Orange where a man ran a red light and eight police officers surrounded him and they shot him and he would dare say he would be one of them who would like to believe if a tire is flat and there are 8 policemen surrounding that car, that without even going towards the car to endanger their life they ought to be able to capture that individual without shooting him. He would also bring attention that in New York where an individual was allegedly shot in the back of his head, two men running from snatching a purse and he would dare say shooting of a person in the back of the head for a theft is not in his opinion a way to apprehend someone. Shoot him in the leg, or many other places.

Councilman James said there has been unfortunately a case of police brutality in the slaying of individuals fleeing from the police for unknown crimes, be it murder, snatching a purse, or pushing someone and until the public believes this situation is not going to re-occur he would dare say, a community that Councilman Carrino described, when they see a police officer chasing an individual for unknown reasons they are not going to be sympathetic to the police. He is not going to sit here and let the record not reflect the fact that they have in some other situations when circumstances which so warrant the police are not acting in a fair, objective, and purely unbiased manner. The root solution is not that incident, not that individual situation but for all of them to investigate police actions in apprehending individuals.

Councilman Tucker said they had an opportunity to discuss this matter in a pre-meeting conference in which they talked about ways and means of having the police develop relationships with the general community-at-large. He thinks what was resolved by that discussion in his mind was nothing. Either they want to do something

June 18, 1980

and he is firmly of the opinion they can. But the difference they are dealing with here is that they have to really and truthfully have a desire to do it. He is not saying they have all the answers but he does think we should be sincere with ourselves and say we are either willing to do it or not, because anything else will not make a difference.

Councilman James stated for the record that no person other than a minority has ever been shot for a traffic violation, no person other than a minority has been shot while fleeing from the police and killed in a situation which warrants a manner not involving a loss of life. That is in the Civil Rights Report.

Councilman Carrino said that he had to respond. If someone is saying to him that they condone the action of a mob because of situations that occur whether the police are right or wrong, then he thinks they, as responsible officials, are being remiss in their duties. He is not giving any policeman right or wrong in what they do but if someone is telling him that a mob of people from a community, because of what happened in the past, has the right to stop a policeman from performing his function then he thinks we are in bad shape, not only in the City but in the country. Whether a policeman is right or wrong in any given incident, he is the thin line that keeps things from going the wrong way in any given City or any given situation. In this case, there were no black people involved at all, as the victim, as the perpetrator or as people involved in the group, so we are eliminating a black situation. What he is saying is if any elected official says he can see why a mob would stop a policeman from performing his function then none of us are doing what we are supposed to be doing as responsible people of this City and he doesn't condone anybody, if that is the case, at any given time a policeman takes any kind of action, if people come out of their house and tell him he is not supposed to do that, we can get to a point where giving a ticket will be a major problem in the City. He hoped Councilman James didn't mean it the way it came out because he is sure it doesn't sound right that he is condoning a group of people performing an action by stopping a policeman from doing his duty.

Councilman James said he wants to make it very clear for the record, as an elected official, he can understand the frustration that made people riot in Newark, Baltimore, Detroit, Washington and wants to make it clear, as an elected official he can understand the blacks in Miami, throwing rocks at secret servicemen carrying a 38 magnum, and throwing them at the NAACP leaders, He can understand that frustration and wants to make it very clear he can understand the frustrations of individuals in a

June 18, 1980

community who might stop a police officer from arresting someone within the community from a history of the cry of police brutality. He wants to make it very clear, he can understand that.

RESOLUTION ACCEPTING BID OF KINNEY BUILDING DRUG STORE, INC. TO LEASE APPROXIMATELY 6,713 SQUARE FEET OF COMMERCIAL SPACE LOCATED AT CITY-OWNED PREMISES, 788-794 BROAD STREET, BLOCK 164, LOT 8, STREET LEVEL, NEWARK, NEW JERSEY, FOR THE SUM OF \$4,583.33 PER MONTH FOR A FIVE (5) YEAR LEASE TERM AND AGREEING TO COMPLY WITH FURTHER TERMS AND CONDITIONS OF THE PROPOSED LEASE AGREEMENT ON BEHALF OF THE CITY OF NEWARK TO EXECUTE SAID LEASE AGREEMENT ON BEHALF OF THE CITY OF NEWARK.

(Copy of resolution and correspondence submitted to each Member of the Council)

City Clerk D'Ascensio said that since the Council discussed this item in pre-conference, the Law Department informed him that since the lease has been advertised, upon which they received bids containing the section relating to the 5 year option, the action of the Council cannot remove the option. Therefore, the Council must adopt this resolution as it was advertised. However, the Corporation Counsel did say the lease contained a provision that if the City decides to cancel the lease, it may do so upon a 60 day notice. In that way the City can exercise the refusal to grant the 4 year option. Their advice is to leave the option in. If it is the will of the Council, later on, before the 5 years is up to exercise the right to terminate, it will take away from the lessee the right to exercise the option.

Councilman Tucker asked on the 60 day termination clause, must the termination be for a specific reason or is it a unilateral right? During the five year period can they terminate this lease based on their option?

Councilman Bottone asked if the reason is because of the fact the Kinney people are interested in buying the building.

City Clerk D'Ascensio replied in the negative. The Corporation Counsel

June 18, 1980

informed him that there was an ad that appeared in the newspaper soliciting bids and that ad contained a term of five years together with an option of an additional 5 years. Those are material terms and a bid was submitted on this basis. For the City to remove one of those material terms, they are violating the bidding laws by altering the contract. Therefore, you have to award the lease on the base of the advertised term which is a five year term, plus the 5 year option. However, there is the absolute right to terminate upon 60 days notice.

A motion to adopt the resolution was made by Councilman Grant, seconded by Councilman Tucker and declared adopted by President Harris by the following votes:

RESOLUTION AUTHORIZING DIRECTOR OF GENERAL SERVICES, ON BEHALF OF CITY OF NEWARK TO ACCEPT GIFT OF THOMAS PETRILLO, MATERIAL AND LABOR NECESSARY TO INSTALL FENCING AT RIGHT REAR EXIT AND LEFT SIDE ENTRANCE OF HENNESEY PARK, PURSUANT TO N.J.S.A. 40A:4-59.

(Copy of resolution and correspondence submitted to each Member of the Council)

A motion to adopt the resolution was made by Councilman Martinez, seconded by Councilman Tucker.

Councilman Martinez said the Hennesey Park located at Chestnut and Hennesey Streets is an area basically used by youngsters under the age of 8. The City of Newark purchased some equipment for this park and felt that it would not be proper to put this equipment into the park until it was properly fenced, for vandalism protection, etc. Mr. Petrillo who appeared before this Body, who is also a Member of the Mayor's Advisory Board, wrote him a letter indicating he would like to purchase a fence so the children can play in safety in this park. When we think about it, there are not too many dedicated citizens doing things like this. He thinks it is a honor to accept a gift from Mr. Petrillo and most certainly the Council should commend him. He is going to give him this resolution, on behalf of the Members of the Council next week when the installation of the fence is put up.

The motion to adopt the resolution was declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

(Copy of ordinance and correspondence submitted to each Member of the Council)

A motion to move this communication to first reading at the meeting of June 18, 1980 was made by Councilman Martinez, seconded by Councilman Tucker.

Councilman Martinez said he thinks the Council Members should have an explanation of this ordinance. He was approached by the Superintendent of Schools,

June 18, 1980

Mr. Kittrels and by Mr. Ken Albert who indicated they would like to have part of East Side High School completed for the September year. They stated they needed \$4,500,000. to make the completion. They said that they had money in the background, however, they needed the money as quickly as possible. This would be accepted and then replaced within the Board of Education transfer. Since the ordinance is only being moved to first and we are not going to make final approval, he thinks there is also another part of the ordinance which states the Board of School Estimate Members have received a copy and asked whether this was true.

Councilman Tucker said his concern, since it is being moved to first, he has no problem with it, but he does believe this Council should get a detailed report indicating the expenditures that have already been made on East Side High School and also a breakdown what this \$4.5 million represents. He assumes it is for the completion and the back-up material indicates for the completion. He understood that Councilman Martinez spoke to Mr. Kittrels, but this bond authorization means that they can borrow immediately and it does authorize them to obligate the City in dealing with our bonding capacity. He has no problem with voting on this ordinance going to first but he reiterated the Council should be in receipt of further documentation as to what this \$4.5 million represents prior to adopting this ordinance on final passage.

Councilman Martinez said he agreed wholeheartedly with Councilman Tucker's explanation. He thinks what they are asking tonight is move the ordinance to first reading and request the Board, Mr. Kittrels and Mr. Albert, and whoever he feels should be invited to appear with a detailed report at the next pre-meeting conference.

Councilman James said he has heard on many occasions the Council President talk about a committee structure and he knows they have a committee structure to investigate, chaired by the Honorable Ralph T. Grant, Jr.. We have a committee of the Tax Abatements, headed by the Honorable Benjamin F. Johnson, III and other committees. We have a Taxi Committee, headed by the Honorable Councilman Tucker. We have a Board of School Estimate Committee and he does not think they should allow the Superintendent of Schools to pick on one Council Member because it happens to be in his ward and bring the matter of \$4.5 million before them without going through the committee structure. It is an insult. We are either going to function with the committee structure and honor those committees or play games when it benefits an individual Councilman. Mr. Kittrels should not deal unilaterally with Councilman

June 18, 1980

Martinez regarding the school matter. They have two elected Members of this Body who serve on the Board of School Estimate. It has been stated and documented that it appeared before the Committee. That is not true. He has not received any information. To his knowledge Councilman Grant has not received any information.

City Clerk D'Ascensio read the covering memo attached to said communication.

Councilman Bottone said that \$4.5 million is a lot of money especially when no one on this Council knows exactly what is going on. This is the same Body that only a few months ago sent a portfolio to the Prosecutor wanting to know what is going on with the moneys that were overwritten with respect to East Side High School. A \$6 million project with this \$4.5 million brings it up to \$21 million and it is only a rehabilitation. He can't vote on this item in good conscience for \$4.5 million without knowing where it is going.

Councilman Grant said looking at this and the first paragraph indicates "whereas the Board of Education of the City of Newark has determined by Resolution that it is necessary to raise the sum of \$4.5 million for the re-construction of East Side High School" and has delivered a statement to that effect to each Member of the Board of School Estimate." The only thing he can think of, at the last Board of School Estimate meeting, which really was not a meeting, because they didn't present anything in the form of a budget and as of today he and Councilman James, who serve on that committee, have not received anything from the Board of Education and it is an erroneous statement.

Councilman James said that they should be mindful, as Councilman Bottone has stated, if we pass this tonight it will mean we have spent in excess of \$21 million for an addition to East Side High School which is not completed. One of the finest high schools in the State of New Jersey happens to be Elizabeth High School, the largest gymnasium, the largest swimming pool, one of the most beautiful constructed buildings in the State, they have, and that school cost less than \$10 million. We are talking about an addition which is already up to \$21 million. What are we talking about, giving them more money. We have to stop until we know where we are going and he knows it is tough on Councilman Martinez being a Councilman in the East Ward to fight for whatever they want and it was his leadership that initially opened its door but at \$21 million you have to stop and say "what is going on".

Councilman Martinez said before we start throwing figures around, what the request is and the Council can either vote in the affirmative or in the negative. Put it on for first reading, the request is for \$4.5 million to complete the school. If

June 18, 1980

we are going to turn around and say we are not going to complete the school and let it stay the way it is, shame on us too, regardless of the cost at this time. He can understand the concerns of everyone else. He doesn't think it is going to be approved on final tonight. It is only going to first reading and he does agree with them that the respect should have been given to the Board of School Estimate members first. They asked him to sponsor it and he is sponsoring it.

The motion to move this communication to first reading on the June 18, 1980 Calendar of the Municipal Council failed of adoption by the following votes:

No: President Harris.

This meeting adjourned at 10:45 P. M.

APPROVED:

 Frank D'Ascensio
 City Clerk

 Earl Harris
 President

Newark, New Jersey, June 26, 1980

A special meeting of the Municipal Council of the City of Newark, New Jersey was held on the above date in the Council Chamber, City Hall, Newark, New Jersey, at 11:55 A. M.

The City Clerk announced due to the absence of President Harris he would entertain a motion to elect a Temporary President.

A motion to elect Councilman Donald Tucker Temporary President was made by Councilman Grant, seconded by Councilman Carrino.

There were no further nominations.

The motion to elect Councilman Donald Tucker Temporary President was adopted by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Martinez, Tucker.

Temporary President Tucker called the meeting to order and asked for roll call.

Present: Councilmen Bottone, Carrino, Grant, James, Martinez, Temporary President Tucker, City Clerk Frank D'Ascensio, Clerk of the Municipal Council.

Temporary President Tucker stated, "In accordance with New Jersey P. L. 1975, Chapter 231, Section 5, adequate notice of this meeting has been provided by notifying by mail the Newark Star Ledger and Elizabeth Daily Journal, by posting on the designated bulletin board in the basement of City Hall and by filing in the Office of the City Clerk on December 13, 1979 the schedule of regular meetings and conferences of the Newark Municipal Council.

In addition, the agenda of this meeting was similarly disseminated on June 23, 1980 at the time of its preparation. All persons who prepaid for advance notice of meetings also received copies of the schedule and agenda as required by law."

City Clerk D'Ascensio read letter dated June 23, 1980, from His Honor, Mayor Kenneth A. Gibson, requesting a special meeting of the Municipal Council on June 26, 1980, at 11:00 A. M., or as soon thereafter as possible, to consider legislation previously deferred by the Municipal Council and further to consider seven resolutions.

RESOLUTIONS.

✓ 7-R-a.

RESOLUTION TO AUTHORIZE THE ACCEPTANCE OF THE SIXTH YEAR FUNDING FOR THE COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM IN THE AMOUNT OF \$17,024,000.

(Copy of resolution and correspondence submitted to each Member of the Council)

The City Clerk noted the Council has directed that there be deleted from the next to last paragraph in this resolution, the words "and expenditure."

Councilman James stated that heretofore receipt of the Federal grant has meant that the City has been able to expend money based on outstanding debts and obligations. He questioned whether the \$17 million in question will be received by the City but no actual expenditures of any amount of money will occur until the Council has had a chance to be both in receipt of and approve a line item budget.

The City Clerk replied in the affirmative. A letter confirming what Councilman James has said will be sent out immediately upon adjournment of this meeting today.

June 26, 1980

Temporary President Tucker added rather than deal with that whole question he thinks that currently HCDA funded programs are functioning on a month to month basis based on accrued funds from HCDA V. He is of opinion that based on acceptance of this they will continue to utilize accrued funds from HCDA V until Council, in its wisdom, either approves or disapproves the individual line item budget which should take place at the July 9th meeting.

A motion to adopt the resolution as amended was made by Councilman Grant, seconded by Councilman Carrino and declared adopted by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Martinez, Temporary President Tucker.

(Copy of resolution and correspondence submitted to each Member of the Council)

A motion to adopt the resolution was made by Councilman Grant, seconded by President Harris.

Councilman James said he understands there are sufficient votes to pass this measure, however, he would like to be recorded in the negative. We were advised by Corporation Counsel Perillo that an inspection was made by the City and the taxes which the Council intends to vacate at this time were due during the period of time the property was a profit-making entity. He believes also this document, although the.

amounts might differ, was not signed by the Corporation Counsel, based on his refusal. Therefore, as one who believes that everyone is entitled and has the responsibility to pay taxes, knowing that some of the citizens have had a hardship to pay taxes and he certainly knows of Mr. Williams, who lost his property on Shephard Avenue, subsequently set himself on fire because he owed the City \$3,000. in taxes. Based on this and his belief that we do have to pay taxes and based on the ruling of the Law Department, although there are sufficient votes, as indicated earlier, he will be voting in the negative. Upon receipt of additional data which the City Clerk has requested with respect to the statement of the closing, he will make further comment at that time.

Councilman Bottone said he would like to justify his vote and that is he hopes this doesn't open a "pandora's box". In any type of foreclosure similar to this, the State and Federal liens are taken care of first and whatever is left, if anything, a certain percentage goes to the creditors. This is a case where the City of Newark is going to be the sole loser and he can't understand that. This is the reason he is voting in the negative.

Councilman James said he wants it noted for the record the key interest to him is that we have a building that was donated and believes the document in front of him suggests it will be sold for a profit, \$160,000. In instances of this nature where property was donated, being sold at a significant profit, he does believe the City should be relieved of any debts due and the City should remain harmless in such a transaction. At this time there is no legal document before us to guarantee the City will not lose any tax dollars in this measure. We have Sears and Roebuck, which was sold, donated and then sales on that property in which the Council was not involved. Here is one that was donated and now being sold for \$160,000. and the Council is waiving taxes in the amount of \$75,000. which will be corrected later. Therefore, he believes all questions should be answered before Council takes action.

The motion to adopt the resolution was declared adopted by President Harris by the following votes:

Yes: Grant, Johnson, Tucker, Villani, President Harris.

No: Councilmen Bottone, Carrino, James, Martinez.

AN ORDINANCE APPROVING AN AMENDMENT TO THE URBAN RENEWAL PLAN FOR THE
NEWARK PLAZA PROJECT N.J.R-58 (SIXTH AMENDMENT)

WHEREAS, the Municipal Council of the City of Newark has heretofore, by Resolution 7RH adopted October 16, 1963, Resolution 7RBM adopted May 20, 1964, Resolution 7Rbb adopted April 16, 1969, Resolution 7Rbq adopted May 18, 1973, Ordinance 6S & FB adopted March 16, 1977, Ordinance 6S & FK adopted November 13, 1979, approved an Urban Renewal Plan and amendments thereto for the Newark Plaza Project (N.J.R-58); and

WHEREAS, the Housing Authority of the City of Newark and the Central Planning Board of the City of Newark have considered and approved a further amendment of said Urban Renewal Plan, said amendment consisting of: The addition of City Block 144 east of the Project boundary area with a designation of "Not to be acquired"; and

WHEREAS, said Urban Renewal Plan Complies with the requirements of all applicable state and federal statutes and regulations promulgated thereunder; and

July 9, 1980

WHEREAS, the Central Planning Board of the City of Newark has submitted to the Municipal Council its resolution, certification and recommendation respecting the amended Urban Renewal Plan for the Project Area and the Municipal Council has duly considered the Planning Board resolution, certification and recommendation of the planning board; and

WHEREAS, it has heretofore been found and determined by Resolution 7RT adopted on July 10, 1961 and Resolution 7RBO adopted on February 16, 1977 that the project area is a blighted area under Chapter 187 of the Laws of the state of New Jersey, 1949, as amended; and

WHEREAS, it is necessary that the Municipal Council take appropriate official action respecting the Urban Renewal Plan for the Project, in conformity with a contract for financial assistance between the Housing Authority and the United States of America, acting by and through the Secretary of the Department of Housing and Urban Development; and

WHEREAS, it is not necessary that the Municipal Council take official action respecting the relocation program as a result of the aforesaid amendment; and

WHEREAS, the Municipal Council is cognizant of the conditions that are imposed in the undertaking and carrying out of urban renewal projects with Federal financial assistance under Title I, including the prohibiting of discrimination because of race, color, creed or national origin;

NOW THEREFORE, BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

1. That it is hereby found and determined that the Urban Renewal Plan for the Area conforms to the general plan of the City of Newark.
2. That it is hereby found and determined that the Urban Renewal Plan for the Area gives due consideration to the provisions of adequate park and recreational areas and facilities, as may be desirable for the neighborhood improvement with special consideration for the health, safety, and welfare of children residing in the general vicinity of the site covered by the Plan.
3. That it is hereby found and determined that the amended Urban Renewal Plan for the Urban Renewal Area will afford maximum opportunity consistent with the sound needs of the locality as a whole, for the urban renewal of the area by private enterprise.
4. That in order to facilitate the implementation of the Urban Renewal Plan for the area it is found and determined that certain official action must be taken by this Body and, accordingly, this Body hereby (a) pledges its cooperation in helping to carry out such Urban Renewal Plan; (b) requests the various officials, departments, boards and agencies of the City of Newark having administrative responsibility in the premises to cooperate to such end and to exercise their respective functions and powers in a manner, consistent with said Plan, and take appropriate action upon proposals and measures designed to effectuate said Plan.
5. That the Urban Renewal Plan for the Area having been duly reviewed and considered, is hereby approved, and the City Clerk be and is hereby directed to file said copy of the Urban Renewal Plan with the minutes of this meeting.
6. That this Ordinance shall take effect upon final passage and publication in accordance with law.

ORDINANCES ON SECOND READING AND FINAL PASSAGE.

President Harris called for ordinances on second reading and final passage.

6-S & F-g.

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing held thereon. It is now before you on second reading and final passage:

AN ORDINANCE TO AMEND TITLE 24, TRANSPORTATION, CHAPTER 1, TAXICABS, ARTICLE 11, ENFORCEMENTS, VIOLATIONS, CIVIL PENALTY, SECTIONS 24:1-54 OF THE REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, AS AMENDED (1966).

(Copy of ordinance and correspondence submitted to each Member of the Council)

(Public Hearing Closed)

A motion to adopt the ordinance on second reading and final passage was made by Councilman Tucker, seconded by Councilman Bottone and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

President Harris: The yeses are nine and the noes are none. This ordinance having been read on two separate days and having achieved the vote required by the statute, is declared adopted. The City Clerk is directed to deliver same to the Mayor for his approval or disapproval.

HEARINGS OF CITIZENS.

A motion to permit Mr. Al Evenoff to be heard on "Hearings of Citizens" was made by Councilman Martinez, seconded by Councilman Tucker and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

6-HC-a.

MR. AL EVENOFF, 1331 CENTRAL AVENUE, NEWARK, NEW JERSEY, SECRETARY-TREASURER, DISTRICT 1199J, NATIONAL UNION OF HOSPITAL AND HEALTH CARE EMPLOYEES, AFL-CIO, address-
ed the Municipal Council pointing out that 250 employees are out on strike at United Hospitals. They are appealing to the Council to intervene on their behalf, not necessarily to support their demands but to call upon the hospital administration to sit down and bargain. He requested the Council to call upon Dr. Cowan, Administrator and Director of the hospital to involve himself with the help of the federal mediator and possibly a committee of this Council to sit down and negotiate

July 9, 1980

until they are able to reach a solution.

Councilman Martinez said he realizes it is not the position of the Council to get involved with union management labor problems. However, he believes this crisis is affecting many City residents, patients as well as employees. He has prepared a motion and will bring it up under Motions, requesting the Administration and the Union of United Hospitals to bargain in good faith and end the current crisis situation affecting the many City residents and the employees.

President Harris indicated to Mr. Evenoff and others from Local 1199J that they have 1,000% support of the Municipal Council who want to see that justice is done insofar as the quality of service for the residents that use that hospital facility and at the same time permit employees to have a fair wage so that they too can provide an adequate home for their families.

(For further action on this matter, see Motion 7-M-b in the minutes of this meeting)

A motion to permit Mr. Ronald Washington to be heard on "Hearings of Citizens" was made by Councilman Tucker, seconded by President Harris and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

6-HC-b.

MR. RONALD WASHINGTON, 601 DOREMUS AVENUE, NEWARK, NEW JERSEY, representing 65 workers who have been fired by Ideal Toy Company, 20 of whom were present in the audience. He appealed to the Council to help them in their fight for justice. He noted that they had a prior meeting with Councilman Martinez and Councilman Tucker wherein certain promises were made to help them and they were not kept. He stated the majority of employees make the minimum wage and were laid off because work is seasonal anywhere from 2 to 5 months. A number of workers, upon returning to work drew an extra unemployment check in order to make ends meet. This is a common practice which has been going on for quite a while and which management in Ideal Toy Company has known about. Whenever it happened they had to pay the money back to the Unemployment Board. This past April Ideal Toy Company threatened to fire 140 employees for what they called "double dipping".

The speaker detailed at length this situation. He requested the Council to possibly establish a committee of the Council to set up a meeting with the representa-

July 9, 1980

tives of Ideal Toy Company and their delegation and community representatives who are giving them a tremendous amount of help to get their jobs back. All of them have families and do not want to go on welfare.

Councilman Martinez asked the speaker what his address was and the speaker replied 176 Belmont Avenue, Jersey City.

Councilman Martinez gave the Council the complete background relating to this problem, pointing out the employees received unemployment checks during their employment. Several weeks ago, Mr. Washington and a group of people came to City Hall requesting to speak to him. He took the time together with Councilman Tucker and talked and listened to their problem and indicated he would try to get hold of the President of Ideal Toy Company to arrange a meeting with them for that evening. He went to Trenton that evening and when he came back called Ideal Toy Company and they did not want to meet with them. He received a message from Mr. Washington indicating they would like to see him and he waited for them all day Monday and they did not appear. Once again he spoke to Ideal Toy Company, they did not want to meet with him. However, there was an Investigator from the State Unemployment Commission Fund from Trenton in his office on Monday indicating that he was looking for 5 employees who were currently on strike, for the penalty of the Federal Government called fraud. Several people from Ideal Toy Company had been double dipping into the unemployment compensation fund for a period of two years for more than \$4,000. or \$5,000. per year. He indicated this money was costing Ideal Toy Company x amount of dollars extra because employees were working and also collecting unemployment compensation. He had the list of the names of those people and wanted to meet with them. Another conversation with the President of Ideal Toy Company of New York, said that he stated they have a union and their union took the company to court and he has the court action before him. Their union lost to the courts to the arbitrator. Again they went to binding arbitration and the award of the binding arbitration went to the company indicating the company had no choice but to do what they did. He appealed to him in behalf of the people that he represents in the East Ward. There were residents of the East Ward whose names he had given him that he personally represents and indicated once again if they paid back whatever moneys they had taken from the unemployment compensation they would sit down and talk with them but they would not talk to anyone until they paid back the money that was due to the State Government. The State Investigator indicated that anyone that has taken the money known as "double dipping"

July 9, 1980

has committed fraud to the State of New Jersey, fraud to the taxpayers, and the company. He was looking for those employees to prosecute them in the criminal courts.

Councilman Martinez said he would be glad again, if the speaker so desires, to put it in writing to the President of Ideal Toy Company to once again sit down with him, for the fourth time, and he feels his answer will be the same. Until those moneys are paid back to the Unemployment Compensation Bureau he doesn't think he is going to hire anyone.

President Harris explained for the record the procedure they operate this City Government under. The rules are that if a person, and one does not have to be a citizen of this City, nor of this State or country, if a person desires to be heard by this body, they apply to the City Clerk's Office within a certain amount of days. He lists their names. If in any event a person wanted to be heard and failed to do that, then it is incumbent upon the individual to have a Member of the City Council, at the public meeting, move a motion permitting the individual to be heard. The motion must be voted on, which was done in the case of Mr. Washington and Mr. Washington was granted the privilege of being heard.

President Harris said there is obviously a problem, a problem that under no circumstances can be resolved at this public meeting. This problem has been brought before two members of this Body and to date there is no solution. He said the Council cannot give them false hope for some solution today because it cannot be resolved today. If the Members of the Council, Councilmen Martinez and Tucker, along with representatives from the Human Rights Commission, who have the responsibility under the City charter looking into situations like this, were to meet and convene at a date set up by these representatives along with Mr. Washington and others from the Local to try to reach some sort of resolution to this problem, he thinks we can go much further and be more beneficial to them.

Councilman Tucker said that after a meeting he had with Mr. Washington he contacted Mr. Helper, President of Ideal Toy Company and would like to reiterate the points raised by Councilman Martinez. They are of the opinion based on the arbitrators ruling that in effect they do not have to sit down and negotiate. They are also of the opinion because the union, and he tried to contact them, is not really championing that position. The only way they are going to resolve this situation, the State is concerned only that they pay back the unemployment insurance. If there is a negotiated agreement with the employees that resolves the issue, making an attempt

to pay back those funds. The other factor which is much more real, Ideal Toy Company has already taken back some of the people who negotiated and worked out that agreement with the State. That is not really the issue. He has had an opportunity to review this matter directly with the company and the speaker. His only concern, and the Council can only do one thing, and that is to urge Ideal Toy Company to waive that period, because what they are doing is based on the arbitrators ruling they have the right to maintain the position they are dealing with. The only point of contention, if the people reported back to work on Thursday, then they would immediately have accepted them and notified everybody accordingly. The only thing they can do is urge Ideal Toy Company to meet with them. We cannot make them meet with them to negotiate the pay back situation to assure they agree to that and the other factor is to try to at least utilize the urging of the Council to resolve the issue. He doesn't want to give people any false hope because they cannot make Ideal Toy Company meet with them, cannot make them negotiate the situation, especially since the union says they have gone as far as they can go.

Councilman Tucker said what they will try to do is send a communication to Mr. Helper and urge they negotiate.

Councilman James said maybe there is some information which the speaker feels the Councilmen do not have in listening to a response from both Councilman Martinez and Councilman Tucker, therefore, we cannot represent them if their information is incorrect. He is hopeful that Councilman Tucker and Councilman Martinez will set up a meeting with the group in concert with the Human Rights Commission and will be able to clarify the issues which seemingly are distorted.

Councilman Tucker said there is no problem of clarification. The only thing the Council can do is urge Ideal Toy Company to sit and negotiate with them. The reason he is saying that is he thinks currently they filed a discrimination complaint with the National Labor Relations Board. He thinks meeting with the Human Rights Commission, all they can do is expedite that application. He doesn't believe there is anything more that they can do.

Councilman Martinez recalled about a year ago when they were going to build this Boy's Club, he thinks the difference in price of the appraiser was \$2,000. At that time the Director of Mayor's Policy and Development Office was Will Allen who refused to buy the building for the difference of \$2,000., so the owner of the building sold it for \$246,000. instead of \$118,000. He would hope in this case, whether there is some way that the Council can add a sentence in the resolution apprising the Council when these appraisal values come in, before they either deny the appraisal value by the company or by Mayor's Policy and Development Office, just at least sit down with the Council and review what prices they have come up with.

RESOLUTION AUTHORIZING PUBLIC AUCTION OF SALE OF COMMERCIAL CITY-OWNED PROPERTIES NOT REQUIRED FOR GOVERNMENTAL PURPOSES, ON FRIDAY, SEPTEMBER 12, 1980, AT 9:00 A. M., AND TO BE HELD AT MUNICIPAL COUNCIL CHAMBER, CITY HALL, 920 BROAD STREET, NEWARK, NEW JERSEY, PURSUANT TO N.J.S.A. 40A:12-13(a), AND AUTHORIZING ADVERTISING OF EXHIBITS "A", "B" AND "C", AND NOTICE OF FURTHER MEETING SEPTEMBER 17, 1980, AT WHICH TIME THE MUNICIPAL COUNCIL WILL ACCEPT OR REJECT BIDS AS PROVIDED BY LAW.

A motion to adopt the resolution was made by Councilman Grant, seconded by Councilman Johnson.

Councilman Tucker stated for the record that the City of Newark is getting to a point of reaching a new level of degeneracy. We are currently now putting out approximately \$1.5 million HUD/CDA money, also putting forth another \$1 million in Municipal funds and yet we have to hire a broker to sell our properties. His clear opinion on the matter is if we have to hire a broker then he thinks the entire Real Estate Commission, all of the staff personnel, is irrelevant. He wants to make it clear for the record if they need a broker, he feels the staff should not be there. Based on that he will not support the resolution.

The motion to adopt the resolution was declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, Johnson, Martinez, Villani, President Harris.

No: Councilmen James, Tucker.

A Special Meeting of the Newark Municipal Council of the City of Newark, New Jersey, was held on the above date in the Council Chamber, City Hall, Newark, New Jersey, at 12:35 P.M.

President Harris called the meeting to order and asked for a roll call.

Present: Councilmen Bottone, Grant, James, Martinez, Tucker, Villani, President Harris, City Clerk D'Ascensio, Clerk of the Municipal Council.

(Councilman Carrino arrived 12:37 P.M.)

President Harris stated, "In accordance with New Jersey P.L. 1975, Chapter 231, Section 5, adequate notice of this meeting has been provided by notifying by mail the Newark Star Ledger and Elizabeth Daily Journal, by posting on the designated bulletin board in the basement of City Hall and by filing in the Office of the City Clerk on December 13, 1979, the schedule of regular meetings and conferences of the Newark Municipal Council.

In addition, the agenda of this meeting was similarly disseminated on July 9, 1980, at the time of its preparation. All persons who prepaid for advance notice of meetings also received copies of the schedule and agenda as required by law."

The City Clerk read letter dated July 9, 1980, from Mayor Kenneth A. Gibson, calling a Special Meeting of the Municipal Council for Tuesday, July 15, 1980, at 11:00 A.M., or as soon thereafter as possible to consider an amendment for the following: (7-R-cz, July 9, 1980)

RESOLUTION AUTHORIZING MAYOR TO ENTER INTO GRANT AGREEMENT WITH UNITED STATES ECONOMIC DEVELOPMENT ADMINISTRATION UNDER THE SUMMER JOBS INITIATIVE PROGRAM IN AMOUNT OF \$1,000,000. (TO EMPLOY THE UNEMPLOYED, DISADVANTAGED AND SCHOOL DROPOUTS FOR PERIOD JULY 14, 1980 TO SEPTEMBER 6, 1980).

7-R-a. RESOLUTION AMENDING RESOLUTION 7Rcz "RESOLUTION AUTHORIZING MAYOR TO ENTER INTO GRANT AGREEMENT WITH UNITED STATES ECONOMIC DEVELOPMENT ADMINISTRATION UNDER THE SUMMER JOBS INITIATIVE PROGRAM IN AMOUNT OF \$1,000,000. (TO EMPLOY THE UNEMPLOYED, DISADVANTAGED AND SCHOOL DROPOUTS FOR PERIOD JULY 14, 1980 TO SEPTEMBER 6, 1980)." ADOPTED JULY 9, 1980, BE AMENDED, TO REINSTATE THE SUM OF \$166,589. TO SYMPHONY HALL AND REDUCING FUNDS FOR NEIGHBORHOOD HOUSING IN THE LIKE AMOUNT OF \$166,589. TO THE SUM OF \$227,542.

Councilman Tucker stated his opinion on this matter has not changed in regard to spending \$166,589. to fix up Symphony Hall. He thought the City spends too much money directly on Symphony Hall. The Council has spent many long hours arguing over the fact of dealing with housing and demolition. These funds can be spent much better by insuring the City has safe boarded up houses. He was still of the opinion this is a total waste of the taxpayers money.

A motion to adopt this resolution was made by Councilwoman Villani, seconded by Councilman James and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Grant, James, Martinez, Villani, President Harris.

No: Councilman Tucker

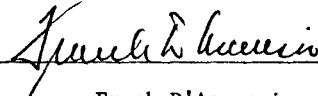

Not Voting: Councilman Carrino

reading, advertised in accordance with law and a hearing date set. It is now before you for public hearing, second reading and final passage.

"A BOND ORDINANCE APPROPRIATING \$4,500,000. FOR THE RECONSTRUCTION OF EAST SIDE HIGH SCHOOL (CAPITAL PROJECT NO. 5179) IN AND BY THE CITY OF NEWARK, IN THE COUNTY OF ESSEX, NEW JERSEY AND AUTHORIZING THE ISSUANCE OF \$4,500,000. QUALIFIED SCHOOL BONDS FOR FINANCING THE APPROPRIATION."

WHEREAS, the Board of Education of the City of Newark has determined by resolution that it is necessary to raise the sum of \$4,500,000 for the reconstruction of East Side High School and has delivered a statement to that effect to each member of the Board of School Estimate; and

WHEREAS, the Board of School Estimate has determined that \$4,500,000 is necessary for such project and has certified this amount to the Board of Education and the Municipal Council; and

WHEREAS, the Municipal Council has determined by resolution to issue bonds to finance this project and to make application to the Commissioner of Education to qualify these bonds; now, therefore

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, IN THE COUNTY OF ESSEX, NEW JERSEY AS FOLLOWS:

Section 1. Pursuant to the provisions of Title 18A, Education, of the New Jersey Statutes, the sum of \$4,500,000 is hereby appropriated by the City of Newark, New Jersey for the reconstruction of East Side High School.

Section 2. In order to finance the costs of the project^s described in Section 1 of this ordinance, negotiable bonds are hereby authorized to be issued in the principal amount of \$4,500,000 pursuant to Chapter 24, Title 18A, Education, of the New Jersey Statutes.

Section 3. Each of the bonds authorized herein shall be designated "School Bond" and shall contain a recital that it is issued pursuant to Title 18A, Education, of the New Jersey Statutes and is entitled to the benefits of the provisions of the School Qualified Bond Act, P.L. 1976, c.39 (N.J.S.A. 18A:24-85 et seq.). The bonds shall be coupon bonds registrable as to principal only or as to both principal and interest. The form, date, denominations and interest rate of the bonds shall be as hereafter determined by resolution of the Municipal Council. The bonds shall mature in accordance with the schedule approved by the Local Finance Board pursuant to N.J.S.A. 18A:24-89 or N.J.S.A. 18A:24-90, but in no event later than 30 years from their date of issuance.

Section 4. The chief financial officer of the City of Newark is hereby authorized to issue temporary notes or loan bonds of the City pursuant to N.J.S.A. 18A:24-92, subject to such terms or conditions imposed thereunder by the Commissioner of Education. All temporary notes or loan bonds issued hereunder shall mature at such times as may be determined by the chief financial officer; provided that no temporary note or loan bond shall mature later than one year from its date. The temporary notes or loan bonds shall bear interest at such rate or rates and be in such form as may be determined by the chief financial officer. The chief financial officer shall determine all matters in connection with temporary notes or loan bonds issued pursuant to this ordinance, and the chief financial officer's signature on the temporary notes or loan bonds shall be conclusive evidence as to all such determinations. All temporary notes or loan bonds issued hereunder

may be renewed from time to time subject to the provisions of N.J.S.A. 18A:24-3. The chief financial officer is hereby authorized to sell part or all of the temporary notes or loan bonds from time to time at public or private sale and to deliver them to the purchasers thereof upon receipt of payment of the purchase price, plus accrued interest from their dates to the date of delivery thereof. The chief financial officer is directed to report in writing to the Municipal Council at the meeting next succeeding the date when any sale or delivery of the temporary notes or loan bonds pursuant to this ordinance is made. Such report must include the amount, the description, the interest rate and the maturity schedule of the temporary notes or loan bonds sold, the price obtained and the name of the purchaser.

Section 5. Within 10 days after the issuance of the bonds or notes authorized hereunder, the chief financial officer of the City shall certify to the State Treasurer the name and address of the paying agent and the maturity schedule, interest rate and date of payment of debt service for the qualified bonds.

Section 6. The capital budget of the City of Newark is hereby amended to conform with the provision of this ordinance to the extent of any inconsistency herewith.

Section 7. The full faith and credit of the City are hereby pledged to the punctual payment of the principal of and interest on the bonds. The bonds shall be direct, unlimited obligations of the City, and the City shall be obligated to levy ad valorem taxes upon all the taxable property within the City for payment of the bonds and interest thereon without limitation of rate or amount.

Section 8. This ordinance shall take effect 10 days after the first publication thereof after final adoption, as provided by law; provided that the certification of the Commissioner of Education has been endorsed hereon pursuant to N.J.S.A. 18A:24-89(d) and provided that the consent of the Local Finance Board has been endorsed hereon pursuant to N.J.S.A. 18A:24-89(b).

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

No one appearing, a motion to close the hearing and adopt the ordinance on second reading and final passage was made by Councilman Grant, seconded by President Harris and declared adopted by President Harris by the following votes:

Yes: Councilmen Carrino, Grant, Johnson, Martinez, Villani, President Harris.

President Harris: The yeses are six and the noes are none. This ordinance having been read on two separate days and having achieved the vote required by the statute, is declared adopted. The City Clerk is directed to deliver same to the Mayor for his approval or disapproval.

BOARD OF ADJUSTMENT - APPEAL.

4-A-1.

The Acting City Clerk read IN THE MATTER OF APPLICATION OF FOREST CITY DILLON, INC., APPLICANT (NEWARK REDEVELOPMENT AND HOUSING AUTHORITY, OWNER); FOR VARIANCE SO AS TO PERMIT IN A THIRD RESIDENCE AND SECOND BUSINESS DISTRICTS CONSTRUCTION OF AN 8-STORY SENIOR CITIZEN APARTMENT BUILDING; PREMISES 1047-1061 SOUTH ORANGE AVENUE; CONTAINING 362 DWELLING UNITS EXCEEDING THE HEIGHT LIMIT AND WITH INSUFFICIENT ON-SITE PARKING AND ON-SITE PLAN REVIEW.

(Board of Adjustment hearing held January 9, 1980, postponed from November 5, 1979)

(Appeal filed July 25, 1980)

This is an appeal from a decision of the Board of Adjustment on January 8, 1980, granting a "d" variance to Forest City Dillon, Inc., pursuant to N.J.S.A. 40:55D-70d, so as to permit in Third Residence and Second Business Districts construction of an 8-story senior citizen apartment building; at 1047-1061 South Orange Avenue; exceeding the height limit and with insufficient on site parking.

The City Clerk was served with a Notice of Appeal in the above matter along with a copy of an Order signed by Judge Feinberg dated July 23, 1980, in which it was ordered that an appeal of the plaintiff be set down for hearing by the City Council of the City of Newark not later than August 19, 1980.

On July 25, 1980, the City Clerk notified the applicant, its attorney, the appellant's attorney and objectors who testified at the hearing that an appeal in this matter will be heard by the Municipal Council at their regular meeting August 13, 1980 at 1:00 P. M., in the Council Chamber, second floor, City Hall, Newark.

Each Member of the Municipal Council received a copy of the transcript of the hearing before the Board of Adjustment held January 8, 1980, and a copy of the Board of Adjustment's resolution approving the variance. Building plans were made available for inspection.

President Harris stated we will now hear oral argument on the appeal from the decision of the Board of Adjustment granting a variance to Forest City Dillon, Inc., Applicant, (Newark Redevelopment and Housing Authority, Owner) for a variance so as to permit in Third Residence and Second Business Districts construction of an 8-story senior citizen apartment building at 1047-1061 South Orange Avenue exceeding the height limit with insufficient on-site parking. We may hear argument only from the parties to the appeal or from their attorneys. No testimony will be heard by the Municipal Council, only argument based on the record made before the Board of Adjustment.

(Councilman Tucker arrived at 1:10 P. M.)

Mr. Thomas B. Kelly, representing the Poe Avenue Block Association and various groups within the South Orange Poe Avenue area noted a hearing was held last January by the local Board of Adjustment. A variance was granted by a vote of 5 to 2. Unfortunately it was misnomered as "C" variance rather than a "D" variance and we had to go to Court to get an order so that an appeal could come to the City Council as a matter of law. To give you a brief background on the project and on the eight acre site, a year ago last July a variance application was held, a hearing was held for two and a half acres to the west which is the same site for an eight story nursing home.

August 13, 1980

The Board of Adjustment then turned that application down. On January 8th, a new corporation came in and applied for a variance to build two eight story Senior Citizens Housing. The neighbors and the people he represents are 100% behind Senior Citizens Housing. They have no argument with the use of the property. What they object to is the height of the buildings. The objectors own 1, 2 and 3 family homes that abut the property on Poe Avenue and other streets in the neighborhood. They feel that high rise buildings of eight stories would reduce the value of their properties, would cause their properties to be devaluated. They feel they have a good solid neighborhood. They would like to see Senior Citizens in there with a five story limitation in height. On 8 acres you can certainly find enough room to construct 362 units of senior citizens housing up to the legal zoning limit. Under the law the applicant before the Board of Adjustment must prove special reasons and must prove that the proposed use would not impair the intent of the zoning ordinance. This was the argument that was used against the 8-story nursing home. He submitted that the intent of the zoning plan is certainly violated when you construct 2-8 story structures in a zone that is limited at best to 5 stories. That area is R-3. It is zoned for 3 family houses or apartment and nothing over 5 stories and we believe the zoning plan would be impaired by constructing a high-rise in this area. It is irrational that the Board of Adjustment a year ago last July turned down one building for 8 stories but in January turned around and approved two 8-story structures. He respectfully requested the Council reverse the action of the Board of Adjustment and further that the applicants be ordered to construct their plans to fit within the 5-story zone of the City of Newark.

President Harris asked if there was any person present who appeared before the Board of Adjustment who wishes to enter into record statements made before the Board. Under no circumstances will this Body entertain new evidence. What we are interested in are statements made before the Board.

Mr. Walter Gillens, President of the Poe Avenue Block Association, 17 Poe Avenue stated that he did not have any new evidence. He just had some comments to make from the Block Association about some of the reasons why we were against the buildings. We have a block association that is composed of a group of hard working citizens that are tenacious, law abiding and religious. Hard-working because it took hard work to accumulate the capital to purchase one of these beautiful homes in the Vailsburg area. They are tenacious because it takes a certain kind of substance to be able to exist here in the City of Newark with the high crime, taxes, and the lack of a whole lot of city services. Law abiding and peace loving because you have not heard about any riots or marches up here in Vailsburg although there has been many frustrating reasons with this project that could have provided a march. Religious because that is what it takes to be all of the above. A certain kind of faith that you can, if you are right, if you believe strong enough you will overcome any obstacle with God's help. We are here to appeal a decision of the Board of Adjustment because we consider it arbitrary, confused and a little bit mixed-up. We feel it is arbitrary because in July 1979, the Board of Adjustment declined a variance for an 8-story building. They said it was not in the best interest of the community. Then 6-months later, on January 8, 1980, the same Board of Adjustment granted a variance to Forest Hill Dillon Company. This confused us a little. We lost by one vote. We feel it was mixed-up because somehow this board listed the building a "C" variance rather than the correct "D" variance which meant that the Poe Avenue Block Association had no alternative but to appeal to the Courts rather than the right to appeal to our Council, placing an additional financial burden upon our group. We are asking you to reverse that decision. Block Associations were created in order that people would have an input as to what happens in their neighborhood. The City of Newark has seen the rise and the fall of a horrendous number of high-rise buildings. No one should know better than us what the lack of community involvement in the neighborhood does. In our area neighbors who walk the streets in the Block Watchers program, neighbors who sweep the streets and watch out for speeding cars, neighbors are aware and look out for dope pushers, thieves and other degenerates that constantly plague our homes and community. People compose neighborhoods. Neighborhoods compose communities. Communities form cities, our community, your community. The City of Newark is composed of vast areas of barren lands intermingled with tall brick highrises that no one wants to live in. These are no neighborhoods. These are jungles. We only have a few neighborhoods left. Vailsburg happens to be one. We ask you to help us maintain the esthetic value of our community.

Sadie Wade, 71 Poe Avenue, stated the building of the two high-rises on South Orange Avenue would affect our heating, our energy situation. We all know that we depend on sunlight for warmth and heat and if that is shut off from us then we get nothing but cold which in turn causes our thermostats to go up, which will in turn cause us to increase our oil and gas consumption, which will in turn increase our oil buying, this will in turn create an additional financial stress on the homeowner. She does not think the Forest City Building Company is interested or concerned how or what the financial stress that we will be placed in, so the homeowners on Poe Avenue decided that we would appeal to you, beseech you to please reverse the previous decision of the Board of Adjustment on January 8.

Henry Jackson, 28 Poe Avenue, stated that he was one of the homeowners on the block of Poe Avenue. He was a full time real estate salesman for 11 years and he has sold houses all over the city and in East Orange. He had difficulty in selling houses where there are tall buildings, whether they are public housing, senior citizens or whatever. They say they do not want to buy homes where there are tall buildings. There is a problem with the tall buildings going up. People who purchased their homes on Poe Avenue within the last four or five years paid very high prices for them and the FHA and private banks went through the area and they put very high value on those houses. A couple of appraisers said that if there were tall buildings in the area the value would probably have been lower. It has an effect on the value of the property. The building is to go in the rear of his house and it is very close and when he wakes up in the morning he can see the sunshine and when they construct this building the only thing he will be able to see will be a brick wall. South Orange Avenue is very congested now. If they put the building up on the site that they want to put it up South Orange Avenue will be even more congested because the cars will have to come in from South Orange Avenue and off Sandford into the site.

Oliver Lofton, representing the firm of Lofton & Lister, Attorneys for the Forest City Building Developers on this site. He was gratified to know on behalf of Forest City that the position of the Poe Avenue Citizens group is not against Senior Citizen Development. As he understands, the issue is crystalized to the situation of 5 stories. With respect to the 5 story building, that was granted by the Board of Adjustment that there was a full and complete transcript of testimony rendered by experts in terms of the question whether or not the sunlight would in fact be impaired by the structure or the structures being erected, that would not be the case. Because of the set-backs that would be consistent with the plan that was submitted to the Board of Adjustment. In addition to that, there was more than adequate testimony rendered into the record both by the Director of Housing Authority Judge Buck, with respect to the shortage of senior citizens units within the city, and the fact there are no senior citizens units in the Vailsburg section of the City. In addition to that, this particular parcel of land has been laying fallow for some number of years, the land had been purchased by the Housing Authority by way of community development funds furnished by the City to the tune of \$960,000. from the Catholic Church. He felt this would be in the best interest of the City for this development to go forward. There was objection rendered, and adequate opportunity given by the Board of Adjustment to the Poe Avenue Citizens group and the testimony was rendered from them and from the proposed developer for Forest City Dillon. After hearing all of their testimony and giving due consideration thereto, the Board of Adjustment, in its wisdom, since it is the designated city agency to make a determination insofar as whether or not the variance should be granted or not, did in fact vote 5 to 2 that a variance should be granted. He suggested to the Council he recognized that citizens presenting matters before this body present matters that raise emotional issues, emotional issues in the sense that persons own their homes and purchase these homes. There is a balancing of equity in the sense that always occurs when things that are not desired to be done by people who live within a certain neighborhood as it currently exists and when there are things that are determined by the persons in charge of the operation of the City determine that this is in the best interest of the City.

Mr. Lofton continued at length discussing the legal ramifications involved in this matter. He further stated the reason the developers had proposed that the buildings had to be 8 stories was in order to make this project feasible and that is the evidence that was presented to the Board of Adjustment.

August 13, 1980

Councilman Bottone thanked the people from Poe Avenue for coming down, it shows their interest and dedication to our city. Councilman Bottone continued:

This matter was brought before the Board of Adjustment for two reasons (1) the height of the building, which is eight stories, exceeds the five stories permitted in the area and (2) there is insufficient on-site parking.

The property is located in a neighborhood which one objector described as "among the last of what might be called suburbia left in the City of Newark. It is an outpost of lawn fronted homes and streets." (p.66) The residents of the area are understandably concerned about preserving the quality of life, so much so that they formed a block association to perpetuate the character of the area (p.66) and at least 23 objectors appeared at the hearing (p.20) before the Board of Adjustment to protest what they view as a negative impact of an 8 story structure on the area's character and property values.

There was testimony from a real estate salesman regarding the negative impact of tall buildings on the property values in the area (pp. 64,65). Others talked about feeling threatened by the construction of tall buildings (p.67), and objected to the overcrowded atmosphere which would be created (p.72). They do not understand why the building could not be built 3 stories high like a senior citizen complex nearby in Maplewood (p.67). There was also testimony regarding the trend away from tall apartment houses and to low-rise buildings like townhouses (p.70).

One of the witnesses for the applicant spoke about the slope of the property and the fact that the building would not appear to be 8 stories high, ^{however,} he also admitted that at the rear of the property the building would appear to be only one story less in height, or 7 stories, which still exceeds the 5 stories which are permissible (p.49).

While there may be a need for additional senior citizen housing in the City, it does not necessarily follow that a variance should be granted to permit such housing even though it may have a negative impact on the character of an area. I find that the Board of Adjustment's decision to grant a variance for this project is arbitrary and unreasonable. The record reflects that the Housing Authority owns additional land abutting the 5.43 acres on which this project is proposed to be built. Both an objector and a Commissioner inquired why the entire parcel of land owned by the Authority, 8 acres, could not be used for the senior citizen development, permitting the developers to construct the same number of units spread out in a lower building (p.62,p.80.) but that question was never satisfactorily answered. Another alternative is to use some of the thousands and thousands of parcels of land, which it is a matter of public record the City owns as the result of foreclosure proceedings, for constructing senior citizen housing.

Perhaps the best indication of the Board's action being arbitrary and unreasonable is the fact that it recently denied an application for an eight story nursing home which was proposed for the abutting property which the Housing Authority owns (pp.62,73,83). As one Commissioner who voted against granted the variance stated,

"When the convalescent home was brought before this Board, we had the same problem with the number of stories that were to be constructed. They wanted eight. I had suggested five. I had suggested spreading the buildings out which they didn't agree to. And we denied that application. So in all honesty I can't see myself voting for approval of this application since it is very similar to the last application." (p.83)

August 13, 1980

I want to stress that I am not opposed to senior citizen housing. But I am opposed to building high-rise structures which would have a negative impact on a stable, pleasant residential area, especially when there are alternatives.

For all of the reasons I stated, I move to reverse the decision of the Board of Adjustment granting a variance to permit an eight story senior citizen residence at 1047-1061 South Orange Avenue.

Councilman Carrino said since the Poe Avenue situation is in the West Ward it does not directly affect the citizens of the North Ward. He is very happy to see everyone down here today on a situation such as this, but he is a little disappointed that the City is falling apart, that we do not have any police protection. The City is filthy, schools are falling in, you cannot get anyone on the phone when you call City Hall, yet you want to get involved in a small project around your block. He pointed out that unless you start getting involved with what is happening in the City of Newark right now, it does not make any difference whether those buildings are 3 stories or 40 stories, 5 years from now your houses will not be worth \$5,000. anyway. He would like to see some of them and their leaders down here more regularly at our Council meetings and start getting involved politically here so that the Administration of the City of Newark starts realizing the people in Newark are not going to allow the City to die and they better start getting their act together before all of us have to move out or we have to take more drastic action. He thanked everyone for coming down but suggested they start getting involved.

Councilman Bottone said the West Ward has many problems and they are coming down here to express them and this Council will show them the doors to open and possibly get some help.

The motion to reverse the decision of the Board of Adjustment granting a variance to permit an eight story senior citizen residence at 1047-1061 South Orange Avenue made by Councilman Bottone was seconded by Councilman Grant and adopted by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, Johnson, Martinez, Tucker, Villani, President Harris.

A motion to consider Resolution 7-R-dw at this time was made by Councilman Johnson, seconded by President Harris and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, Johnson, Martinez, Tucker, Villani, President Harris.

7-R-dw.

RESOLUTION RECOGNIZING RAY DANDRIDGE, LONGTIME RESIDENT OF THE CITY OF NEWARK, FOR HIS MAGNIFICENT CAREER AS A PROFESSIONAL BASEBALL STAR IN IN THE NEGRO AND MEXICAN BASEBALL LEAGUES.

Councilman Johnson read the following resolution:

WHEREAS, in the years before the Major League color barrier was broken in 1947, many Black-American ballplayers were major stars in the Negro and Mexican Baseball Leagues; and

WHEREAS, since these athletes were not given the opportunity to perform in the Major Leagues, the great majority of these players never received the national publicity and recognition which they so richly deserved; and

WHEREAS, by all accounts, Raymond E. Dandridge, Sr., a longtime resident of the City of Newark, was one of the greatest stars of this Era, playing for numerous Professional Baseball Teams including the Newark Dodgers and Newark Eagles; and

WHEREAS, in a career that stretched almost a quarter of a century, from 1933 to 1955, Ray Dandridge was proclaimed one of the greatest third basemen to ever play the game by such Baseball Immortals as Monte Irvin and Roy Campanella, both of whom are enshrined in Baseball's Hall of Fame; and

WHEREAS, besides an incredible career which included honors such as Rookie-of-the-Year, Most Valuable Player and combining with teammate Willie Mays to form a deadly hitting and fielding duo for the Minneapolis Millers, Ray Dandridge, as one of the first Black athletes to break the color barrier into the Major League's Farm System, helped defeat racial discrimination just as surely as did men such as Larry Doby and Jackie Robinson;

NOW, THEREFORE, BE IT RESOLVED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY that they do hereby honor Raymond E. Dandridge, Sr., for the enormous personal success he achieved as a Professional Baseball Player and recognize the immeasurable contribution he made as a pioneer in breaking down racial barriers for the many Black Athletes who followed in his footsteps.

BE IT FURTHER RESOLVED that Commissioner of Baseball Bowie Kuhn is hereby strongly urged to do all in his power to ensure that full and proper consideration be given to enshrining Raymond E. Dandridge, Sr., in the Major League Baseball Hall of Fame, an honor which he so rightly deserves and which is so long overdue.

A motion to adopt the resolution was made by the Council of the Whole and adopted by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, Johnson, Martinez, Tucker, Villani, President Harris.

President Harris said he had the distinct pleasure years ago of watching Ray Dandridge as a player. For those of you who did not have that pleasure let me say that you are looking at one of the greatest athletes that ever picked up a baseball bat in the person of Ray Dandridge. Not only as an athlete but as a great man, a man of great principle, a man of great integrity. This honor is long overdue and it is a shame that we have such barriers in this country of America, that would deny Ray Dandridge from becoming enshrined in the Hall of Fame because he was one of the greatest athletes that ever lived.

The Acting City Clerk read AN ORDINANCE AMENDING R.O. 14:0-1 ET SEQ., RELATING TO THE REPAIR, CLOSING AND DEMOLITION OF BUILDING UNFIT FOR HUMAN HABITATION OR OCCUPANCY OR USE; AND PROVIDING FOR THE REMEDIES AND PROCEDURE IN CONNECTION WITH ACTIONS TAKEN UNDER SUCH ORDINANCE PURSUANT TO AUTHORITY GRANTED IN N.J.S.A. 40:48-1 ET SEQ. BY MAKING CERTAIN AMENDMENTS THERETO.

(Copy of ordinance and correspondence submitted to each Member of the Council)

Councilman Johnson said this ordinance will finally give this city teeth as far as removing buildings that are health hazards throughout the city. A while back the State put through a statute S0009 which gives the municipality the ability to take down a hazardous abandoned building after the owner has been notified. The owner would have a 30 day period of notification and if he did not respond within that 30 day period of time we could take down that building. Now the City of Newark has finally decided to make this an ordinance because we have to now declare the blighted situations. Abandoned buildings are epidemic throughout the city. The Central Ward has a ratio of 5 to 1 per other wards and at this point such groups as 6 Catholic Churches have been working very hard throughout the ward to remove these abandoned buildings. This ordinance would give us the kind of teeth necessary to really bring pressure upon the Administration for them to get off their duffs and start taking down these buildings. The Council has appropriated the money-the money is there, now the legislation is there. We have done all we can. Now it is time for the public to join in with the 6 Churches and myself to keep the pressure on Administration to remove abandoned buildings from Newark to make that one of the first priorities, as abandoned buildings bring crime up, poor health and it is the #1 menace in our city at this point.

Councilman Carrino stated it will be incumbent upon us to make sure that with the passage of this ordinance we stay on top of Administration to make sure these things are done. Many times we passed ordinances in the past to find they were not enforced and with the problems all the wards are having with the abandoned houses he would like to see a committee set up of the Council that would deal directly with demolition to oversee the demolition task force to make sure that every dollar we put into that budget is used wisely for the demolition of buildings.

A motion to adopt the ordinance on first reading was made by Councilman Johnson, seconded by Councilman Grant and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, Johnson, Martinez, Tucker, Villani, President Harris.

President Harris: The yeses are eight and the noes are none. BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY, THAT:

Section 1. Title 2, Chapter 5, Section 11, Paragraph (b) (3), City Purchasing Agent, powers and duties, of the Revised Ordinances of the City of Newark, New Jersey, 1966, as amended and supplemented is hereby amended to read as follows:

(b) Powers and Duties: The City Purchasing Agent, under the direction and supervision of the Business Administrator, shall:

(3) Inspect or supervise the inspection of all deliveries of supplies, materials and equipment and determine their quality, quantity and conformance with specifications. All contracts awarded by the City for the performance of services shall include the name of the department, division, office or using agency which requested the services and the name and title of the head of the aforementioned department, division, office or using agency who shall be required to monitor the performance of the contractor on a close and continuous basis and also provide the Municipal Council, the Business Administrator and the City Purchasing Agent with appropriate monthly reports during the term of the contract indicating the quality of work being performed by the contractor in conformance with contract specifications.

Section 2. Any existing ordinance or part thereof inconsistent with this ordinance are hereby repealed.

Section 3. This ordinance shall take effect upon final passage and publication in accordance with law.

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

No one appearing, a motion to close the hearing and adopt the ordinance on second reading and final passage was made by Councilman Tucker, seconded by Councilman Johnson and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, Johnson, Martinez, Tucker, Villani, President Harris.

President Harris: The yeses are eight and the noes are none. This ordinance having been read on two separate days and having achieved the vote required by the statute, is declared adopted. The Acting City Clerk is directed to deliver same to the Mayor for his approval or disapproval.

At a later time in the meeting, a motion to remove from the Table "ORDINANCE ESTABLISHING AN ANNUAL ALLOWANCE IN LIEU OF EXPENSES FOR MEMBERS OF THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY," tabled February 20, 1980, was made by Councilman Tucker, seconded by Councilman Johnson and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, Johnson, Tucker, Villani, President Harris.

No: Councilman Martinez.

ORDINANCES ON SECOND READING AND FINAL PASSAGE.

President Harris called for ordinances on second reading and final passage.

6-S & F-e.

The Acting City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing held thereon. It is now before you on second reading and final passage:

AN ORDINANCE ESTABLISHING AN ANNUAL ALLOWANCE IN LIEU OF EXPENSES FOR MEMBERS OF THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY.

(Copy of ordinance submitted to each Member of the Council)

(Ordinance tabled February 20, 1980)

(Ordinance removed from the table August 13, 1980)

(Public Hearing Closed)

A motion to adopt the ordinance on second reading and final passage was made by Councilman Tucker, seconded by Councilman Johnson and declared adopted by President Harris by the following votes:

Yes: Councilmen Grant, Johnson, Tucker, Villani, President Harris.

No: Councilmen Bottone, Carrino, Martinez.

President Harris: The yeses are five and the noes are three. This ordinance having been read on two separate days and having achieved the vote required by the statute, is declared adopted. The Acting City Clerk is directed to deliver same to the Mayor for his approval or disapproval.

HEARINGS OF CITIZENS.

- 6-HC-a. MS. ERNESTINE COLLIER, 162 SOUTH ORANGE AVENUE, NEWARK, NEW JERSEY.
- 6-HC-b. MS. FLORA FORD, 224 ORANGE STREET, NEWARK, NEW JERSEY.
- 6-HC-c. B. LACEWELL, 274 WEST KINNEY STREET, NEWARK, NEW JERSEY.

The above speakers addressed the Municipal Council urging their support in continuing Senior Citizens Programs for public housing residents. The speakers pointed out that 300 senior citizens are served by adult day care centers and 200 non-ambulatory seniors are served by homemakers programs. They said the elderly would suffer greatly if the programs were eliminated. The speakers requested the Council take necessary action to assure the continuation of these programs.

Councilman Carrino pointed out the resolution addresses itself to accruals from HCDA funds not from the Housing Authority, so we do not expect that Mr. Buck was going to find accruals. The Housing Authority gets \$52,000,000. to run their operation. Aside from that Council has given them \$2½ million to run programs. They hire people at 45 and 46 thousand dollars to assist the assistant, then they tell the tenants they do not have any money for the programs. Whatever happens as far as this program is concerned, we are going to make sure that the \$2½ million that we give them, the contract is coming up in September, we want this program included in that money. If they will not accept this provision in the contract, we will not sign the contract for the \$2½ million.

President Harris stated adding to what Councilman Carrino has stated that while they have a working relationship with the Housing Authority, we are not receptive to Mr. Buck's letter or any other information that has been submitted to us, in the past. Their record speaks for itself. We are not going to tolerate what they are doing to the citizens of Newark.

Councilman Tucker said his concern is what the tenants are going to be faced with October 1. The Housing Authority did move to come up with 2 months operation which is \$15,000. We as the City Government should make sure that the services are not cut off. He is knowledgeable of the fiscal position of the Housing Authority, there are accrued funds within HUD/CDA. Council has been trying to find a way to use those funds to help people within the City of Newark.

Councilman Carrino stated he never had any direct dealings with the Housing Authority until a month ago. Councilman Tucker, Councilman Johnson and he attended a meeting with 300 people concerning rent ceilings. They voted on a resolution with the three of us there, that they would go out and explore different methods and objectives on rent ceilings. The moment we walked out of there, they called another meeting and voted to do the rent ceiling. He thinks whenever it comes to direct funding to the Housing Authority from now on we should determine where the money goes and how it should be spent.

Councilman Johnson noted the next fight you will be hearing about will be protection. It is time for us to make sure that the high rise dwellings which house 33,000 citizens, have some protection.

- 6-HC-d. MR. D. J. HENDERSON, 29 OLD ROAD TO BLOOMFIELD, NEWARK, NEW JERSEY addressed the Municipal Council with respect to signs which are attached to traffic signals, light poles, trash receptacles and mail boxes. He said he is aware there is an ordinance in effect prohibiting this action but the ordinance is not being enforced. He urged the Council to consider taking necessary action to clean up this unsightly aspect of the City.

Councilman Carrino said he would like to meet with Mr. Henderson to draw up suggestions and present them to the Council.

President Harris said the individuals whose names appear on the signs should be charged for the work involved by city employees.

- 6-HC-e. MS. NANCY ZAK, 48 READ STREET, NEWARK, NEW JERSEY.
- 6-HC-f. MS. JUNE KRUSZEWSKI, 27 SCHALK STREET, NEWARK, NEW JERSEY.
- 6-HC-g. MS. ALICE PIETRUCHA, 63 BRILL STREET, NEWARK, NEW JERSEY.
- 6-HC-h. MR. ROBERT CARTWRIGHT, 137 FLEMING AVENUE, NEWARK, NEW JERSEY.

The above speakers addressed the Municipal Council with respect to appeal from granting of variance to Nico Shredding Company, 218 Richard Street. These speakers cited the steps taken by them in connection with filing this appeal and alleged they were not given complete information by the City Clerk's Office and the Law Department of the City Of Newark. They felt they were not receiving correct information with respect to filing the appeal and requested the Developer and Council meet to extend the deadline imposed by law.

Assistant Corporation Counsel Michael Dougherty outlined the legal aspects involved in filing this appeal and stated if no action is taken by the Governing Body within 95 days of date of publication by the Board of Adjustment that will constitute a decision affirming the action of the Board. He said 95 days will expire approximately August 19th.

Councilman Martinez noted Ms. Bressler had indicated to him an appeal had been filed by Ms. Zak who used an address at 104 Fleming Avenue and Ms. Zak did not reside there.

Councilman Tucker said Council requires a definitive legal opinion dealing with this entire matter. If the appellant did not reside within 200 feet and the City Clerk so informed her some definitive action should have taken place by the Corporation Counsel indicating the approaching deadline date.

Councilman Martinez suggested Assistant Corporation Counsel Dougherty could possibly meet with Ms. Zak to resolve whether she is entitled to an appeal.

Councilman Tucker replied he wanted a legal opinion and did not want Mr. Dougherty to meet with these individuals. He felt a legal opinion should be in writing.

Councilman Martinez said this is the first time he recalls that an appellant has had difficulty with respect to filing an appeal in the City Clerk's Office. He felt the Board of Adjustment and the Police Department should be requested to investigate remarks by some of the speakers with respect to alleged violations. He requested the Acting City Clerk to respond to some of the allegations made with respect to the City Clerk's Office.

Acting City Clerk Korngut gave a detailed chronology of the events in connection with this appeal, noting there were extended lapses of time between communications sent by the City Clerk and responses received from the Appellant. He noted the City Clerk was in contact with the Corporation Counsel's Office at all times in connection with this matter. The Acting City Clerk pointed out the appellant received a communication from the City Clerk's Office on June 24th indicating they could amend the appeal to qualify for the required residency and appellant appeared in the Clerk's Office 1 month later on July 23rd. At this time the City Clerk informed her she would have to consult with the Law Department because the time for appeal was running out.

Council President Harris asked the Acting City Clerk if an applicant filing an appeal received information with reference to such application.

Acting City Clerk Korngut advised the employees in the City Clerk's Office are familiar with the application and in addition to instructions printed on this form, inform the applicant of procedures involved.

Councilman Tucker said he is sure the City Clerk Staff is familiar with the appeal process since this was generated at the request of the Municipal Council. He felt there was a question as to the 95 day period involved and pointed out only the applicant can waive this time limit.

August 13, 1980

6-HC-i. MR. DON JACKSON, 128 SOUTH 6TH STREET, NEWARK, NEW JERSEY.
6-HC-j. MS. CATHERINE M. DALY, 353 SOUTH 6TH STREET, NEWARK, NEW JERSEY.
6-HC-k. MS. EVALYN A. ALEXANDER, 37 ROSS STREET, NEWARK, NEW JERSEY.
6-HC-l. MS. THELMA FLEMING, 109 LITTLETON AVENUE, NEWARK, NEW JERSEY.
6-HC-m. MS. VIOLA COOK, 275 NORTH MAPLE AVENUE, NEWARK, NEW JERSEY.

The above speakers representing 6 Catholic Churches registered complaints with the Municipal Council with respect to demolition of buildings. They indicated they have been attempting to speak with the Business Administrator and have been unable to effect such a meeting. These speakers indicated a coalition of their churches was formed to act on various issues and they have had meetings with various City officials. However, they have been unsuccessful in arranging any meeting with the Business Administrator to speed up the process of demolition. One of the speakers presented a petition signed by 200 parishioners requesting a meeting with Mr. Hill.

Councilman Johnson noted an ordinance has been introduced at this meeting which he trusts will speed up the process of demolition. He asked the speakers to make available to the City Clerk's Office the names of city employees who allegedly own abandoned properties.

Councilman Harris indicated petitions offered by Mr. Jackson will be forwarded to the Business Administrator.

6-HC-n. MS. MARTHA HAUSER, 272 NORTH 7TH STREET, NEWARK, NEW JERSEY.
6-HC-o. MS. LYDIA ANTONACCI, 272 NORTH 7TH STREET, NEWARK, NEW JERSEY.
6-HC-p. MS. LAURICE REAGANS, 272 NORTH 7TH STREET, NEWARK, NEW JERSEY.

The above speakers addressed the Municipal Council with respect to the problems existing in the City with drug addicts, muggings, robberies, etc. These speakers indicated the citizens of the City cannot continue to take this abuse and asked assistance from the Council to try to alleviate these problems.

President Harris stated the City recognizes this major problem brought to their attention by the speakers. The elected officials are attempting to make a strong stand with respect to these matters. He noted the State Legislature has failed to adopt legislation with respect to enforcing gun laws. He said it is incumbent upon the citizens to make those who serve on various legislative bodies aware of problems existing in this and other communities and that the working people are going to have to take a stand.

Councilman Bottone said the whole City of Newark is faced with problems pointed out by the speakers and he alluded to contact with the Prosecutors office and the Police made over 3 years ago and the crimes referred to are ever increasing. He said the citizens of the City must support the referendum which will appear on the November ballot increasing the number of policemen on the Newark Police force.

Councilman Carrino pointed out we have 450 less officers than we had 6 years ago and we have a 40% increase in crime. He felt we cannot begin to resolve these problems until the police force is increased.

Councilman Tucker referred to a matter with respect to an address where drugs were being manufactured and he had given the address of the seller. He felt even with the number of men currently on the force he cannot understand why the police cannot deal with problems as obvious as this. He noted on a normal narcotics case it takes a minimum of 6 months to a year for that person to come to trial. He felt everyone should be aware of the fact that the Prosecutor's downgrading is based on occupancy rate with respect to Essex County jail and Trenton State prison. He said the Council is going to try to work with other agencies to resolve a workable criminal justice plan.

Councilman Bottone said the remarks made by Ms. Hauser should be forwarded to the Business Administrator, Police Director, the Prosecutor and the Mayor.

Councilman Martinez noted there is a curfew ordinance which is not being enforced. He pointed out that people signed petitions for a referendum which will appear on the ballot in November setting forth a minimum of 1200 police officers for the City of Newark. He urged the citizens to support this referendum.

PAUL WILLIAMS, 462 SIXTH AVENUE, NEWARK, NEW JERSEY addressed the Municipal Council with respect to the killings of Jonathan Marable and Mr. Harold Wilson. He felt the causes of crime are lack of jobs for young people. He felt the Council should ask a thorough investigation into the occurrences which led to the death of Mr. Wilson.

Councilman Grant thanked Mr. Williams for his concern for the safety of the people, the concern in which all share. He noted the Council can enact its position legislatively but sometimes they have to take on the role of administrator. He pointed out the Council had adopted an ordinance which will make administration more accountable in terms of demolishing abandoned buildings, Council has indicated to the Housing Authority if they do not utilize appropriation for senior citizens program they will not get funding and two years ago enacted an ordinance requiring smoke alarms in dwellings.

Councilman Tucker remarked a large number of young people may need jobs but he is sure not all of the muggers are doing so because of economic survival. He cannot sympathize with anyone who steals just to buy dope. He said the jails are the failure of our society because we have failed to rehabilitate individuals. Nothing is all black or white there is a tremendous amount of gray area.

President Harris said he cannot and will not consider giving an award to anyone who commits a crime and he understands the social ills of America. When the call was given during the Civil Rights struggle he was on the line in Mississippi, Alabama, and St. Augustine. When crimes are committed on citizens of this City there is some suggestion a medal be given to these individuals. He would throw away the key. Whatever anyone earns is his and no one has the right to come along and take it away.

MS. HELEN LAND, 105 NORTH 9TH STREET, NEWARK, NEW JERSEY addressed the Municipal Council with respect to a vacant building on North 9th Street which they had requested be demolished. She inquired what strategy is proposed to deal with problems such as this.

Councilman Carrino replied there is a great deal of drug traffic on Summer Avenue and Heller Parkway. When he finds out who owns the cars involved he sends letters to the parents telling them their children are buying drugs. The businessmen and owners are breaking the windows of these cars so these young people do not come back to the city.

A motion to permit Mr. Nat Pettiford to address the Municipal Council was made by Councilman Carrino, seconded by Councilman Grant and adopted by the following votes:
Yes: Councilmen Bottone, Carrino, Grant, Johnson, Martinez, Tucker, Villani, President Harris.

6-HC-s.

MR. NAT PETTIFORD, 386 DAYTON STREET, NEWARK, NEW JERSEY alleged some of the conduct of some of the Commissioners of the Newark Housing Authority has been unreasonable. He felt they have not dealt fairly with the tenants with respect to rent ceiling.

President Harris suggested Mr. Pettiford come to his office and he will confer with him with respect to a closed meeting that was held.

Councilman Carrino said at the last meeting a motion was made requesting the Newark Housing Authority not to enact a rent ceiling until they have exhausted every means of finding other solutions to their financial problems.

The City Clerk stated the question before the Council is "Shall the Municipal Council override the Mayor's veto of 'An ordinance to amend an ordinance entitled "An ordinance to amend Title 2, Chapter 5, Section 11, Paragraph (b) (1) (A), Powers and Duties of City Purchasing Agent, of the Revised ordinances of the City of Newark, New Jersey, 1966."'

September 3, 1980

The City Clerk read the following veto message from Mayor Gibson"

August 15, 1980

To: City Clerk and Municipal Council

Re: Veto of Ordinance 6 S & F-be to amend Title 2, Chapter 5, Section 11, Paragraph (b) (1) (A), Powers and Duties of City Purchasing Agent, of the Revised ordinances of the City of Newark, New Jersey, 1966.

I am returning as rejected the above Ordinance 6S&Fc.

I reject the Ordinance for the following reason:

1. The City Council already has the authority to withhold the approval of contracts as this Ordinance would provide. To require the Administration to obtain prior approval to advertise or receive bids would seriously restrict our ability to conduct Municipal business in an expeditious manner.

/a/ Kenneth A. Gibson
MAYOR

A motion to override the Mayor's veto of this ordinance was made by Councilman Johnson, seconded by Councilman Carrino and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

The City Clerk: The Mayor's veto of this ordinance is overridden. This ordinance will be advertised according to law.

(Copy of ordinance submitted to each Member of the Council)
(Ordinance adopted by the Municipal Council August 13, 1980)
(Ordinance rejected by the Mayor August 15, 1980)

The City Clerk stated the question before the Council is "Shall the Municipal Council override the Mayor's veto of 'An ordinance establishing an annual allowance in lieu of expenses for Members of the Municipal Council of the City of Newark, New Jersey.'

The City Clerk read the following veto message from Mayor Gibson

August 15, 1980

To: City Clerk and Municipal Council

Re: Veto of Ordinance 6S&Fe "An Ordinance establishing an annual allowance in lieu of expenses for Members of the Municipal Council of the City of Newark, New Jersey."

I am returning as rejected the above Ordinance 6S&Fe.

I reject the Ordinance for the following reasons:

1. The change from expense allowance for Council Members to an annual allowance is in affect an increase in salary for the Municipal Council without the traditional accountability that is required by the previous expense process.
2. Approval of such an Ordinance is not in the best financial or service interest of the people of the City of Newark.

/a/ Kenneth A. Gibson
MAYOR

September 3, 1980

A motion to override the Mayor's veto of this ordinance was made by Councilman Johnson, seconded by President Harris and declared adopted by President Harris by the following votes:

September 3, 1980

Section 2. Commencing September 1, 1980 every position contained herein shall be established and ordained at the work week noted.

Section 3. All prior ordinances or parts of prior ordinances which relate to the above position titles, hours of employment, number of positions, annual minimum salary and annual maximum salaries therefor, which are inconsistent herewith are hereby repealed.

Section 4. This ordinance shall take effect upon final passage and publication and in accordance with the laws of the State of New Jersey.

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

No one appearing, a motion to close the hearing and adopt the ordinance on second reading and final passage was made by Councilman Bottone, seconded by Councilman Carrino and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

President Harris: The yeses are nine and the noes are none. This ordinance having been read on two separate days and having achieved the vote required by the statute, is declared adopted. The City Clerk is directed to deliver same to the Mayor for his approval or disapproval.

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing date set. It is now before you for public hearing, second reading and final passage:

AN ORDINANCE AMENDING THE CHARTER OF THE CITY OF NEWARK, NEW JERSEY, BY ELIMINATING THE REQUIREMENT FOR RUN-OFF ELECTIONS, PURSUANT TO THE PROVISIONS OF SUB-SECTION (a) OF SECTION 17-11 OF P.L. 1980, C.75.

WHEREAS, effective July 1, 1954 the voters of the City of Newark, by a referendum held on November 3, 1953 and acting pursuant to the Optional Municipal Charter Law (R.S.40:69A-55 et seq.), commonly known as the Faulkner Act, adopted Article 5, Mayor Council Plan C (R.S.40:69A-55 et seq.) of that statute as the form of local government; and

WHEREAS, pursuant to this Plan, 9 Councilmen are elected on a nonpartisan basis at the regular municipal election for a term of 4 years: one councilman from each of the 5 wards and 4 councilmen at large (R.S.40:69A-55 (d)); and the Mayor is elected at the regular municipal election for a term of 4 years (R.S.40:69A-58); and

WHEREAS, Chapter 75, Law of 1980, approved on July 24, 1980 authorizes a municipality governed by Article 5 to amend its Charter to eliminate run-off elections.

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

Section 1. That it adopts the provisions of subsection (a) of Section 17-11 of P.L.1980, C.75 (C.40:69A-160) which reads as follows:

17-11 (a) At the regular municipal election of any municipality which has adopted articles 3 through 6, inclusive, or 9 through 12, inclusive, of this Act, the candidates receiving the greatest number of votes cast shall be elected to the respective offices.

September 3, 1980

Section 2. Any existing provision of the Charter of the City of Newark, New Jersey, inconsistent with this Ordinance is hereby repealed.

Section 3. This Ordinance shall take effect upon approval by the voters, pursuant to a referendum to be held at the next general election.

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

Mr. D. J. HENDERSON, 29 OLD ROAD TO BLOOMFIELD, NEWARK, NEW JERSEY, asked why these run-off elections were being eliminated.

Councilman Carrino said the Governor had signed a bill that allows the City to either have the run-off or eliminate it and this ordinance would put it on a referendum so the citizens of Newark would decide whether we should have it or not. If this Council votes for this ordinance it would only be to put it on a referendum.

MS. HELEN POCH, 687 SUMMER AVENUE, NEWARK, NEW JERSEY, said she was of the opinion this ordinance would eliminate the run-off election but since this ordinance puts the issue on a referendum she has no reason to comment.

No one else appearing, a motion to close the hearing and table this ordinance was made by Councilman Johnson, seconded by President Harris and declared adopted by President Harris by the following:

Yes: Councilmen Grant, James, Johnson, Tucker, President Harris.

No: Councilmen Bottone, Carrino, Martinez, Villani.

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing date set. It is now before you for public hearing, second reading and final passage:

AN ORDINANCE OF THE CITY OF NEWARK AWARDED MUNICIPAL CONSENT TO CONSTRUCT AND OPERATE A CABLE TELEVISION SYSTEM TO CONNECTION COMMUNICATIONS CORPORATION, INC.

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK AS FOLLOWS:

Section 1. PURPOSE OF THIS ORDINANCE

The purpose of this ordinance is:

A. To grant to Connection Communications Corporation, Inc. a duly organized corporation of the State of New Jersey with offices located at 24 Commerce Street, Suite 430, Newark, New Jersey, consent to place in, upon, along, across, above, over and under the highways, streets, alleys, sidewalks, public ways and public places in the municipality poles, wires, cables, underground conduits, manholes and other television conductors with fixtures necessary for maintenance and operation in the City of Newark of the cable television system and cable communications system. Construction pursuant to said consent is conditioned upon prior approval of the Office of Cable Television of the Board of Public Utilities.

B. The municipal consent granted in subsection (A) of this section shall be non-exclusive, and subject to annual review by the municipality as to the operation of the system.

Section 2. DEFINITIONS

For the purpose of this ordinance, the following terms, phrases, words and the derivations thereof shall have the meaning given herein. Such meaning or definition of terms is supplemental to those definitions of the Federal Communications Commission, FCC Rules and Regulations, Section 76.1 et seq., 47 C.F.R. 419 et seq. (1972) as amended, and the Cable Television Act, N.J.S.A. 48:5A-1 et seq. and shall in no way be construed to broaden, alter or conflict with Federal or State definitions:

A. Municipality is the municipality of Newark, County of Essex in the State of New Jersey.

B. Company is the grantee of rights under this ordinance and is known as Connection Communications Corp., Inc.

C. Act or Cable Television Act is Chapter 186 of the General Laws of New Jersey, 1972, Section 48:5A-1 et seq.

Section 3. STATEMENT OF FINDINGS

A public hearing concerning the franchise herein granted to the company was held after proper public notice pursuant to the terms and conditions of the Act. Said hearing having been fully open to the public, and the municipality having received at said hearing all necessary information concerning the qualifications of the company to receive this franchise, the City of Newark hereby finds that the company possesses the necessary legal, technical, character, financial and other qualifications and that the company's operating and construction arrangements are adequate and feasible.

Section 4. DURATION OF FRANCHISE

The consent herein granted shall expire fifteen (15) years from the effective date of this ordinance.

Section 5. FRANCHISE FEE

Pursuant to the terms and conditions of the Act, the Company shall, during each year of operation under the consent granted herein, pay to the Municipality two (2%) percent of the gross revenues from all recurring charges in the nature of subscription fees paid by subscribers to its cable television reception service in the municipality.

Section 6. FRANCHISE TERRITORY

The consent granted herein to the company shall apply to the entirety of the municipality and any property hereafter annexed thereto.

Section 7. CONSTRUCTION TIMETABLE

The company shall begin construction not later than nine (9) months from the date it receives a Certificate of Approval from the Office of Cable Television. The company shall be required to complete all construction within the service area described herein within eighteen (18) months thereafter.

Section 8. EXTENSION OF SERVICE

The company shall be required to proffer service to any person, residence or business located within the franchise territory in accordance with the following provisions:

1. Any additional extension of the system which is necessary in the future but not contemplated in the application shall be made at no cost to potential subscribers and shall be made in accordance with the line extension policy now or hereafter promulgated by the Office of Cable Television.

Section 9. CONSTRUCTION REQUIREMENTS

1. Restoration: In the event that the company or its agents shall disturb any pavement, street surfaces, sidewalks, driveways or other surfaces in the natural topography, the company shall at its own expense restore and replace such places or things so disturbed in as good condition as existed prior to the commencement of said work.

2. Relocation: If at any time during the period of this consent, the municipality shall alter or change the grade of any street, alley or other way or place, the company, upon reasonable notice by the municipality, shall remove, re-lay and relocate its equipment at the expense of the company. The company shall temporarily move or remove appropriate parts of its facility to allow moving of buildings or machinery in similar circumstances. The expense shall be borne by the party requesting such action except when requested by the municipality in which case the company shall bear the cost.

3. Removal or trimming of trees: During the exercise of its rights and privileges under this franchise, the Company shall have the authority to trim trees upon and overhanging streets, alleys, sidewalks and public places of the municipality so as to prevent the branches of such trees from coming in contact with the wires and cables of the company. Such trimming shall be only to the extent necessary to maintain proper clearance for the company's facilities.

4. The City, acting through officials so designated by the Governing Body, shall have the right to inspect all construction or installation work performed by the company or its subcontractors and make such inspections as the City deems necessary to insure compliance with the terms of the permit issued and all local ordinances and regulations. The presence of a City inspector is in no manner to be presumed to relieve in any degree the responsibility or obligation of the company.

Section 10. LOCAL OFFICE

During the term of this franchise the company shall maintain a local business office or agent in the City of Newark for the purpose of receiving, investigating and resolving all complaints, regarding the quality of service, equipment malfunctions and similar matters. Such local business office shall be open during normal business hours and in no event less than 9:00 A.M. to 5:00 P.M. Monday through Friday.

Section 11. MUNICIPAL COMPLAINT OFFICER

The City, acting through an official who shall be designated by the Governing Body as the Municipal Complaint Officer, will receive and act upon complaints by subscribers to cable television reception service provided pursuant to this franchise. All complaints and procedures shall be received and processed by this official in accordance with N.J.S.A. 48:5A-26, N.J.A.C. 14:17-7.1, and appropriate procedures to be implemented by the Municipal Complaint Officer. Notice of the procedures for reporting and resolving complaints and the identity and location of the Municipal Complaint Officer will be given to each subscriber by the company at the time of initial subscription to the cable system and at least once in each calendar year of subscription.

September 3, 1980

Section 12. SYSTEM STANDARDS

On or before the 25th day of March of each year, the company, through its authorized agents or representatives shall appear before the Municipal Council to report and answer questions concerning the progress of the construction project, service, programming and any other relevant matters which the Municipal Council deems to be in the public interest. The Municipal Council reserves the right to direct the company through its authorized agents or representatives to appear before it on such other occasions as the Municipal Council deems fit, to advise the Council of the progress of the construction project and to answer questions concerning any other matter relevant to service provided to Newark residents. The date and time that the company shall be directed to appear shall be determined by the Municipal Council and the company will be notified of same in writing twenty (20) days before said meeting. Notice of the company's appearance before the Municipal Council shall be published in accordance with the Open Public Meetings Act, N.J.S.A. 10:4-6 et seq.

On or before the 1st of March of each year, the company shall prepare and submit an annual status report to the Office of the City Clerk. This report shall include the progress of the work being performed, the milestones attained, the problem areas encountered and the corrective action taken, the total number of subscribers for each service offered, the number of complaints received, the reasons for said complaints and any projected or completed changes or alterations or adjustments to the application as it is described in Section 21.

Section 13. TRANSFER OF OWNERSHIP

Should the company apply to the Office of Cable Television for permission to sell or transfer any share or shares of its capital stock to another CATV company, the company is directed to notify the Municipal Council in writing through the Office of the City Clerk, of its intention to make such application not later than sixty (60) days prior to its application to the Office of Cable Television.

Section 14. DISCONTINUANCE OF SERVICE

Should the company desire to discontinue service or temporarily suspend service, and petition the Office of Cable Television for permission to do so, the company is directed to notify the Municipal Council in writing of its petition not later than ten (10) days prior to its application to the Office of Cable Television.

Section 15. PERFORMANCE BOND

During the life of the franchise, the company shall give a bond to the City of Newark which bond shall be in the amount of \$25,000. Such bond shall be to insure the faithful performance of all undertakings of the company as represented in its application for municipal consent incorporated herein.

Section 16. RATE STRUCTURE

The City of Newark, having determined that the rates proposed in the application for cable television reception service are reasonable, approves them as presented, subject to review by the Office of Cable Television of the Board of Public Utilities.

Whenever the company shall submit a tariff filing or petition to the Office of Cable Television which proposes an increase in rates or charges to customers or revisions, changes, or alterations in any classification, practice, rule or regulation so as to result in such an increase, the Company shall serve a notice of the filing and a copy of the proposed tariff or a copy of the petition or a statement of the effect of the proposed filing, upon the City Clerk not later than twenty (20) days prior to the date upon which said tariff filing or petition will be acted upon by the Office of Cable Television.

Section 17. INTERCONNECTION AND SPECIALIZED SERVICES

In the event that the City of Newark determines that it is necessary and feasible for it to contract with the company for the purposes of providing interconnection services or other specialized services, the company shall be required to apply to the Board for approval to enter into and establish the terms and conditions of such contract. The cost for such application to the Board shall be borne by the City of Newark.

Section 18. ORIGINATION CHANNEL

The company shall be required to provide one channel on which there shall be provided programming, other than that received by broadcast channels, which shall be subject to the exclusive control of the company.

Section 19. TWO WAY SERVICE

In the event the municipality requires the provision of any two way cable television service other than point-to-point intrastate non-video transmissions, prior FCC authorization will be obtained based on a showing of need as contemplated in paragraph 22 of the Clarification of Rules, FCC74-384, 46 FCC 2nd 175 (1974). Should the municipality or the Company propose the provision of any two way point-to-point intrastate non-video transmissions prior approval of the Board of Public Utilities will be obtained.

Section 20. LIABILITY INSURANCE

The Company shall obtain and keep in force during the period of construction under this consent public liability and property damage insurance in companies and in form to be approved by the City of Newark. Said insurance shall provide coverage to the company, any contractors or sub contractors performing work under this consent and the City of Newark. The City of Newark shall be named as an additional insured on the said policy insofar as the work and obligations performed under this consent are concerned. The coverage so provided shall protect against claims for personal injuries including accidental death, as well as claims for property damages which may arise from any act or omission of the City of Newark, the company, its contractors or sub contracts, or by anyone directly or indirectly employed by either of them.

The insurance shall be written for not less than any of the following limits of liability: bodily injury liability \$500,000 for each person and \$1,000,000 for each occurrence, property damage liability \$100,000 for each claimant and \$500,000 for each occurrence. The Company shall maintain insurance in the sum of \$300,000 for all other types of liability.

A. The above policies for public liability and property damage insurance must be so written as to include contingent liability and contingent property damage insurance to protect the company against claims arising from the operations of subcontractors.

B. All of the companies insurance coverage shall contain a clause indemnifying and saving harmless the City of Newark, its employees and agents from any and all liability of whatever nature arising from the work to be performed under this consent, including attorneys fees and costs in connection with the defense of such claims. The certificate of insurance furnished by the company shall spell out specifically that the above indemnification is guaranteed by the policy. An endorsement covering the City of Newark shall be included in all policies as follows: "The City of Newark, its officers, agents, servants and employees are indemnified and saved harmless against any act, omission, condition or claim arising out of and during the performance of work under this consent."

September 3, 1980

C. The Company hereby agrees after reasonable notice to defend and pay the expense of defending any suit which may be commenced by a third person by reason of any carelessness or negligence on the part of the City of Newark, the company, its agents, contractors, subcontractors and employees, in the performance of this consent and will pay any judgment which may be obtained against the City of Newark in such a suit.

D. The company shall not commence work under this consent or under any special condition until all insurance as required has been obtained. A copy of the insurance policies containing all provisions as provided for, together with a copy of the endorsements required hereinbefore, naming the City of Newark as an additional insured, shall be provided to the City within a reasonable time after the company accepts the terms and conditions herein.

E. The company shall take out and maintain during the life of the consent, worker's compensation insurance for all of its employees and in case any work is sublet, the company shall require the subcontractors similarly to provide worker's compensation for all of the latter's employees unless such employees are covered by the protection afforded by the company.

F. After the period of construction, the company shall maintain insurance as required by the Cable Television Act.

G. The insurance policies outlined above shall be approved by the Corporation Counsel of the City of Newark and filed with the City Clerk prior to the commencement of work. Each such policy shall contain an endorsement providing that such policy may not be materially changed or cancelled by the named insured or by the issuing insurance company unless written notice thereof is sent 15 days prior thereto to the City Clerk by certified mail provided however, that such endorsement shall not abrogate the duty of said company to maintain such policies in full force and effect.

Section 21. INCORPORATION OF THE APPLICATION

All of the minutes taken in connection with this application, and all of the correspondence submitted in connection therewith, and all of the written commitments contained in the written application, except as modified herein, are to be considered to be binding upon the applicant as the terms and conditions of this consent, and that application shall be annexed hereto and made a part hereof by reference, provided that any provisions of the application in conflict with the provisions of the Cable Television Act, N.J.S.A. 48:5A-1 et seq, and or FCC Rules and Regulations 5576.1 et seq. (1973) as amended and as clarified, FCC Clarification of Rules, 37 Fed. Reg. 14288 through 14300 (April 1974), shall not be construed as effective under the terms of this grant and such provisions in the application which exceed the FCC Rules and Regulations are considered unenforceable.

Section 22. SEPARABILITY

If any section, subsection, sentence, clause, phrase or portion of this ordinance is for any reason held invalid or unconstitutional by any court or federal or state agency of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions hereof.

It is understood that should any state or federal agency or body modify, change or alter any of its provisions with respect to cable television generally, such modifications, changes or alterations shall be incorporated into this consent consistent with the applicable dates specified in the change.

September 3, 1980

Section 23. EFFECTIVE DATE OF THE ORDINANCE

This municipal consent shall become effective as of the date upon which the municipality receives written notification that the company accepts the terms and conditions herein.

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

No one appearing, a motion to close the hearing and adopt the ordinance on second reading and final passage was made by President Harris, seconded by Councilman Johnson and declared adopted by President Harris by the following votes:

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing date set. It is now before you for public hearing, second reading and final passage:

AN ORDINANCE AMENDING TITLE 15, CHAPTER 9, BUILDINGS UNFIT FOR HUMAN HABITATION, OF THE REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, 1966.

WHEREAS, the Legislature of the State of New Jersey enacted N.J.S.A. 40:48-1, which enables municipalities to adopt ordinances relating to the repair, closing and demolition of buildings unfit for human habitation or occupancy or use, and providing for the remedies and procedure in connection with actions taken under such ordinances; and

WHEREAS, the governing body of the City of Newark, adopted an ordinance on January 4, 1961, R.O. 15:9-1 et seq., to address the problems of unfit buildings and structures within the City of Newark; and

WHEREAS, on March 21, 1979 the New Jersey State Legislature amended and revised N.J.S.A. 40:48-1 by giving municipalities greater authority to address the problems of unfit buildings and structures within the municipality; and

WHEREAS, the Municipal Council of the City of Newark is desirous of incorporating these recent amendments into its present ordinance, R.O. 15:9-1 et seq.

NOW, THEREFORE, BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY, THAT:

Section 1. That Title 15, Chapter 9, entitled "Buildings Unfit for Human Habitation" of the Revised Ordinances of the City of Newark, New Jersey, be and the same is hereby amended to read in its entirety as follows:

15:9-1

(a) The Director of Health and Welfare is hereby given the authority to exercise the powers prescribed by this ordinance, and is hereinafter referred to in this chapter as the public officer.

(b) The public officer may determine any building or dwelling unfit for human habitation or occupancy or use, by reason of its being so infested with disease, or by reason of its being in a condition dangerous to health or life, or to be likely to cause sickness among the occupants, or by reason of its being so decayed, unsanitary, unsafe or vermin-infested, that it creates a serious hazard to the health or safety of the occupants or the public, or by reason of lack of safe illumination, ventilation or sanitation facilities adequate to protect the health or safety of the occupants or the public, or to be likely to increase the risk of fire, dilapidation, destruction, accidents, or other calamities.

15:9-2

(a) That whenever a petition is filed with the public officer by a public authority or by at least five residents of the City of Newark charging that any building is unfit for human habitation or occupancy or use whenever it appears to the public officer (on his own motion) that any building is unfit for human habitation or occupancy or use, the public officer shall if his preliminary investigation discloses a basis for such charges, issue and cause to be served upon the owner of and parties in interest in such building a complaint stating the charges in that respect and containing a notice that a hearing will be held before the public officer (or his designated agent) at a place therein fixed not less than 7 days nor more than 30 days after the serving of said complaint; that the owner and parties in interest shall be given the right to file and answer to the complaint and to appear in person, or otherwise, and give testimony at the place and time fixed in the complaint; and that the rules of evidence prevailing in the courts shall not be controlling in hearings before the public officer.

(b) That if, after such notice and hearing, the public officer determines that the building under consideration is unfit for human habitation or occupancy or use he shall state in writing his findings of fact in support of such determination and shall issue and cause to be served upon the owner thereof and parties in interest an order:

1. requiring the repair, alteration or improvement of the said building to be made by the owner, within a reasonable time, which time shall be set forth in the order or at the option of the owner to vacate or have the said building vacated and closed within the time set forth in the order; and

- (2) if the building is in such a condition as to make it dangerous to the health and safety of persons on or near the premises, and the owner fails to repair, alter or improve the said building within the time specified in the order, then the owner shall be required to remove or demolish the said building within a reasonable time as specified in the said order of removal.

(c) That, if the owner fails to comply with an order to repair, alter or improve or, at the option of the owner, to vacate and close the building, the public officer may cause such building to be repaired, altered or improved, or to be vacated and closed; that the public officer may cause to be posted on the main entrance of any building so closed, a placard with the following words: "This building is unfit for human habitation or occupancy or use; the use or occupation of this building is prohibited and unlawful."

September 3, 1980

(d) That, if the owner fails to comply with an order to remove or demolish the building, the public officer may cause such building to be removed or demolished or may contract for the removal or demolition thereof after advertisement for, and receipt of bids therefor.

(e) That the amount of

(1) the cost of the filing of legal papers expert witnesses' fees, search fees and advertising charges, incurred in the course of any proceeding taken under this ordinance determined in favor of the City of Newark, and

(2) such cost of such repairs, alterations or improvements, or vacating and closing, or removal or demolition, if any, or the amount of the balance thereof remaining after deduction of the sum, if any, realized from the sale of materials derived from such building or from any contract for removal or demolition thereof, shall be a municipal lien against the real property upon which such cost was incurred. If the building is removed or demolished by the public officer, he shall sell the materials of such building. There shall be credited against the cost of the removal or demolition thereof, including the clearance and, if necessary, leveling of the site, the proceeds of any sale of such materials or any sum derived from any contract for the removal or demolition of the building. If there are no such credits or if the sum total of such costs exceeds the total of such credits, a detailed statement of the aforesaid costs and the amount so due shall be filed with the municipal tax assessor or other custodian of the records of tax liens and a copy thereof shall be forthwith forwarded to the owner by registered mail. If the total of the credits exceed such costs, the balance remaining shall be deposited in the Superior Court by the public officer, shall be secured in such manner as may be directed by such court, and shall be disbursed according to the order or judgment of the court to the persons found to be entitled thereof by final order or judgment of court. Any owner or party in interest may, within 30 days from the date of the filing of the lien certificate, proceed in a summary manner in the Superior Court to contest the reasonableness of the amount or the accuracy of the costs set forth in the municipal lien certificate.

15:9-3

(a) If an actual and immediate danger to life is posed by the threatened collapse of any fire damaged or other structurally unsafe building, the public officer may, after taking such measures as may be necessary to make such building temporarily safe, seek a judgment in summary proceedings for the demolition thereof.

(b) Nothing in this section shall be construed to impair or limit in any way the power of the City of Newark to define and declare nuisances and to cause their removal or abatement, by summary proceedings or otherwise, nor is anything in this ordinance intended to limit the authority of the enforcing agency or construction official under the "State Uniform Construction Code Act," P.L. 1975, c.217 (C.52:27D-119 et seq.) or any rules or regulations adopted thereunder.

15:9-4

When the public officer finds that a building or dwelling is unfit for human habitation within the meaning of this housing code and notice thereof has been given to the owner and occupant as above provided, no person shall thereafter, unless pursuant to a stay by a court of competent jurisdiction, receive rentals, offer for rent, or occupy or permit the occupancy of said building or dwelling for human habitation until the public officer has found that the condition causing the premises to be unfit for human habitation has been abated or removed and that the premises are again fit for human habitation. Upon the abatement or correction of the condition, the owner or occupant may make written request to the public officer for a further inspection and hearing. If the public officer shall find the conditions corrected or abated he shall cause the removal of the signs prohibiting occupancy and shall advise all interested persons that occupancy may be resumed.

15:9-5

Complaints or orders issued by the public officer pursuant to this ordinance shall be served upon persons either personally or by registered mail, but if the whereabouts of such persons is unknown and the same cannot be ascertained by the public officer in the exercise of reasonable diligence, and the public officer shall make an affidavit to that effect, then the serving of such complaint or order upon such persons may be made by publishing the same once in a newspaper printed and published in the City of Newark, or, in the absence of such newspaper, in one printed and published in the county and circulating in the City of Newark. A copy of such complaint or order shall be posted in a conspicuous place on premises affected by the complaint or order. A copy of such complaint or order shall be duly recorded or lodged for record with the county recording officer of the county in which the building is located.

15:9-6

Any person aggrieved by an order issued by a public officer under this ordinance may, within 30 days after the posting and service of such order bring an action for injunctive relief to restrain the public officer from carrying out the provisions of the order and

September 3, 1980

for any other appropriate relief. The court may proceed in the action in a summary manner or otherwise. The remedy herein provided shall be exclusive and no person affected by an order of the public officer shall be entitled to recover any damages for action taken pursuant thereto, or because of non-compliance by any person with any order of the public officer.

Section 2. Severability. If any of the articles, sections, sentences, clauses or phrases of this ordinance shall be declared unconstitutional or invalid by a valid judgment or decree of a court of competent jurisdiction, such unconstitutionality or invalidity shall not affect the validity or constitutionality of the ordinance in its entirety or any of the remaining articles, sections, paragraphs, sentences, clauses, and phrases.

Section 3. This ordinance shall take effect upon final passage and publication according to law.

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

MR. DONALD JACKSON, 128 SMITH STREET, NEWARK, NEW JERSEY, A member of the Coalition of Six Catholic Parishes urged the Council to pass this ordinance unanimously. It will give the Director of Health and Welfare another tool to use to rid the City of abandoned buildings. At the last meeting he gave the City Clerk petitions signed by our members requesting a meeting with Business Administrator Hill. This morning Mr. Hill was gracious enough to meet with them.

Councilman Johnson said he has worked for this particular ordinance to be put on the book. He would like Council as a whole to be the mover of this ordinance.

SISTER CATHERINE DALY, 353 SOUTH SIXTH STREET, NEWARK, NEW JERSEY, said she appreciates the fact that this ordinance has been brought up today, but the ordinance does not solve the problem of insufficient funds to effect the actual demolition of buildings. We need legislation by the State compelling the Courts to order the owner to demolish their own buildings without forcing the City to do it first.

Councilman Martinez replied there is legislation on the books. The owner of 36 and 38 Miller Street, two unsightly buildings, was given notice to abolish or abate whatever problems there were. After sufficient time, the Demolition representatives went there, again notified him, he was given a five day extension. When he did not comply, the Demolition team knocked down the two buildings and billed him. He came to his office last week because the City put a lien on his home, in lieu of taxes, the demolition cost was to be borne by the owner of that property. This is a precedent. It is part of the law that is on the books. He suggested we give Sister Catherine Daly a copy of the ordinance complying with the State that the owner should bear the cost.

Councilman Carrino said there is legislation in Trenton for the City to recoup this money from private homeowners. There is also a resolution on this calendar between the City of Newark and the Department of Defense for the National Guard to help the City clean up this property. The City Council has also appropriated \$2½ million for demolition.

Sister Catherine Daly replied she thinks Council and Administration should get together because she heard a completely different story from Mr. Hill. There is only money to take down 75 of the proposed 150 buildings. The list has been compiled by Demolition. We were told this ordinance is going to be rather ineffective.

Councilman Carrino said if Business Administrator Hill said that 75 houses are going down and Council has given him \$2½ million for demolition, then somebody is going to get fired in Administration come September 30th. Last year it cost them \$2 million to knock down 80 houses and we are going to private contractors where we should get three times as many houses down.

Councilman Tucker said there are laws currently on books that the City can tear down a building and put a lien on the property. What you are dealing with is if the Staff has the capability and intent to do it. The City is reluctant to tear down a building which is privately owned because of the certification process when they go to Court. The owner will take the City to Court and say this particular building was in the process of being renovated.. This legislation is just dealing with the classification of the emergency situation.

Councilman James stated the real problem is that we have not developed a definitive program and perhaps your meeting today and future meetings with Administration will bring this about. He opined that no house should go down because any one group lobbied or pressured Administration. There should be a plan so that any citizen living in this city next to an abandoned structure, that building should come down. He hoped that the meetings and lobbying and interest of this group would be a catalyst to bring Administration and Council around the table to develop a plan.

Sister Catherine Daly said the structure is already there and Mr. Isaac Thomas is head of that task force. People are being paid to do a job and we want to see them do that job.

Councilman James said if Administrators who are paid are doing their jobs there would be no need for you to be here and many of our other problems would be resolved. Many administrators are not doing their job and incompetence is evident in many others.

Councilman Johnson said one thing that must take place immediately is to have one of the Councilmen on the demolition task force. The Mayor has appointed a task force that does not touch base at any time with the Council and the Ward Councilmen do not have any input at all at the point of planning. He asked the City Clerk to inform the person in Administration in charge of the demolition task force so that we can have input into what is taking place on that side of city government which affects our wards very crucially.

Councilman Tucker said that people who are currently on the demolition program do not work at demolition. It is about time we interviewed every employee of that unit. We requested a report listing demolitions so that we could look at the vacant lots. We have not received it. Somebody is lying and we cannot allow that to go on. We must take an affirmative stand in regard to our statutory obligations and if we do not do that, than we must recognize that we are a part of the mess. In some of the contracts a contractor is allowed up to 90 days and even beyond that. We need these buildings down overnight.

Councilman Bottone said we know the demolition team of the City of Newark is not performing. It is probably one of the biggest political patronage hidden jobs of the federal monies. He looked at a report that showed some buildings took as long as two and one-half years to demolish, yet a private enterprise took down a supermarket in three days. We have committed ourselves for \$2½ million mostly to contractors and when you speak to the Business Administrator he tells you one thing and tells Council something else, it is devious and should be called malfeasance. He said we should call in the Business Administrator with one or two representatives of this group and let him again say in front of both of us what he said to them today.

President Harris said in view of what he has heard today, it is disturbing because every member of this body has been pressuring Administration because of the incompetence dealing with demolition problems in Newark and he wishes to underline the word incompetence. He requested the City Clerk to have the staff go through the minutes of the meetings we have had with people from Administration on this subject matter and he wants the transcript to show every word that was said up there, every stand we have taken in the past and up until yesterday how we feel about demolition and let the chips fall where they may. Let the truth be known that if we have incompetence you cannot do the job.

Councilman James said this body has called Administration in and said "we would not give you three million dollars to tear 40 houses down." It was this Council who asked they set a goal of 800 a year, it was Council who established contract demolition ward by ward, it was Council that said they must submit records to us, it was Council who demanded they keep records and provide information to this Council, so he cannot understand why this body says we should do more. We need to do more, but we should first recognize that if there is any demolition going on in the City of Newark now it is a result of this body's leadership. We must demand that more goes down. He has suggested they have a special meeting and continue to improve the program.

September 3, 1980

Councilman Carrino said the end result is that no more houses are being knocked down than were knocked down previously. We have given them money, the ability to rent trucks, manpower, the authority to go out for contract and we have given them, counting 1979, \$4½ million to knock down houses and yet the records show we have 1500 abandoned houses and the City has knocked down less than 150 last year with \$2 million. Unless we fire some people from demolition team who do nothing, we know there are members of demolition team who do not even work in demolition and since this is a public hearing we should send for Mr. Hill and let him respond.

President Tucker said that last year Administration submitted a report that indicated that 88 houses had been torn down for the entire year and when he received that report he physically went to those locations. The report is a farce, it does not deal with reality. Some of those houses were torn down prior to 1979, but they were included in the report anyhow. The HUD-HCDA report deals with demolition of houses which took place in development areas. They might have torn down houses but the priority established was to tear down houses directly adjacent to occupied dwelling units and that has not been met. We are mindful of the fact that with the contract that particular building which is embodied within the contract will be torn down. He wants a report at least once a month letting us know what the demolition team is tearing down and he wants the addresses. He says the results do not substantiate the amount of money given to demolition and if we do not do something radical, nothing will change. We get contracts, but the Newark Demolition Team will stay the way it currently is.

Sister Catherine Daly said Director Zach was the one who kept repeating that the funding was insufficient, though there are 150 buildings on the priority list, they have funds for 75.

Councilman Carrino said the Business Administrator of the City of Newark is the main person of the everyday operation of the City. Under added starters we have three contracts being given out today for demolition.

President Harris said he wanted to clarify statements with reference to demolition problems we have in the City of Newark. We hear conflicting stories about what was said today relative to dollars. He asked Business Administrator Hill to state for the record how many dollars are available for demolition.

Business Administrator Hill said in total including the demolition team there is \$3.4 million dollars for 1980.

Councilman Carrino said there is \$1.5 million for the demolition team and \$2 million through contractors. He asked how many houses will be demolished.

Business Administrator Hill said that before Council today for approval are 258 buildings to be let on contract demolition. In the north part of the City on North Broad Street there are 14 or 15 which you previously approve and with whatever the balance is out of the part for contract demolition, the City Engineer and he had estimated that balance would be able to demolish an additional 150. He was told this morning that the balance, based on average cost of demolition, would only do approximately 75.

Councilman Carrino said that is what will be left after the contracts are let.

Business Administrator Hill said that is what they expect to be left.

Councilman Carrino asked what can be anticipated from the demolition team with \$2 million.

Business Administrator Hill said their original estimate was between 700 and 800 buildings this year depending on the number of units in each building.

Councilman Tucker asked when we can expect to receive the report dealing with the number of completions of buildings from the Newark Demolition Team. He is concerned with when the building has been physically taken down.

Business Administrator Hill said he will instruct the City Engineer to forward that report immediately.

Councilman Tucker asked how many buildings the Newark Demolition Team has taken down.

Business Administrator Hill said he did not know.

Councilman James said the Engineering Department has been forwarding the reports and it goes up to July 17th giving the addresses of buildings that have been demolished. Our concern is the amount of money available, which has been indicated as \$4 million, our projected goals, are we on schedule and constant evaluation to see that the job is being done.

Business Administrator Hill said his feeling is they are totally behind schedule for the year. He explained that he had hoped at the beginning of the year, in particular on North Broad Street, to do a survey and go out for bids for those 15 or 16 buildings in hopes those buildings would be demolished before the weather changes. He believes the contract is going to start taking the buildings down with the next 5 or 6 days and that will cause a 5 month delay. During the bidding process and the letting of the contract the City became involved in a law suit which involved the affirmative action plan. Now that the process is rolling again he hopes to come back again with an additional list of buildings and for an additional appropriation.

Councilman Martinez said he thought Sister Catherine Daly was of the opinion there was only 75 houses coming down.

Councilman Carrino asked if the Newark Demolition Team could be responsible for taking down the other 75 on the priority list.

Business Administrator Hill said these are ones we expect to do in our contract demolition process.

Councilman Carrino asked if the Demolition Team will be an on-going demolition team for priority houses.

Business Administrator Hill said that is correct.

Councilman Johnson asked if the priorities will remain the same with buildings next to occupied properties demolished first.

Business Administrator Hill responded affirmatively.

MR. THEODORE MURNICK, 375 MOUNT PROSPECT AVENUE, NEWARK, NEW JERSEY, said we have been hearing this continuously and nothing is done. We know people do not work on jobs, we know the amounts are astronomical, yet nothing is happening. It is not really incompetence, it is indifference on the part of this City, indifference to the people. If this City was run properly, you would not keep getting more and more abandoned buildings. He has lived in Newark for 15 years and he comes here every year and every year it gets worse. All the Councilmen make great speeches, but it is very obvious this city is going down. The reason people are concerned now is because it is getting closer to them. Two years ago it might have been two blocks away so they did not come out, but now it is the house next door. Pretty soon it will be the house on both sides, then it will be their house. You are driving the people out of the City. You just do not do your job. You keep putting up housing for poor people, but the fact is the same poor people come here a year later and say part of the house is falling down.

MR. D. J. HENDERSON, 29 OLD ROAD TO BLOOMFIELD, NEWARK, NEW JERSEY, said he finds it hard to believe that the time of this Council should be taken up talking about what should be a detail in the operation of the City of Newark. Several months ago when a reorganization was proposed in the working aspects of the City of Newark, he indicated to this Council that this proposed reorganization violated every principle of proper administration. It had been slovenly presented, indifferently offered and should not have been approved. In spite of the fact that it was evident, you approved it. He said this reorganization was to cover up, not to eliminate inefficiency or to improve operations.

Mr. Murnick suggested that the ordinance be amended to put a specific time limitation for the Health Officer to go out and inspect buildings after notice.

Councilman Carrino said the Health Officer is not the problem. His department has a list of condemned buildings. The problem is with the demolition team or private contractors who knock them down.

No one else appearing, a motion to close the hearing and adopt the ordinance on second reading and final passage was made by Councilman Johnson, seconded by Councilman James and declared adopted by President Harris by the following votes:

September 3, 1980

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

President Harris: The yeses are nine and the noes are none. This ordinance having been read on two separate days and having achieved the vote required by the statute, is declared adopted. The City Clerk is directed to deliver same to the Mayor for his approval or disapproval.

A motion to consider Resolution 7-R-ba at this time was made by Councilwoman Villani, seconded by President Harris and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

/ 7-R-ba.

RESOLUTION COMMENDING CARL CAMPANELLI, OF 25 VALLEY STREET, NEWARK, NEW JERSEY, FOR OUTSTANDING PERFORMANCE AS AN AMATEUR GOLFER.

(Copy of resolution and correspondence submitted to each Member of the Council)

Councilwoman Villani read the following resolution:

WHEREAS, Carl Campanelli, of 25 Valley Street, in the City of Newark, was victorious in the Greater Newark Open at the Weequahic Golf Course, by defeating a field of 115 competitors vying for 31 spots in the tournament, which was held during the first two weekends in July; and

WHEREAS, Carl Campanelli won the New Jersey State PGO in 1976 and Essex County Men's Championship in that same year, and went on to take the New Jersey State Amateur Championship; and

WHEREAS, the Newark Municipal Council has determined that the outstanding performance of Carl Campanelli as an amateur golfer is a testimony to his ability, efforts and dedication to that sport, and is truly deserving of the recognition of his fellow citizens and the government of the City of Newark;

NOW THEREFORE BE IT RESOLVED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY

That it hereby officially commends Carl Campanelli, of 25 Valley Street, City of Newark, for outstanding performance as a amateur golfer in recognition of his victory in the Greater Newark Open at Weequahic Golf Course.

BE IT FURTHER RESOLVED that a copy of this resolution suitably inscribed be presented to Carl Campanelli.

A motion to adopt the resolution was made by Councilwoman Villani, seconded by President Harris and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

/ 6-Ph, S & F-bc.

Hearings of Citizens.6-HC-a.

MRS. BESSIE WALKER WILLIAMS, 2 NEVADA STREET, NEWARK, NEW JERSEY, addressed
the Municipal Council requesting they take steps to assure a shopping center is
erected in the Ironbound Section.

Councilman Martinez said the only thing the City can do is make recommendations to developers. He understood the concerns of the senior citizens for a shopping center in their area. The Council has nothing to do with building them.

Councilman Carrino pointed out many businesses do not want to come into Newark because of unsafe conditions existing here.

6-HC-b.

MR. ISAAC MUHAMMAD, 520 SPRINGFIELD AVENUE, NEWARK, NEW JERSEY:

6-HC-c.

MR. NASIR RAHIM, 520 SPRINGFIELD AVENUE, NEWARK, NEW JERSEY:

6-HC-d.

MS. MINNIE ALLEN, 325 HAWTHORNE AVENUE, NEWARK, NEW JERSEY:

6-HC-e.

MR. COURTNEY WEEKS, 371 SOUTH ORANGE AVENUE, NEWARK, NEW JERSEY:

6-HC-f.

AL-NISA MUHAMMAD, 397 SOUTH 12TH STREET, NEWARK, NEW JERSEY:

6-HC-h.

MUSHEE ROBINSON, 51 CLIFTON AVENUE, NEWARK, NEW JERSEY; The above speakers

addressed the Municipal Council with respect to the lack of police protection throughout the City. They suggested the Auxiliary Police be recruited to help the current police force. The speakers also pointed out unemployment has increased and the crime situation has increased throughout the City.

Councilman Carrino noted the Council has done everything in their power to increase the number of policemen, but they have received no cooperation from the Mayor. In the referendum this November, the people of this City will have the opportunity to tell the Mayor they want additional men on the police force. He urged the people to go out and vote for this referendum. He also noted there have been allegations that certain policemen are not doing their job and yet, in the past six or eight months, not one policeman has been brought up on charges. In the South Ward, three patrol cars have been patrolling the area instead of seven cars.

Councilman Bottone requested a list of the speakers who appeared at this meeting be forwarded to the Police Director, Business Administrator and the Mayor, to let them know what is on the minds of the citizens who appeared before the Council.

Councilman James cited unemployment is a large factor in crime. Having police on every corner is not going to solve this problem. He noted the citizens come to the Council and complain for lack of protection, yet they do not register the same complaints to the Mayor, who is the head of Administration. It is the Mayor who has the power to increase the table of organization for the Police Department.

September 3, 1980

President Harris said the crime in this City is going to take a concerted effort on everyone's part. He noted there was something pending in the State Legislature, which deals with individuals carrying guns. A first offense calls for five years, second offense calls for ten years and the third offense is fifteen years. He has received cooperation from the Senate and it is up to the citizens to urge their Assemblymen to vote for this legislation. He read the following letter for the record:

GENERAL ASSEMBLY
OF NEW JERSEY
TRENTON

ASSISTANT MINORITY WHIP
W. CARY EDWARDS, JR.
ASSEMBLYMAN, DISTRICT 40 (BERGEN)
16-05 FAIR LAWN AVENUE
FAIR LAWN, N.J. 07410

The Honorable Earl Harris, President
Newark Municipal Council
Newark, New Jersey 07102

Re: Firearm Legislation - S1071

Dear Mr. Harris:

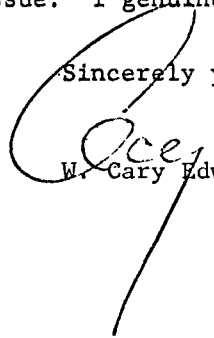

Thank you for writing me again about S1071. Indeed, through your continued correspondence on this issue, you have proven not only the necessity of this vital legislation but your sincere commitment to stem the rising rate of violent crimes. I commend you for your efforts and assure you of my support in this endeavor.

In my opinion, this kind of gun control law is a practical approach to reducing violent crimes. The bill does not unreasonably infringe on an individual's right to possess a firearm. Rather, its intent is to guarantee stringent penalties for those committing crimes.

I was hopeful that after S1071 was unanimously passed by the Senate, the Assembly would quickly act to follow this action. Although the bill has yet to be brought up for a vote, I remain confident that when the legislature reconvenes next week, we will see a concerted effort to pass this measure.

You can be sure I will do my best to convince my Assembly colleagues of the importance and necessity of S1071. Thank you again, for expressing your views on this issue. I genuinely appreciate your interest.

Sincerely yours,

W. Cary Edwards

September 3, 1980

6-HC-g. MS. KINAYA MATHEWS, 3 IRVINE TURNER BOULEVARD, NEWARK, NEW JERSEY, REPRESENTING NEW ARK SCHOOL, pointed out there are limited recreational facilities and activities for youths. The State is getting ready to cut all after-school programs in the State.

Councilman Grant noted the speaker deals with problems of the home and child. He felt this kind of effort should be increased throughout the City. The minds of children should be raised at an early age.

6-HC-i. MS. BERTHA MARTIN, 188 HOWARD STREET, NEWARK, NEW JERSEY, requested the Council to consider naming a street, school or a housing site in the memory of Mr. Harold Wilson, who was recently killed.

Councilman Grant noted a letter has been directed to the Mayor requesting that the new health center of the College of Medicine and Dentistry be named after Mr. Wilson.

6-HC-j. MRS. R. MCPHERSON, 339 WEST KINNEY STREET, NEWARK, NEW JERSEY, addressed the Municipal Council with respect to complaints about a tree limb on her house.

Councilman Johnson said he has contacted Engineering Director Zach and made a visit to the premises. He has been assured by Mr. Zach the situation will be taken care of promptly.

6-HC-k. MS. MICHELE SMITH, 4915 MCCARTER HIGHWAY, NEWARK, NEW JERSEY, addressed the Municipal Council with respect to the House of Insight Center on High Street, and spoke about the danger of closing this institution.

Councilman Grant said the House of Insight is in an area of redevelopment and the Housing Authority has the responsibility of relocating this center.

Councilman Johnson stated he has attended a meeting with the director of the group. Mr. Daniel Blue and Mr. Milton Buck are concerned with this situation of the House of Insight. Mr. Graham and the Councilman have been in contact with the Housing Authority on this matter. He pointed out they will be setting up a meeting with Mr. Blue to resolve this problem.

6-HC-l. MS. BRENDA GILMORE, 28 SUNSET AVENUE, NEWARK, NEW JERSEY, spoke on the same subject as the previous speaker.

6-HC-m. MRS. HELEN POCH, 687 SUMMER AVENUE, NEWARK, NEW JERSEY, addressed the Municipal Council with respect to the illegal turning on of the fire hydrants in the City.

6-HC-n. MR. THEODORE MURNICK, 375 MT. PROSPECT AVENUE, NEWARK, NEW JERSEY, addressed the Municipal Council with respect to lack of police protection, sanitation, and decent education of children. He pointed out people living in new housing are complaining about the housing. There must be something wrong with the system. He noted there was concentration of police protection in the business area and some of that should be diverted to residential areas.

6-HC-o. MR. ABRAHAM MAYER, ESQ., 46 BRANFORD PLACE, NEWARK, NEW JERSEY, addressed the Municipal Council with respect to lease of property 20-24 Branford Place, Newark. The speaker noted this property is up for sale on September 12, 1980 and the offer on the lease bid is due September 15, 1980. He requested the Council to defer action on the lease resolution.

Councilman Martinez said he did not like to see the sale of this property jeopardized and he felt the resolution should be deferred until after the sale.

Councilman Grant felt the lease is before the Council and has no bearing on the purchase of the property. If someone purchases the property, there is a reverter clause on all City leases which indicates if someone purchases the property, the lease becomes null and void.

6-HC-p. MR. JAMES ORANGE, 49 MONTROSE STREET, NEWARK, NEW JERSEY, spoke on plan for education for children involved in family orientation.

Councilman James pointed out there is a curfew ordinance which can not be enforced. With respect to gun confiscation, a bill is presently in the legislature with respect to this matter. Councilman James added the education of our children is the responsibility of the Board of Education.

(Copy of resolution and correspondence submitted to each Member of the Council)

Councilman Carrino asked City Clerk D'Ascensio if this resolution was one of three resolutions that were being presented.

City Clerk D'Ascensio replied in the affirmative.

Councilman Carrino stated he wanted the Council to approve this resolution and the next two resolutions conditionally to put the funds on the clean end of the program in escrow so they can not be used until the Council can check with SLEPA to see if this money could be used for police protection. Since the National Guard is going to come in and help the City with the cleaning of empty lots and debris from the abandoned buildings, the clean part of the component is really not necessary. It is possible to convince SLEPA to let the City use this money for the police protection.

Councilman Johnson said he could not go along with that statement. That money will be used for boarding up buildings. He needs this money for his ward because he has a different demolition problem than the other wards.

Councilman Tucker suggested that Councilman Johnson get from City Clerk D'Ascensio what was reported to him from Mr. Zach as to the three categories of the resolutions which should be identified.

September 3, 1980

The Municipal Council directed City Clerk D'Ascensio to notify Business Administrator Hill that no money should be expended under resolutions 7Rdm, 7Rdn and 7Rdo of this meeting, until such time as there is a clear understanding as to how the other monies under these programs are to be used.

HEARINGS OF CITIZENS.6-HC-a.

MR. EDWARD L. HAYNES, 394 SCHLEY STREET, NEWARK, NEW JERSEY said that on May 16, 1979, he came within a fraction of being killed or permanently injured, when he was ambushed by several people. During the summer of 1980 at least five burglaries took place within his block. His home was broken into at 3:30 A.M. and the police showed up at 5:30 A.M. He asked why it takes so long for the police to respond. All residents of his block association live in fear for their lives and their properties. He would like Council to provide a more visible police force, speed up the response time and take other steps they feel necessary to get the job done in order to reduce amount of fear, save lives and property and improve the image of the City.

Councilman Martinez said there was an ordinance calling for a minimum number of police which was vetoed by the Mayor. What is happening is because of the lay off of police who are down to 874 total from 1300 four years ago. The responsibility of hiring or firing comes through the Mayor and Police Chief. The citizens should try to meet with the man who hires and fires. The Council appropriated the money, the Mayor refuses to spend money on hiring more police. The citizens will have the opportunity of voting on the referendum in November and Councilman Martinez said he is lobbying for that bill.

Councilwoman Villani said she met with the Mayor and discussed all of what the citizens from all parts of the City said on crime. The Mayor's response was that he could not put more policemen back on as he does not want a bankrupt city. She told the Mayor the people did not want excuses, their concern is they cannot leave their homes. The Council's hands are tied. The Mayor told her he wants a solvent city. She advised this group seek to meet with the Mayor.

(Councilman James arrived at 8:35 P. M.)

Councilman Carrino said these conditions exist because of an 874 man police force. He said he can guarantee that on any night there are not more than three cars in any ward and it is impossible for three cars to protect any ward. He said in any precinct there is an average of 75 calls. There is a need for more policemen in the streets. He cautioned those who belong to the Block Watchers Associations not to chase these criminals or they might end up causing injuries to themselves.

Councilman Bottone said he has started a drive in the West Ward to get the vote out for the referendum in November. He said their job is to publicize it. This is a mandate the citizens are asking for and once the law is passed it will be the responsibility of this Administration to cut out the fat they have. He suggested they work together to make this referendum a success.

Councilman Grant said all here share this concern. In the downtown area there has been a decrease of crime because there are police cars visible. People think twice before committing a crime. The business community pressured the Administration to provide more protection to the business section. The people should pressure the Administration and the Mayor to take that to the residential area. There is a need for additional police in the City of Newark.

6-HC-b.

MR. COURTNEY WEEKS, 371 SOUTH ORANGE AVENUE, NEWARK, NEW JERSEY addressed the Municipal Council stating he has listened to the remarks of the Council people, and Council makes promises they never keep. The only action taken is the harassment of the Auxiliary Police. He can understand the Mayor being against big groups but if a group of citizens want to work with the City in cooperation with the Mayor, why are they refused. He said a cop on every corner is not the answer, the answer is every citizen must be a part of this battle.

6-HC-c.

MR. WILBURT KORNEGAY, 838 SOUTH 15TH STREET, NEWARK, NEW JERSEY, said he is President of the Clinton Hill Improvement Association and the South 15th Street Block Association and he addressed the Council about abandoned houses in Newark. There does not seem to be a comprehensive program for the elimination of abandoned buildings. He said Council can deliberate in passing ordinances, in giving money to rid the City of abandoned buildings from day #1, but there is no city agency or the Law Department making inquiries to whom these abandoned buildings belong. The Law Department is not as active as they could be. The City loses needed revenue, they lose needed commercial enterprises that will reduce unemployment.

Councilman James stated that at the last meeting a report stated that there was only money in the budget to demolish 75 structures, but with the new plan, Advisory Council for Abandoned Buildings, at the end of year 800 buildings will be demolished.

Councilman Tucker said that Demolition is averaging five buildings a week. We can only urge they move faster.

Councilman Martinez said that with the present tax structure, no one is going to come into the City and build.

President Harris said the people are not doing their jobs. He reiterated the city will not be turned over to hoodlums, but must do everything to curb the crime situation.

At the invitation of Council President Harris Assemblyman Willie Brown addressed the Municipal Council.

6-HC-d.

ASSEMBLYMAN WILLIE BROWN noted the Governor has agreed to conditionally sign legislation which would permit the City to extend for two years the revaluation program. He spoke about the crime situation existing within the City and pointed out productivity has to be based on the employees doing their jobs. One must make sure they are getting eight hours work before we talk about additional people. He thanked Council for the courtesy extended to him to speak to them.

President Harris thanked Assemblyman Brown for his concern and he questioned what is happening to the gun control legislation S-1017.

Assemblyman Brown responded the bill has not come up for a vote yet in the Assembly. However, he is lobbying for passage of this bill and he is sure the Assembly will pass this legislation.

Councilman Tucker said he speaks for all the members of Council in thanking the Assemblyman for the job he did with respect to the revaluation.

Councilman James spoke with respect to jailing criminals, if he is incarcerated for five years he cannot commit another crime during said incarceration. However, he wished to point out that crime is mostly committed by repeaters.

Councilman Carrino noted that Director Williams has an Internal Affairs Department in which there are several men plus an Intelligence Unit in his office. The Council has asked for reports of men not doing their jobs and there have been very few responses.

6-HC-e.

MS. ARLENE HENRY, 603 ELIZABETH AVENUE, NEWARK, NEW JERSEY addressed the Municipal Council and charged discrimination against small homeowners when their homes are taken away for a minimal amount and they are treated the same as large companies who owe \$1 million in back taxes. The speaker alleged that people have left the City because of high taxes, high water bills, loitering, crime, dirty streets and sidewalks. She also alleged that most of the people who work here do not live here. The speaker noted that youngsters were cleaning the streets during the summer and the sanitation men were still getting paid.

6-HC-f.

MR. FRANK VERDUCCI, Barringer Football Coach, noted that six years ago they were not allowed to enter the playoffs. They obtained an Attorney and went to Court. They are facing the same problem this year. The case went before the Commissioner of Education who ruled there was discrimination and told the N.J.S.I.A.A. they would have to do something about it. The N.J.S.I.A.A. claims it is a private institution. The speaker noted there are two members of the Council who appropriate funds to the Board of Education and the Board of Education pays dues to N.J.S.I.A.A. that the N.J.S.I.A.A. stated this team is inferior to those they would be playing.

Councilman Carrino stated that schools who play in different leagues refused to play Newark Schools because of discrimination. The organization has discriminated also. The Commissioner of Education, if he finds this to be inequitable, has given them a mandate. It has taken five years and they still have not complied. He felt Council should go on record as saying some kind of adjustment should be made. He felt Council should have a letter forwarded to the Commissioner of Education stating we have given them five years and they have not complied.

Councilman James stated that the N.J.S.I.A.A. is stating that Newark teams are inferior. The records show that we have achieved a professional level. Assemblywoman Garvin has been asking for data and record keeping. He felt that the Council should go along with the motion and request the Essex County Assembly to deal with Trenton on this matter. Councilman James continued he will be introducing a proposal under motions from Mr. Anthony Naparano with respect to this situation.

Councilman Martinez referred to the statement by the speaker that two members of the Municipal Council sat on the Board of School Estimate. He felt these members should not vote until this discrimination policy comes to a halt. The Newark Board of Education should be informed of the concern of the Council with respect to this matter.

Councilman Johnson suggested our Law Department should get involved in this matter to insure that we add whatever weight we can to correct this situation.

President Harris directed the City Clerk to inform the Corporation Counsel to file an injunction with respect to this matter and they be in touch with the Law Department of the Board of Education to join our Law Department in the pursuit of correcting this matter.

Councilman Carrino pointed out we should not withhold dues from the N.J.S.I.A.A. because they will then say that since we did not pay dues we will not be able to play in the playoffs.

6-HC-g.

MR. HARRUM MAJEED, 869 CLIFTON AVENUE, NEWARK, NEW JERSEY addressed the Municipal Council with respect to forthcoming playoff games and questioned who made the decisions as to which teams make the playoffs.

6-HC-h.

MS. CAROLYN MOYER, 238 NORTH SIXTH STREET, NEWARK, NEW JERSEY, a mother of a student at Barringer who is a team member, requested the Council to show support with respect to participation in the playoff games.

President Harris replied they have the full support of the Municipal Council.

Councilman Carrino said that if any team has a record permitting them to go into the playoffs, this Council will support them 100 percent.

President Harris commended Mrs. Moyer for her interest and said she should be applauded for being a concerned mother.

6-HC-i.

MS. LOUISE EPPERSON, 303 SEVENTH AVENUE, NEWARK, NEW JERSEY, addressed the Municipal Council and pointed out she had been a personal witness to cars being stripped outside her house. She also registered complaints about conditions of housing on Ludlow Street where elevators are not working and doorknobs are off.

President Harris directed that Ms. Epperson's remarks be forwarded to Mr. Buck and request him to pursue this matter.

6-HC-j.

MS. ADDIE DOWTON, 175 FIRST STREET, NEWARK, NEW JERSEY, registered complaints with the Council with respect to drug traffic by the young people. She asked what Council can do to stop this drug traffic.

Councilman Bottone noted he had had many complaints in his office with respect to drug problems. He said he had forwarded these complaints to the proper authorities and as yet there has been no definitive response. He said Council's hands are tied with respect to taking any direct action.

Councilman Tucker noted he receives a report every two weeks on the number of arrests. He has met with the Police Director, businessmen in the area and the police captains of the Districts. The Narcotic Squad has only two men available 24 hours a day. He said this city cannot tolerate the wholesale business of drugs now taking place and some definitive action must be taken.

Councilman Carrino said the City needs a Narcotic Squad to make surveillance and arrest the top people in the drug ring. He spoke of the conflict between the Essex County Prosecutor's Office and the Police Director when arrests are made in connection with narcotics. Councilman Carrino said this City needs a sixty man Narcotic Squad before this condition can be alleviated.

Councilman Tucker said it is not the number of policemen on the job but how these men are being dispatched and how they are doing their jobs.

6-HC-k.

MR. FRANK HUTCHINS, 469 ELIZABETH AVENUE, NEWARK, NEW JERSEY addressed the Municipal Council with respect to Rent Control. He alleged as fair market values are increased, tenants' rents are being increased.

Councilman Carrino replied public housing tenants are not affected by Fair Market Values with respect to their rents. They pay according to their income. However, the Rent Control Board is going to have to make a determination as to this as a legitimate argument for rent increases.

Councilman James stated this whole question needs further study. He noted there are three buildings in the South Ward that are abandoned but are occupied by squatters. These problems should be resolved by Code Enforcement.

Councilman Tucker noted that Administration is recommending increases be raised to 7% and the 3% Utilities pass-through be raised to 6%. The net result would be the tenants would bear responsibility of paying 13% increase.

6-HC-l.

MR. LEONARD WERTHEN, JR., 6 NORTH NINTH STREET, NEWARK, NEW JERSEY spoke of deterioration in the Roseville area of the City. He felt the Municipal Council is the last line of responsible government that he can see.

6-HC-m.

MS. ANETHA TODD, 43 ROSEVILLE AVENUE, NEWARK, NEW JERSEY addressed the Council on drug treatment center on West Market Street and Sussex Avenue and urged the Council to help in controlling this situation.

6-HC-n.

MR. EDWARD HOWSER, DISTRICT LEADER OF THE 42ND DISTRICT, expressed the need for a 1200 man police force and said they will do everything they can to help to restore policemen to the rolls.

President Harris urged the residents of the City to respond favorably to the referendum at the next General Election which will determine the size of our police department. He pointed out that the Municipal Council are the lawmakers of the City and are not charged with delivering services. The Council provides the Mayor with the finances and the laws to carry out and deliver the services to the people.

6-HC-o.

MS. HELEN LAND, 105 NORTH NINTH STREET, NEWARK, NEW JERSEY addressed the Municipal Council stating she felt it was poor judgement to put a Multi-Phasic Drug Center where there is a school and children. She felt a new school should be constructed at that site.

Councilman James pointed out there is a question of sufficient policemen which is in the hands of the citizens of the City at the next election. If the Mayor lobbies against this referendum it might not pass. The only solution left for this body is to relieve the Police Director based on charges against him of not doing his job. If the department continues to fail, the only solution is to change the leadership and trust the new person appointed can do a better job.

6-HC-p.

MR. NATHANIEL PETTIFORD, 386 EIGHTH STREET, NEWARK, NEW JERSEY, President of the Otto Kretschmer Homes Tenant Association, thanked the Council for their assistance with respect to some of their social service problems. He read a letter sent to Mr. Buck setting forth the seriousness of conditions at their homes and said they are being dehumanized.

Councilman Martinez requested a copy of the letter which he supports and said he would do whatever he can with Mr. Buck to see these conditions are met.

Councilman Tucker pointed out the Council urged the Mayor to deal effectively with the Senior Citizens program but at the end of this month that program is still going to close. He alleged that as far as Housing Authority is concerned all you are seeing is a change in faces and no change in intent. He said he supports the Senior Citizens Program wholeheartedly.

A motion to adopt the resolution was made by Councilman Johnson, seconded by President Harris and failed of adoption by the following votes:

Yes: Councilmen Grant, Johnson, President Harris.

No: Councilmen Bottone, Carrino, James, Martinez, Tucker, Villani.

Councilman Carrino said the Council is attempting to take HCDA money, which is supposed to be used for Community Development for every ward in the City of Newark. Many centers have been closed and people have been laid-off. Fifty men were taken off the HCDA package because there was no more money. He does not know who negotiated these things. It is his feeling that when somebody is trying to put up Housing Development in certain areas, the Housing Authority makes all the arrangements for that group to purchase land and relocate people. He spoke to HUD and was told it is especially prohibited to be in the HCDA package, this is something they would not like to see done. Now \$300,000. is going to be taken and given to a man who will take his business and move elsewhere.

September 17, 1980

Councilman Bottone remembered at one of the conferences, a suggestion was made that the Housing Authority immediately evict this person because he was on a month-to-month basis of rental. The builder of this development would give this person up until March 1 to evacuate, so he can start his construction all around the site. This man would have ample time to move. There is no reason why the Housing Authority has not gone into condemnation and proceed with the project.

Councilman Carrino also remembered the Council had a meeting with Dennis Cherot and Wallace White to straighten out hundreds of dollars for projects that Council wanted to start in their wards, and they were told the budget was too tight. All of a sudden, with a Line Item Budget, \$300,000. appears for a loan for a private individual. He wanted to know where that money came from. He wants Mr. Cherot and Mr. White to explain to Council where the money came from. Every penny is accounted for in that budget.

Councilman Tucker stated a Line Item Budget was submitted to Council and the amount was \$886,000. Mr. Cherot and Mr. White indicated to Council at that time it was a Contingency Fund. Out of these funds, it was considered in regard to MPDQ for a salary differential, similar to the other employees. He indicated some of the people were on different steps and the amount of money was needed for salaries out of their budget. He assumes the Contingency Budget is going to be expanded.

A motion to table this resolution was made by Councilman Carrino, seconded by Councilman Bottone and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, James, Martinez, Tucker, Villani.

No: Councilmen Grant, Johnson.

Not Voting: President Harris.

(Copy of ordinance and correspondence submitted to each Member of the Council)

President Harris said it is hoped this will be the first phase in terms of a problem we have in the City of Newark that is unfortunate for all the citizens. He doubts very much whether there are many people who live in the City of Newark who feel comfortable and safe leaving their jobs and walking the streets. It is a problem that must be met head on as a challenge. He indicated there is a difference that exists between this body and the Chief Executive of the City of Newark as it relates to facing this problem. If there are three things they can accomplish in their term of office that would do something about changing the image of this city, one of them would be an attempt to make this a safer city for people to live and for people to conduct business in. The second thing would be to clean up this dirty, filthy city and the third thing would be to see that the quality of education for our youngsters becomes a reality in terms of improvement. Hopefully, the Council in its wisdom today will move positively on this first phase in terms of providing a police service for those unfortunate individuals who live in public housing. He knows of families that live behind bars. This is hopefully a beginning and he hopes after this legislation is passed that the

October 1, 1980

Chief Executive of the City of Newark does not see fit to veto it, because if he succeeds in vetoing it he thinks there will be sufficient votes on this body to override his veto to serve notice to the people that we want to see more cops out there and we want to see the cops do their jobs. When we talk about increasing the number of visible policemen in terms of the City of Newark at the same time we are talking about seeing them do their jobs. He has made that known to the people who head the police organizations and labor unions. Hopefully this will be a unanimous stand up vote because we have a sworn obligation to do the best we can to provide the sort of quality service and lifestyle to the residents of this city.

Councilman Martinez said on October 17, 1979, he proposed an ordinance mandating a minimum of 1200 police officers in the Newark Police Department. This action was prompted by the Administration's decision to lay off 200 patrolmen. The ordinance was approved on final passage by a 6 to 3 vote of this Council on November 7, 1979. However, it was vetoed by the Mayor on November 15th and when it came back to the Council on November 20th for reconsideration only Councilmen Bottone, Carrino and he voted to override the Mayor's veto. The Council members who voted against the override said they did so because it would be fiscally irresponsible to adopt such an ordinance. The Mayor sent letters that the passage of minimum manning order would result in massive layoffs and at the time the Council considered the veto the audience was stacked with city employees who spoke out against the ordinance. Now a year later there is a new ordinance. In essence this new measure creates two divisions under one Police Director and costs almost \$1.5 million more than the original minimum manning legislation. In addition it provides for 1250 minimum, 150 of whom will be assigned to the City's Public Housing Projects. He supports the concept of more policemen for everyone in this city, residents, employees, and he also strongly supports the public referendum that is going before the voters of this city on November 4th which would mandate a 1200 minimum level of police manpower. He wants to bring to the public's attention that some Council members under pressure have flip-flopped their positions on the minimum manning proposal and even though this measure is approved today and passed on second reading on October 15th the possibility still exists that the Mayor will veto the legislation. If this is the case then the veto will not be considered for override until after the November General Election. He hopes the citizens will still exercise their voting strength in approving the referendum overwhelmingly and reinforcing the strength of the ordinance before us for reconsideration today. In the meantime it will be interesting to observe the action when it comes time to perhaps increase the tax rate or cut positions out of the 1981 municipal budget. He brings these facts before the public because they are all aware of politics and we are all aware of what is probably going to occur as it did last year. We have put together a massive campaign and he is going to campaign for it as hard as he can and as effectively as he can to get the people out there to enforce our position, but you must understand that if the Mayor vetoes this legislation or under pressure certain members change their positions and if this referendum were defeated because the public at large would feel the Council did their work, did not come out to vote. He would like to see every voter, before he votes for a candidate, vote for the minimum manning question. If the Mayor should try to take the Council to Court on this particular issue, he must then also take the citizens of Newark, that they are going to vote overwhelmingly on this particular issue and then he believes they will have an ace-in-the-hole to have the protection the citizens are crying for and is desperately needed. The housing people are living in fear and there is no questions they are prisoners in the projects and he commended President Harris for taking this into consideration of providing them protection. He supports this ordinance. He is sure at the next meeting this Council Chamber will be packed with anti-voters against this particular ordinance for their own personal reasons not for reasons of safety and fear in the streets. At that time he would like to see a 9 to 0 vote.

(Councilman Carrino arrived at 1:30 P. M.)

Councilman James said he will vote in the affirmative for these ordinances. Mayor Gibson has indicated today to the Council that we cannot afford to increase the number of police and also that if it should increase the table of organization it will force the layoff of essential personnel and create problems in the general delivery of other essential city services. He would concur at this time that the overall hue and cry in the City of Newark today is for the personal safety of our city. He thinks we will have to be bold enough to move at this time to force administration to change their priority and recognize that if we do not save citizens then nothing else is worth

saving. However, he will say to those co-sponsoring this ordinance before us, he will accept the responsibility and belief there should be a budget breakdown for the increase of police personnel and for the Housing Security. This body should know the actual cost for our action this afternoon. We should be able to translate that into what it will cost the citizens by way of a tax increase. If we are standing in front of the citizens of Newark and we say we need increased police protection, you say you agree with us, then the proper response would be to say it will cost X number of dollars of taxes and your taxes will go up. We the Council have a responsibility as does administration, if this ordinance is successfully passed, what and if any will there be cutbacks in reduction in services and personnel. He will concur with Councilman Martinez, that he does recall when the first ordinance of this nature was passed and the Mayor indicated X number would be laid off, the pressure at the next meeting was those individuals being laid off came here and in fact made the Council reverse the decision because they would lose their jobs. He wants to know who will lose their jobs, what services will be cut back, and at that time he will make his decision based on priorities. He is not only concerned with police services but the general welfare of our citizens.

Councilman Carrino said he is happy to see this ordinance being introduced because as an elected official he would have been remiss if they waited for the voters of this city to make that decision. This is a decision which he feels is going to be overwhelmingly cast in November. By acting on this ordinance we are showing the 320,000 citizens that we realize it is going to be a great responsibility that there will be some consolidation of service and some people losing their jobs in 1981. We recognize the fact that this has to be and that all of us are going to be in a position where we are going to have to make the decision on who is dispensable to the City of Newark and who has to stay. It will be difficult for us to comment right now who is to lose their jobs at the expense of a police officer until we get a handle on the budget that is going to be presented in 1981. During this process none of us will be able to say who is going to get laid off or how many. In January we will have to sit down to make that decision. He hopes everybody concentrates on the intent of this bill and then in 1981 when they look over the budget face the realism that they are going to have to act like responsible individuals and get rid of some of the people in the city who serve no possible function other than they have a political job.

Councilman Tucker said the intent of the ordinance, similar to the intent of the other ordinance vetoed by the Mayor, and was not overridden by the Council, is an attempt to try to relate to the crime problem within the city of Newark. He does not believe at this point that we have all of the facts and figures but he thinks it is fair that whether we have the figures at this particular meeting is not the point, but this ordinance hopefully adopted on first reading, which he is going to support, this will provide the City Council and the general citizenry at large and the Mayor and his fiscal people an opportunity to sit down with the fiscal people of the Council so that we will know the actual impact. He does not accept or buy the fact that it cost the City of Newark \$30,000. for a policeman. He does believe Council should be in a position of knowing what the actual cost will be. We have had discussions initially and based on these discussions he feels the ordinance should be approved, but he does believe it is an obligation of the council to go into the finer areas. He is not concerned with who keeps their positions or who loses it, but he is concerned to find out what the absolute dollar amount is and what impact it will have with the adoption of the 1981 budget. He concurs with his colleagues when they say we are going to enact an ordinance and we know it will cost additional monies, an additional increase in the tax rate, to hire policemen, he is of the opinion that the citizens of the city of Newark are willing and ready to take on the responsibility of additional tax rate, but he does believe these citizens will ask Council to work out whatever economy that we can within the Municipal Budget which means cutting certain positions in order to meet them half-way. He will not say if it is going to cost tax payers \$8 million that he will vote for it. If it is going to eliminate basic kinds of social services which have major impact on people that he will vote for it, but he is saying that he thinks we need additional policemen and he moves to vote affirmatively.

October 1, 1980

Councilman Bottone said in November the mandate of the citizens is going to direct that this particular ordinance will be passed anyway. As a mandate all nine of us and the Mayor are elected and that in itself is a mandate. The priority that the citizens of Newark want right now is more police and more police protection, a safe feeling in their homes, in their streets, while shopping and in their everyday lives. He knows it will be more expensive, but he also knows that the way he has scrutinized the budget in past years, and will continue to do so this year, as he knows that some things are still misused in the city, such as cars, meters, rents of buildings not collected and non-productive employees in the city, and there are many more, could give us the revenue to hire more policemen. He is going along with this ordinance as the constituents he represents will go out for the referendum 100%.

Councilwoman Villani said it has reached a point where Council has come together and taken one big giant step under the guidance of our Council President. We have reached a point where we are so frustrated at every meeting to find the citizens coming here and the topic is always crime. She is supporting this ordinance and if amendments need to be made she will face that.

Councilman Johnson said he is co-sponsor of two pieces of legislation, citizens in high rise projects, have to have the kind of safety necessary for them to shake their shackles and come out of their buildings. The 150 men who will be designated to the high rise projects, public housing, will be the first major attempt to bring the central city back in line and make it again a decent place to live. It is with great pleasure that he votes in the affirmative as co-sponsor of this legislation.

Councilman Grant said this is an issue that deals with the protection of those persons who elected this Council to serve. This ordinance stresses the importance of our response to that kind of confidence that the community has put in us. This entire body feels justified in this in that it answers a direct need in the city. How can we go to and from our homes without being molested. He knows there is crime in the city. He has experienced it. He has been robbed of over \$10,000. in merchandise. Citizens around this city are calling for the kind of protection that they have not had. He thinks that for the first time the unanimous voice and vote of this Council is a ringing response to the people of the city, that this Council is sensitive, it is responsive, and it is acting in a responsible manner.

A motion to adopt the ordinance on first reading was made by President Harris, seconded by Councilman Johnson and declared adopted by President Harris by the following votes:

ORDINANCE AMENDING SECTION 23:5-1, PARKING PROHIBITED AT ALL TIMES, OF TITLE 23, TRAFFIC AND PARKING, OF THE REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, 1966, AS AMENDED AND SUPPLEMENTED, PROHIBITING PARKING ON BLEEKER STREET. DOO 8/13/80

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

Section 1. That Section 23:5-1, Parking Prohibited at all times of Title 23, Traffic and Parking, of the Revised Ordinances of the City of Newark, New Jersey, 1966, as amended and supplemented, be amended by deleting therefrom:

Bleeker Street:
North Side, from Halsey Street to Plane Street.

Section 2. Any existing ordinances or parts thereof inconsistent with this ordinance are hereby repealed.

Section 3. This ordinance shall take effect upon final passage and publication according to law.

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

MR. ERIC SEAMAN, COMPTROLLER OF IGOE APPLIANCES CORPORATION, CORNER OF BLEEKER AND HALSEY STREET, NEWARK, NEW JERSEY stated their business would be materially affected if this ordinance were adopted. (Mr. Seaman submitted two pictures.) Their business depends on receiving delivery from Bleeker Street at their elevator platform. Many deliveries arrive via trailer truck from distant points. The street is 35 feet, 7 inches wide and their platform is approximately 100 feet from the corner of Halsey Street. They have experienced many problems in the past necessitating calls to the Police Department because of illegally parked vehicles on the North Side of Bleeker Street. In many instances deliveries had to be rescheduled at additional expense. The average length of a tractor-trailer is in excess of 50 feet. The truth of the matter is that the contemplated change in the ordinance would put them out of business because they would be unable to receive deliveries. They have been receiving deliveries at this location for over 30 years.

Councilman Martinez said Bleeker Street is in the East Ward. He would suggest Council defer this particular action at this time and have Director Zach and Mr. Ceballos meet with this gentleman to see if some compromise agreement could be reached. The Council does not want to see businesses move out of the City.

No one else appearing, a motion to close the hearing and defer action on this ordinance was made by Councilman Martinez, seconded by Councilman Bottone and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

	TOTAL:	<u>\$5,450,000</u>

October 1, 1980

Section 2. In order to finance the costs of the Projects described in Section 1 of this ordinance, negotiable bonds are hereby authorized to be issued in the principal amount of \$5,450,000 pursuant to Chapter 24, Title 18A, Education, of the New Jersey Statutes.

Section 3. Each of the bonds authorized herein shall be designated "School Bond" and shall contain a recital that it is issued pursuant to Title 18A, Education, of the New Jersey Statutes and is entitled to the benefits of the provisions of the School Qualified Bond Act, P.L. 1976, c.39 (N.J.S.A. 18A:24-85 et seq.). The bonds shall be coupon bonds registrable as to principal only or as to both principal and interest. The form, date, denominations and interest rate of the bonds shall be as hereafter determined by resolution of the Municipal Council. The bonds shall mature in accordance with the schedule approved by the Local Finance Board pursuant to N.J.S.A. 18A:24-89 or N.J.S.A. 18A:24-90, but in no event later than 30 years from their date of issuance.

Section 4. The chief financial officer of the City of Newark is hereby authorized to issue temporary notes or loan bonds of the City pursuant to N.J.S.A. 18A:24-92, subject to such terms or conditions imposed thereunder by the Commissioner of Education. All temporary notes or loan bonds issued hereunder shall mature at such times as may be determined by the chief financial officer; provided that no temporary note or loan bond shall mature later than one year from its date. The temporary notes or loan bonds shall bear interest at such rate or rates and be in such form as may be determined by the chief financial officer. The chief financial officer shall determine all matters in connection with temporary notes or loan bonds issued pursuant to this ordinance, and the chief financial officer's signature on the temporary notes or loan bonds shall be conclusive evidence as to all such determinations. All temporary

notes or loan bonds issued hereunder may be renewed from time to time subject to the provisions of N.J.S.A. 18A:24-3. The chief financial officer is hereby authorized to sell part or all of the temporary notes or loan bonds from time to time at public or private sale and to deliver them to the purchasers thereof upon receipt of payment of the purchase price, plus accrued interest from their dates to the date of delivery thereof. The chief financial officer is directed to report in writing to the Municipal Council at the meeting next succeeding the date when any sale or delivery of the temporary notes or loan bonds pursuant to this ordinance is made. Such report must include the amount, the description, the interest rate and the maturity schedule of the temporary notes or loan bonds sold, the price obtained and the name of the purchaser.

Section 5. Within 10 days after the issuance of the bonds or notes authorized hereunder, the chief financial officer of the City shall certify to the State Treasurer the name and address of the paying agent and the maturity schedule, interest rate and date of payment of debt service for the qualified bonds.

Section 6. The capital budget of the City of Newark is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency herewith.

Section 7. The full faith and credit of the City are hereby pledged to the punctual payment of the principal of and the interest on the bonds. The bonds shall be direct, unlimited obligations of the City, and the City shall be obligated to levy ad valorem taxes upon all the taxable property within the City for payment of the bonds and the interest thereon without limitation of rate or amount.

October 1, 1980

Section 8. This ordinance shall take effect 10 days after the first publication thereof after final adoption, as provided by law; provided that the certification of the Commissioner of Education has been endorsed hereon pursuant to N.J.S.A. 18A:24-88(d) and provided that the consent of the Local Finance Board has been endorsed hereon pursuant to N.J.S.A. 18A:24-89(b).

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

No one appearing, a motion to close the hearing and adopt the ordinance on second reading and final passage was made by Councilman Grant, seconded by Councilman James and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

The City Clerk advised that the debt statement had not been received on this ordinance, therefore this ordinance cannot be adopted.

President Harris questioned whether this would incur any difficulties.

The City Clerk responded it might jeopardize the validity of the action taken by the Council adopting without the debt statement being on file.

President Harris suggested one of the Staff investigate to see if the debt statement could be made available immediately.

At a later time in the meeting the City Clerk informed the Council that the debt statement was not prepared as yet.

A motion to reconsider action on this ordinance was made by Councilman Grant, seconded by Councilman James and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

A motion to close the hearing and defer action awaiting submission of a debt statement was made by Councilman Grant, seconded by Councilman James and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

HEARINGS OF CITIZENS.

6-HC-a.

MS. ALICE MITCHELL, 702 CLIFTON AVENUE, NEWARK, NEW JERSEY, addressed the Municipal Council regarding complaints about the service in the Water Accounting Division. She also commended Councilman Carrino for his attention to the drug problems in her area. The speaker further complained about the lack of up-keep next to a public alley in her area and questioned whose responsibility it was to make it passable.

President Harris stated the remarks made by Ms. Mitchell should be transcribed and forwarded to the Director of Water Accounting, Mr. Joseph Paradise and request his appearance before the Municipal Council at their next Special Conference, October 7, 1980.

6-HC-b.

MR. ISAAC MUHAMMAD, 520 SPRINGFIELD AVENUE, NEWARK, NEW JERSEY, addressed the Municipal Council about his concerns for the need of housing and also his concerns for children in his area.

6-HC-c.

MS. AL-NISA MUHAMMAD, 397 SOUTH 12TH STREET, NEWARK, NEW JERSEY, addressed the Municipal Council with respect to conditions at Fifteenth Avenue School. The speaker complained about the nutrition program and bad sanitary facilities at the school.

Councilman Johnson requested remarks made by Ms. Muhammad be forwarded to the Board of Education for their immediate attention. He informed the speaker although the Board of Education is an autonomous body, he will do everything possible to correct the conditions complained of.

6-HC-d.

MRS. IDA JOHNSON, 230 LIVINGSTON STREET, NEWARK, NEW JERSEY, addressed the Municipal Council with respect to the problems at Fifteenth Avenue School. She brought to the attention of the Council a carnival which was set up in her neighborhood in September, and during this period her son was robbed and his life had been threatened several times.

Councilman Johnson requested Mrs. Johnson be put in contact immediately with someone from the Police Community Relations Bureau to explain her problem.

The City Clerk stated a member of his staff would arrange with the Police Director to assure that Mrs. Johnson will meet with a representative of the Police Community Relations Bureau to assist her.

6-HC-e.

MRS. ROSE LAVALLLO, 506 MT. PROSPECT AVENUE, NEWARK, NEW JERSEY, addressed the Municipal Council citing a robbery which occurred at her home during a visit to the doctor. She stated a neighbor had noted someone going into her home and called the police who did not respond until two hours later. The speaker also alleged the police came and made a notation and did not investigate until forty-eight hours after the breakin. She said she had sent a registered letter to Police Director Williams and the Mayor, neither of whom had acknowledged her letter.

President Harris directed the City Clerk to forward a copy of this speakers remarks to Police Director Williams and request he be invited to appear before the Council at the next Special Conference, October 7, 1980, to discuss this matter.

6-HC-f.

MS. ERNESTINE COLLIER, 11 HILL STREET, NEWARK, NEW JERSEY

6-HC-g.

MS. FLORA FORD, 224 ORANGE STREET, NEWARK, NEW JERSEY

The above speakers addressed the Municipal Council with respect to the Senior Citizens Program which was to be terminated September 30, 1980. They stated that Mr. Buck had indicated that Housing Authority had no intention of supporting such services and their concern is that he is trying to destroy the Tenants' Council. They indicated the Council needed some kind of authorization that the money will be forthcoming to continue this program.

October 1, 1980

President Harris replied the Council had incited to the Mayor that the \$3 million of H.C.D.A. funds that was for Housing would not be approved until this program was reinstated.

Councilman Tucker indicated he did not understand the Housing Authority's position, that Mr. Wallace White's letter indicated the City will make such commitment. However, Council has not been in receipt of any legislation confirming this.

Councilman Grant stated that Mr. Smith had indicated money had been identified to continue this program.

Councilman Carrino stated if Administration will not approve this appropriation the only leverage the Council has is to withhold funds from the Housing Authority.

Councilman James remarked that the Municipal Council cannot make an Administrative decision. Once the money is funded they will have to lobby with the Mayor, the Board and Mrs. Beatty to see that the program continues.

President Harris stated he will call a Special Meeting as soon as possible to resolve the problems raised by the speakers.

Newark, New Jersey, October 6, 1980

A Special Meeting of the Newark Municipal Council of the City of Newark, New Jersey, was held on the above date in the Council Chamber, City Hall, Newark New Jersey, at 3:05 P. M.

President Harris called the meeting to order and asked for a roll call.

Present: Councilmen Bottone, Carrino, Grant, Johnson, Martinez, Tucker, Villani, President Harris.

President Harris stated, "In accordance with New Jersey P. L. 1975, Chapter 231, Section 5, adequate notice of this meeting has been provided by notifying by mail the Newark Star Ledger and Elizabeth Daily Journal, by posting on the designated bulletin board in the basement of City Hall and by filing in the Office of the City Clerk on December 13, 1979, the schedule of regular meetings and conferences of the Newark Municipal Council.

In addition, the agenda of this meeting was similarly disseminated on October 3, 1980, at the time of its preparation. All persons who prepaid for advance notice of meetings also received copies of the schedule and agenda as required by law."

The City Clerk read letter dated October 2, 1980 from Mayor Kenneth A. Gibson, calling a Special Meeting of the Newark Municipal Council for Monday, October 6, 1980 at 2:30 P. M. or as soon thereafter as possible to consider a resolution authorizing the Mayor and the Acting Director of MPDO to enter into an agreement with the Newark Housing and Redevelopment Authority and the Newark Tenant Council to provide for the continuation of adult Day Care and Homemaker Services.

The City Clerk called attention to the ordinance which limits the action to be taken by this Council only to those purposes for which this meeting was called.

Councilman Tucker said he would like to make obvious to the public a few factors. One is that the action year or the funding cycle in regard to the N.T.C. project for the Senior Day Care program does not end with the Division of Youth and Family Services on December 31, 1980. On prior actions of the Council we had urged the City Administration to provide N.T.C., or more specifically the Seniors, with an opportunity to be in a position to raise the in-kind match money that they would need to continue the program by funding it out of HUD/H.C.D.A funds for at least one year. Although he supports this motion, he recognizes one hard reality that it is going to be very difficult for N.T.C. or for any particular organization within a matter of three months to raise the kind of match money that is needed to continue these programs. On December 31, 1980, as it stands right now, the program as we know today, the N.T.C., will not be in existence. That is the major question we should be addressing ourselves to the intent of the Housing Authority to continue this program. If it is the intent of the Housing Authority to continue this program as it was originally designed and that means tenants basically providing services to tenants, it can be funded, but at this point in time, he questions that intent. He wants to make it very clear in that regard.

The other point that needs to be raised is this - that to talk about having Steven Adubato in the North Ward Cultural Center provide services for seniors in Archbishop Walsh Homes is ludicrous and ridiculous and he does not feel this is going to take place. To talk about having any other senior agency that is currently operative within the City of Newark, which in most cases has a backlog of seniors who want to get into these particular programs, picking up N.T.C. seniors is not really one that deserves real consideration. He thinks the design of the Homemakers Program which was developed by the Housing Authority in concert with the tenants should be maintained and the City Administration who is forwarding \$19,000. which is the match money for 90 days should basically work in concert with the Housing Authority and the tenants to continue this program. He does not under any circumstances want to be in a position where he believes they are placed in right now of saying they are going to give N.T.C. three months where they can phase out the entire program and hopefully other social service institutions for which the City of Newark will be able to provide basic services. The Housing Authority in the past, in interacting with the tenants, has been somewhat of a family. Now we are going to ask outside agencies to come in and provide services to seniors, and he does not really believe that is going to be something of real meaningful value to senior citizens within the City. He is hopeful within the next three months that the tenants along with the Members of the Council, with the Mayor and City Administration will work to make sure that this program will stay intact, not farming it out to some other agency who in effect has proven their ineffectiveness in

interacting with the poor people who reside in public housing. Make no mistake about it, if tenants are not providing services to tenants, in all probability you are not going to be able to pick up those services from outside agencies. His support of this resolution is based on the fact that it is something, it is not what we originally requested as a Council but it will provide tenants with an opportunity to provide services for 90 days. He urged that not only members of the Council but the Mayor, the Housing Authority, the Board of Commissioners and also the highly paid Administrative staff will work with the tenants to continue the program the way it was originally constituted and that is tenants basically serving services to tenants.

President Harris stated the necessary financial data has not been forthcoming, therefore this will be a conditional resolution predicated on the receipt of necessary information from the Law Department.

A motion to adopt this resolution conditioned upon receipt of certification of availability of funds of the grant from the State Division of Youth and Family Health Services and funds from the Newark Redevelopment and Housing Authority Agency was made by Councilman Tucker, seconded by Councilman Martinez and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, Johnson, Martinez, Tucker, Villani, President Harris.

A motion to adjourn this meeting was made by Council of a Whole and adopted by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, Johnson, Martinez, Tucker, Villani President Harris.

A Special Meeting of the Newark Municipal Council was scheduled for Friday, October 10, 1980, at 3:00 P.M., in the Council Chamber, City Hall, Newark, to consider resolution, re: Fire Works Display for Columbus Day Parade, October 12, 1980.

At 3:35 P.M., City Clerk Frank D'Ascensio called the meeting to order and asked for a roll call.

Present: City Clerk Frank D'Ascensio.

Following the roll call, City Clerk D'Ascensio announced there was no quorum present.

City Clerk D'Ascensio stated the applicant for the Fire Works Display permit failed to produce the Surety Bond required by the statute, therefore, there is no legislation that can be acted upon.

A regularly scheduled meeting of the Municipal Council of the City of Newark, New Jersey, was held on the above date in the Council Chamber, City Hall, Newark, New Jersey, at 8:20 P. M.

The audience arose for the National Anthem.

The prayer was offered by Reverend Efranin Pecheco, Saint Columba Roman Catholic Church.

President Harris called the meeting to order and asked for roll call.

Present: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, President Harris, City Clerk Frank D'Ascensio, Clerk of the Municipal Council; Sergeant John W. Reid, Sergeant-at-Arms.

President Harris stated, "In accordance with New Jersey P.L. 1975, Chapter 231, Section 5, adequate notice of this meeting has been provided by notifying by mail the Newark Star Ledger and Elizabeth Daily Journal, by posting on the designated bulletin board in the basement of City Hall and by filing in the Office of the City Clerk on December 13, 1979, the schedule of regular meetings and conferences of the Municipal Council.

In addition, the agenda of this meeting was similarly disseminated on October 8, 1980, at the time of its preparation. All persons who prepaid for advance notice of meetings also received copies of the schedule and agenda as required by law."

Councilman Martinez pointed out the City of Newark recently was faced with the serious problem of revaluation. Assemblyman Anthony Imperiale, who was instrumental in leading the fight against revaluation for the citizens of Newark, is present this evening to make a presentation.

Assemblyman Anthony Imperiale said the State of New Jersey recognized by a citation Councilman Henry Martinez to acknowledge the work and fine organization he has done in the outstanding job of getting the citizens together to stand against the revaluation. While Councilman Martinez has given the credit to him and other Assemblymen, he wanted to note it was Councilman Martinez who was instrumental and lobbied in Trenton and made it possible for them to put their forces together as one. He presented a certificate to Councilman Martinez noting he sponsored the legislation in the Assembly acknowledging the fight against revaluation.

Councilman Tucker said he speaks for most of the members of the Council in thanking the State Legislature for recognizing some of the fight that Councilman Martinez has been involved in, along with other members of the Council. One point the Council should do is at least show our appreciation to the members of the New Jersey State Assembly. He is aware of the impact revaluation would have had on all citizens of Newark. On this issue we have stood united as elected representatives. Based on that spirit of cooperation we were successful in getting the revaluation delayed. He thanked all the Assemblymen for their support.

Councilman Carrino said that when they went to Trenton to lobby to get the votes the Republican Party at first was not too cooperative, but when Assemblyman Imperiale and some of the other Republican representatives from our area were able to convince the out-of-towners this was a real problem, that this was not a party thing but a people thing, they were successful in their endeavors.

President Harris echoed his thanks to Assemblyman Imperiale on behalf of the residents of the City of Newark because every homeowner and tenant would suffer with revaluation and the members of the State Legislature deserve the Council's wholehearted thanks.

October 15, 1980

Councilman Martinez thanked Assemblyman Imperiale for his citation and he noted the feeling that when the moratorium fight was before the legislature he was there when we needed him. When we came to Trenton we needed the help of the Republican Party, if it were not for Assemblyman Imperiale we would not have received their support and he said Assemblymen Imperiale should be commended.

Councilman Bottone said he has a letter that was addressed to Assemblyman Imperiale inviting him next Tuesday to have lunch with the City Council because they have other very important problems to discuss and he hopes Assemblyman Imperiale will be there.

Assemblyman Imperiale advised he would be present.

A motion to consider Ordinance 6-Ph, S & F-g at this time was made by President Harris, seconded by Councilman Johnson and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, President Harris.

6-Ph, S & F-g.

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing date set. It is now before you for public hearing, second reading and final passage.

ORDINANCE SUPPLEMENTING TITLE 20, POLICE AND FIRE DEPARTMENTS, CHAPTER 1, POLICE DEPARTMENT, OF THE REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, 1966, AS AMENDED AND SUPPLEMENTED, BY ADDING THERETO, ARTICLE 6, DIVISION OF HOUSING SECURITY.

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

Section 1. That Title 20, Chapter 1 of the Revised Ordinances of the City of Newark, New Jersey, 1966, as amended and supplemented, be further supplemented by adding thereto Article 6, as follows:

Article 6. DIVISION OF HOUSING SECURITY

20:1-20. Establishment.

There shall be within the police department a division of housing security

20:1-21. Powers and Duties of Division.

The division shall be responsible for the administration and execution of all powers and duties of the police department, as enumerated in Section 20:1-2 hereof, in all sections and parts of public housing projects in the city, inclusive of buildings, hallways, elevators, grounds and all other land areas of housing project properties.

20:1-22: Training; minimum manpower.

a.) Every housing security police officer shall receive the training deemed necessary by the police director and required by the Laws of the State of New Jersey to carry out the duties and responsibilities of that position.

b.) Not less than 150 housing security police officers shall be assigned to carry out the powers and duties of the division of housing security at any time, including the superior officers who shall manage said division.

Section 2. Any ordinance or part thereof inconsistent herewith is hereby repealed.

Section 3. This ordinance shall take effect upon final passage and publication in accordance with the laws of the State of New Jersey.

October 15, 1980

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

The following speakers addressed the Municipal Council urging the adoption of this ordinance. These speakers cited the dangerous conditions existing at Housing Authority sites and the City in general. They feel some definitive action must be taken to increase the Police Force in order to permit them to live decent lives.

Mr. Richard Dowling, Reverend Agent, Dr. John Donato, Ms. Jean Calder, Ms. Louise Scott, Mr. John h. Smith, Ms. Dora Mazur, Mr. Richard Colucci, Ms. Mary Ragucci, Ms. Christine Toldens, Mr. Septima Douglas, Mr. Salten Muhammad, Ms. Gladys Wardlow, Mr. Isaac Muhammad, Ms. Al Nisa Muhammad, Mr. Courtney Weeks, Mr. James Johnson, Mr. Joseph Armstrong, Ms. Bertha Shiple, Mr. John B. Johnson, Johnnie May Mitchell, Ms. Louise Dorsey, Mr. Carlton Ashby, Mr. John Green, Ms. Kinaya Mathews, Ms. Martha Stokes, Mr. Armond Avilis, Jr., Mr. Benjamin Hughes, Mr. Herbert Boyd, Mr. Isaac Gary, Mr. Francis Fuller, Ms. Janette Seabrooks, Ms. Juliette Grant, Ms. Laura Grant, Mr. Aliya Massey, Mr. Rufus Dingus, Ms. Louise Skidmore, Ms. Lorraine Hayes.

The following speakers addressed the Municipal Council and registered complaints with respect to police attitudes. The speakers alleged there were many police officers not performing their duties and lacking any commitment to the City. They urged the Council to insure that there is some commitment from the police force if additional men are hired.

Mr. James Benjamin, Mr. Jack Wison, Mr. Abdul Malik, Mr. Abdul Muhammad, Mr. Winston Thomas, Ms. Winifred Jackson, Mr. Harold McClain, Mr. Francis Winn, Mr. Granville Marshall, Ms. Arlene Henry, Ms. Lillian Lapson, Mr. R. Muhammad.

President Harris said that before this night is over the citizens will be helped. We are not going to turn this City over to the hoodlums.

Councilman Carrino said there is only one person in this city at this point who is threatening employees with being laid off and that is the Mayor of this city. He does not think that nine responsible people are going to lay off nine thousand people in order to provide 300 policemen. The Mayor can use any scare tactics he wants to. It is as important to him to have the garbage collected every day, the phones answered at City Hall, and firemen on the job. No Councilman sitting here is going to lay off city employees providing services to the people in order to put police on. If the Mayor wants to say that people have to be laid off in great numbers that is his prerogative but everybody should listen to the people who will be talking later at this meeting who will explain where the realities of the money are.

Councilman Martinez said that prior to 1978 in every precinct there were ten radio cars plus two unmarked cars plus a paddy wagon. Today in each district you will not find three radio cars for the entire ward. There is a lack of manpower.

President Harris said the legislation being considered at this time deals with creating Housing Security Police force of 150 policemen. The legislation alluded to on the referendum November 4th deals specifically with a number of 1200 police. It does not offer any protection to the residents of public housing.

Councilman Tucker noted that Council President Harris said dealing with these two ordinances there will be fiscal people speaking shortly after the public hearing as to where the funds will come from, whether we have funds directly in the budget to hire additional police. We will then be in a better position to know exactly what kind of financial resources are available.

October 15, 1980

Councilman Grant stated that he would like to call the auditors and persons responsible for the fiscal accountability of the City to come forward so as to ascertain whether or not the funds requested or needed for this ordinance are forthcoming.

Mr. Gilbert Nicholas, Evaluation Specialist, stated there is a 5% CAPS limitation which will allow municipal spending in the budget. There are sewer payment increases as to Passaic Valley Sewerage Commission. There is a pending Board of Education settlement. There is also a 5% increase in municipal salaries. The figure of calculation is \$24,000. for each police officer. This is \$18,000. as a base salary and \$6,000. in fringe benefits. We had no direction from Council as to the salary for each person. We based the Housing Security officers salaries at the salary of each policeman. Based on a total of 1250 men, 1100 policemen and 150 housing security officers, with a contingent of 936 men that would be an additional 314 combined officers and at a salary of \$24,000., that would be a maximum of \$7,600,000. for this plan.

Councilman Grant stated there has to be an appropriation for 150 policemen to go to public housing, the question is from what source are we identifying these funds.

Mr. Nicholas responded that it was approximately \$3,061,000. for the housing policemen.

Mr. George Fitzsimons, Chief Accountant, stated that he had dealt completely in total figures for the two ordinances. There was a beginning surplus of approximately \$5,000,000.. From 1979 appropriations, there will be cancellations which will give additional money into surplus. There are also two revenues which were not anticipated in the budget, because at the time of adoption of the budget, these were not definitive revenues, which will also go into surplus. Their 1980 appropriations which will be carried over as appropriation reserves. Part of that will be cancelled. We have revenue coming in for the additional municipal gross receipts and franchise taxes of approximately \$3,700,000.

Councilman Grant stated the questions raised by the audience have been as to whether jobs would be lost if the ordinance were enacted, if taxes would be raised. He wanted to know from the Law Department whether or not HUD permits monies from M.P.D.O. budget to be utilized for the purpose of hiring persons to serve as security guards at the Newark Housing Authority.

Mr. Glen Grant, Assistant Corporation Counsel, stated he was not in a position to answer the question and he requested a written memo be sent to Judge Teare so he could provide the City with the answer to that question.

Councilman Grant stated he has it from reliable sources that HUD will allow the utilization of M.P.D.O. dollars for the purpose of hiring security guards at the housing sites in Newark.

Councilman Martinez stated that the starting salary of a policeman could be decreased to \$12,000. a year instead of \$16,000. and steps could be taken in five rather than three, that would be a cost savings. After the existing list for the personnel who are on the Civil Service list now, that Newark residents be given first preference for the examination with the starting salary at \$12,000. Everyone is not going to be hired within seven months. It is going to take about three years. We are now down to two or three million dollars and there must be that much in surplus without CAPS. This should come from HUD because it is the law that they supply security for housing tenants.

Mr. Fitzsimons stated figures were computed on what the total cost would be for all the officers.

No one else appearing, a motion to close the hearing and adopt the ordinance on second reading and final passage was made by President Harris, seconded by Councilman Johnson and declared adopted by President Harris by the following votes:
Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, President Harris.

President Harris: The yeses are eight and the noes are none. This ordinance having been read on two separate days and having achieved the vote required by the statute, is declared adopted. The City Clerk is directed to deliver same to the Mayor for his approval or disapproval.

October 15, 1980

A motion to consider Ordinance 6 Ph, S & F-h at this time was made by President Harris, seconded by Councilman Johnson and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, President Harris.

6-Ph, S & F-h.

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing date set. It is now before you for public hearing, second reading and final passage.

AN ORDINANCE TO AMEND AN ORDINANCE ENTITLED, "AN ORDINANCE CREATING CERTAIN POSITIONS, THE NUMBER OF SAID POSITIONS, AND THERE IS ALSO HEREBY ESTABLISHED SALARIES FOR CERTAIN OFFICERS AND EMPLOYEES OF THE POLICE DEPARTMENT OF THE CITY OF NEWARK, NEW JERSEY," (6-S & F-y) ADOPTED NOVEMBER 22, 1966, AS AMENDED AND SUPPLEMENTED. (TO REQUIRE THE POLICE DEPARTMENT TO MAINTAIN A MINIMUM OF 1100 POLICE OFFICERS EMPLOYED AND AVAILABLE FOR DUTY; FURTHER REQUIRING ADDITIONAL 150 HOUSING SECURITY POLICE OFFICERS.

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

Section 1. That Section 1 of an ordinance entitled, "An ordinance creating certain positions, the number of said positions, and there is also hereby established salaries for certain officers and employees of the Police Department of the City of Newark, New Jersey", (6S&Fy) adopted November 22, 1966 as amended and supplemented, be amended by adding the following language:

"There shall be at all times maintained by the Police Department a minimum of 1100 Police Officers - Title Code 340190, employed and available for duty; provided that, in addition thereto, there shall be maintained not less than 150 housing security police officers, employed and available for duty."

Section 2. All prior ordinances or parts of prior ordinances which are inconsistent herewith, as hereinabove set forth, are hereby repealed.

Section 3. This ordinance shall take effect upon final passage and publication and in accordance with the law of the State of New Jersey.

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and be heard.

MR. D. J. HENDERSON, 29 OLD ROAD TO BLOOMFIELD, NEWARK, NEW JERSEY, stated that a crisis situation is now being recognized which has existed for a long time. This is and has been the result of failure to establish priorities. The first priority of any City is public safety. First we were told we did not need more police, now we are told we cannot afford them. There must be cooperation between the legislative and administrative branch of government.

Councilman Carrino said that Council had attempted to sit down with Administration to solve the problem.

President Harris stated that he had fought and would continue to fight to see that jobs were not lost.

MRS. HELEN POCH, 687 SUMMER AVENUE, NEWARK, NEW JERSEY, stated on November 4, 1980 there will be an election, the ordinance will be put on a referendum and it will be up to the public to show their feelings.

MRS. ARLENE HENRY, stated the ordinance will be put on a referendum and the public will vote on it. Putting on more policemen will not make any difference, you must make the ones you already have do their work.

October 15, 1980

Councilman Martinez responded when the Chamber of Commerce pressured the Mayor to put on more police in the business area crime was reduced in the downtown area by 56%.

Councilman Tucker stated when policemen apply for a job in the City they do not have to live here. Sixty-five percent of the police do not live within the City of Newark. The F.O.P and P.B.A. went to Trenon and lobbied to insure that policemen are exempt from a residency requirement. The only requirement that is mandated is that a certain percentage of policemen should be minorities. Of the 200 men laid off, 35 have not been rehired.

Councilman Carrino pointed out the City is foreclosing on 1800 pieces of property which people have walked away from. Maybe the image of more policemen will make the businessman stay here and the homeowner decide not to leave..

Councilman Martinez pointed out that last year hopes were built up with a similar ordinance only to be let down when the Mayor's veto failed to be overridden. However, today as it was last year, prior to the over-ride vote, it appeared unanimous and it was the same last year. Many people in the audience came last year, the vote was in favor of the ordinance. They walked out and thought it was over with and then the Mayor's veto came and the audience was stacked with many municipal employees who were opposed to the ordinance. At that time with the pressure against this body, the Mayor's veto was not overridden. Many city employees are going to come again should the Mayor override and it appears that he will. They are going to attempt to persuade this Council once again not to override the Mayor's veto. This is not going to happen this time because of all the problems which have occurred in the last year. He hoped all the people who were here today when they hear that the Mayor's veto has been done, when they read that the Council President has called for a special meeting that they once again appear and give the Council members the support they will need.

However, whether he vetos or not, this Council will go on record as being in favor of trying to stop the crime which is being committed in the City. Thirty policemen stopped crime 56% in one area. The Police Director has indicated that with the current manpower the arrests in the City, even with the limited manpower have increased over 16%. The timing of this ordinance is important. There is still the referendum on November 4th. It is important that every citizen go out and vote, whether the ordinance goes through or not. Maybe the Mayor after vetoing this, may take this body to Court, he does not know. When the public speaks on November 4th on the referendum, he hopes it begins to show the Mayor that we have voiced the public's opinion for this ordinance.

Councilman James stated he did not have public housing in the South Ward but he supported the ordinance mandating a police force for public housing. At our last meeting he made it known that his vote tonight would be based on three facts, which would be decided during the period of time from that meeting until tonight.

He indicated he had to know the available dollars necessary to fund the passing of this ordinance, based on fiscal analysis, what, if any, essential City services would be affected by our actions this evening and that we should know if and what numbers of personnel would be laid off effected by our action tonight. Presently there have not been detailed answers brought forward on some of these questions.

We have had many meetings which have been non-productive, sometimes lasting 4 to 6 hours. Therefore, it is rather unfortunate that we are at a point of confrontation. We have two opposing views before us this evening. One view, which is the popular one, says more police without a detailed analysis on funding or its impact on the delivery of essential services or pending layoff. The second view is, the opinion of Mayor Gibson, is that we do not need any additional policemen and if this ordinance is passed there would be massive layoffs and a disruption in the delivery of essential services.

For those who pose the question of the numbers of layoff notices, the procedure is to alert more than is needed based on fiscal analysis. There are some questions he would like to put to both sides.

It is wrong to take action in behalf of one uniformed personnel at the direct expense of other equally essential personnel. He does not favor hiring more police and laying off firemen, health personnel or sanitation personnel. On the other hand it is wrong to suggest that crime has not increased in the City and it is wrong to suggest that more police or more visible police would not deter crime. We need more visibility in our police force and we also need better management of our police force.

October 15, 1980

What we have is confrontation legislation. A case of who will win and who will lose. A pro and con. Unfortunately what he believes is that we need an equitable compromise in the best interest of all citizens. We need the Mayor and the Council to agree, not to disagree and no confrontation. What is needed is for the Mayor and Council to lock ourselves in a room and have meetings for around-the-clock negotiations until we can fashion a solution in the best interest of our City, and come out with a plan of action addressing ourselves to the legitimate problem of increasing crime but an essential question of our ability to pay.

More police, less health care, closing of our senior citizens centers, closing of all our recreational facilities, disruption of the basic city services, this is not the answer to the problem. We need more effective police services and we have a moral obligation for public housing. We must be realistic and understand that we need a City to defend, a City to protect. We cannot cut off our noses to spite our faces. We face a hard decision on an emotional issue. There are no quick answers, no quick fix. We must look at the whole of our City and not just part of it.

Councilman James continued his position is a clear one. Those favoring the ordinance and those opposed have not presented in writing a plan of action which could be intelligently evaluated as opposed to appealing to the emotions of victims.

Tonight he met President Carter at the airport. The Mayor flew in with him from Washington. The Mayor was driving a blue car, himself, and when stopped with the question of the car as opposed to everyone else in limousines, the Mayor said "This is all we can afford because the Council is giving the money to the cops." Every problem, ill, crisis that will confront the City will be blamed by our action tonight. Those who favor the ordinance will say they tried and some of us lacked the courage to agree with them. The end result will be chaos and disruption in the City.

Until the Mayor, Council and Administration work as a team on this problem, the City will continue to suffer. No one has chosen to deal with the issue of the courts. Is it really more police or is it that the courts let them out faster than the police can turn them in. Most crimes are committed by repeaters. Is it more police or better utilization of the existing police force. Is it police low morale where they refuse to work, where they would damage their own vehicles, where they would have a work stoppage against the very City they are sworn to protect. Is it lack of leadership on the part of the Police Director or a poor system or just poor management? There is no easy solution to the problem. Councilman James said he will allow the voters to vote by way of referendum on the question. The voters who voted for Mayor Gibson in 1970, '74 and '78, have a chance to speak to their mayor. This will not be an act of confrontation by the legislative body between Mayor and Council. More importantly, it will be the residents of the City speaking to the Mayor. He will not be able to blame the Council, he will have to respond to their mandate.

Councilman Bottone stated he votes what his constituents want. This is one time in which it is overwhelming, they want more protection. He does not understand how flyers can be put out pitting one employee against another, one agency against another. It is a poor political way of doing things. Maybe in the police department itself there should be some replacements at the higher echelon where the morale can be built up with the policemen we have now. There are a lot of places in the City where economies could be used. The budget for 1981 is being worked on now and in just a few instances, he can pick up 2 million dollars. When Councilman James stated Mayor Gibson was driving a "Chevy" it is sad to hear a statement like that, because two months ago Council was going to vote for a Continental and at the same time going through the records, he could take 65 cars away from City employees saving a cost of \$400,000. There are ways to have the security we need, keep the sanitation workers and every other employee we have.

Councilman Grant stated after talking with persons of fiscal responsibility, and they have indicated to him that regardless of what amount of money is presented, if the ordinance is adopted, it will create a 1.9 million dollar deficit. There is a need for added protection. Since their last meeting, members of Administration and Council's fiscal staff were supposed to come up with facts and figures as to where the money could be identified. We have not gotten those. When the 1800 pieces of property is mentioned that will go off the tax rolls, that is one thing. The total number of properties off the tax rolls represent 7300 pieces of property, real property and lots, which the City is not receiving any money for. The bottom line is, is the money there. If the money is there, he will be the first one to vote for it. If it is not, then we are kidding ourselves. He had suggested to Mr. Hill to talk to the Mayor and come back to Council and perhaps discuss a phasing in period. Maybe you do not bring in 200 or 300 at one time. Maybe try 50 at one time.

October 15, 1980

Councilman Grant noted there has been no response from Administration.

HEARINGS OF CITIZENS.

6-HC-a.

DR. JOHN DONATO, 66 WILSON AVENUE, NEWARK, NEW JERSEY, addressed the Municipal Council congratulating them with respect to the good job they did on the moratorium on the revaluation and their cooperation in passing the two bills concerning the police officers. It may well be the referendum will decide the issue before these ordinances become law, in which case you will have the opportunity of learning the feeling of the voting public. We have had to decide to have more jobs, more taxes or more police protection and the people have stated their case. They definitely want more police protection even though it will cost more. It is his hope that the fiscal committee who does the analysis for this will be able to present their findings to the people so they will be knowledgeable and will be able to make an informed vote. This is very important. Let the people decide what they want.

Councilman Carrino said it is very difficult on October 15, 1980 to figure out how much money we are going to have for January 1, 1981. There are so many things that are intangible at this point and no one sitting up here, including the financial staff, can really give any kind of an estimate of what money we will really have or won't have in January or February.

Councilman Martinez said in the City of Newark they have binding arbitration. There is no way that a Housing Police Department could be established in the City of Newark without hiring Newark Policemen. They would have the biggest lawsuit on their hands. If the 150 Housing Authority Police were to be hired and not Newark Police, the Police Department would go into court and they would absorb the 150 men into the Police Department and would dispatch them as they see fit not as Council sees fit.

6-HC-b.

MR. DEMETRIOS SIDORAKIS, 3504 DITIMARS BOULEVARD, ASTORIA, NEW YORK, addressed the Council and stated he had come to an auction of city-owned properties and purchased a building at 24-26 Central Avenue. The City Council scratched out that property. He has come to know why. He would like his money returned.

President Harris stated the City Clerk should inform the gentleman according to the correspondence this matter must be dealt with by the Real Estate Commission and not by this body.

The City Clerk advised Mr. Sidorakis to deal with the Real Estate Commission.

Mr. Sidorakis said he was advised by them to see the City Council.

President Harris suggested that Mr. Fitzsimons help this gentlemen resolve this situation and if any further action is needed by the Council he will bring it to our attention.

Newark, New Jersey, October 23, 1980

A special meeting of the Municipal Council of the City of Newark, New Jersey, was held on the above date in the Council Chamber, City Hall, Newark, New Jersey, at 1:15 P. M.

President Harris called the meeting to order and asked for roll call.

Present: Councilmen Bottone, Carrino, Grant, Johnson, Martinez, Tucker, Villani, President Harris, City Clerk Frank D'Ascensio, Clerk of the Municipal Council.

President Harris stated, "In accordance with New Jersey P. L. 1975, Chapter 231, Section 5, adequate notice of this meeting has been provided by notifying by mail the Newark Star Ledger and Elizabeth Daily Journal, by posting on the designated bulletin board in the basement of City Hall and by filing in the Office of the City Clerk on December 13, 1979 the schedule of regular meetings and conferences of the Newark Municipal Council.

In addition, the agenda of this meeting was similarly disseminated on October 17, 1980, at the time of its preparation. All persons who prepaid for advance notice of meetings also received copies of the schedule and agenda as required by law."

The City Clerk read letter dated October 17, 1980, from President Earl Harris, Newark Municipal Council, calling a special meeting of the Municipal Council for Thursday, October 23, 1980, at 1:00 P. M. or as soon thereafter as possible for the purpose of considering Mayor Gibson's veto of the following ordinances:

An ordinance supplementing Title 20, Police and Fire Departments, Chapter 1, Police Department, of the Revised Ordinances of the City of Newark, New Jersey, 1966, as amended and supplemented, by adding thereto, Article 6, Division of Housing Security.

An ordinance to amend an ordinance entitled, "An ordinance creating certain positions, the number of said positions, and there is also hereby established salaries for certain officers and employees of the Police Department of the City of Newark, New Jersey," (6-S & F-y) adopted November 22, 1966, as amended and supplemented. (To require the Police Department to maintain a minimum of 1100 Police Officers employed and available for duty; further, requiring additional 150 Housing Security Police Officers)

October 23, 1980

The City Clerk read the following veto message from Mayor Gibson:

October 16, 1980

To: City Clerk and Municipal Council

Re: Veto of Ordinances 6S+Pg and 6S+Ph (10/15/80)

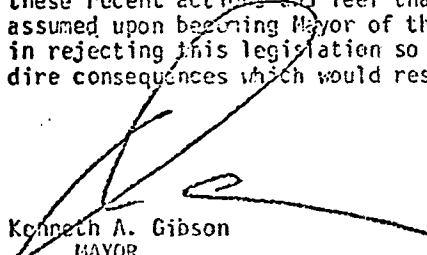

With this correspondence, I am rejecting and returning to you Ordinances 6S+Pg and 6S+Ph (10/15/80), commonly deferred to as the "Police Minimum Manning" ordinance. I am vetoing this legislation due to both its questionable legality and to the fact that I do not feel it is in the best interests of the citizens of Newark.

In regard to its legality, on three occasions the Corporation Counsel has advised the Municipal Council that actions of this type could not be approved as to their legality, in so far as they are "irreconcilably in conflict with State statute." In those opinions, both Mr. Teare and Mr. Perillo pointed to both statutory references and court decisions which clearly deny the legislative branch the right to usurp the administrative authority of the Mayor and the executive branch, which usurpation is exactly the intent of the Police Minimum Manning ordinance. Regardless of the issue under consideration, whether it be police personnel strength or any other municipal matter, the heart of this matter is its fundamental challenge to the principles of government as embodied in State law, which require certain checks and balances on the powers of elected officials. To accept the concepts underlying these ordinances would be to deny the basic tenets on which American government is founded.

In addition to the legal issues, I have also rejected these ordinances due to the potentially disastrous effects they will cause in other areas. Due to the constraints of both the CAPs law and of the City's ability to collect revenue, provision of the more than \$8.5 million in additional spending required to comply with the ordinances can only result in corresponding decreases in other appropriations. Stated simply, implementation of these ordinances would mean both dramatically higher taxes and substantially lower services in all areas except those provided by police personnel. The layoff notices issued earlier this week to all municipal employees are due in substantial part to the implications of these ordinances and serve to represent the kinds of severe disruption which will occur should this action ultimately become law.

My veto of this legislation should not however, be viewed as a lack of concern for the safety of those who live and work in the City of Newark. Rather, it should be construed as a realization of the larger responsibility which I accepted in taking the Oath of Office as Mayor. In that Oath, I swore to uphold the laws of this state and country, which require me - and you as Councilmen - to provide for the health, safety and welfare of the public, within the fiscal and legal constraints established by the State. Health, safety and welfare will not be provided through the elimination of sanitation services, health care and inspections, nor through the curtailment of the regulatory process and certainly not through the addition of still more onerous local taxes. To approve these ordinances however, would cause those kinds of denigration in municipal service to take place.

In light of these problems therefore, I cannot in good conscience approve these recent actions and feel that I have fulfilled the duty which I assumed upon becoming Mayor of the City of Newark. I ask your support in rejecting this legislation so that our citizens need not face the dire consequences which would result from its passage.

Kenneth A. Gibson

(Ordinance vetoed by the Mayor October 16, 1980)

(Public Hearing Closed)

The City Clerk stated the question before the Council is "Shall the Municipal Council override the Mayor's veto of "An ordinance supplementing Title 20, Police and Fire Departments, Chapter 1, Police Department, of the Revised Ordinances of the City of Newark, New Jersey, 1966, as amended and supplemented, by adding thereto, Article 6, Division of Housing Security."

A motion to override the Mayor's veto of this ordinance was made by President Harris, seconded by Councilman Johnson and declared adopted by the following votes:

Yes: Councilmen Bottone, Carrino, Johnson, Martinez, Tucker, Villani, President Harris.

No: Councilman Grant.

The City Clerk: The Mayor's veto of this ordinance is overridden. This ordinance will be advertised according to law.

October 23, 1980

The City Clerk stated the question before the Council is "Shall the Municipal Council override the Mayor's veto of 'An ordinance to amend 'An ordinance creating certain positions, the number of said positions, and there is also hereby established salaries for certain officers and employees of the Police Department of the City of Newark, New Jersey,' (6-S & F-y) adopted November 22, 1966, as amended and supplemented. (To require the Police Department to maintain a minimum of 1100 Police Officers employed and available for duty; further, requiring additional 150 Housing Security Police Officers)

A motion to override the Mayor's veto of this ordinance was made by President Harris, seconded by Councilman Johnson and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Johnson, Martinez, Vil'ani, President Harris.

No: Councilmen Grant, Tucker.

The City Clerk: The Mayor's veto of this ordinance is overridden. This ordinance will be advertised according to law.

President Harris stated for the record that when this measure was passed by the Council last week, over 60 persons came down to testify in its favor. They were supported by nearly 500 persons who packed this City Council chamber.

The people who spoke represented senior citizens, public housing tenants and property owners. But, they all had one thing in common--an overwhelming concern for their personal safety and that of their loved ones. Each and every one of them--senior citizens and youths alike--begged this governing body to put more police in the streets and in their public housing projects.

One young man, who had once pursued a life of crime, spoke from personal experience that the lack of police encourages criminal activity. Now having abandoned his previous lifestyle, he too came before us and urged us to hire more police.

James Benjamin of the cafeteria workers union spoke before this body advocating passage of the minimum manning ordinance.

Some persons would like to make this issue a political football. But, I think the sentiments of the residents of Newark are perfectly clear. Fear

crosses all ethnic lines and all income groups. We need more policemen. I hope this body will look at this issue as a moral obligation, not as a political consideration. And I hope my colleagues will vote to give the citizens of this city the protection we promised them when we took the oath of office to serve on this Council.

Councilman Carrino said he would like to thank the people for coming to the meeting to express their concerns.

President Harris expressed his thanks also and added that this was the first step in protecting the citizens of Newark in terms of their lives and property.

Councilman Bottone commented that on November 4th, the people should make sure they vote on the referendum with respect to increasing the police force.

Councilman Martinez stated the response of the citizens had a great impact on the vote of the elected officials. Perhaps things should have not come this far but they have. Hopefully, this Council can enforce this ordinance. It appears there will be a court battle. It is important to notice the lackadaisical effect in the community as far as voting is concerned. It is important on election day to vote for Item 8 for the referendum.

The Mayor will probably take the City Council to court. When you push down the button, you indicate along with your vote that you support the decision which was made here today. The Mayor will have a hard time taking the citizens to court with public funds.

Councilwoman Villani said the citizens coming to the meetings speaking out against crime helped her reach her decision. She further expressed her concern about the layoff notices for City employees. She added she hoped the Mayor and Council could get together and solve some of the problems raised because she did not believe employees should be laid off.

The City Clerk read letter dated October 21, 1980, from President Earl Harris, Newark Municipal Council, calling a special meeting of the Municipal Council for Thursday, October 23, 1980, at 1:00 P. M. or as soon thereafter as possible for consideration of legislation awarding bid to Bossert for road resurfacing throughout the City of Newark.

ORDINANCES ON PUBLIC HEARING, SECOND READING AND FINAL PASSAGE.

President Harris called for ordinances on public hearing, second reading and final passage.

6-Ph, S & F-a.

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing date set. It is now before you for public hearing, second reading and final passage.

AN ORDINANCE AMENDING SECTION 23:4-1, TRUCKS OVER 4 TONS EXCLUDED FROM CERTAIN STREETS, OF TITLE 23, TRAFFIC AND PARKING, OF THE REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, 1966, AS AMENDED AND SUPPLEMENTED.

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

Section 1. That Section 23:4-1, Trucks Over 4 Tons excluded from certain streets, of Title 23, Traffic and Parking, of the Revised Ordinances of the City of Newark, New Jersey, 1966, as amended and supplemented, be amended by adding thereto the following:

Emerson Place:
From Frelinghuysen Avenue to Dayton Street.

Section 2. Any ordinance or parts thereof inconsistent with this ordinance are hereby repealed.

Section 3. This ordinance shall take effect upon final passage and publication according to law.

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

No one appearing, a motion to close the hearing and adopt the ordinance on second reading and final passage was made by Councilman Johnson, seconded by Councilwoman Villani and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Tucker, Villani, President Harris.

President Harris: The yeses are eight and the noes are none. This ordinance having been read on two separate days and having achieved the vote required by the statute, is declared adopted. The City Clerk is directed to deliver same to the Mayor for his approval or disapproval.

A motion to consider Ordinance 6-Ph, S & F-g at this time was made by Councilman Johnson, seconded by President Harris and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, Johnson, Tucker, Villani, President Harris.

No: Councilman James.

6-Ph, S & F-g.

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing date set. It is now before you for public hearing, second reading and final passage:

AN ORDINANCE CHANGING THE NAME OF BERGEN STREET, FROM THE SOUTH SIDE OF WEST MARKET STREET, TO THE NORTH SIDE OF CLINTON AVENUE, TO REVEREND BENJAMIN F. JOHNSON BOULEVARD.

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY;

1. The name of Bergen Street, from the South Side of West Market Street, to the North Side of Clinton Avenue, be and the same is hereby changed to Reverend Benjamin F. Johnson Boulevard.

2. The erection of signs thereon and designation of numbers of premises, and change of municipal maps and records, shall be made accordingly.

3. This ordinance shall take effect upon final passage and publication and in accordance with law.

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

MR. OTTO ROQUEMOR, 113 HUNTINGTON TERRACE, NEWARK, NEW JERSEY, District Leader of the 32nd District of the South Ward said he believed people could be adequately honored by having new structures named after them, that the renaming of this street was a hardship and meaningless inconvenience.

E. WYMAN GARRETT, M.D., 114 SOUTH 12TH STREET, NEWARK, NEW JERSEY said this change would have a positive effect on the young people of Newark, that youth must be served and this will have a fantastic positive effect on the City of Newark.

DR. W. W. VERNER, 472 WEST MARKET STREET, NEWARK, NEW JERSEY said the lives of many Newark and Essex County residents have been affected positively and unforgettably by Reverend Johnson's life and work. He has worked to improve the quality of life in this community in all phases. He asked Council to support this ordinance with the sure knowledge of the far reaching effect it will have on our total community.

MR. CHARLES VEVIER, EXECUTIVE VICE PRESIDENT, NEW JERSEY COLLEGE OF MEDICINE AND DENTISTRY, 100 BERGEN STREET, NEWARK, NEW JERSEY said they are opposed to any legislation that would change the name of Bergen Street as it would be a severe problem for them. This would be a very expensive and difficult thing to set into motion. He pointed out that another major issue is the identity of the College.

Councilman Johnson said he would like to have a memorandum read into the minutes by the City Clerk that would amend this ordinance if the ordinance is passed so that the College of Medicine and Dentistry would not be affected, that Bergen Street from South Orange Avenue, the two blocks in question that include the College would remain Bergen Street. The School will keep the Bergen Street address. He said that Councilman Bottone and he sat down and made sure this would not create any sort of problem for the college.

Councilman James said he agrees with the concern with the renaming of this street. He is opposed to what is being done to accommodate the College individually. He said the Councilman from the West Ward supported the ordinance going from West Market Street to Clinton Avenue. When he received a copy of letter from Dr. Stanley Bergen he made a deal if they dropped that portion of Bergen Street which affects the College of Medicine and Dentistry he would go along with it. His concern is the West Ward Councilman's lack of compassion and no sensitivity for the other people who live at the other end between Clinton and Avon Avenues who ask for the same concerns.

Councilman Carrino said he is opposed to any street change and that he will never vote for one. He said it is ludicrous that we are going to have this street broken up into four different names.

The City Clerk read the proposed change that Councilman Johnson is sponsoring. He noted this is a response from Director Zach to Councilman Johnson's query. He read, "In accordance with your request I would advise you that Bergen Street will be name from South Orange Avenue to the Hillside line, the remaining section of Bergen Street from South Orange Avenue North to West Market Street would not be affected. Additionally since the street numbering sequence begins at West Market Street there would no conflicting numbers. In this way Bergen Street would exist between West Market Street and South Orange Avenue numbered from 1 to 185 and the rest of Bergen Street would be renamed although the numbering system would begin at 185 rather than 1 at South Orange Avenue and be continuous to the Hillside line."

City Clerk D'Ascensio said what Director Zach is suggesting is that from West Market to South Orange Avenue it remain as Bergen Street and from South Orange Avenue South to the terminus would be renamed.

Councilman Carrino questioned if it will be renamed Benjamin F. Johnson from South Orange Avenue to Hillside.

Councilman Johnson said as this ordinance is proposed from Clinton Avenue northside over to West Market Street it will become Reverend F. Johnson Boulevard. Upon realizing that two of the blocks are occupied by the College of Medicine and Dentistry the Councilman from the West Ward and he came up with an amendment that would allow the College to maintain its identity as is, 100 Bergen Street. Four blocks or more are in the West Ward, only two blocks of the West Ward will remain Bergen Street. The rest from 14th Avenue over will be renamed.

Councilman Grant said that he takes exception to the College of Medicine and Dentistry's remark that "they are happy that it will not affect us and they will remain intact." Even though Councilman Johnson has amended the ordinance so it does not leave out that portion of the existing Bergen Street. For the record where the College of Medicine and Dentistry presently exists, it is there only because persons were displaced and sent throughout all of the City to make room for the College.

Councilman Bottone said he would like to correct the record of a statement that was made about the West Ward Councilman changing his stance. The record will show that at the last meeting he voted for this ordinance, that the Councilman from the South Ward moved this ordinance.

Councilman James said that Councilman Bottone must have heard incorrectly. He voted for it as passed at the last meeting, but now he is willing to accept it if the portion of the West Ward, in which the College is located is removed.

MR. D. J. HENDERSON, 29 OLD ROAD TO BLOOMFIELD AVENUE, NEWARK, NEW JERSEY, said as a citizen of Newark it would seem to him this discussion is beneath the dignity of this Council. He opposed the change in name of any existing street or part thereof in the City of Newark for any reason whatsoever. Changes of this nature destroy the historical continuity of the City. The method of preserving the memory of the

Reverend Mr. Johnson does not entail any sacrifice of time, energy, or money on the part of those who knew him personally, of his colleagues in the many organizations in which he served, or of the many individuals who benefitted by his ministry. By contrast, enactment of this ordinance will cause great inconvenience and expense to residents and business establishments on Bergen Street, to a large public institution and the the City itself.

REVEREND MRS. ALEXZINA W. BROWN, 195 FIRST STREET, NEWARK, NEW JERSEY said she represents the Newark North Jersey Black Churchment Committee who are in favor of changing Bergen Street to B. F. Johnson. She said Reverend Johnson has affected the lives of young people. She recommended this street be changed.

REVEREND OLIVER BROWN, 11 HILL STREET, NEWARK, NEW JERSEY, Pastor of the Roseville Church urged the Council to support the ordinance before them. He said Reverend Johnson has distinguished himself as a member of this community. Bergen Street had in its past a purpose for being named Bergen Street, but no longer reflects the community as it is today. It will provide for our community a very positive and proper image, one that we need so well in our community, and it is a way to pay tribute to a person who is alive and this would be a greater and finer image for our young people to look up and see a permanent sign for their period of someone who has contributed so significantly and so beautifully to their community.

REVEREND M. D. BROWN, GREATER PROVIDENCE MISSIONARY BAPTIST CHURCH, 265 SOUTH 7TH STREET, NEWARK, NEW JERSEY said he has witnessed the changes that have taken place in the various sections. He has not seen any place in the city whereby the distinguished clergy of the city have the form of recognition or any place where they can be remembered as of tomorrow. There would be nothing that would bring more joy, more pride and more inspiration into the hearts of the children than to cross over a street called Benjamin F. Johnson Boulevard.

REVEREND ALFRED MORGAN WALLER, JR., TRINITY UNITED METHODIST CHURCH, 581 CLINTON AVENUE, HOME 14 HILLSIDE TERRACE, NEWARK, NEW JERSEY said he also supports the request of this name change. Change is something that we are constantly a part of. We have the responsibility to do those things and to make those gestures that will tell people in future generations that we are here.

MRS. MILDRED HELMS, 583 BERGEN STREET, NEWARK, NEW JERSEY said she has lived several years on Bergen Street, she is a taxpayer. She said there is a street named Johnson Avenue, Johnson Street already in Newark. She is opposed to changing the name of Bergen Street because she lives on Bergen Street, not only she but hundreds of other people that do likewise. She has petitions signed opposing the name change. She said we need to think of other things that would help citizens to try to live decently. The changing of the name is not going to help.

MRS. ARLENE HENRY, 603 ELIZABETH AVENUE, NEWARK, NEW JERSEY said she is opposed to changing any street to honor anybody. If Councilman Johnson wants a street named for B. F. Johnson, he should change the street where his church is or where he lives. She does not want any part of the South Ward named B. F. Johnson Boulevard. It will not help to keep streets clean, it will not help pay your salaries and when you are all gone, there will come brand new people and they will sweep in and change it back again. Leave it like it is.

MR. JOHN ARTHUR THOMAS, 14 LESLIE STREET, NEWARK, NEW JERSEY said he is a life-long resident of Newark. He said in the past he has initiated some fight to make change and some people who resist change, one in particular was very happy when a park was memorialized in name of member of the City Council of Newark, was changed to her name. There was no problem there in terms of change. Consuetually people change their minds. Bergen Street to him personally has no significance.

Councilman James said that no individual who came before this Council today, whether they were pro or con attacked their position in a democracy and he thought it wrong to play that kind of politics. He said the name of the park for Mrs. Helms was not sponsored by her, not requested by her or no member of her family. Mrs. Helms helped to bring \$50 million worth of housing to this city before any present minority member of this council was seated, for the citizens of Newark. We should not degrade her for working to bring housing to this city. In fact, without the help of any member of this Council, although we helped in passing it. She is bringing housing to the Central Ward at the intersection of Avon and Bergen, to the corner of Madison

and Avon, West Runyon and Seymour.

Councilman Carrino said he feels the City Government is setting a very poor policy in taking streets to memorialize or commemorate people. It should be incumbent upon this body when we want to commemorate to pick something new or that has not been a part of city history before and start that building as a new part of history so they will be memorialized in making this a great city that we all once knew without taking away part of the old history.

Councilman James said he holds Reverend Benjamin F. Johnson in the highest esteem. He does not know of any clergyman personally that he could honor or extend any greater affection for. He has sent telegrams saying he could not vote on this ordinance affirmatively whereas it was proposed without participation and discussion from affected parties including the Councilman of the South Ward, residents, businesses, schools, libraries, customers of fiscal and historical research on the impact of said change. The issue is not to honor Rev. Johnson, but how we can appropriately honor him without disrupting the lifestyle of our city. He said the multitudes of citizens of Newark feel this Council should be about other business and especially in the wake of the election yesterday where our emotions carried us to the poll to give overwhelming support of one candidate while this nation spoke out for another. It shows us that we cannot be guided in every instance by our emotions but sometimes we should be legislators and act in the best interest of all parties. He has petitions from the residents of the South Ward who do not speak against Reverend Johnson. These citizens simply say they are opposed to a name change of Bergen Street, because of many personal hardships. They ask a simple question that is a challenge to all of us - Is there a better way? With three new schools being built, with new housing, could it be an honor and more fitting to name one of these after Reverend Johnson. The question is how can we appropriately honor Reverend Johnson in our city during crisis times and he speaks of the fiscal dilemma that is facing all of us. He has received letters from district leaders and many others opposing it. He is trying to suggest there is a better way.

Councilwoman Villani noted she had said she would vote for the name change and that before she does vote, after this discussion today, she is going to abstain on her vote, hoping that they will find other ways and other means only because she feels it is too chopped up and in good conscience she cannot do it. She has the finest respect for Reverend Johnson but she honestly feels at this point it is creating too many problems.

Councilman Johnson said that he thinks it is best to hold off acting at this time. He is still for the naming of the street.

No one else appearing, a motion to close the hearing and defer action on this ordinance was made by President Harris, seconded by Councilman Johnson and declared adopted by the following votes:

Yes: Councilmen Bottone, Grant, Johnson, Tucker, Villani, President Harris.
No: Councilmen Carrino, James.

AN ORDINANCE TO AMEND TITLE 5, AMUSEMENTS AND AMUSEMENT BUSINESSES, CHAPTER 2, ARTICLE 1, SECTION 5:2-11 OF THE REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, 1966, AS AMENDED AND SUPPLEMENTED. (TO ADJUST REGULATIONS GOVERNING LOCATION OF DEVICES)

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

Section 1. That Section 5:2-11 of the Revised Ordinances of the City of Newark, New Jersey, 1966, as amended and supplemented, be amended to read as follows:

5:2-11 Restrictions

(a). No coin operated amusement device shall be licensed, used, placed, maintained in any location within 200 feet of any school, provided that this restriction shall not apply to the licensing, placing, or maintaining of devices in any establishment licensed under Title 4 of the Revised Ordinances of the City, where the principle business is the sale of alcoholic beverages.

November 5, 1980

(b). No more than the number of coin operated amusement devices specified below shall be permitted to be operated, maintained or used in any one place, location or premises as specified below, except when premises are licensed as amusement parlors under Chapter 1 this title:

	Size of area within Premises	Maximum number of coin operated amusement devices
Zone A	less than 2000 square feet	5
	2000 square feet or more	9

Any place or premises wherein 10 or more coin operated amusement machines or devices are maintained for use and operation by the public shall be licensed under Chapter 1 of this title.

Section 2. That all prior ordinances or parts of prior ordinances inconsistent herewith are hereby repealed.

Section 3. This ordinance shall take effect upon final passage and publication and in accordance with the laws of the State of New Jersey.

Yes: Councilmen Bottone, Carrino, Grant, Johnson, President Harris.

No: Councilmen James, Tucker, Villani.

Councilman James noticed a change in the order of business was requested while he was not present on the dais, a change that would affect the South Ward. He wanted the record to show this was discourteous and in poor legislative taste.

November 5, 1980

Councilman Johnson said this was a piece of legislation that was made behind closed doors. He was glad Councilman James is doing his job. As the Councilman of the Central Ward, he is going to make sure that no deals behind closed doors exclude Central Ward residents.

Councilman James stated he would disregard the remarks made by Councilman Johnson about making deals. He is not aware of 7-R-bm and when this matter is further discussed, more knowledge would be brought to everyone's attention who is involved in it. The resolution for the Central Ward Restoration Corporation should be moved so all the rest of the wards have the same privilege. This is illegal and should be investigated.

Councilman Johnson mentioned the Central Ward Restoration Corporation does not receive any money from the City. It is identical to the development corporation that the Council voted on for the South Ward. All the wards should develop an entity for bringing in private money for the wards.

Councilman James further brought out Mr. Wallace received block and lot parcels of land approved by the Council. This is dealing with a specific housing project.

Councilman Johnson added the Central Ward Restoration Corporation is not taking any land from the City. It is bringing in \$90,000. to \$120,000.

At this time, the Council entered into discussion on a proposed resolution:

Resolution designating the Central Ward Restoration Corporation as an Economic Development Agency pursuant to the provisions of the State Economic Development Assistance Act of 1966 in connection with Economic Development Programs within the Central Ward of the City of Newark, New Jersey.

(Copy of resolution and correspondence submitted to each Member of the Council)

It was directed this resolution not be placed on this calendar for consideration.

Councilman James believed this was illegal. It would circumvent the government and he thought this would bring an illegal act into play. It becomes a conduit to force all developers to go through a corporation which is being given statute and recognition by this Council. This would require further scrutiny.

Councilman Johnson said this was formed by a State Statute. The developers do not change procedures in which they approach the City for permission to develop. The Central Ward Restoration Corporation has not and is not seeking any funds from the City of Newark. This is quite legal and has been checked out. The resolution is 100% within the New Jersey Law.

Councilman Carrino was not questioning this, but the last paragraph where it states the Council does designate the Restoration Corporation as a Local Economic Development Agency for the Central Ward, with full power and authority to represent the Municipal Council of the City of Newark. He wanted to know if he was giving up his authority as a Councilman to approve or disapprove different developments that might come into the City.

Councilman Johnson stated this allows funds to be received. The \$90,000. that would be written off would be assigned. The designation must be received in order for the funds to be received. This is not relinquishing any power.

Councilman Grant asked if there was anyone present from the Corporation Counsel's Office. He also asked if the last paragraph of the proposed legislation renders the existing administration null and void from receiving future grants for that purpose.

Donald Devorin, Assistant Corporation Counsel said he was not prepared to answer. He would submit the question to Mr. Teare and he would give the Council an answer.

President Harris asked Chief Analyst Polster if he had a similar resolution to this one.

Councilman Carrino wanted to know if the official document was signed.

City Clerk D'Ascensio replied in the negative.

Chief Analyst Polster stated 7-R-bd, April 16, 1980, mentions a specific project in connection with the planning and feasibility of the project of Clinton Hill Weequahic Urban Industrial Park Project. There are certain differences in content in the language. He would have to go over this legislation line by line.

Councilman James asked Chief Analyst Polster if he was correct by hearing him tell the body that a project designation and ward designation were one and the same.

Chief Analyst Polster explained the appropriate law covering both are the same. The April 16, 1980 resolution for Clinton Hill Weequahic Urban Industrial Park Project does not go into a ward designation, it defines what the project name is.

Councilman James added the project has blocks and lots, parcels of land and a designated area.

Councilman Johnson claimed at no time did anyone say the resolutions were identical. The resolutions are legitimate because the resolutions are governed by State Statute, which consists of the Assistance Act of 1966. The Central Ward Restoration Corporation is a non-profit organization, established for the purpose of planning, coordinating and supervising the implementation of construction in the Central Ward.

Councilman Grant realized this matter was not being resolved and suggested this legislation be deferred until a legal ruling is made by the Corporation Counsel.

Councilman Johnson wanted this legislation to be deferred. This legislation does not give the residents of the City of Newark the kind of protection they need for the dance halls. He saw a couple of things that were not conducive to some of the problems that were arising in the Central Ward.

Councilman Carrino mentioned there was a restraining order filed by one of the disco's in the Courts, which is allowing the owner to do something in defiance of the City Ordinances. He asked this to be put on first reading, November 25, 1980.

7-R-k.

RESOLUTION DESIGNATING THE CENTRAL WARD RESTORATION CORPORATION AS AN ECONOMIC DEVELOPMENT AGENCY PURSUANT TO THE PROVISIONS OF THE STATE ECONOMIC ASSISTANCE ACT OF 1966 IN CONNECTION WITH ECONOMIC DEVELOPMENT PROGRAMS WITHIN THE CENTRAL WARD OF THE CITY OF NEWARK, NEW JERSEY.

(Copy of resolution and correspondence submitted to each Member of the Council)

Councilman James asked if there was a certificate of incorporation outlining who makes up the corporation in which Council is voting on.

President Harris said the law to which Councilman James alludes is something archaic now because one person can form a corporation in the State of New Jersey.

Chief Analyst Polster replied there was no certificate of incorporation, only a disclosure statement.

Councilman James stated he was pleased to learn that Corporation Counsel Teare has agreed with his earlier contentions that the Central Ward Restoration Corporation document submitted to the Council on November 5, 1980, was illegal in form and usurped the powers of administration and Council. Corporation Counsel Teare has returned the document back to Council deleting reference to the Restoration Corporation representing the Newark Municipal Council.

He was still opposed to the unnecessary creation of a private self interest super structure to make decisions for an entire ward and also being accountable to no one which clearly violates the check and balance system of government. This agency will hinder the orderly flow of government, by asserting itself between the Mayor and Council and Administration, or assuming powers for which the Council was duly elected. He questioned if this was the wisdom of the Council to have every potential Central Ward developer, contractor, business or individual who wishes to rehabilitate, build or expand to negotiate with a private and self interest group prior to the normal procedures of seeking Administrative and Council approval. He wanted to know why a super structure is needed especially if the City already has a Planning Board, Mayor's Policy and Development Office, Grantsmanship and Planning Office (under the directorship of Mr. Dennis Cherot), Newark Economic Development Corporation (under the directorship of Mr. Alfred Faiella), Office of Manpower (under the directorship of Mr. Harry Wheeler), Board of Adjustment and the Mayor and Council, in a check and balance form of government.

Interestingly enough, the Council is passing an ordinance which will appear on the agenda of the next meeting, November 25, 1980, Item 9-b, which was Item 8-p on the November 5, 1980 Calendar and was deferred, allowing a City employee to serve on this type of corporation. This would allow Council members to appoint their staff to these agencies in an effort to directly and indirectly control them.

(Councilman James read a letter from Kathleen Goger, Assistant Corporation Counsel, dated October 7, 1980, with reference to R.O.-2:4-15)

"Enclosed please find Ordinance to amend R.O.2:4-15, to permit non-profit corporate members of which are City employees to lease property from the City. It is submitted pursuant to Councilman Johnson's request." Further, Paragraph C states, "The provision of Paragraph A, which will construe to prevent a non-profit corporation, members of which are City employees."

Councilman James asked who is seeking power and control. Agencies of this nature, unfortunately allow for influence peddling, possible coercion and a platform for potential blackmail. "For a few bucks we will support your effort." If not, we will hinder your project and/or application.

Gentlemen, legislation of this type stinks! "Something is rotten in Denmark." Upon its passage, "Something is rotten in Newark."

He is opposed to this and will vote in the negative. He was not elected to this Council to create special interest groups with unknown powers, unknown authorities and unknown agendas.

One question that should be answered is why a Central Ward Restoration Corporation is needed. If the answer is in the affirmative, then a companion legislation should be made up so one could be in each ward. What is good for the goose, is good for the gander.

Newark, New Jersey, November 25, 1980

A regularly scheduled meeting of the Municipal Council of the City of Newark, New Jersey, was held on the above date, in the Council Chamber, City Hall, Newark, New Jersey, at 8:00 P. M.

The audience arose for the National Anthem.

The prayer was offered by Reverend Ralph T. Grant, Jr.

President Harris called the meeting to order and asked for roll call.

Present: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris, City Clerk Frank D'Ascensio, Clerk of the Municipal Council.

President Harris stated, "In accordance with New Jersey P. L. 1975, Chapter 231, Section 5, adequate notice of this meeting has been provided by notifying by mail the Newark Star Ledger and Elizabeth Daily Journal, by posting on the designated bulletin board in the basement of City Hall and by filing in the Office of the City Clerk on December 13, 1979 the schedule of regular meetings and conferences of the Newark Municipal Council.

In addition, the agenda of this meeting was similarly disseminated on November 18, 1980 at the time of its preparation. All persons who prepaid for advance notice of meetings also received copies of the schedule and agenda as required by law."

A motion to consider a Change in the Order of Business was made by Councilman James, seconded by Councilman Johnson and adopted by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

Councilman James introduced Reverend Quattlebaum and his son and said the City Council takes pride in unanimously bestowing this certificate and motion of their thanks and gratitude to Reverend Quattlebaum who has done so much in behalf of this City. He read the following presentation.

MOTION RECOGNIZING THE REVEREND BENJAMIN J. QUATTLEBAUM, SR. AND HIS SON, ROBERT D. QUATTLEBAUM FOR THE COURAGEOUS AND HEROIC ACTIONS THEY DISPLAYED ON SEPTEMBER 4, 1980, WHEN THEY SUBDUED AN ARMED INTRUDER AFTER BOTH OF THEM HAD BEEN SHOT AND WOUNDED; FURTHER THAT THEY BE OFFICIALLY COMMENDED BY THE MUNICIPAL COUNCIL SINCE THEY TOOK THIS BRAVE ACTION WITHOUT WEAPONS AND AT GREAT PERSONAL RISK TO THEIR OWN LIVES IN ORDER TO PROTECT THEIR PROPERTY AND MOST IMPORTANTLY THE LIVES OF THEIR LOVED ONES.

Reverend Quattlebaum expressed his sincere thanks for bestowing on him and his family this tribute for risking their lives. They had not planned it this way or did not think something like this would happen. They did what they had to do to protect themselves. He said it is a wonderful thing when people in your community give some kind of recognition for trying to do something to protect the community and the home. He assured the City that this will serve as an inspiration to them, to their congregation and to their community to inspire other people to do whatever they can to protect themselves and the community.

A motion to consider Resolution 7-R-b1 at this time was made by Councilman Martinez, seconded by Councilman Bottone and declared adopted by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

7-R-b1.

RESOLUTION RECOGNIZING THE EXEMPLARY, COMBINED EFFORTS OF THE STAFF AND CHILDREN OF OLIVER STREET SCHOOL, THE NEWARK FIRE DEPARTMENT, AND THE REPAIR CREWS OF THE NEWARK BOARD OF EDUCATION WITH REGARD TO THE RECENT FIRE AT OLIVER STREET.
(Copy of resolution and correspondence submitted to each Member of the Council)

Councilman Martinez said that most everyone has heard about the tremendous fire at Oliver Street School involving over 800 children and 100 adults. With

November 25, 1980

this particular fire drill under the leadership of the principal and all the faculty and members of the Board of Education, not one person was hurt or killed. He bestowed this resolution to the principal who will receive it on behalf of the entire faculty.

WHEREAS, at approximately 1:30 in the afternoon on Friday, November 7, 1980 an extensive fire broke out in the upper levels of the Oliver Street Elementary School severely endangering the lives of 800 children and 100 adults; and

WHEREAS, due to the singular diligence of the School Staff and the remarkably mature actions of all the school children, the entire building was safely evacuated in less than two minutes without death or injury to a single person; and

WHEREAS, the Newark Fire Department responded to the alarm with great dispatch and quickly confined the huge blaze to a single section of the building and extinguished it in due course, thus saving the greater part of the building from the ravages of the fire; and

WHEREAS, the repair crews from the Board of Education have worked with outstanding skill and speed to renovate the damaged classrooms and permit a return to a normal school schedule;

NOW, THEREFORE, BE IT RESOLVED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY;

That it does hereby recognize and commend the staff and children of Oliver Street School, the responding members of the Newark Fire Department and the Board of Education workers for their combined efforts which prevented a dangerous situation from becoming a terrible tragedy and demonstrated the people of Newark working together at their best.

BE IT FURTHER RESOLVED that a copy of this Resolution suitably inscribed be presented to the Principle of Oliver Street School, the Director of the Fire Department and the Executive Superintendent of Schools in commemoration of this event.

Executive Superintendent of Schools Kittrel expressed his sincere appreciation for this recognition. He said he felt the recognition should go to Mr. Savocca and the teachers and the youngsters at Oliver Street School who did an exceptional job in a very difficult situation. He said recognition should also go to the maintenance staff of the Board who have done an exceptional job in getting things back to order within a short period of time.

Mr. Savocca, Principal of Oliver Street School, accepted this resolution on behalf of the Oliver Street School Staff, the community, the non-instructional personnel and especially the children who acted in a fantastic and courageous manner. He said when those fire bells rang everyone knew exactly what to do and were out of the building in two minutes. He said he cannot describe his feelings when he knew everyone was out of the building safely.

Chief Marron of the Newark Fire Department gave accolades to the Board of Education for the manner in which the children left the building thereby averting what could have been such a tragedy. He thanked God for good teachers, a good administration and Board of Education.

A motion to adopt the resolution was made by Councilman Martinez, seconded by President Harris and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

November 25, 1980

Councilman Martinez said there is great pride when you hear of a good instance in this City and cited the fact where a citizen came to his office after he found an envelope containing a large sum of money on Broad Street and wanted to return it to the respective owner. He said that when all you hear are the bad instances he felt Council should certainly bring to the attention of the public the many good citizens in this City and presented Nicholas Mitchell the following resolution.

WHEREAS, on the morning of October 9, 1980, while walking along Broad Street, on his way to work, Nicholas Mitchell, an employee of the Hotel Robert Treat, came upon an envelope lying on the sidewalk which contained a large sum of money; and

WHEREAS, after recovering the money, Mr. Mitchell immediately travelled to City Hall where he delivered the money to the proper municipal authorities and it was later claimed by its rightful owner; and

WHEREAS, by his behavior, Nicholas Mitchell displayed the highest personal degree of integrity and honesty and has truly set a sterling example for all of Newark's citizens to respect and emulate; and

WHEREAS, his conduct also reflects great credit upon his employer, the Hotel Robert Treat, for many years one of Newark's finest hotels and well known establishments; and

WHEREAS, the Newark Municipal Council has determined that the actions of Nicholas Mitchell are worthy of the official recognition of the Governing Body;

NOW, THEREFORE, BE IT RESOLVED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY that it does hereby recognize and commend Nicholas Mitchell for the high moral standards he exhibited in this situation and further compliment the management of the Hotel Robert Treat for the caliber of employee that it retains.

BE IT FURTHER RESOLVED that a copy of this Resolution, suitably inscribed, be presented to Nicholas Mitchell in commemoration of this event.

A motion to consider Resolution 7-R-ch at this time was made by Councilman Grant, seconded by President Harris and adopted by the following votes:
Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

7-R-ch.

RESOLUTION BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK CONGRATULATING CITY CLERK FRANK D'ASCENSIO ON THE OCCASION OF HIS BEING NAMED AS THE "1980 CLERK OF THE YEAR" BY THE MUNICIPAL CLERK'S ASSOCIATION OF NEW JERSEY.

(Copy of resolution and correspondence submitted to each Member of the Council)

Councilman Grant said this resolution commends the City Clerk of the City of Newark in being recognized as "Clerk of the Year" by his fellow peers at the recent Municipal Clerk Association meeting at Atlantic City at the League of Municipalities Conference.

Councilman Grant showed a plaque that was presented to the Clerk of the City of Newark which read "Clerk of the Year 1980 presented to Frank D'Ascensio, City Clerk of Newark by the Municipal Clerk's Association of New Jersey, Inc. in recognition of his outstanding contributions to the State Association. William E. Hurd, President and James P. O'Keefe, Secretary."

November 25, 1980

Councilman Grant said the members of the City Council take great pleasure in presenting this certificate of recognition to the Newark City Clerk.

WHEREAS, on November 19, 1980 at the Annual Conference of the New Jersey State League of Municipalities, Frank D'Ascensio, City Clerk of Newark, New Jersey was the recipient of the coveted "1980 Clerk of the Year" Award from the Municipal Clerk's Association of New Jersey; and

WHEREAS, this award was presented in recognition of his years of exemplary service to the citizens and government of Newark and his fellow municipal clerks throughout New Jersey; and

WHEREAS, among the many achievements of Frank D'Ascensio is his continuing promotion of professionalism in municipal government through his participation and leadership in Municipal Clerk associations on the county, state and international level; and

WHEREAS, Frank D'Ascensio has worked diligently for the development, exchange and dissemination of information, ideas and techniques relating to municipal government, resulting in great benefits to the general public; and

WHEREAS, since his appointment as City Clerk in 1971, Frank D'Ascensio has served the Municipal Council and the citizens of Newark with the highest degree of diligence and proficiency while continuing the long-standing reputation of the Office of the Newark City Clerk as a model of efficiency in the public sector;

NOW, THEREFORE, BE IT RESOLVED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

That it does hereby offer its heartfelt congratulations to Frank D'Ascensio on being named by his peers as "1980 Clerk of the Year" and takes this occasion to recognize his numerous and outstanding accomplishments in the field of municipal government.

BE IT FURTHER RESOLVED that a copy of this Resolution, suitably inscribed, be presented to City Clerk Frank D'Ascensio in commemoration of this event.

ORDINANCES ON PUBLIC HEARING, SECOND READING AND FINAL PASSAGE.

President Harris called for ordinances on public hearing, second reading and final passage.

6-Ph, S & F-a.

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing date set. It is now before you for public hearing, second reading and final passage:

AN ORDINANCE TO GRANT FIVE YEARS OF TAX ABATEMENT FOR AN INDUSTRIAL IMPROVEMENT IN THE FORM OF A NEW ONE-STORY INDUSTRIAL BUILDING TO BE ERECTED ON PREMISES 200-218 BROAD STREET (BLOCK 440, LOTS 29, 32-37 AND 58) ON THE OFFICIAL TAX MAP (YEAR 1979) OF THE CITY OF NEWARK, NEW JERSEY.

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

1. That pursuant to the laws of New Jersey and Municipal Ordinances 6S&F3 051778 and 6S&FH 090678, the Municipal Council of the City of Newark has approved as in the best interest of the City of Newark, (being conducive both to an increase in ratables and employment for this City) an Application and Agreement with CMA Realty Corporation (hereafter also CMA) for five years of tax abatement for a new one-story industrial building to be erected on land, owned by CMA, commonly known on the official Tax Map for the year 1979 as 200-218 Broad Street (Block 440, Lots 29 and 32-37 and 58) which lots together are assessed for the year 1980 at \$ 22,400.00, being \$ 22,400.00 Land and \$ none for improvements.

2. That in consideration of said tax abatement on the new construction, CMA Realty Corporation will pay to the City of Newark an annual service charge of approximately \$3,000.00 representing 2% of the cost of construction, estimated at \$150,000.00.

3. That the annual service charge is to be paid quarterly, together with, and on the same due dates as the taxes on the land, at said premises 200-218 Broad Street.

4. That nothing herein shall, impliedly or otherwise, relieve CMA from or relax its obligation to comply with and conform to, all applicable statutes, municipal ordinances, and the lawful regulations made pursuant thereto, governing land, building(s) and the use thereof.

5. That this Ordinance shall take effect upon publication and passage according to law, whereupon the Mayor on behalf of the City of Newark is empowered to execute and the City Clerk to attest and affix the seal of the City to the aforementioned Agreement for tax abatement, a copy of which is on file in the Office of the City Clerk with the accompanying Application, and these two instruments may be there examined during regular business hours.

6. That an executed Agreement authorized by this Ordinance shall be filed with the City Clerk by the Department of Law.

7. That all advertising costs for publishing this Ordinance shall be paid by CMA before the Agreement, executed by the City, shall be delivered to it.

8. That within 30 days after the execution of the aforementioned tax abatement Agreement, there shall be forward by the Department of Law a copy of such Agreement to the Director of the Division of Local Government Services and to the Commissioner of the Department of Labor and Industry.

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing date set. It is now before you for public hearing, second reading and final passage:

A BOND ORDINANCE APPROPRIATING \$525,000. FOR THE RECONSTRUCTION AND ALTERATION OF MALCOLM X. SHABAZZ SCHOOL (CAPITAL PROJECT NO. 5279) IN THE CITY OF NEWARK, IN THE COUNTY OF ESSEX, NEW JERSEY AND AUTHORIZING THE ISSUANCE OF \$525,000. QUALIFIED SCHOOL BONDS FOR FINANCING THE APPROPRIATION.

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

WHEREAS, the Board of Education of the City of Newark has determined by resolution that it is necessary to raise the sum of \$525,000 for the reconstruction and alteration of Malcolm X. Shabazz School and has delivered a statement to that effect to each member of the Board of School Estimate; and

WHEREAS, the Board of School Estimate has determined that \$525,000 is necessary for such project and has certified this amount to the Board of Education and the Municipal Council; and

WHEREAS, the Municipal Council has determined by resolution to issue bonds to finance these projects and to make application to the Commissioner of Education to qualify these bonds; now, therefore

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, IN THE COUNTY OF ESSEX, NEW JERSEY AS FOLLOWS:

Section 1. Pursuant to the provisions of Title 18A, Education, of the New Jersey Statutes, the sum of \$525,000 is hereby appropriated by the City of Newark, New Jersey for the reconstruction and alteration of Malcolm X. Shabazz School.

Section 2. In order to finance the costs of the Project described in Section 1 of this ordinance, negotiable bonds are hereby authorized to be issued in the principal amount of \$525,000 pursuant to Chapter 24, Title 18A, Education, of the New Jersey Statutes.

Section 3. Each of the bonds authorized herein shall be designated "School Bond" and shall contain a recital that it is issued pursuant to Title 18A, Education, of the New Jersey Statutes and is entitled to the benefits of the provisions of the School Qualified Bond Act, P.L. 1976, c.39 (N.J.S.A. 18A:24-85 et seq.). The bonds shall be coupon bonds registrable as to prin-

November 25, 1980

cipal only or as to both principal and interest. The form, date, denominations and interest rate of the bonds shall be as hereafter determined by resolution of the Municipal Council. The bonds shall mature in accordance with the schedule approved by the Local Finance Board pursuant to N.J.S.A. 18A:24-89 or N.J.S.A. 18A:24-90, but in no event later than 30 years from their date of issuance.

Section 4. The chief financial officer of the City of Newark is hereby authorized to issue temporary notes or loan bonds of the City pursuant to N.J.S.A. 18A:24-92, subject to such terms or conditions imposed thereunder by the Commissioner of Education. All temporary notes or loan bonds issued hereunder shall mature at such times as may be determined by the chief financial officer; provided that no temporary note or loan bond shall mature later than one year from its date. The temporary notes or loan bonds shall bear interest at such rate or rates and be in such form as may be determined by the chief financial officer. The chief financial officer shall determine all matters in connection with temporary notes or loan bonds issued pursuant to this ordinance, and the chief financial officer's signature on the temporary notes or loan bonds shall be conclusive evidence as to all such determinations. All temporary notes or loan bonds issued hereunder may be renewed from time to time subject to the provisions of N.J.S.A. 18A:24-3. The chief financial officer is hereby authorized to sell part or all of the temporary notes or loan bonds from time to time at public or private sale and to deliver them to the purchasers thereof upon receipt of payment of the purchase price, plus accrued interest from their dates to the date of delivery thereof. The chief financial officer is directed to report in writing to the Municipal Council at the meeting next succeeding the date when

any sale or delivery of the temporary notes or loan bonds pursuant to this ordinance is made. Such report must include the amount, the description, the interest rate and the maturity schedule of the temporary notes or loan bonds sold, the price obtained and the name of the purchaser.

Section 5. Within 10 days after the issuance of the bonds or notes authorized hereunder, the chief financial officer of the City shall certify to the State Treasurer the name and address of the paying agent and the maturity schedule, interest rate and date of payment of debt service for the qualified bonds.

Section 6. The capital budget of the City of Newark is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency herewith.

Section 7. The full faith and credit of the City are hereby pledged to the punctual payment of the principal of and the interest on the bonds. The bonds shall be direct, unlimited obligations of the City, and the City shall be obligated to levy ad valorem taxes upon all the taxable property within the City for payment of the bonds and the interest thereon without limitation of rate or amount.

Section 8. This ordinance shall take effect 10 days after the first publication thereof after final adoption, as provided by law; provided that the certification of the Commissioner of Education has been endorsed hereon pursuant to N.J.S.A. 18A:24-88(d) and provided that the consent of the Local Finance Board has been endorsed hereon pursuant to N.J.S.A. 18A:24-89(b).

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

November 25, 1980

MR. D. J. HENDERSON, 29 OLD ROAD TO BLOOMFIELD, NEWARK, NEW JERSEY addressed the Council and said that he assumed the reconstruction and alteration of Shabazz High School was necessary and that the amount necessary to finance it is \$525,000. He said his only misgiving stems from the fact that the construction of public buildings generally seldom turns out the way they are designed and intended to be constructed. He cited as an example East Side High School and said he does not know whether it is completed yet but to his knowledge it has been going on for about five years. He called attention to the new Public Service Electric and Gas Company building which has been erected in less than one year and commented that we have to ask what is wrong with the administration of contracts of the City of Newark or the Board of Education. He said he is calling this to the Council's attention as he has no solution to this problem, but for \$525,000. he felt it merits the attention of Council.

Councilman James said he is pleased with the concerns of Mr. Henderson and that those concerns will serve as a watchdog. He said the more significant factors involved in this renovation is that a brand new school addition has been built to accomodate the students and they have been moved entirely into the new addition. They are now going to renovate the abandoned portion of the old school and in no way will the students be involved or will construction be on a piece meal basis or stop at any time.

President Harris directed the City Clerk to note Mr. Henderson's remarks for discussion at the next Special Conference.

No one else appearing, a motion to close the hearing and adopt the ordinance on second reading and final passage was made by Councilman Johnson, seconded by Councilman James and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

President Harris: The yeses are eight and the noes are none. This ordinance having been read on two separate days and having achieved the vote required by the statute, is declared adopted. The City Clerk is directed to deliver same to the Mayor for his approval or disapproval.

Section 2. In order to finance the costs of the projects described in Section 1 of this ordinance, negotiable bonds are hereby authorized to be issued in the aggregate principal amount of \$15,283,000 pursuant to Chapter 24, Title 18A, Education, of the New Jersey Statutes.

Section 3. Each of the bonds authorized herein shall be designated "School Bond" and shall contain a recital that is issued pursuant to Title 18A, Education, of the New Jersey Statutes and is entitled to the benefits of the provisions of the Additional State School Building Aid Act, P.L. 1978, c.74 (N.J.S.A. 18A:58-33.22 et seq.). The bonds shall be coupon bonds registrable as to principal only or as to both principal and interest. The form, date, denominations and interest rate of the bonds shall be as hereafter determined by resolution of the Municipal Council. The bonds shall mature in accordance with the schedule approved by the State Board of Education pursuant to N.J.S.A. 18A:58-33.26(a) or N.J.S.A. 18A:58-33.29 and in no event later than 30 years from their date.

Section 4. The chief financial officer of the City of Newark is hereby authorized to issue temporary notes or loan bonds of the City pursuant to N.J.S.A. 18A:58-33.32, subject to such terms or conditions imposed thereunder by the Commissioner

of Education. All temporary notes or loan bonds issued hereunder shall mature at such times as may be determined by the chief financial officer; provided that no temporary note or loan bond shall mature later than one year from its date. The temporary notes or loan bonds shall bear interest at such rate or rates and be in such form as may be determined by the chief financial officer. The chief financial officer shall determine all matters in connection with temporary notes or loan bonds issued pursuant to this ordinance, and the chief financial officer's signature on the temporary notes or loan bonds shall be conclusive evidence as to all such determinations. All temporary notes or loan bonds issued hereunder may be renewed from time to time subject to the provisions of N.J.S.A. 18A:24-3. The chief financial officer is hereby authorized to sell part or all of the temporary notes or loan bonds from time to time at public or private sale and to deliver them to the purchasers thereof upon receipt of payment of the purchase price, plus accrued interest from their dates to the date of delivery thereof. The chief financial officer is directed to report in writing to the Municipal Council at the meeting next succeeding the date when any sale or delivery of the temporary notes or loan bonds pursuant to this ordinance is made. Such report must include the amount, the description, the interest rate and the maturity schedule of the temporary notes or loan bonds sold, the price obtained and the name of the purchaser.

Section 5. The Supplemental Debt Statement required by N.J.S.A. 18A:24-16 and 17 has been duly prepared and filed in the office of the Clerk and in the office of the Secretary of the Board of Education, and a complete, executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey as required by law. The bonds authorized herein shall be deducted from the school debt of the school district of the City of Newark and shall be deducted from the gross debt of the City pursuant to N.J.S.A. 18A:58-33.30.

Section 6. Within 10 days after issuance of the bonds or notes authorized hereunder, the chief financial officer of the City shall certify to the Commissioner of Education the exact amount payable on account of debt service on such bonds or notes in each year and the name and address of the paying agent or paying agents for such bonds or notes, or shall report as otherwise required by law. On January 10 in each year, the chief financial officer of the City shall certify and pay to the State Treasurer the amount of earnings received during the preceding year from the investment or deposit of the proceeds from the sale of the bonds or the notes authorized hereunder, which amounts shall be held by him and applied only to the payment of principal and interest on such bonds or notes, or shall act as otherwise required by law.

Section 7. The capital budget of the City of Newark is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency herewith.

Section 8. The full faith and credit of the City are hereby pledged to the punctual payment of the principal of and the interest on the bonds. The bonds shall be direct, unlimited obligations of the City, and the City shall be obligated to levy ad valorem taxes upon all the taxable property within the City for payment of the bonds and the interest thereon without limitation of rate or amount.

Section 9. This ordinance shall take effect 10 days after the first publication thereof after final adoption, as provided by law; provided that the certification of the Commissioner of Education and the approval of the Local Finance Board shall have been endorsed upon a copy hereof.

The City Clerk: The following ordinance was adopted on first reading, advertised in accordance with law and a hearing date set. It is now before you for public hearing, second reading and final passage:

AN ORDINANCE TO AMEND TITLE 15, CHAPTER 9B, SECTION 3 AND SECTION 16 OF THE REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, 1966, AS SUPPLEMENTED AND AMENDED. (TO ALLOW CERTAIN RENT INCREASES AND UTILITY SURCHARGES UNDER THE RENT CONTROL ORDINANCE)

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

Section 1. That Title 15, Chapter 9B, Section 3, of the Revised ordinances of the City of Newark, New Jersey 1966, as supplemented and amended be and hereby is amended as follows:

Section 3 - Rent Increases

The establishment of rents between a landlord and tenant in all housing spaces shall hereafter be determined by the provisions of this ordinance. At the expiration of a lease or at the termination of the lease of a periodic tenant, no landlord may request or receive a percentage increase in rent which is greater than six (6%) percent without first petitioning the Rent Control Board.

The rental for housing space shall not be increased more than six (6%) per cent in any consecutive twelve (12) month period irrespective of the number of different tenants occupying said housing space during said 12 month period, any change of ownership of the landlord or vacancy of the housing space.

Section 2. That Title 15, Chapter 9B, Section 16, of the Revised Ordinances of the City of Newark, New Jersey 1966, as supplemented and amended be and hereby is amended as follows:

Section 16 - Utilities Surcharge

Notwithstanding the language contained in Section 8 of Chapter 9B, where the landlord substantiated through credible proof to the Rent Control Board Administrator that heating expenses and water expenses (not including sewer charges) for the twelve months immediately pre-

November 25, 1980

ceding his application are in excess of 10% of the heating expenses and water expenses for the prior twelve months, the Rent Control Board Administrator shall grant a Utilities Surcharge to the applying landlord.

However, the increase allowed shall not exceed 7% of the monthly rent roll of apartments which contain 10 or fewer units; and the increase allowed shall not exceed 6% of the monthly rent roll of apartments which contain more than 11 units but less than 31 units; and, the increase allowed shall not exceed 5% of the monthly rent roll of apartments which contain more than 30 units but less than 201 units; and, the increase allowed shall not exceed 3% of the monthly rent roll of apartments which contain more than 200 units.

The percentage increase allowed shall be a percentage of the monthly roll in the month in which the application is submitted.

When the Rent Control Board Administrator has received the application of the landlord and all documentation required by the Rent Control Board Administrator to make the determination, the Rent Control Board Administrator shall notify the tenants of the application for Utilities Surcharge. The notice shall contain a copy of the application and shall be mailed to the affected tenants within 14 days of receipt of landlord's completed application. The landlords' completed application must include a certified statement from the fuel heating dealer for the building indicating the number of gallons delivered, cost per gallon and total cost, for the twelve months immediately preceding the application and for the previous 12 month period. It must also include a statement describing the landlord's water bills from the Division of Water Accounting in the City of Newark for the 24 months immediately preceding the date of application.

The decision of the Rent Control Board Administrator must be rendered within sixty (60) days of filing of the completed application. Failure of the Rent Control Board Administrator to render a decision within sixty (60) days shall result in the application being deemed granted.

If the requested increase is denied by the Rent Control Administrator, the landlord may lodge an appeal with the Rent Control Board.

After the date of application a finding that heat or water is not provided to the building in conformance with the applicable law shall be a basis for a denial of an increase pursuant to this section of the Rent Control Ordinance.

The landlord shall notify all tenants in writing of the approved increase. Said notice must be served upon the tenants at least one month prior to the effective date of the increase. The landlord shall file with the Rent Control Board Administrator a copy of one notice that was served upon the tenants.

The landlord shall equally distribute this Utility Surcharge that has been granted according to the number of rooms within the housing space in the building for which the application is made. The computation of this Utility Surcharge shall be the annual amount of increase divided by twelve months and the results of that division further divided by the number of rooms for each apartment of the building to determine the Utility Surcharge amount per month for each apartment.

Section 3. Any existing ordinance or part thereof inconsistent with this ordinance is hereby repealed.

Section 4. This ordinance shall take effect upon final passage and publication in accordance with the law.

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

No one appearing, a motion to close the hearing and adopt the ordinance on second reading and final passage was made by Councilwoman Villani, seconded by Councilman Tucker and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

President Harris: The yeses are eight and the noes are none. This ordinance having been read on two separate days and having achieved the vote required by the statute, is declared adopted. The City Clerk is directed to deliver same to the Mayor for his approval or disapproval.

ORDINANCES ON SECOND READING AND FINAL PASSAGE.

ORDINANCES FOR RECONSIDERATION.

6-S & F-h. The City Clerk read AN ORDINANCE AMENDING TITLE 12, CHAPTER 2, SECTION 22 OF THE REVISED ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY (1966).
(Additional Sanitary Regulations for Itinerant Eating and Drinking Establishments)
(Copy of Ordinance and correspondence submitted to each Member of the Council)
(Ordinance rejected by the Mayor November 17, 1980)

The City Clerk stated the question before the Council is "Shall the Municipal Council override the Mayor's veto of 'An ordinance to amend an ordinance entitled 'An ordinance amending Title 12, Chapter 2, Section 22 of the Revised Ordinances of the City of Newark, New Jersey (1966).'"

The City Clerk read the following veto message from Mayor Gibson

November 17, 1980

Mr. Frank D'Ascensio
City Clerk
City Hall
Newark, New Jersey 07102

Dear Mr. D'Ascensio:

I have received and carefully reviewed Municipal Ordinance (6FE) Amending Title 12, Chapter 2, Section 22 General Sanitary Regulations (Itinerant Eating and Drinking Establishments). The right to regulate itinerant eating and drinking establishments is vested in a municipality by its police powers. However, broad as they may be, police powers are not without limitations. They must be imposed for the general good and welfare of the community, with virtue of reasonableness. There can not be, in the name of police regulations, an unreasonable and oppressive curtailment of personal or property rights.

The amended ordinance, as it is worded, is ambiguous in the use of such words as "acceptable metal," acceptable impervious material," adequate size," and "single service type." Furthermore, the ordinance as it is worded strikes very near, as being "an oppressive curtailment" of the itinerant owners' personal property rights to derive an economic living from their particular trade.

For the foregoing reasons, I am rejecting this ordinance.

Very truly yours,

Kenneth A. Gibson

A motion to override the Mayor's veto of this ordinance was made by President Harris, seconded by Councilman Johnson and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

The City Clerk: The Mayor's veto of this ordinance is overridden. This ordinance will be advertised according to law.

RESOLUTION AUTHORIZING BUSINESS ADMINISTRATOR TO ENTER INTO CONTRACT WITH JOEL S. (CONTRACT AWARDED WITHOUT COMPETITIVE BIDDING PURSUANT TO LOCAL PUBLIC CONTRACTS LAW N.J.S.A. 40A:11-5 (M)).

(Copy of resolution and correspondence submitted to each Member of the Council)

Councilman Tucker said he knows this is a legal settlement because of binding arbitration, but he can not support this issue. The contract amounts to \$188,000., which was a settlement with the F.O.P. Unlike any employee of the City of Newark, this particular contract will pay for dental services outside of the normal contract figure. It is deplorable the Council is talking about amounts of money that are needed and the Council keeps on raising the question about the \$25,000. figure that would hire more policemen. He asked how many policemen could be carried on \$188,000. dollars.

Councilman Martinez stated this had nothing to do with the City Council approving or disapproving. The arbitrator awarded the contract. This Council tabled or deferred the \$188,000. figure on overtime pay and it was turned around and made the Council look like the "bad guys." In January, if the contract is not accepted and approved by the labor union of the Police Department, then the Council is going to look like the "bad guys" again.

Councilman Tucker again said this is a dental plan for police officers who do not live in the City. This money will not hire more police. This is an inconsistency and bias.

Councilman Carrino mentioned this was a negotiated settlement by Administration and the Police Department Union in a binding arbitration.

Councilman Martinez further brought out several months ago, a contract came before the Council that was negotiated by a binding arbitration by the Fire Department and the same discussion was raised. It was voted down by the Council and the Fire Department took it to court, a couple of weeks later it was before the Council again and the Council had to vote for it. The same thing is going to happen again with this situation. The City should not be put in a situation of going into court again.

Yes: Councilmen Bottone, Carrino, Grant, James, Martinez, Villani, President Harris.

Councilman Johnson noted at an earlier date he had indicated that this ordinance should be adopted at this time and at a later date Council could amend or make any changes necessary to bring this in line with any other concerns Council has. He requested Council pass this Ordinance in the form it is now and at a later date make amendments that may be necessary.

Councilman Tucker said that one factor that was dealt with, and that was the way the present ordinance is written, is that any municipal employee can form a corporation and buy property from the City of Newark. The essence of what they are attempting to do is to insure that municipal employees are not discriminated against based on the fact they are municipal employees. His concern is this ordinance needs an amendment to insure that city employees do not band together to buy property. There should be some safeguard embodied within the ordinance to prevent this.

Councilman Johnson said the Law Department has made sure the basic safeguards are there and if any amendments are necessary we can amend to whatever is necessary to make it tighter.

A motion to defer action on this ordinance and direct the City Clerk to invite Corporation Counsel Teare to meet with the Council at their pre-meeting conference January 6, 1981, was made by Councilman Tucker, seconded by Councilman Grant and declared adopted by President Harris by the following votes:

This ordinance will come up for a public hearing and be considered for further action on December 30, 1980.

Councilman James said he would be consistent in his vote and will not support any of the raises as brought before this Council. He opined they were making a circus out of the raises and he believed that individuals should not be granted raises based on whether they are liked or disliked, whether they belong to a civic association or not or whether they contribute to a campaign or not, or purchase tickets or not. If Administrators are not doing their jobs, those individuals should at least receive the complaints. If they are below cabinet level, which we have no direct control over, then these complaints should be forwarded to the proper administrator. He felt it unfair that tonight raises will be granted to some people because they are liked and others that are disliked will be denied without any charges being given to those people so in fact they could improve if they wanted to. If any administrator is not doing his job, and this Council is sincere, we will advise them what their shortcomings are.

Councilman Carrino stated he disagreed with Councilman James. He noted in March or April Mayor Gibson said he was going to deal with people he felt incompetent in his Administration, but to this date not one person has been fired or relieved of duty. He said he does not have the power as an individual Councilman to fire anyone or relieve them of their duties, however, he wants it on record that as an individual Councilman he feels that a certain number of people in this package are not performing the duties to which they were nominated and to which they serve. He feels he has the right and deserves the right to tell that person, through his raise, how he feels as a North Ward Councilman.

Councilman James said he concurs with Councilman Carrino on those individuals that are below cabinet level. He pointed out that if the individual is cabinet level, individuals that this Council confirmed, we owe them some charges that they are not doing their jobs, so they have the opportunity to improve. His concern is "What have we done to improve the delivery of services and to improve the individual's performance?"

Councilman Martinez said he takes offense for the remark made about individuals buying tickets, because no one he voted for ever bought tickets from him. If we look at past practices, every union person who has come before us has received a 5%, 11½%, 5% increase by contract. This body has eliminated the total retroactive of 1979 for all Department Heads. His vote reflects that the Department Heads who he feels are doing the job and deserve the raise will get it. With inflation throughout the country he felt

571

we could not give 5, 11½ and 5 percent to one segment of the City of Newark employees and tell the other segment we will not give them anything, even though some of their subordinates are making more money than the Directors. He respects any person's decision on whether he feels that particular department head is worthy of the standard of living increase and that is all that is being received in these pay increases.

6-F-u. The City Clerk read AN ORDINANCE AUTHORIZING THE EXECUTION OF A RENEWAL OF LEASE AGREEMENT BETWEEN NEWARK PLAZA ASSOCIATES, LANDLORD, AND THE CITY OF NEWARK, TENANT, FOR PREMISES COMMONLY KNOWN AS 707 BROAD STREET, NEWARK, NEW JERSEY, FOR A TERM OF ONE (1) YEAR PURSUANT TO N.J.S.A. 40A:12-5 (a) (1).

(Copy of ordinance and correspondence submitted to each Member of the Council)

Councilman Martinez asked for clarification.

Assistant Corporation Counsel Hugh Gallagher said the problem is the City offices that are located there have not made arrangements to vacate by next year. The Two Guys which leases two floors is on a month to month tenancy presently and are in negotiation with the City to continue leasing.

Councilman Martinez asked if Mr. Gallagher was aware of the negotiations going on between the State of New Jersey and City of Newark to move the State operations into Two Guys and removing the City of Newark out of that building.

Mr. Gallagher replied in the negative.

Councilman Grant asked the dollar amount for the proposed lease.

Chief Analyst Polster said the annual cash rental is \$230,000.

Councilman Carrino said the Council was told the State of New Jersey is under the gun in making a decision. He opined if we knock this lease down we would force the State to make a decision on what they are going to do. By voting affirmative for this lease, we are giving the State, the City and the Landlord another year to sit back and wait and see. If we vote this lease down we may force all parties to make a decision.

December 17, 1980

Councilman Grant said the building on Raymond Boulevard that the State presently occupies is owned by the City of Newark and is manned and run by a leasing agency. They have been in negotiations with the Real Estate Office in the projection of a lease for another 30, 40, 50 years and it is still under consideration. He said those persons presently occupying 1100 Raymond Boulevard are satisfied with their leasing agreement, so the figure he asked for will go a long way in helping him to make his determination.

A motion to adopt the ordinance on first reading was made by Councilman Bottone. There was no second to adopt the ordinance on first reading.

A motion to reject this ordinance was made by Councilman Carrino, seconded by Councilman Grant and failed of adoption by the following votes:

BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

Section 1. That on the terms and conditions hereafter set forth, and subject to applicable New Jersey Statutes, an easement in perpetuity be and the same is hereby granted to Texaco, Inc., a corporation of Delaware, to construct and maintain a 14" welded steel pipeline, coated and encased in concrete for the transport of petroleum products, crossing under Delancy Street, 5 feet below its paved surface, running nearly parallel to Doremus Avenue at a point in Delancy Street 736'-6" from the easterly line of Doremus Avenue, all as shown on Drawing No. 80-E-1, dated October 10, 1980, prepared by the City of Newark for Texaco, Inc., Detail of Road Crossing, Newark, New Jersey, a copy of which is on file in the Office of the City Clerk.

Section 2. That Texaco, Inc., its successors, or assigns, will, at its sole expense, upon thirty (30) days notice in writing from the City of Newark, alter, relocate or remove said 14" welded steel pipeline as may be designated in the removal or relocation notice served by the City of Newark, upon Texaco, Inc., its successors or assigns, should the City in its absolute discretion deem it necessary to have said pipeline lowered or its position changed.

Section 3. That Texaco, Inc., its successors or assigns, will, at all times, save the City of Newark harmless from any and all claim(s), whatsoever, arising from, or in any way connected with, the granting and using of said pipeline or by reasons of its installation, location, maintenance, or existence, in the street aforementioned.

Section 4. That in addition to the indemnity agreement aforesaid, Texaco, Inc., its successors or assigns, shall at its own cost and expense procure and keep in full force and effect paid-up policies not only for comprehensive general liability insurance in favor of the City of Newark, in an amount of at least \$250,000.00 for injury to any one person and \$1,000,000.00 for more than one person, arising out of any one accident, but also property damage insurance insuring the City of Newark as its interest may appear against any and all claims for damage to property of others to the extent of \$1,000,000.00; said policies to be approved by the Corporation Counsel and proof of said insurance coverage to be filed with the City Clerk.

Section 5. That Texaco, Inc. shall commence at the above location within Delancy Street, the installation of the 14" steel pipeline for the transport of petroleum products not later than one month from the final passage and publication of this Ordinance and shall complete its installation within a period of sixty (60) days, thereafter, doing all its work in a proper and workmanlike manner with as little inconvenience to the public as possible.

Section 6. That the said 14" Welded Steel Pipeline for the transport of petroleum products, shall become subject to any ordinance(s) or regulations(s) now or hereafter enacted by the City of Newark for the transport of petroleum products and that Texaco, Inc., its successors or assigns, shall become liable for the payment of any fee(s) hereafter imposed thereunder.

Section 7. That Texaco, Inc. shall file with the City Clerk its written acceptance of the provisions of this Ordinance within thirty (30) days from the date of which it takes effect and shall pay on demand of the City of Newark the sum of \$5,000.00 and an annual fee of \$500.00 as consideration for this easement.

Section 8. That Texaco, Inc. shall pay for all official publications of this Ordinance to the City of Newark at the time cost of publication is incurred.

Section 9. That Texaco, Inc. shall comply with the Provisions of Section 3 and obtain a written permit from the Permit Division of the Bureau of Streets and Sidewalks of the Department of Engineering before disturbing any street surface or making any installation(s), alteration(s), or connection(s) to said 14" welded steel pipeline, whatsoever.

Section 10. That the within easement is granted subject to all existing and future City ordinance(s) governing pipeline installation(s), maintenance and the use thereof to transport petroleum products.

Section 11. That this Ordinance shall take effect immediately upon final passage and publication in accordance with law.

Section 12. That should Texaco, Inc. request that an indenture be recorded in the Essex County Register's Office to further evidence the easement herein granted, the Corporation Counsel is to prepare in his judgment a fitting document approved by him as to form and legality which is thereafter to be executed on behalf of the City of Newark by the Director of Engineering, attested and acknowledged by the City Clerk and delivered to Texaco, Inc., or its attorney.

Section 13. That the Subterranean land affected by this easement, is not needed for public use by the City of Newark.

Section 14. That the terms and conditions of this Ordinance shall bind the successors or assigns of the City of Newark, as well as the successors or assigns of Texaco, Inc.

Section 15. That upon abandonment of this pipeline, Texaco, Inc. shall relinquish all rights to this easement.

Section 16. That the terms and conditions of this Ordinance do not relieve Texaco, Inc. of any other requirements by Federal or State agencies.

Section 2. Commencing September 1, 1980 every position contained herein shall be established and ordained at the work week noted.

Section 3. The position titles and salaries hereinabove established and specified shall be temporary in nature. Further, the salaries of such position titles shall remain at the amounts hereinabove fixed so long as the Community Development Block Grant funds received by the City from the Federal government under the Housing and Community Development Act of 1974 shall last, and upon complete utilization of said funds or termination of such funding, then the said position titles and salaries hereinabove established in the Office of the Mayor shall immediately cease and terminate.

Section 4. No other position titles or salaries other than those hereinabove established shall be funded from Community Development Block Grant funds received under the Housing and Community Development Act of 1974.

Section 5. All prior ordinances or parts of prior ordinances which relate to the above position titles, hours of employment, number of positions, annual minimum and annual maximum salary therefor, which are inconsistent herewith, as hereinabove set forth, are hereby repealed.

Section 6. This ordinance shall take effect upon final passage and publication and in accordance with law,

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

MR. D. J. HENDERSON, 29 OLD ROAD TO BLOOMFIELD, NEWARK, NEW JERSEY, addressed the Municipal Council and said the most serious problem in every urban area is the lack of meaningful continuous employment for persons who are unskilled or semi-skilled or functionally illiterate. Newark is no exception. Every program that is not a part of the regular on-going business of the City should contribute to meeting this need. The Community Development Administration is an arm of the Mayor's Policy and Development Office as stated in the legal notice. It is assumed that M.P.D.O. receives and distributes Federal funds which come to the City. It is in effect a sort of separate city government, the exclusive domain of the Chief Executive. This ordinance adjusts salaries of 97 positions in C.D.A. If only one person were employed in each of these positions, the total annual cost would be \$1,614,000. with the average salary for a

December 17, 1980

position of \$16,640. He said he does not know exactly what C.D.A. does, but the question arises whether this expenditure makes any contribution to meeting any part of the need to provide work for the unskilled or the semi-literate. Among the positions listed are Analysts of various kinds and 5 co-ordinators of various activities. There are ten positions related to demolitions. The demolition program has not been noticeably successful. He knows the Council is not involved in the administration of city business or that of the M.P.D.O., however, he makes these comments to let Council know that some taxpayers have doubt that Federal funds are being spent or have been spent in a manner to make significant contribution to the solution of our most pressing problem. The taxpayers are aware that the total of these funds are in the hundreds of millions of dollars and he feels we need more people who can handle a pick, shovel and a broom.

No one else appearing a motion to close the hearing on this ordinance was made by Councilman Grant, seconded by Councilman Johnson and declared adopted by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

A motion to amend this ordinance to include the following additional position titles, title codes, hours of work, effective date and annual minimum and annual maximum salary was made by Councilman Grant, seconded by Councilman Johnson.

A motion to adopt the resolution was made by Councilman Martinez, seconded by Councilman Tucker and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

Councilman Carrino wanted to know if Motorola, Inc. had a branch office in the City of Newark, if they did not, then he wanted to know how were these police cars with broken radios going to get to Glen Rock, New Jersey to get the radios fixed.

Councilman Martinez said he believed part of the contract states the company must maintain a building in the City.

December 17, 1980

Councilman Carrino said the Council always get hung up on the bidding process. He knew of another company that has done work with police radios for a number of years on North Broad Street and Clay Street. That company probably lost the bid because of the high taxes in the City.

Councilman Martinez announced because of what Councilman Carrino had said, he would like to defer this resolution. There are a couple of other contractors that have been brought to his attention in the Division of Motors where people from outside the City get the bids.

Councilman Tucker stated the Council has the ability in an ordinance to approve a contract dealing with the solicitation of bids. The Council can also maintain that a company has a facility in the City of Newark.

Councilman Carrino pointed out he would like to put what Councilman Tucker just brought out at the end of the resolution; that Motorola have an operation within the City of Newark in order to service the police radios.

A motion to reconsider this resolution was made by Councilman Martinez, seconded by Councilman Tucker and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

7-R-cg. RESOLUTION BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY, DESIGNATING BETTY JOAN LESTER AS PRESIDING JUDGE OF THE MUNICIPAL COURT OF THE CITY OF NEWARK.

(Copy of resolution and correspondence submitted to each Member of the Council)

Councilman Carrino felt the Council is setting a bad policy. Some of the judges that are serving on the bench at this point are holdovers. The Mayor has not submitted the names of existing judges to fill the vacancies that remain as far as the people the Council confirmed in the past. The Chief Magistrate has always been chosen after the judge has been nominated by the Mayor and confirmed by the Council. When the Council comes up with a Presiding Judge before those vacancies are all filled it is going to set a bad precedent in the future. This is going to hurt the Council's rights and powers to confirm and appoint the Mayors nominees.

Councilman Bottone stated he had nothing against the nominee chosen by the Mayor. The object is this is one of the Council's prerogatives to pick the Chief Magistrate of the City. The Council is put in a position to elect a person to be Chief Magistrate when all of the other judges are holdovers. This does not give a true picture of who is going to be on the bench.

AN ORDINANCE APPROVING THE REDEVELOPMENT PLAN AND THE FEASIBILITY OF RELOCATION FOR JAMES STREET COMMONS PROJECT AREA, CITY BLOCKS 32, 33, 34, 40, 41, 43, 44 AND 45, FIRST AMENDMENT.

WHEREAS, the Municipal Council by Resolution 7Rq, adopted on July 10, 1961, did determine that the James Street Commons Area (hereinafter called "Area") is a blighted area pursuant to Chapter 187 of the Laws of 1949 of New Jersey (N.J.S.A. 55:14A-31 et seq.), as amended; and

WHEREAS, the Municipal Council has heretofore by ordinance 6S & Fg adopted said plan on January 4, 1978; and

WHEREAS, it is necessary to amend said redevelopment plan so as to change the commercial designation from light commercial use to intensive commercial use; and

WHEREAS, said Redevelopment Plan complies with the requirements of all applicable state and federal statutes and regulations promulgated thereunder; and

WHEREAS, it is necessary that the Municipal Council take appropriate official action respecting the relocation program and the Redevelopment Plan for the Area; and

WHEREAS, the Municipal Council is cognizant of the conditions that are imposed in the undertaking and carrying out of redevelopment projects with federal financial assistance under Title I, including those prohibiting discrimination because of race, color, creed or national origin;

WHEREAS, the Central Planning Board of the City of Newark has submitted to the Municipal Council its recommendation respecting the amended redevelopment plan for the project area and the Municipal Council has duly considered the recommendation of the Planning Board;

NOW THEREFORE, BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY:

Section 1. That it is hereby found and determined that the Redevelopment Plan for the Area as amended conforms to the general plan of the City of Newark.

Section 2. That it is hereby found and determined that the Redevelopment Plan for the Area gives due consideration to the provisions of adequate park and recreational areas and facilities as may be desirable for neighborhood improvement, with special consideration for the health, safety and welfare of children residing in the general vicinity of the site covered by the Plan.

December 30, 1980

Section 3. That it is hereby found and determined that no program for proper relocation of the displaced individuals and families is required as a result of this amendment as no home owners or residential tenants are being displaced.

Section 4. That in order to facilitate the implementation of the Redevelopment Plan it is found and determined that certain official action must be taken by this Body and, accordingly, this Body hereby (a) pledges its cooperation in helping to carry out such Redevelopment Plan; (b) requests the various officials, departments, boards and agencies of the City of Newark having administrative responsibility in the premises to cooperate to such end and to exercise their respective functions and powers in a manner consistent with said Plan and take appropriate action upon proposals and measures designed to implement said Plan.

Section 5. That it is hereby found and determined that the financial aid provided and to be provided pursuant to contracts for federal financial assistance pertaining to the area is necessary to enable the project to be undertaken in accordance with the Redevelopment Plan for the Area.

Section 6. That development activity shall only be related to City Blocks 32,33,34,40,41,43,44 & 45 and any analysis of surrounding areas contained in the Redevelopment Plan shall not be construed to mean that the City of Newark intends to develop such surrounding areas.

Section 7. That the Redevelopment Plan for the Area having been duly reviewed and considered is hereby approved, and the City Clerk be and is hereby directed to file a copy of the Redevelopment Plan with the minutes of this meeting.

Section 8. That this Ordinance shall take effect upon final passage and publication in accordance with law.

President Harris called for those desiring to be heard on the ordinance to approach the rail, give his name and address and be heard.

No one appeared.

A motion to adopt the title of Court Administrator was made by Councilwoman Villani, seconded by Councilman Bottone.

Councilman Martinez questioned whether there was any discussion on this title and President Harris replied the discussions, he thinks, transpired initially with the Mayor and up to the time they discussed these ordinances in detail.

Councilman Martinez said he has been made aware of some information with respect to this particular title. It has been brought to his attention this person is a New York City resident, has a private detective agency in New York City and also has another job, a position with the Department of Health in New York City. He believes the title of Court Administrator is a full time job and finds it very difficult to see an individual in a full time position in the City of Newark and maintaining two other full time positions in the City of New York. It may not be true and then it may be true. He thinks it warrants discussion and some review on the part of the Council.

Councilwoman Villani withdrew her motion to adopt the title of Court Administrator.

Councilman Bottone withdrew his second to the motion.

City Clerk D'Ascensio pointed out that if you defer one title you are deferring the entire ordinance.

President Harris indicated for the record that it would be certainly unfair to defer and let other people suffer the financial hardship predicated on one individual.

A motion to delete the title of Court Administrator from this ordinance was made by Councilman Carrino, seconded by Councilman Martinez and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

The motion to adopt the ordinance on second reading and final passage subject to the deletion of Court Administrator was made by Councilman Grant, seconded by Councilman Tucker and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

President Harris: The yeses are nine and the noes are none. This ordinance, subject to the deletion, having been read on two separate days and having achieved the vote required by the statute, is declared adopted. The City Clerk is directed to deliver same to the Mayor for his approval or disapproval.

Section 2. Commencing September 1, 1980 every position contained herein shall be established and ordained at the work week noted.

Section 3. The position titles and salaries hereinabove established and specified shall be temporary in nature. Further, the salaries of such position titles shall remain at the amounts hereinabove fixed so long as the Community Development Block Grant funds received by the City from the Federal government under the Housing and Community Development Act of 1974 shall last, and upon complete utilization of said funds or termination of such funding, then the said position titles and salaries hereinabove established in the Office of the Mayor shall immediately cease and terminate.

Section 4. No position titles or salaries other than those established by ordinance covering the Community Development Administration, Mayor's Policy and Development Office shall be funded from Community Development Block Grant funds received under the Housing and Community Development Act of 1974.

Section 5. All prior ordinances or parts of prior ordinances which relate to the above position titles, hours of employment, number of positions, annual minimum and annual maximum salary therefor, which are inconsistent herewith, as hereinabove set forth, are hereby repealed.

Section 6. This ordinance shall take effect upon final passage and publication and in accordance with law.

President Harris called for those desiring to be heard on the amendment to the ordinance, to approach the rail, give his name and address and be heard.

No one appearing, a motion to close the hearing on the amendment and adopt the ordinance, as amended, on second reading and final passage was made by President Harris, seconded by Councilman Tucker and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Grant, James, Johnson, Tucker, Villani, President Harris.
No: Councilmen Carrino, Martinez.

President Harris: The yeses are seven and the noes are two. This ordinance as amended, having been read on two separate days and having achieved the vote required by the statute, is declared adopted. The City Clerk is directed to deliver same to the Mayor for his approval or disapproval.

December 30, 1980

At a later time in the meeting, a motion to permit the following persons to be heard on "Hearings of Citizens" was made by Councilman Tucker, seconded by Councilman Johnson and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.

/6-HC-a. MS. AMY INGRAM, 29 LINCOLN STREET, NEWARK, NEW JERSEY.

/6-HC-b. MS. KATHLEEN CULVER, 64 BROOME STREET, NEWARK, NEW JERSEY.

/6-HC-c. MS. SHARON WALLACE, 62 - 7TH AVENUE, NEWARK, NEW JERSEY.

The above speakers addressed the Municipal Council registering complaints with respect to premises at 29-59 Lincoln Street, Broome Street and Columbus Homes.

The speakers indicated they are living under intolerable conditions with respect to lack of heat and water leakage. They pointed out they are lacking toilet facilities and have received no cooperation from the Housing Authority.

President Harris stated that Mr. Smith was the Administrative Assistant to the Mayor and it was incumbent upon his office to appoint all Members of the Commissioners who serve and make the policy to run the Housing Authority. There would not be any Director of the Housing Authority without the approval of the Mayor's office. They have been unable to get Mr. Blue to respond to requests to appear before them and answer questions relative to these problems. He finds that it is disturbing that people find it difficult to reach those who are in charge with the responsibility who are holding certain jobs of servicing the people. Under no circumstances are they being under-paid. The Director earns \$50,000., the second man in charge is close to that \$50,000. It is not this Body's responsibility to fix the plumbing and broken windows.

President Harris stated the remarks made by the speakers will be extracted and the minutes will be forwarded to Mayor Gibson, Mr. Buck and Mr. Blue, asking the two Directors to respond to the statements made by the tenants.

Councilman Tucker stated the statements should also go to the Attorney General because there is criminal negligence on some of these things. He stated that he had called all day and Mr. Buck refused to talk to him. At 4:35 P.M. yesterday evening, Mr. Blue finally called back. There are two private contractors there right now and they have three men each. There are six plumbers who are currently working on 2,500 units.

Councilman Grant asked if the Council could meet with the Mayor, Mr. Buck, Mr. Blue and the tenants to see if we can work something out.

Councilman Tucker stated that the representatives of the Plumbers Union who work for the Housing Authority have a grievance. Their grievance is causing a problem with the tenants. They are on a sick-out. Mr. Blue said last night they were going to board up the buildings. There is not one piece of plywood up in Scudder Homes today. There is a major break-down in the Housing Authority Administration.

Councilman James stated Council is only able to set up a meeting on the availability of other people. Those tenants appointed to the Commission are not doing their jobs.

The City Clerk read a note from Mr. Blue's Office which stated, 1) Heat at Columbus is on now at Apartments A, B, C and D; 2) Wall being repaired this afternoon at 62; 3) Pipes no longer leaking and 4) Stove in apartment 82, apartment 26 repaired today.

Councilman Johnson stated that as a Member of the Investigating Committee, he would like each tenant who has information about who has been stealing the pipes, equipment from the various housing sites to make it available to Councilman Grant and himself so they can make the Police Department get involved.

(For action on this subject, see Motion 7-M-a in the minutes of this meeting)

RESOLUTION AUTHORIZING ENGINEERING DIRECTOR TO EXECUTE CONTRACT WITH ECODATA, INC. FOR PROFESSIONAL SERVICES IN CONNECTION WITH DESIGN OF FUEL SAVINGS ROUTING SYSTEM FOR DEPARTMENT OF ENGINEERING VEHICLES; FOR PERIOD OF TIME NOT TO EXCEED TWENTY WEEKS FROM DATE OF EXECUTION OF CONTRACT; TOTAL AMOUNT NOT TO EXCEED \$63,000. (CONTRACT AWARDED WITHOUT COMPETITIVE BIDDING PURSUANT TO LOCAL PUBLIC CONTRACTS LAW N.J.S.A. 40A:11-5 (1) (a)).

(Copy of resolution and correspondence submitted to each Member of the Council)

Director of Engineering Zach stated this is a contract for the purpose of establishing a more effective routing for the motor broom operation. This routing will provide a more economic advantage from the viewpoint of fuel savings and provide for the better implementation of motor brooms. It will provide for the snow routing and modification for the garbage collection.

Councilman Martinez asked if the money would give the residents of the City a more effective street cleaning and sanitation operation.

Director Zach replied in the affirmative.

Councilman Bottone asked if the Traffic and Engineering Department could not do this in-house.

Director Zach replied probably they could, but the difficulty is that with the cutbacks in the past years, there is not the capability, time-wise, to get it done in a reasonable amount of time. It would take a year and a half to get it done.

Councilman Bottone stated that after the last big snow storm two years ago, the City was in chaos. A program was evolved after it was all over to insure this would not happen again, that we didn't have a proper routing of our equipment. He questioned what happened to that program.

Director Zach replied at that point in time they were doing a lot of snow plowing with City equipment. They no longer plow with City equipment, it is all contract equipment. What this program will do is provide for a continuous run for any piece of apparatus on a continuous basis.

Councilman Johnson asked if the procedure would be done by alphabetical priority.

Director Zach replied he could not make that assurance.

Councilman Carrino questioned with all the professional planners, no one else could do this.

Director Zach replied these people do this for a living. They provided a similar effort in New York City. It resulted in a 20% to 30% fuel savings alone in their sanitation operation. If they can generate anything near that, the services would be well paid for. They spend in excess of \$300,000. a year in fuel.

Councilman Carrino stated prior to this year, the garbage pick-up was always on the button. The City made a change in the garbage pick-up by districts and it is "flip a coin" to see if your garbage is going to be picked up or not. He asked what happens if Ecodata comes in and says that the system is bad and they should go back to the old system.

Director Zach replied he recommended the original system so the embarrassment would be his. The problem is there is not the capability on any given day of having the numbers of vehicles out to do the pick-up which needs to be done.

Councilman Carrino stated that regardless what the company says, if we don't have the number of vehicles, they are not going to pick up the garbage. Maybe the \$63,000. might be better spent buying two garbage trucks.

Director Zach replied the garbage trucks cost about \$60,000. per vehicle. Even if there was the additional money and the two garbage trucks, they don't have a decent route for them, they are not running an efficient program.

President Harris asked if he had received 8 new trucks.

Director Zach replied in the affirmative. The first had been delivered.

President Harris asked what size the trucks are.

Director Zach replied it is a different kind of truck. It is orbital, a circular truck in which the drum keeps rotating ingesting garbage as it is dumped in.

President Harris asked if it was comparable to the trucks which were recently purchased by New York City.

Director Zach replied in the negative. They have a drum rotating basis but their set up is so that you have a one man crew. They are in the process of negotiating a contract with their representatives of the sanitation men that will permit them to do the same thing.

Councilman Martinez asked why the City picks up so much garbage which should be handled by private contractors. There is an ordinance on the books restricting two garbage cans per residential unit.

Director Zach replied there are two answers; one they pick up more garbage than they are obligated to do. The reason for that is to provide an improved level of service and second is that if they don't pick it up, it is going to end up strewn all over the street any way. They have requested authorization to give the Division of Sanitation authority to issue summons for improperly placed garbage.

Councilman Johnson asked what the delivery date was on the remaining trucks.

Director Zach replied within the month of January.

December 30, 1980

Councilman Johnson asked what plans were being implemented for increased pick-up at the housing projects.

Director Zach replied one of the things worked out with the Housing is the implementation of them providing dump units. This provides for greater container ability. They don't have to handle the cans and can speed up the operation. Their money has been set up with the HCDA funding for that.

Councilman Johnson asked if the program was in effect.

Director Zach replied in the negative. His understanding from Mr. Blue was that as soon as the money was made available and the Council was acting on that money, they would go out and purchase the containers.

Councilman Grant asked if it wouldn't be wiser if his office would seek some of the personnel laid off, with the expertise relative to the routing system. Hire them back at perhaps \$15,000. per year as opposed to a \$60,000. contract for twenty weeks.

Director Zach replied the problem with that is two-fold. They tried to find people who they had laid off. Second they cannot guarantee any longevity with the City. If they put people back on it is going to cost the salary with the fringe benefits. If they put three people on at \$15,000. a head there is \$45,000. plus the fringe package, they are up to \$60,000. of the contract.

Councilman James stated maybe the Council needs a special conference to deal with the whole question. The Director has said he will privately deal with snow removal. Originally when they kept those 100 men we said "will there be available personnel to deal with the snow removal itself". At what point do we get back into the sanitation business by way of contracts. We are paying for a contract to pick up some areas. We have the City people doing one area. We said we would see which would be more productive and effective.

Director Zach stated they contracted out one-third of the City for collection purpose. This was for a demonstration program to find out if they could do it in-house. Council authorized the consultant to review the private versus the City. That report will be available in January. This will be the basis for Council to either decide to stay in the sanitation business or go back to the City pick-up or retain some kind of split.

Councilman James stated that when Pet-Am fails to produce, others fault the City. City personnel goes out doing the work that Pet-Am is paid to do. This is double billing on the part of the taxpayers.

Director Zach replied when there is a problem with Pet-Am, the Contract Administrator makes the determination that it is their responsibility. The City will pick up if they fail to do so. Pet-Am is back charged for the time the City spends doing Pet-Am's job.

President Harris requested Director Zach meet with the Council at a January meeting to further discuss this matter.

Director Zach asked if there was some way the Council could approve this, conditioned upon their meeting in January without his having execute the contract prior to that in the event they don't want to go with it. This is a year-end appropriation and if he did not make his commitment of money, he will not have the funding to do that.

A motion to adopt the resolution with the directive that appropriate reports indicated by Director Zach will be forwarded to the Council was made by Councilman Tucker, seconded by Councilman Grant and declared adopted by President Harris by the following votes:

Yes: Councilmen Bottone, Carrino, Grant, James, Johnson, Martinez, Tucker, Villani, President Harris.
